### WOMEN'S CLUBS CONVENE

Tenth District of Massachusetts Feder ation Convenes at Shawsheen With Eighteen Clubs Represented

Eighteen Clubs Represented

The conference of the tenth district, Massachusetts state federation of Woman's clubs, was held Wednesday morning and afternoon in the assembly hall of the Administration building with nearly 200 in attendance. Mrs. Lewis A. Hovey, director of the tenth district was in charge.

Mrs. William A. Green, president of the Shawsheen Village Woman's club extended a greeting to the delegates and the remainder of the morning session was given to reports from chairmen of various committees. Two members of the hostess club gave reports for state chairmen, Mrs. Francis Wilson of the committee on conservation of national resources and Mrs. Vernon Walker, member of the citizenship training committee. Other reports from chairmen of the following committees were heard: Committee on education; American home; international relations; community service; civil service; co-operation with war veterans; press and publicity; federation topics; mothercraft and child welfare; social welfare and public health. Mrs. Fred Pigeon, chairman of legislation is reported on bills before the Senate in a most interesting way. Round table discussion followed the reports.

lowed the reports.

Luncheon was served in the Crystal ballroom. Rev. C. W. Henry was present and
invoked the divine blessing. Mrs. Harold
Rutter was in charge of the arrangements and
decorations which consisted of orchid and
pink and spring flowers. During the luncheon
the club chorus, the only one in the tenth
district, and under the direction of Mrs.
Frederick C. Smith, sang three numbers in a
splendid manner. They were assisted by Mrs.
Henry J. Simmers, who sang two solos and
Mrs. Clyde White, flute soloist. Mrs. Frederick C. Smith was accompanist.

An address by Mrs. Azel A. Packard,

erick C. Smith was accompanist.

An address by Mrs. Azel A. Packard,
president of the state federation opened the
afternoon session. Mrs. Carl Schrader, first
vice president gave a short talk and she was
followed by Mrs. Frank Bennett who spoke
on Junior membership. Reports were given
by the chairmen of the Inter-racial unity,
fine arts, music, literature and club institutes
committees. Mrs. Donald Carter, first
president of the Shawsheen club addressed
the members.

president of the Shawsheen club addressed the members.

At the roll-call, eighteen out of the twenty clubs in the district responded. Those rep-resented were Shawsheen, Tuesday club, Andover, 1900 club; Billerica, Georgetown, Groveland, Haverhill Woman's club, Inc.; Haverhill council of Jewish women, Haverhill 24 club, Fortnightly club, Lawrence; Foun-ders club, Tuesday Sorois, Lawrence Wom-an's club, Methuen Woman's club, Middle-sex Woman's club, Lowell, Newburyport

George A. Higgins: In the absence of the Moderator to call the meeting to order I am calling to your attention that before Mr. Stearns departed for Europe he told me that he expected to be back to take charge of this meeting, but in a telegram last week he stated that it would be impossible for him to be here. Therefore it will be necessary for the meeting to elect a Moderator by ballot. Mr. Stearns also informed me before he went that Mr. Alfred L. Ripley, a previous moderator, had kindly offered his services if the town so desired. He also has been South but I understand was to arrive in Boston between 12 and 12.30 and would have a machine to meet him there, so we expect him here any time, if the meeting wishes to elect him as tellers to prepare ballots for moderator. F. Homer Foster: Wouldn't it be all right if some of us refused to vote and allow the rest of them to vote?

Mr. Higgins: It is entirely within the meeting to allow the polls to close after the voting starts.

John Traynor: Are we discharging our Moderator before we start to elect another?

Mr. Higgins: There is no toher Moderator.

John F. O'Connell: I move that the polls

(Seven ballots for Alfred L. Ripley were ast and Mr. Higgins declared him elected

Mr. Higgins: Is Mr. Ripley in the hall?

The routine business of authorizing the Cown Treasurer to borrow money and the disposal of unexpended appropriations was summarily transacted and the Moderator declared the meeting adjourned at 5.35 in an almost empty hall.

The tax-rate as estimated by Town In a treasurer Thaster Eaton after the meeting will probably be \$26.50, one dollar more than last year.

Summary
Budget S57,193.36

Andover Post No. 8 American

Legion Frank H. Hardy: I would like to increase it to \$125.00 instead of \$1000.00. This is cause the Legion have found that \$1000 not enough to pay their running expenses d it is at their request that I make this hendment to the motion.

Brush Fires 1000.00 Claims for Damage to Persons and Property 3000.00

Claims for Damage to Fersons and 3000.00 James L. Toohey: I would like to inquire bout this. Every year we appropriate \$\$300.00 and spend much less. We could save a ouple of thousand dollars.

Mr. Hardy: We never know what this is oing to be. Some years there might be noting expended and other years it might take ney or all of it. We don't know what damages regoing to happen on our streets. Some ears it has been very hard. This year not nuch has been spent. The balance is turned not the treasury and is used for the reduction of the tax rate, so it doesn't make any difference, and we should be protected. This balance of \$2,834.92 was turned into cash and that amount of money will be used for he reduction of the tax rate. For instance, his year we will move that a certain amount of money be transferred from free cash to be

Mr. Hardy: I can't tell. In 1928 it wa

this way.

Mr. Toohey: I notice in other towns they
we operated that by having much less
nounts. In the majority of cases they have
propriated at the following meeting

ppropriated at the following meeting arger amounts.

Mr. Hardy: Of course we could do that, t would be an emergency and we could take t from a reserve fund. Being an emergency, we think it a better way to set up against this cocount three thousand dollars each year and what portion is not used turn it back for a eduction of tax rate.

Mr. O'Connell: I move that the sum of \$75.40 be appropriated and that the premiums be allotted proportionately by the Board of Selectmen among agents resident in Andover, and who have been in business with established Andover offices for at least five years.

oard. Mr. Hardy: I would like to be told where

ne extra amount comes from?
Mr. O'Connell: I took it from the amoun
n Page 94, insurance 87540. I will amend i
agree exactly with the chairman's point.
Mr. Hardy: We might let it stand as it is

on Fage 94, insurance \$7-30.1 will amend it o agree exactly with the chairman's point.

Mr. Hardy: We might let it stand as it is, and hold the difference as a margin of safety.

Mr. O'Connell: I have no opinion as to the amount, but I want to see the insurance divided among the residents of Andover who are doing business in the town of Andover.

Mr. Hardy: I think that would be almost impossible this year, Mr. O'Connell, as some of it has already been placed.

Mr. Traynor: I believe the Selectmen has got the power of giving out that insurance and I do not think any motion this town will make can make any difference one way or the other. I think it is all out of the way to be asking for this at this meeting. If you write them a letter and speak kindly to them about it they might give you something. But as my friend Hardy says, it is already placed and I have no doubt it is. I do not think the town ought to be bothered about it.

Mr. Hardy: We have always placed insurance with three things in mind, quality, service and price. These are the three things to be considered and it is reasonable to suppose that we should continue to do so. There is no reason if someone else in town could give us the same quality, service and price, they should not have it. No one has asked for it. Perhaps I should take that back, and say I think there was one young man came in to see us at one time but he din to come through with any figures.

Moderator: You say that this matter in which the Selectmen have power and the motion offered giving certain instruct tions cannot be a binding thing, but only expresses a town wish and the Selectmen may disregard it if they like.

Mr. Hordonell: Can a vote be taken to get the wish? I would like an expression of opinion from the town at the proper in the power of the proper is not the power of the proper of the town of the proper o

sclectmen have full power. It will never be trought to a head if we must quibble on that a point, and I would like to see an expression of opinion upon that article.

Mr. Hardy: I would like that too. After I was elected to the board I went into this matter of insurance and I got an insurance company with offices in Shawsheen villege, Starkweather & Shapleigh, whose main office is in Providence, to go over the entire insurance situation, make a survey and find out whether we were getting our insurance as as low a figure as it should be given to us. They made a careful survey, and a very extensive one, which would really have cost us money, but which they did for us every extensive one, which would really have cost us money, but which they did for us anything because we find that you are getting wonderful service, and we recommend that you continue to buy your insurance whereyou are buying it now.

Mr. Traynor: I want to correct my friend hardy that cannot give you this survey he speaks of I have been the survey in the company that cannot give you this survey he speaks of I have been the survey and the continued to be successed to the survey in the survey in the survey in the survey in the survey and the survey in t

# Baby's Future HEALTH Depends on YOU!!!

When your baby boy—or girl—grows up, his health will depend to a great extent on the BREAD he, or she, gets in childhood.

Bread and milk days are the foundation of their future health. They must have the very finest bread baked. QUALITY must come ahead of all else, if you want your child to have a firm, robust body, strong bones and solid teeth.

Give your youngster 20th Century Bread. Nature and scientific mixing and baking have crowded into this bread the sturdy nourishment children need most, and remember it is made with TWICE the amount of pure milk most bread recipes call for. Ask your grocer for 20th Century Bread—the health-giving loaf with the wholesome flavor that only quality ingredients can produce.

Hold Better Baking School

A group of interested women enjoyed demonstration lectures given by Miss Margaret Larsen on Monday and Tuesday after noons in the Knights of Columbus hall and sponsored by the Russell-Miller Milling company, millers of Occident Flour. The audience was small on Monday be cause of the interest in Town meeting but nearly fifty were present on Tuesday. In her first lecture Miss Larsen devoted the lesson period to the mixing and baking of various types of quick breads, and on Tuesday she took up cake and pastry.

Many helpful suggestions for the successful use of Occident flour were given and the delicious products were distributed to the audience. A handsome gas range with in sulated oven and a General Electric refrigerate installed by the Lawrence Gas and Electric company added greatly to the convenience of the demonstration.

Wise Action

Many causes contributed to the desistive defeat administered to the school proposal by the committee in foreing the issue in a year when economic conditions did not warrant appropriating plans that were unsatisfactory except possibly as to interior arrangement, a possibly as to interior arrangement, a factor against the project was the approval by the committee of Dubliding plans that were unsatisfactory except possibly as to interior arrangement, a month of the possibly as to interior arrangement, a month of the possibly as to interior arrangement, a month of the possibly as to interior arrangement, a month of the possibly as to interior arrangement, and the possibly appearance resulting from choosing that the possibly as to inte

satisfactorily.

If they have, in the opinion of many, become overzealous in their desire to expand manual and restrict mental training, they can be equally eager in their efforts to provide a curriculum that shall be less experimental and more than the development of a career than all the development of a

Fair Play

Guest the molecular plants of the season of the proportion of the proport

and losses; out of sickness and pain; out of wooing and worshiping; out of traveling and voting and watching and caring; out of disgrace and contempt, comes our tuition in the serene and beautiful laws,"—Ralph Waldo Emerson.

Public School Teachers' Association Presents Plays

Three well-presented plays were given under the auspices of the Andover Public School Teachers' association in Punchard hall last Friday evening.

school building needs might have been conveniences, as well as the unsightly appearance resulting from choosing that location.

Undoubtedly, too, the voters were influenced in their attitude toward the word to project by a desire to cheek the growing tendency to expand manual arts and vocational training in the public schools at the expense of fundamental mental discipline.

The voters acted wisely in rejecting what the school committee unwisely sponsored. While it is true that the committee members are elected by the town to look after the schools or in the matter of expenditures upon them. It is taxpayers' money that it is spending and it is subject to the approval or disapproval of these taxpayers.

The voters can be counted upon to endorse a sound and wise proposal just as decisively as they reject the present unsound and unwise one.

Fair Play

One of the most necessary attitudes to be assumed in all controversial questions is a spirit of fair play. Differences of pointing are invitable in family life neighborhood gatherings and community activities. These dividing plan, acceptable to the town, which were the street in the committee the assumed in all controversial questions is a spirit of fair play. Disapproval of the most provided plan, accepted with the sum of the public of t

that shall be less experimental and more fundamental.

Andover has for its superintendent a man of exceptional ability, a thorough gentleman and a good citizen. He is thoroughly competent to give Andover what it wants in the way of education in its public schools. He will do that and should have the cooperation of all to that end. The same can be said of the members of the school committee, all estimable citizens and devoted to their duties.

While the issue of whether Andover what it is and should have the cooperation of all to that end. The same can be said of the members of the school committee, all estimable citizens and devoted to their duties.

While the issue of whether Andover wants to continue the Junior high school plan was not acted upon specifically at the town meeting there was plenty of evidence of disbelief in its practicability, That some other communities have adopted the plan is not convincing proof that it is a success. On the other hand many citizens in communities

The Essex County Council of the American Legion will convene with Andover post, 8, American Legion Sunday afternoon, March 16. The business meeting will be held in the town hall, followed by a supper in the Legion hall. The principal speaker of the day will be Dr. Claude M. Fuess of Phillips academy, state historian of the Legion.

The next business meeting of the local post.

On Sunday evening, the service in Abbot hall was conducted by the Rev. Frank R. Shipman of Andover.

Under the general management of Barbara Smith, captain of the Griffin team, the Griffins gave a Chinese party in honor of the Gargoyles. An entertainment was given on the stage of Davis hall, and the guests and hostesses sat in colorful costumes on pillows on the floor of the hall, around tiny tables.

A debate on the question of whether or not submarines should be abolished will be given by members of the Q.E.D. society. Elizabeth Stout and Barbara Graham will give the arguments for the affirmative side, and Eleanor Ritchie and Barbara Healey for the negative.

### WEST PARISH

Mrs. Gordon Booth and children are visit-ng Mrs. Arthur T. Boutwell, Shawsheen oad, this week.

The Assembly of Ritualistic Instructio for Essex County Grangers which was hel at West Newbury on Saturday afternoo and evening was an enthusiastic and largely attended meeting, the count showing at attendance of three hundred and twenty-twe

Andover Grange entertained Danvers, Salem Depot and Enterprise Granges on Tuesday evening. Ninety visitors were present and seventy-seven Andover Grangers, The visitors gave a pleasing program and Andover Grange served light refreshments.

Robert Grant of Andover street is the Essex County 4-H Club Garden Champion for 1930. He has had the best and most carefully cultivated garden in the 4-H Clubs for three years. His reward is a week at Camp Gilbert, Amherst, in July with all expenses paid.

expenses paid.

The Ladies' Aid society of the West church will serve a Saint Patrick's Day supper Friday evening, March 14 from 6.30 to eight o'clock in the vestry. The menu will be chicken patties, mashed potato, peas, rolls, ice cream and coffee. The charge will be fifty cents per plate. Cut flowers, aprons and candy will be for sale.

Miss Virginia Stevens entertained her friends at a party on her birthday. A merry time was enjoyed by the little folks and games, favors and refreshments made the time pass swiftly. Those present were Janet Carter, Virginia and Barbara Batchelder, Peggy Little, Herbert Mueller, Marilyn Lewis, Warren Lewis, Phyllis Thresher and Bettie Thresher, Virginia Stevens and Shirley Lou Stevens.

with the claim of the continues to be the continues to the continues to be the continu william A. G. Kidd, died Monday after a brief illness. She was born in Dundee, Scotand, 43 years ago. Deceased was a member of the Andover chapter, 187, Order of Eastern Star.

She is survived by her husband, William A. G. Kidd; one daughter, Margaret; two sisters, Mrs. John Lawrie of Ballardvale and Elizabeth Sime of Andover and her father, David Sime. The funeral was held from the home of David Sime, father of the deceased, Thursday afternoon at two o'clock with services conducted by Rev. Alfred C. Church, pastor of the Free Church, assisted by Rev. Frederick, A. Wilson, pastor emiritus. Burial was in the family lot in Spring Grove cemetery where committed services were conducted by the Order of the Eastern Star.

MRS. WALTER S. DONALD

Mrs. Clara Clement Donald, widow of the late Walter S. Donald, whose death took passed away last evening.

She was born in Andover, April 1, 1853, the daughter of Moses and Mary Hunt Clement On May 13 1874 she married Walter David Company at 18 Mary 18 1874 she married Walter David Company and the condition. The method of the church, Rev. William H. Cotter, O. S. At the close of the meeting, of the Andover Chapter of the Lasue Walter and the Andover hand were dealer to a series of discovered the committed and the committed services were conducted by the Order of the Eastern Star.

MRS. WALTER S. DONALD

Mrs. Clara Clement Donald, widow of the late Walter S. Donald, whose death took passed away last evening.

She was born in Andover, April 1, 1853, the daughter of Moses and Mary Hunt Clement of Moses and Mary Hunt Clement of Moses and Mary Hunt Clement of Moses and particle Walter S. Assistant hastor at \$1.5 Lawrence scheduler.

### The Fight Against Diseas

Dr. Clarence S. Little, Director of the American Society for the Control of Cancer speaking last Sunday at Community church, Boston, urged his hearers to join in the fight against disease.

In speaking of cancer, Dr. Little said that many people are afraid to hear or to speak about cancer, because they think it shameful.

"This is stupid and an unwholesome attitude retarding progress, Cancer is a primitive growth taking many forms; it represents a continuance of growth of a part of the body after normal growth has stopped. At present

we don't know why the growth begins any more than we know why we stop growing when we do."

He pointed out the importance of being alert for all growths or abnormalities not accounted for and to see a good doctor at once if they are noted.

As to a cure for cancer he said no special cure has been found and warned against the advertising specialist. Surgery, X-ray, and radium are proving satisfactory weapons in the hands of experts to combat cancer in its early stages.

Births

March 1, 1930, at 1 Union street, twin daughters, Jean Edna and June Elizabeth to Mr. and Mrs. Intre E. Steiner.

whole thing be laid on the table.

Joseph L. Burns: I move that Articles 13 to 19 be taken up together and then we can satisfy some of these people. And then the question of \$34,850 can be taken up. Then we would be satisfying the finance committee on their two articles and the matter will then be referred to the Board of Public Works.

Moderator: On Article 13 we have already an amendment substituting a vote appro-

would be far better for them to receive relief, than to go out and waste your money. It is not good business to pay \$\$0,000 to get \$\$30,000 worth of employment. If you should give labor to the extent of \$500 apiece on \$\$32,000 it would mean 64 employees. Would that relieve the conditions in the town of Andover? No, it would not. This matter should have more time and consideration. It is fundamentally and economically wrong to ask this year for \$\$0,000 worth of water extensions, and particularly for a condition that exists only once in the history of a town. Spend \$15,000 or \$10,000 if necessary while the condition exists, but don't go to work and spend \$\$0,000. Moderator: On Article 13 we have already an amendment substituting a vote appropriating \$20,000. You can pass that and go ahead on Article 14 where an approved recommendation is made, then pass to Article 15, referring 16, 17, 18, and 19 to the Board of Public Works.

Mr. O'Connell: Can't we eliminate all this by having the amendments withdrawn and have Mr. Burns' motion prevail? I will withdraw mine.

Mr. O'Connell: Can't we eliminate all tms by having the amendments withdrawn and Mr. Lewis: That gentleman is all wrong. That is the total. We have not voted the total. We are voting now on the amendment for \$20,000. When we have voted all this water project, you can begin to holler. Let us not holler until we are hurt.

Mr. Shattuck: I would like to ask Mr. Lamont how he would like to go through a winter or a summer without any water in his house whatever?

Mr. O'Connell: Can't we eliminate all tms by having the amendments withdrawn and we Mr. Burns' motion prevail? I will withdraw mine.

Mr. Traynor: Keep your hands down.

(The amendments are withdrawn) Moderator: It is moved to act on Articles 13 through 19 as a whole.

Article 14.—To see if the Town will vote to his house whatever?

mitter or a summer without any water in his house whatever?

Mr. Lamont: That is just as absurd as a good many other things that have been brought up here today.

# Oil thins out quicker in winter

—then motors wear out faster

# Play safe—refill with Socony today!

OIL thins out quicker in cold weather because the choke is used oftener to give a rich mixture for starting. Every time the choke is used, a small amount of raw, unburned gasoline is sure to find its way into the crankcase. There it mixes with the oil-

### Thin oil will not prevent parts from grinding together

Diluted (thinned) oil cannot maintain that protecting film between parts which is so essential to keep them from grind-ing together. Motors become noisy, wear out quicker. Watch your oil closely in cold weather. Don't let it thin out to the danger point.

### A change of oil brings new life to your motor

Perhaps your oil has thinned out so gradually that you have not noticed the noise your motor makes. You will notice the difference at once, as soon as you put in new oil. Your motor will run perceptibly smoother, and the noiseswhich mean wearing of parts-will quickly quiet down.

Flush your crankcase when you change your oil

There is no way, winter or summer, to avoid a certain amount of dirt, metal particles and carbon finding their way into your crankcase. You don't want them to mix with the new oil, and the only way to get rid of them without taking down the motor is to have your car flushed. Socony Dealers and Service Stations are justifiably proud of the efficient service they render in this respect with Socony Flushing Oil.

### Your hard-working winter motor deserves a change of oil

Winter is by no means over. There is still cold weather to come. Get through it safely and comfortably by changing your oil now. Have the old oil drained off—your crankcase flushed—and refill with Socony lubricants. The Socony dealer or Service Station knows exactly which lubricants have the proper body to give you the best lubrication at varying temperatures.

With the motor flushed and fresh oil added, you'll have nothing to worry about-for Socony lubrication is Certi-

# "That's what I call economical fuel.

You'll say so too after you use it.

Contains less ash and gives more heat. Nothing left worth sifting. In spite of its low cost thousands in this town are already convinced of its superiority.
