

New York Times News Subscription Overview

The New York Times's mission is to help people seek the truth and understand the world, and they do so through on-the-ground, expert and deeply reported independent journalism. **As part of your institution's All Access subscription, users can take advantage of the following features and benefits during the terms of their access:**

NYTimes.com Access - 170+ years of original reporting, investigation and analysis, including interactive graphics, visual investigations, Op-Docs, Live coverage, and more only available directly from NYTimes.com and the NYT News App.

NYT News App - Available for all of your iOS and Android devices, the app enables a personalized feed and push notifications on topics of interest. Preferences can be managed through App Settings.

TimesMachine - A browser-based digital replica of all issues from 1851 to 2002. Registered users through group subscriptions are able to download 5 PDFs per day, with unlimited browsing. Users through institutions with Onsite IP-Only access have full viewing privileges of TimesMachine, but cannot download any PDFs.

The New York Times Article Archive - Accessible via search, the archive provides partial and full-text digital versions of articles from 1851 to today and redirects to TimesMachine where applicable.

Subscriber-Only Newsletters - An exclusive collection of over 20 newsletters, available only to News subscribers; there are 80+ newsletters total. Users can select and manage their newsletters during onboarding, by going to the Newsletter page, or through My Account.

Gift Articles - Subscribers receive 10 articles per month to give to an unlimited number of people, including non-subscribers. Sharing is enabled via the gift icon in the article tools list under the headline.

Saved articles - Subscribers can save articles by selecting the Save button in the article tools list under the headline. Saved articles are accessible in the News app and on NYTimes.com by going to My Account or directly to your Reading List when logged in.

Select NYT Games - Wordle, Sudoku, and the Mini are available for free through NYT Games or the NYT Games app. Additional games, including Spelling Bee, The Crossword, Vertex, and more require a subscription to NYT Games.

Learning Tools - Education groups can receive access to inEducation, The Times's higher education curricular tool. The Learning Network is available to all and caters to students 13 years+.

NYT Audio App - Discover award-winning podcasts, "Reporter Reads" of articles, Critic Picks across movies, music, and food, and additional audio versions of journalism from other favorite magazines like Rolling Stone, Outside, and New York Magazine. The NYT Audio app is a News subscriber-only benefit.

NYT Games Subscription Overview

Since the launch of The Crossword in 1942, The Times has captivated solvers by providing engaging word and logic games. In 2014, we introduced The Mini Crossword — followed by Spelling Bee, Letter Boxed, Tiles and Vertex. In early 2022, we proudly added Wordle to our collection. We strive to offer puzzles for all skill levels that everyone can enjoy playing every day.

As part of your institution’s All Access subscription, users can take advantage of the following features and benefits during the terms of their access:

NYT Games Access - Access All NYT Games content on the web via [NYTimes.com/Games](https://www.nytimes.com/games), and access Wordle, Spelling Bee, Sudoku, The Mini, and The Crossword through the [NYT Games App](#), available for download on all iOS or Android devices. Each game publishes one new puzzle daily. Past puzzle archives are available for The Crossword and The Mini.

Spelling Bee - Make as many words as you can with 7 letters. Need help? Find hints and community with fellow solvers in [The Spelling Bee Forum](#), or by navigating to “Today’s Hints” and “Community” in the Games App

Wordle - Get 6 chances to make a 5-letter word. Track your stats and streaks and easily share your daily scores with friends. Find insights to improve your score through [WordleBot](#), available for NYT News subscribers.

The Crossword - Complete a daily crossword puzzle based on a set of clues. Subscribers can track their Crossword statistics and streaks, as well as access curated Packs of past puzzles and the full crossword archive. Learn more and connect with the NYT Crossword community through [Wordplay](#), [The Daily Crossword Column](#).

The Mini - Solve a mini crossword puzzle based on a set of clues. You can also invite friends to join your Mini leaderboard. To participate, they’ll just need a nytimes.com account. They don’t need to be subscribers.

Letterboxed - Create words using letters around the square.

Tiles - Match visual elements and keep your chain going.

Vertex - Connect the dots to reveal a hidden picture.

Sudoku - Decode digits through this classic number puzzle, minus the math

Wordle, Sudoku, and The Mini are available to non-subscribers. Spelling Bee allows non-subscribers to find a few words before prompting them to subscribe.

NYT Cooking Subscription Overview

NYT Cooking is a subscription service of The New York Times. It is a digital cookbook and cooking guide alike, available on all platforms, that helps home cooks of every level discover, save and organize the world's best recipes, while also helping them become better, more competent cooks.

As part of your institution's All Access subscription, users can take advantage of the following features and benefits during the terms of their access:

The New York Times
Wirecutter

Wirecutter Subscription Overview

Wirecutter is the product recommendation service from The New York Times. Our journalists combine independent research with (occasionally) over-the-top testing so people can make quick and confident buying decisions. Whether it's finding great products or discovering helpful advice, Wirecutter helps subscribers get it right (the first time).

As part of your institution's All Access subscription, users can take advantage of the following features and benefits during the terms of their access:

Access to Wirecutter - Access all content from Wirecutter on the web via nytimes.com/wirecutter. That's over 1,000 up-to-date, independent reviews.

Daily Deals - Wirecutter flags price drops on products that have already been reviewed, tested and recommended. This allows subscribers to find the best value.

How-To-Guides - Subscribers have unlimited access to expert advice, founded in research and testing, on everything from how to do your laundry better to how to clean stainless steel pans to how to shop for a desktop computer.

Personalized Reading Lists - Subscribers can personalize their experience by creating reading lists based on topics of interest.

Saved articles - Subscribers can save products and articles by selecting the Save button in the article tools. Saved stories are accessible at nytimes.com/wirecutter by going to [My Account](#).

Email Newsletters - Subscribers can get the best of Wirecutter directly to their inbox. Wirecutter has 2 email newsletters: Clean Everything and The Recommendation. Clean Everything is a weekly newsletter with step-by-step advice on how to keep everything at home squeaky clean. The Recommendation is a daily newsletter that brings the best of Wirecutter's independent reviews, expert advice, and intensively researched deals straight to subscribers' inboxes.
