Agitation for New League Increasing

Supporters of the baseball league planned by members of the Post Office and Andover Press ball teams are finding certain difficulties in their plans. Seven teams have specified their desire to play, but now the difficulty comes in finding diamonds for the teams to play on. The Town League has the playground every night except Wednesday and the playing field in Balmoral park is also used every night except Wednesday. The old Smith and Dove Cricket field is not used, but grass is growing high on it, and the question is "Who is going to cut it?" It is not known whether the league would be allowed to use any of the Phillips academy diamonds.

The seven teams which would make up the league are the Post Office, the Press, the Fletcher Street All-Stars, the Shawshen Wildcats, the V. F. W., the Rockport Market, and the Rovers.

The teams have been playing practice games with each other during the last few weeks. The Press twice defeated the Post Office and was defeated Wednesday night by the Vets. The Shawshen Wildcats, coached by Eugene V. Lovely, defeated the Mailmen on the same night in Shawshen. The members' main purpose in forming the league is to have a little fun after a hard day's work, and the last place team is expected to enjoy the playing as much as the league leaders.

Baptist Church Receives Gifts

The congregation of the Baptist church last Sunday morning responded with gifts which had been collected by the various departments and Sunday school classes during the year, the purpose being to reduce the mortgaged indebtedness incurred by improvements made on the property. The total amount received, \$441, is very gratifying considering the economic condition of the country. The various departments are already planning for gifts for next year.

Golden Wedding of Academy Couple

Mr. and Mrs. George T. Eaton of Bartlett street observed their golden wedding anniversary Wednesday at their summer home at Pine Point, Maine. Mr. and Mrs. Eaton were married in Andover in 1882. For fifty years, from 1880 to 1930, Mr. Eaton was an instructor in mathematics at Phillips academy, retiring two years ago at Commencement. He is a graduate of Phillips academy and of Amherst college, and for two years before his appointment at the academy he taught at Monson academy. The most beloved and respected of the alumni on the Hill, he is known as "Pap" to all Andover graduates.

Mr. and Mrs. Thaxter Eaton made the trip to Pine Point Wednesday to pay their respects to Mr. and Mrs. Eaton.

For information call 1155-W.

A new feature will be introduced this year. Each department will conduct its own extracurricular work. The Indian group for instance will specialize in Indian craft.

Punchard Alumni Conduct Enjoyable Annual Reunion

Many Graduates Return to High School for Annual Event—Man from California Wins Prize for Coming Greatest Distance—Officers Elected

Perhaps the most pleasant alumni reunion ever held by the Punchard Alumni association was the one which was enjoyed last Friday night by 176 graduates and friends of the school, who gathered in Punchard hall to meet their former classmates, to pay respect to the faculty of the school, and to welcome to their ranks their newest members, the class of 1932. Alumni came from great distances to renew acquaintances. Walter E. Stack, 14, of San Luis Obispo, California, father of Lincoln Stack of the graduating class, was awarded the silver loving cup presented each year to the alumni who has traveled farthest to attend the reunion.

President J. Ashley Barnes presided over a short business meeting. In a few words he expressed appreciation to the American Legion, the Lions' Club, and all others who helped to make the boasters' day last fall a great success. Frederic S. Boutwell and Myron E. Guttererson were thanked for the flowers used in decorating the hall.

Walden Bassett, '24, was elected president for the coming year, and the other officers are as follows: First vice president, Geoffrey B. Nicoll, '21; second vice president, William A. Doherty, '25; third vice president, Irving J. Whitcomb, '27; secretary, Miss Marjorie R. West, '27; treasurer, Sumner Davis, '24; statistical secretary, Miss C. Madeleine Hewes, '96; assistant statistical secretary, Mrs. George B. Brown, '18; executive committee, Winslow Knowles, '78; Herbert Carter, '11; Miss Caroline F. Reed, '26; William V. Emmons, '27; Miss Gertrude Berry, '16; Clifford Wadman, '29 and Miss Ruth Swenson, '31.

John V. Holt was re-elected trustee of the alumni scholarship fund for a period of three years.

The nominating committee: Mrs. Walden Bassett, '25; chairman; Miss Ella Holt, '78 and Frank R. Petty, '12.

The class of 1897, holding its 35th reunion, gave \$46.65 to the alumni scholarship fund, while the class of 1907 holding its 25th reunion donated \$10 to the same fund. The presentations were made by Mrs. Charles S. Warden and Mrs. Gordon R. Cannon respectively.

Every year the two classes with the best attendances are awarded bouquets, one to a class which graduated before 1902 and the other to a class since 1902. This year the bouquets were given to the class of 1902 with nine of its 34 members present and to the class of 1897 with one of its two members in attendance.

James P. Roberts of Delhiham accepted the award for the class of 1892 and announced that he would take it to Mrs. William Leslie, the former Maude Cole, of Melrose whom he had not seen since his graduation 40 years ago.

Watchman Burned at Rubber Plant

Richard Kaley, a watchman employed at the Tye Rubber company plant, was painfully burned in both arms Sunday morning when a flare-back from an oil heater caused a fire in the boiler room of the recreation building. The fire department fought the fire with great difficulty for three quarters of an hour before it was extinguished. The boiler room except for the woodwork about the windows is fire proof, and this fact prevented further damage to the building.

Dr. J. J. Daly treated Kaley's injuries.

Award of Contract Held up by State

Work on the traffic lights at the junction of North Main and South Union streets will be resumed next week, it is expected. Over a month ago, the traffic island was constructed, but since that time, nothing further has been done. It was learned through a telephone call by Selectman Frank H. Hardy to the State House yesterday, that the contract for the lights had not been awarded. The low bidder is the Electro-Matic company, from whom the town rents the lights at Chestnut and Main streets. The state authorities intend to inspect the timer of the Electro-Matic lights before awarding the contract. The money for this work was appropriated by the town at the annual town meeting in March, but work did not start until a short while ago.

The traffic island at present consists of a curbing on the east side of the street car tracks. Inside the curb is a plot of gravel. There will be a light in the center of this plot when the work is finally done.

Historical Society Garden Opened to Public Wednesday

Large Attendance Views Newly Laid Out Grounds Planned with Cooperation of Garden Club—Old Sun Dial Proves of Particular Interest

Many garden-lovers visited the Andover Historical home Wednesday afternoon to view the new gardens which were planned by the Historical society and the Garden club.

There was much surprise and admiration of the garden, so new and so young in its old-fashioned setting but with an appearance of age and permanency.

There is larkspur and foxglove of course, mallow pink and an unusual yellow lupine, pansies and ladies' delights smile at one another across the path. The herb plot grows slowly with roots of spearmint, balm, chives, tansy, southernwood and tarragon. Others are desired.

The rose garden contains several varieties but few have begun to bloom. An ancient blue-rose from the early garden of Captain Stephen Abbot is particularly prized as the first contribution to a "memory garden."

It is hoped that other contributions will be donated from other early Andover gardens. A flourishing pink dog-wood presented by the Natural History Society adds much to the shrub border. There is an interesting holly root which bears a yellow blossom, and white rose rugosa are there and others of interest.

While this occasion served as an opening day, the gardens are accessible and welcome visitors at any time.

The hostesses received the visitors in the historical rooms on the first floor. The list included Mrs. Charles E. Abbott, Mrs. Dudley Freeman, Miss Clara Baldwin, Mrs. Woodson Ezell, Mrs. Albert Lowe, Miss Bessie Goldsmith, Mrs. Albert Chamberlain, Mrs. Charles D. McDuffie, and Mrs. George F. French.

At various places throughout the gardens lemonade, cake, candy and colonial bouquets were being sold by a group of young ladies, consisting of Barbara Chamberlain, Helen Tower, Marietta Tower, Ruth Stott, Eleanor Johnson, Ann Butler, and Clara Holland.

Along with the garden display there was an

Local Playground to Open Tuesday

The summer playground conducted back of Towse school during July and August will open Tuesday, July 5th for the summer term. This undertaking, which is conducted by the Andover Guild in cooperation with the Board of Public Works and School Department has proven very popular with hundreds of Andover young people.

Henry Myers, chairman of the playground committee anticipates the busiest and happiest season the playground has had with many good times for those who attend. Mrs. Charles Gabeler will also act upon the Guild committee, and active support is promised by the Mothers' Playground Association under the leadership of Mrs. M. E. Dalton.

The leaders, Margaret Davis, Caroline Abbot, and James Bisset have planned an interesting program and have new ideas which they feel will delight the children. Special activities and contests will be announced from time to time.

The playground will be open and supervised week days from two-thirty until dark or about nine o'clock. To prevent accidents and bad conduct children should not be permitted to visit the playground before or after hours of supervision. The Andover Police Department will assist in enforcing this rule. There were no accidents or bad conduct reported last year and no difficulty is anticipated this season.

The playground is a community undertaking and is open to all of all ages. Old and young are equally welcome; in fact, parents are urged to visit the playground as frequently as possible. The leaders find that the adults who come to the playground add much to the pleasure of the children and are helpful in many ways.

Miss Davis, Superintendent of the Guild, is this week attending the New England Playground Conference at Worcester. She has with her an exhibit of local playground pictures which she will use to illustrate a talk of "Andover's Playground Activities."

Two Lifeguards Renamed to Posts

John A. Robertson and George C. Forsythe have again been named the senior lifeguards at Pumps Pond for the summer. After rescinding their appointments two weeks ago, the Pumps pond committee last Friday announced that Robertson and Forsythe would be on duty seven days a week with each man working six hours a day. The pond is open from 9 in the morning until nine at night. Part of this time Robertson works with two of the assistant lifeguards appointed three weeks ago, and during the remainder of the day Forsythe will be in charge with the same two. The four assistants will alternate, two one week and two the next.

The pond opened officially last Saturday, and all this week great crowds have sought relief from the heat by swimming there. Miss Lillian Donovan is serving as matron as she did last year. Ernest Allicon of Lawrence, chief examiner of this district for the Red Cross recently reviewed the four assistant lifeguards, Albert Cole, William C. Crowley, Jr., Irving Whitcomb, and Albert McCarthy.

Mr. Cross of the Cross Coal Company is again lending a truck for transporting the children to the pond. Starting today, it will leave the Town Hall at one o'clock.

Be An Andover Patriot

With Independence day coming, it is perhaps a good time to point out something which is lacking in an undesirable extent here in Andover. The Fourth of July is a day set aside to commemorate the birth of that spirit which has made the United States one of the foremost of nations, a spirit of self-sufficiency.

Andover cannot draw up tariffs to boost its business, but the least the town can do is to adopt the spirit of Henry Clay's American plan. After the War of 1812 the Great Compromiser saw the need of making the country self-sufficient, and in a way Andover can also do this.

It is time for Andover to draw up its own Declaration of Independence. It is time for us to assert ourselves, to support our local institutions, to tell our friends about the town, to boost Andover, to boost its merchants, its manufacturers, its farmers.

Garden Opened to Public Wednesday

Continued from page 1. exhibition of many of the pieces from the Historical society's collection. Of especial interest was a pigeon net used in the days of long ago as a means of catching pigeons for pigeon pie and there were also many old spinning wheels.

The Historical society feels very grateful to William A. Trow for his gift of an antique cedar case. This probably attracted more attention than any other single exhibit in the grounds. It was once located at the old Squire John Kneeland house which is now occupied by Mr. and Mrs. James Anderson.

The committee wishes to express its thanks to the many people who have made donations to the garden and also to those who visited Wednesday afternoon for their keen interest. It is hoped that there will be more donations, for this is only the beginning of what the society hopes will be the most interesting garden in this vicinity.

The committee in charge consisted of Mrs. Chamberlain, Miss Caroline Underhill, Mrs. MacDuffie and Miss Alice Jenkins.

Coming Marriage

Miss Jennie Shamelis, daughter of Mr. and Mrs. Charles Shamelis, formerly of Andover and now of Ludlow, is to become the bride of Louis Godreau of Ludlow on Monday, July 4, in Springfield. Miss Shamelis is a graduate of Stowe Junior High school and of the Springfield Business school.

1932 -- THE "STAY-AT-HOME" SUMMER

For the fortunate few, the house at the beach or the country will be opened again—the vacation will be as usual, or travel at reduced rates will be enjoyed—

BUT FOR MANY OF US— Well, we must admit that prudence, and our pocket books will probably dictate

A STAY-AT-HOME SUMMER. One enjoyment we can indulge in, however, and we shall undoubtedly do it occasionally, and that is to gather the family into the automobile and take them out to dine, at places where the rates are attractive, the food delicious, and the atmosphere homelike.

The Manning Manse Tea Tavern in North Billerica, Mass.

It is such a homey place—a real old New England home—has been in the Manning Family over 230 years—and is in a perfect state of preservation. And the food? Well, they say it's the best tasting and the best served anywhere around.

Lunch \$1.25 to \$2.00. Tea 50c to \$1.00. Dinner \$1.50 to \$2.50. Reservations made by calling Mrs. Morris, telephone Billerica 49-4.

Special care and attention given for luncheons, bridge, club and committee meetings.

employ the present drivers, Johnson and Wright, for \$3350 or \$500 less than last year. There will also be more mileage covered next year. The decision was made after a great deal of time had been spent in figuring average costs of transportation. Figures had been secured from the Reo company and these were considered along with the figures peculiar to Andover. A comparison was also made with the average costs for the state.

It was also voted that beginning September 1, the high school children living within one and a half miles of the school should no longer be transported. The state average for all children is one and a half, while the state requirement is two miles.

The committee clarified its stand on the admission age of pupils at the meeting. A letter had been received about a child who will be six years of age on January 10, whereas the committee rule is that a child must be six before the first of January before he is admitted to the public schools. The committee feels that the rule must be adhered to, and no matter where it was drawn, there would still be border line cases. Several such cases arise each year.

Discuss Experience Rule

In considering the appointments, it was reported that there had been considerable discussion in town about the appointment of Miss Mary Bailey as assistant to the art supervisor. The committee ruling requires two years' experience, and Miss Bailey has had none. However, it was made clear at the meeting that the ruling applies only to regular instructors. Miss Bailey will have none of the responsibilities of the regular staff, and will be working under the direct supervision of the art instructor, Miss Oliff. Miss Jenkins, whose place Miss Bailey is filling, was also appointed without experience.

The committee voted to appropriate not over two hundred dollars for truck hire and the purchase of ashes for the parking space in back of the high school. The labor and the laborer's wages will be furnished by the Andover Emergency committee. It was estimated at the meeting of the Emergency committee a week ago that this job would give the school committee some \$125 at the town meeting for the installation of a traffic island and the installation of traffic lights at the junction of these two streets, and it seems strange that this work has not been done. About a month ago the island was put in, but for two or three weeks nothing further has been done. We paid for lights, and it would be rather nice to receive what we have paid for. It seems that there has been ample time since town meeting for the State to have awarded the contract.

Two books were listed: "Secretarial Training" by Reigner, published by H. M. Rowe company and "Drama and Dramatics" by Reigner, published by MacMillan and Company.

Punchard Alumni Annual Reunion

Continued from page 1

The percentages present from each of the reunion classes follows: 1931, 15 percent; 1929, 11.9 percent; 1927, 29 percent; 1922, 19 percent; 1917, 24.2-5 percent; 1912, 19 percent; 1907, 37.1-2 percent; 1902, none present; 1897, 20 percent; 1892, 50 percent; 1887, 35 percent; 1882, 20 percent and 1877, none present.

Myron E. Gutterison spoke on the splendid work of the undefeated football team of last fall and the fine spirit of the baseball team of this spring. He praised coaches Eugene V. Lovely and William L. McDonald and commented on the excellent school spirit of the student body. Mr. Gutterison then called for the school cheer leaders who led the alumni in loud cheers for the teams. Miss Mary Adams, Winkey, James Smith, Richard McGovern and Miss Marion Cutts, all of the class of 1932, were the cheerleaders.

Rev. A. Graham Baldwin of the faculty of Phillips Academy was the principal speaker on the program. After commending the school spirit shown at the reunion, he went on to speak of the friendly interest of the academy faculty in Andover and its work. Mr. Baldwin then mentioned the need for more real education continued by the means of reading even after one leaves school. By this way he asserted people will learn how to live and will gain a true sense of values.

Nathan C. Hamblin, principal of Punchard was the next speaker. He announced that the next year the enrollment will be increased from less than 300 to more than 425. Punchard hall is no longer able to hold the entire student body. The athletic association, he announced, was ending its season with all bills paid and a surplus of \$100 in the treasury. The roster's day had last fall was responsible for this record, he said. Mr. Hamblin then expressed his regrets that Mr. Barnes, president of the alumni association, and Mrs. Barnes of the faculty are leaving town after having given so much of their time in helping the school maintain its high standards.

The speakers were introduced by Leo F. Daley, 19, who acted as toastmaster. Seated at the head table were: Rev. Charles W. Henry, president of the trustees of the Punchard Free school; Superintendent of Schools Henry C. Sanborn, President J. Ashley Barnes '23, Leo F. Daley, '19, Rev. A. Graham Baldwin, Principal Nathan C. Hamblin and Rev. Frederick B. Noss.

BURNS—HUTCHINSON

The marriage of Miss Gladys E. Hutchinson of 14 Spruce street, Methuen, to Malcolm G. Burns, son of Mr. and Mrs. Matthew G. Burns of Dumbarton street was announced Saturday.

The ceremony was performed by Rev. Charles Mauer, pastor of the Methodist Episcopal church in Nashua, N. H. on May 20.

WEEKS—EDMANDS

The wedding of Ethel Jean Edmonds, only daughter of Mrs. Ernest C. Edmonds of Carmel road, and Roland Weeks, of York Beach, Maine, took place on Tuesday evening at six o'clock at the home of the bride's mother.

Rev. Frederick A. Wilson, D.D. who married the bride's parents twenty-four years ago, officiated at the ceremony assisted by Rev. Charles W. Henry, rector of Christ church who gave the bride away. Wedding guests included the immediate families of the bride and groom and a few intimate friends.

The bride wore her mother's wedding dress of white tulle trimmed with lace and a short veil caught up with a coronet of imported orange blossoms. She also wore her Great-grandmother Findley's pearl ring which is over a hundred years old and came from Scotland, and an old fashioned bracelet belonging to her Grandmother Findley. Her flowers were white roses and baby's breath.

Mrs. Wilfred R. Svenson was matron of honor and she wore flowered chiffon and carried Joanna Hill roses and lavender sweet peas.

Midshipman Allan C. Edmonds, a student at the U. S. Naval Academy at Annapolis, and a brother of the bride, acted as best man for Mr. Weeks.

Following the ceremony a short reception was held when Mr. and Mrs. Weeks received the best wishes of those present. A number of lovely gifts also testified to the esteem in which they are held. Caterer Harry Foster of North Andover served refreshments and the wedding cakes were cut by the bride and distributed to the guests.

Under showers of confetti the bride and groom left for York Beach where they will be this summer, after which they will live in Andover.

Out of town guests included J. W. Stubbs and Mrs. Diane and two children of Malden, Mr. and Mrs. John B. Russell and Jackie, Joan and Minerva Russell of Montpelier, Vermont, Henry Dea and children, Ruth and David, and Miss Ethel Howell of Georgetown.

Mr. Weeks was born in Framingham but makes his home at York Beach where he is employed during the summers.

Mrs. Weeks was tendered a miscellaneous shower Monday evening at the home of Mrs. James Edgar of Carmel road, with Mrs. W. R. Svenson and Miss Minnie

The pictures of the model farm were taken on the Slade demonstration farm at Hubbardston, Massachusetts. This is a place where new electric contrivances are tried out. The public is welcome at this hospitable farm home at any time and many things may be learned of the practical use of these conveniences. Among His Books

"I visit my friends occasionally," remarked the book lover, "merely for the purpose of looking over my library."

Hearing him we were reminded of a verse by Carolyn Wells:

They borrow books they will not buy. They have no ethics or religions: I wish some kind Burbankian guy Would cross my books with homing pigeons.

"Well, my wife has divorced me."

"And I remember the time when she used to wave her hand to you every morning when you left the house."

"Well, you see, it wasn't a permanent wave."

Trojans Battle Sherrill for Lead

The Trojans dropped back into second place last night when they lost 12-7 to the Ballardvale A. A. at the Playstead. The Sherrill club now leads the league by a very small margin. Only two games remain to be played and the winner of the first half championship cannot be determined until Saturday afternoon when the two top teams play at the Playstead. Tonight the Sherrill boys play the H. P. Hood team. No matter who wins only one-half game will separate the Trojans and the Sherrillites, and the game Saturday afternoon will be the all-important one. However, last Tuesday night the Sherrill club played a tie game with the B. A. A. and this may be played on if necessary. In the event of a tie between the Trojans and the Sherrill club for the league leadership there will be a one-game play-off. Last night at a meeting in K. C. hall representatives from the teams met to plan for the final games of the first half and for the first games of the second half. Edward Lefebvre, who recently signed to play for the Trojans, has resigned from the presidency of the league and his successor will be James Mosher.

The second half of the season is scheduled to start Monday afternoon when the H. P. Hood outfit battles the Sherrill team. The game last night between the B. A. A. and the Trojans was tied up at the end of the sixth inning at 6 all. In their half of the seventh, the Vale got two men on base by virtue of a single and a base on balls. Sweeney Trojan hurled, was then yanked, and Jimmy Roman succeeded him on the mound. Before

Ronan had retired the side, six Vale lads had crossed the plate. The Trojans added one in their half, the game ending 12-7. Jim O'Donnell was the batting star, getting 4 hits out of the box score:

Sherrill 4, B.A.A. 4

The Sherrill club, fighting for the lead in the Town League, found the last-place Ballardvale A. A. a stumbling block Tuesday night when the Vale team held them to a 4-4 tie in a nine-inning battle at the Ballardvale playstead. The B. A. A. was leading 3 to 2 in the seventh inning, but the Sherrill club came back to tie it up. In the ninth inning after each team had scored a run, the game was called on account of darkness. Dimlick of the B. A. A. besides striking out seven of the Sherrill players, hit a single and a two bagger and stole two bases. John Cole, Bisset, B. White, and Lawrie also made two hits.

Wildcats 17; Post Office 8

The Shawheen Wildcats directed by Tom Taylor swamped the Postoffice nine by a 17 to 8 score on the Balmoral diamond, Wednesday. Walker, Griffin and Mal Murphy of Punched fame hurled for the winners and held the losers scoreless until the final inning. A belated rally that drove Griffin from the mound gave the Mailmen eight runs in this frame. Buff Hurley with a home run and double was the outstanding batter. Leo Driscoll made a circus catch of a long fly, while Eastwood and Murphy also snagged line drives that cut off hits.

Trojans 3; B.A.A. 1

Francis Sweeney hurled the Trojans to a 3-1 victory over the Ballardvale A.A. last Friday night at the playstead, allowing only three hits and fanning three. The win gave the Trojans a big boost in their battle for first half championship in the Town League. The score:

V.F.W. 15—Press 12

The local V.F.W. baseball team went in for some long-range firing Wednesday evening and took the Andover Press nine into camp by the score of 15 to 12. The score was tied at 11 all at the end of the seventh, but the Vets made four runs in the eighth to take the game. The V.F.W. boys made ten of their runs in the last two innings. This was the Press team's first defeat. The V.F.W. team has not played much ball this year and when they did play, their record was unimpressive. However, the boys evidently had been imbued with new spirits over the weekend, and they played a hard-hitting game.

Holt, playing left-field for the Vets, was the outstanding hitter of the game. He connected for two triples, a double, and a single. Welsh made four singles. Collins and Renny of the Press nine also made doubles. Carney slammed out three singles and also made several good catches in left field. Erving started in the box for the Vets, but gave way to Welsh in the seventh. Johnson, who has been "iron-manning" for the Press pitched the entire game.

Runs batted in: Holt 4, Coyle 3, Lawson 3, Welsh 2, Carney 2, Grover 2, Polgreen, Winters, Collins. Two base hits: Holt 2, Stolen bases: Holt 2, Stolen bases: Holt 2, Stolen bases: Holt 2.
