PREFACE

Salem, Mass.

The undersigned, publishers and compilers of this directory, take pleasure in presenting this first Volume of a directory combining the two towns of Andover and North Andover, having purchased the copyright for same from Frank C. Hyde. The splendid co-operation of the business houses in both these towns and in Lawrence has been a great incentive and the publishers have spared no time or expense in making this, their first volume, worthy of the name Directory and to fulfill all the many requisites that such a book should stand for in a community. The pamphlet edition which is issued in connection with this directory and which is distributed free of charge to householders in the towns covered by the book, gives this directory a large circulation at houses, which makes an advertisement in this book of great value to the business men of the various places.

THE HENRY M. MEEK PUBLISHING Co.

TO WHOM IT MAY CONCERN:

This is to certify that I have disposed of the copyright and good-will of the directory for Andover, also for North Andover, which I purchased of W. E. Shaw, to the Henry M. Meek Publishing Company of Salem, Mass., and trust that encouragement and support may be given my successors, in whom I have every confidence.

Signed,

FRANK C. HYDE.

STANDARDS OF PRACTICE

.....FOR.....

DIRECTORIES

The Publisher of a directory should dedicate his best efforts to the cause of business and social service, and to this end pledge himself:

1. To consider, first, the interests of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what directories contain, to study public needs, and so far as possible make directories supply them; to revise methods and classifications so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer to seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publication.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers rather than on number of copies sold.
8. To co-operate with all organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of the field which he serves, and then to strive in every legitimate way to promote that function.

PARCEL POST REGULATIONS

FOURTH-CLASS MATTER (DOMESTIC PARCEL POST)

FOURTH-CLASS MATTER EMBRACES that known as domestic parcel post mail, and includes merchandise, farm and factory products, seeds, cuttings, bulbs, roots, scions and plants, books (including catalogues), miscellaneous printed matter weighing more than four pounds, and all other mailable matter not embraced in the first, second and third classes.

EXTENT AND USEFULNESS OF PARCEL POST. The domestic parcel post offers a convenient, quick, and efficient means of transporting mailable parcels to any post office in the United States or its possessions. The service reaches more places than any other transportation agency. It brings producers and consumers into closer contact, thus opening the way to reducing the high cost of living. Special treatment and advantages are accorded to shipments of farm products weighing between 20 and 50 pounds. Low postage rates, based on the service rendered, are provided. The rates to near-by zones are particularly advantageous. Parcels may be insured against loss and may be sent C. O. D.

RATES OF POSTAGE—TO BE FULLY PREPAID—UNSEALED—are as follows:

(a) Parcels weighing 4 ounces or less, except books, seeds, plants, etc., 1 cent for each ounce or fraction thereof, any distance.
(b) Parcels weighing 8 ounces or less, containing books, seeds, cuttings, bulbs, roots, scions, and plants, 2 cent for each 2 ounces or fraction thereof, regardless of distance.
(c) Parcels weighing more than 8 ounces containing books, seeds, plants, etc., parcels of miscellaneous printed matter weighing more than 4 pounds, and all other parcels of fourth-class matter weighing more than 4 ounces, are chargeable, according to distance or zone, at the pound rates shown in the following table, a fraction of a pound being considered a full pound.

THE LIMIT OF WEIGHT of fourth-class matter is 50 pounds for parcels mailed for delivery within the first and second zones, and 20 pounds for all other zones.

LIMIT OF SIZE. Parcel post mail may not exceed 72 inches in length and girth combined. In measuring a parcel the greatest distance in a straight line between the ends (but not around the parcel), is taken as its length, while the distance around the parcel at its thickest part is taken as its girth. For example, a parcel 35 inches long, 10 inches wide, and 5 inches high measures 65 inches in length and girth combined.

NAME AND ADDRESS OF SENDER. A parcel of fourth-class matter may not be accepted for mailing unless it bears the name and address of the sender, which should be preceded by the word “from.”

INSURANCE OF FOURTH-CLASS MAIL

FEES AND CONDITIONS. Fourth-class or domestic parcel post mail (but no other) may be insured against loss upon payment of a fee of 5 cents for value not exceeding $25, or 10 cents for value not exceeding $50, in addition to the postage, both to be prepaid with stamps affixed.

Such mail may be insured at any post office or station thereof, or by rural carriers. The sender must fill out an insurance tag, which will be furnished him on request, to be attached to the parcel.

WORTHY OF YOUR CONSIDERATION

A CHECK ACCOUNT is a convenience that you should not be without. It helps your standing—promotes your credit—and acts as a receipt for every bill you pay. We welcome your account, large or small. Start a check account now and enjoy its benefits.

A SAVINGS ACCOUNT cannot be surpassed as an incentive and aid to saving. Money deposited in this department draws interest from the first day of each month. Interest compounded quarterly.
