"Reduce Our Outlay," Taxpayers Are Told

Holy Name Holds Its Annual Outing

The Holy Name society of St. Augustine's parish held its annual outing at Crowley's grove, West Andover, Sunday afternoon and the approximately 125 persons who attended were afforded a very enjoyable time.

Unfortunately, rain interrupted the program of baseball, a quills tournament, and races which were to be the feature attractions of the afternoon. The athletic and choir societies were guests of the Holy Name society and engaged in a lively baseball game before a similar contest was launched between the married men and the single men. At the close of the game the married men had defeated the single men 7-4, probably because their wives served as threatening incentives.

The line-up of the single men's team follows: John Cussen and Neil Cussen, p.; Joseph Lynch, c.; Thomas J. Lane, Francis Kelly, 1b.; Frank A. Nelligan, Edward Doyle, 2b.; Gerald Winters, Joseph McCavitt, s.s.; John Nelligan, James Doherty, 3b.; James O'Donnell, 1f.; Joseph Davis, William Hurley, cf.; Louis Dailey, Francis Sweeney, r.f.

Knights of Pythias Plan Annual Outing

Garfield lodge, 172, Knights of Pythias met in Fraternal hall and attended to routine business last Tuesday night. An inventory of the financial resources of the lodge showed that all accounts were well taken care of and in good shape. Thomas B. Gorrie was elected delegate to attend the meeting of the ways and means committee of the Andover Fraternal building association regarding the annual fair to be held October 28-29. Final arrangements were decided upon for the joint outing in conjunction with the Pythian club to be held Sunday, August 14, at the camp of Mrs. John Henderson, Great Pond, Kingston, N. H.

Expect Decrease in Old Valuations

For the past few weeks the Board of Assessors have been working on the revaluation of the property included in this year's assessors' survey, and the work is near completion. The Morse and Dickenson company have been buying more cards to turn in. All these have to be gone over individually and a valuation given to each piece of property involved.

It is expected that this year will see a slight decrease in the valuations of the property which was revalued last year. As yet no definite figure on just how much this drop will be has been arrived at. The decrease is due in part to the reduced cost of construction materials.

Andover Singers in Outdoor Concert

The annual outdoor concert of the Boxford Oratorio society will be given at the Kelsey Highland Nursery Saturday afternoon July 30, at 3 o'clock. Mendelssohn's oratorio, "Elijah," will be sung by the chorus which is made up of singers from a dozen communities, assisted by an orchestra. The oratorio will be dramatized and the chorus will be in costume.

Although some portions will be omitted, all the principal solos and choruses will be rendered. The principal part, that of Elijah, will be taken by Clifton Horne, bass, of Groveland. Mrs. Rosabel Seldon, soprano, of Haverhill, will sing, "Hear ye, Israel."

Other soloists will be: Robert Cargill, Shaw-Oreen; Harvlin Jordan, Groveland; and Raymond Guppy, Danvers, tenors, who will take the part of Obadiah; the Widow Edith Whittier, North Andover; Angels, Bernice Smith, Haverhill; Edith Clotby, Byfield; Mary Cleveland, Danvers; Ruby Clark, West Boxford and Ella Thayer, Haverhill; King, Albert Rand, Haverhill; Queen, Edith Lockhead, Andover; Youth, Peggy Wynton, Shawsheen. Other solo parts will be sung by Esther Hills, Boxford; Mrs. Weston and Miss Phillips, Danvers; Lillian Brown, Haverhill and G. Walter Brown, Georgetown.

This is the seventh annual outdoor concert of the society. Many music lovers attend every year and those who have not as yet will be well repaid for attending this year. The concert is held in a beautiful natural amphitheatre, and there is free parking on the grounds.

Gladys MacPherson will be the pianist and Horace Killam, director of music at the First Church of Christ, Bradford, will conduct.

Methuen Man Hurt in By-Pass Crash

Chester Spinney of 537 Prospect street, Methuen, lay in the wreck of his car on the by-pass for half an hour Monday morning before being discovered by a truck driver employed by the Ward Baking company at 7 o'clock. It is the belief of the Police department that while driving along the by-pass at about 6:30 a.m., the Methuen man lost control of his machine, which left the road and piled up against a telegraph pole.

The injured driver was rushed in the Ward truck to Andover square, where Patrolman Frank McBride was on duty. Spinney was then transferred to the fire department ambulance and taken to the office of Dr. J. J. Daly, who treated him for lacerations of the nose. Later when he had regained consciousness, the Methuen man was removed to his home in Dr. Daly's car.

Officer Carl Stevens investigated the case and found that the accident occurred 200 feet south of the new filling station on the by-pass. The machine was a 1925 Maxwell coupe. Spinney told Dr. Daly that he did not know what had caused the crash.

Music Director Conducts Festival

Walter Howe, director of music at Abbot academy, Andover and director of the Chautauqua choir at Chautauqua institution in western New York state, conducts the first choral festival of the summer season at Chautauqua tonight when the Chautauqua choir units with six regional choruses for the occasion. Five hundred mixed voices participate in the program which was pre-arranged by Albert Stoessel, director of music at Chautauqua institution, absent this season on leave to include several numbers performed by the Worcester Music Festival organization in the past, also under Mr. Stoessel's direction.

Assisted by the Chautauqua Symphony orchestra conducted by Georges Barrere, the festival chorus will sing "Spring" from Haydn's "Seasons" at the home of the Volga Boatman arranged by Mr. Stoessel; Grainger's "Tune from County Derry" and "Eulalie Deo" by the well known Boston composer, Mabel Daniels.

The following choral societies from nearby communities take part in the festival: choral society, Charles Le Sueur Operatic company and the Orpheus Male chorus, directed by Charles Le Sueur; the Olean (N. Y.) choral society, directed by Mrs. Allen B. William; the Erie Women's choral society, directed by Alice Sloan; the choruses of Fredonia and Dunkirk, New York.

Appearing for the second and last time this summer, the combined choruses of Chautauqua and nearby districts will perform the Manzoni Requiem by Verdi at the Chautauqua amphitheatre August 6 with Mr. Howe conducting.

Dolls in Contest at Playground Tonight

Doll land has been primping up the past week in preparation for the annual doll contest to be held this evening at the summer playground. New dresses have been made, including the latest creations and costumes from all nations. Crepe paper has been in demand as proud little "mothers" have been trying out the best way to decorate their carriages.

Prizes will be awarded this evening for the winners in various classifications, but to the many children who intend to participate, this is far from being the most important feature of the annual event. Very few will win prizes, but very many will derive real joy from participating, from dressing up their dolls, and from decorating their carriages.

Miss Susan B. Ripley is in charge of this contest, in which children of any age may participate. Prizes will be awarded in the following classifications: Largest, smallest, oldest, best home-made, most beautifully dressed, best pair of twins, most natural or life-like, most unusual, best national costume and best decorated carriage. Every doll must have a slip of paper on it giving the class and the child's name and address.

Couple Observe Golden Wedding

Mr. and Mrs. John Ferguson of 95 Abbot street celebrated the completion of fifty years of wedded happiness at the home of the bride yesterday afternoon and evening. The happy couple received 130 visitors from 4 to 6 and from 7 to 9. Many floral tributes decorated the home and numerous cards and gifts were presented to the couple by their host of friends as tokens of the high esteem in which they were held.

Mr. Ferguson was born in Nairn, Scotland, July 15, 1858, the son of the late Mr. and Mrs. Daniel Ferguson. His father was a jeweler in Inverness, Scotland. Mrs. Ferguson, whose maiden name was Mary A. Groat, was born in Elgin, Scotland, the daughter of the late Mr. and Mrs. David Groat. Her father was a confectioner and baker, also in Inverness. When the couple were children both families moved to Inverness where the two met. On the 20th of July, 1882 they were married by the late Rev. J. J. Black, D.D., of the Presbyterian church in Inverness.

When Mr. Ferguson was but 14 years old he started learning the jewelry business with his father. Thirty-five years ago in May, 1897 the couple came to this country and settled in Methuen. For a while Mr. Ferguson worked in Boston and later he and his wife moved to Concord, N. H. In 1907 they returned to Methuen and Mr. Ferguson entered the employ of the Henry P. Doe company. In 1917 he moved to this town and three years later he left the firm of Henry P. Doe company and opened his own jewelry store in the Musgrave building.

The couple have five children, three daughters who were with them for the anniversary celebration and two sons who were unable to attend. The daughters are: Mrs. Charles Wilkinson and Mrs. Anna Gibson of Reading and Mrs. Emma Henderson of North Easton. The two sons are Daniel Ferguson of Winnipeg, Canada, an electrical engineer and David Ferguson, a civil engineer in the treasury department, Washington, D. C. The couple have nine grandchildren.

Mr. and Mrs. Ferguson are members of the South Congregational church, and Mr. Ferguson is a member of St. Matthew's lodge, A. F. and A. M.

Mr. Ferguson operates his jewelry store at present at 47 Main street.

Emergency Committee Continues

Wednesday evening the Emergency committee held a meeting at the home of Frederick H. Jones, and decided to continue its efforts to ameliorate the situation. The committee received a good deal of verbal abuse Monday evening at the mass meeting, but it felt that this was not the true sentiment of the great majority of the unemployed. The meeting was called for the purpose of discussing the possibility of a special town meeting.

The committee will continue to function even though a special town meeting is called, and contributions are still welcome. Registrations at the office in the Town Hall have increased to over four hundred, and these will still be taken care of in proportion to their needs. Contributions may be sent to Thaxter Eaton, who is acting as treasurer in the absence of Claude M. Fuses, Walter E. Curtis has also been out of town the past week.

New Jewelry Shop Opens on Main St.

Andover added another name to its list of local merchants this week when J. Kendall Longe opened a jewelry and watch repairing shop at 3 Main street. Mr. Longe has been looking for sometime for a suitable location in which to go into business for himself. He learned his trade under his father, L. N. Longe of Springfield, Vermont, who has been a watchmaker for the past 30 years. He was also a student at the New England Jewelers' Institute.

Mr. Longe's experience includes twelve years of work with his father and a position as technical watchmaker for Mr. Stein and the Nonotuck Jewelry Store in Holyoke, of which he was manager. For the past year he has been watchmaker for F. Schneider of Lawrence.

The Longe Jewelry store is located on the second floor of the building at the corner of Main and Essex streets. The entrance is at number 3 next to the Cross Coal company's office.

Mrs. Longe, who is assisting her husband in his new enterprise, is the former Mabel Kean of Andover. She is a graduate of Pundarch city, Fr. Flynn is well fitted for his duties as a faculty member as he formerly taught at the Augustinian academy at Staten Island, N. Y., and at Cascia Hall, Tulsa, Oklahoma.

He was spiritual director of the Holy Name society here. Fr. Flynn's departure is greatly regretted by his host of friends and the best of wishes follow him to his new duties.

He is succeeded by Rev. Hugh P. O'Neill, O.S.A., who has come here from Bryn Mawr, Pa., where he served as curate at the church of Our Mother of Good Counsel for a number of years. Parishioners of St. Augustine's will remember that a former local pastor, the late Rev. John A. Nugent, O.S.A., also served as pastor in the church of Our Mother of Good Counsel before coming to Andover.

Fr. O'Neill had been a member of the teaching faculty of St. Augustine's college, Havana, Cuba, for two years previous to serving at Bryn Mawr. He graduated from Villanova college in 1917 and was ordained into the priesthood at Philadelphia in 1920.

For a short time Fr. O'Neill remained at Villanova as a faculty member before his removal to Cuba.

New Curate at St. Augustine's

Rev. Emmett O. Flynn, O.S.A., for the past six months the esteemed curate of St. Augustine's church, left Andover Sunday to go to his new post at San Diego, Calif., where he will teach in St. Augustine's school of that city. Fr. Flynn is well fitted for his duties as a faculty member as he formerly taught at the Augustinian academy at Staten Island, N. Y., and at Cascia Hall, Tulsa, Oklahoma.

He was spiritual director of the Holy Name society here. Fr. Flynn's departure is greatly regretted by his host of friends and the best of wishes follow him to his new duties.

Robbing Peter to Pay Paul

The periodic demand for a special town meeting has again arisen. It is unfortunate that his should happen, for even though a special appropriation would probably not be granted, a town meeting costs something of itself, for printing, legal advertising, checking, and police. Why do people insist on having a special town meeting called when they know that there is not enough public sentiment behind the proposed appropriation to ensure even a minimum of discussion upon it? Why waste the public's money?

If the people of Andover would take into consideration the situation that exists in other cities and towns throughout the state, they would realize that ours is an enviable position. There is unemployment everywhere today, and we are fortunate to have as small a list of unemployed as we have. We are even more fortunate to have that small list well taken care of. Despite the impassioned orations in the Town Hall Monday, there is no suffering, no starving in Andover. The Board of Public Welfare and the Emergency committee have seen to this, and if the voters of Andover do their duty, they will leave the problem in the hands of those who are now handling it so competently.

No one will deny that Andover has a fairly large group of unemployed, but at the same time no one can truthfully say that there are people starving in Andover. Everyone is supplied with the necessities of life. Undoubtedly, the unemployed would be able to enjoy more luxuries if a large appropriation were granted, but why rob Peter to pay Paul? Our most serious problem today is the white-collar worker, the man who was thrown out of work when his superiors decided that the office force must be cut down. Men like this must eat, too, but they are unable to do pick and shovel work and they are unwilling to ask for relief. The most we can do for them is to keep their expenses down to a minimum. Why raise their taxes so that the unemployed can work five and a half days a week? We have a low tax rate now, it is true, but even those at Monday's meeting complained of high taxes because of the tremendous boost in valuations. The assessors' survey has done enough to our tax bills; let's not make matters worse by raising the amount of appropriations.

Good work has been done by the Emergency committee. They are conducting their affairs on a systematic basis, and are looking to the future. Andover will not be foolish enough to tear down the structure that they have built. Andover has shown before and it will show again that it does not approve of what would be in effect an orgy of spending. If a special appropriation were granted, it would probably be spent recklessly as before and when it was all gone, the unemployed would once more be demanding aid.

A system in which men receive work according to the needs of their families, a system in which people are giving voluntarily and not being forced to give, a system in which future as well as present needs are considered—that is what the Emergency committee has built up. When this system is challenged at a special town meeting, the voters of

Andover will undoubtedly once again show their good sense and turn down any proposed appropriation.

A Thankless Task

Every public office has its thankless aspects, and the public welfare workers have the most thankless jobs of all. The Andover Emergency committee has been giving its time and its money to effect a solution for the unemployment problem, but Monday evening the committee was subjected to verbal attacks entirely unworthy of the citizens of Andover. The members of this board get nothing out of their work except the feeling of pleasure derived from knowing that they are helping somebody. They have plunged heart and soul into their task, and the least that those who are helped could do would be to appreciate their work. Some of those at Monday's meeting commended the committee, but the few who occupied the floor the greater part of the time derived great pleasure out of denigrating this group of men and women who are fulfilling their civic duties in this way.

This is not the proper spirit for the unemployed to take. If they want help, why do they fail to appreciate it when they receive work? This committee does not have to give up its time. It won't throw up the job right now, but it won't. As long as there is need in Andover, the town can count upon these people to help out. They have always been willing to hear complaints and rectify any mistakes. They have admitted the press to their meetings, and any reporter can testify as to the genuineness of their public spirit. They want to help; they have been trying to help; and they HAVE helped.

It is time for the town to get in back of the Emergency committee. Every voter should go to the town hall if a special meeting is called and vote against any proposed appropriation. And everyone who can afford to donate anything should do so. This is the only token of appreciation the committee wants.

Editorial Cinders

Last week the sign at the underpass on the Reading road was changed so that it now reads: "Andover—Four Miles." Instead of "Andover—Two Miles." We hope that this is a fore-runner of more corrections in these signs, for motorists are likely to wonder a little about the efficiency of the State Public Works administration when they realize that Reading, according to the sign in Elm Square, is nine miles away from Andover while in Reading the directions state that Andover is ten miles away. It also seems queer that in Elm Square a sign in front of the library reads: "28, Lawrence, 4 miles," while near the grass plot across the street another post bears the direction: "28, Lawrence, 7 miles."

The State Department of Public Works is still holding up on the installation of the traffic lights at South Union and North Main streets. A few weeks ago the officials at the State House said that work would begin the following week, but nothing has been done since. And we appropriated the money last March!

used a great deal of so-called "filler," material which had no bearing on Andover, but which was used merely to make the paper look big. This practice was discontinued in April under the present editor, and the paper was accordingly brought down to four pages. Several people expected a drop in circulation, but in general all except a few of the readers realized that there was just as much news matter in the paper as there had been in the former eight pages. The Townsman is glad to announce this new plan and thus make a return for the faith the readers have shown in the Townsman in the past.

Prizes Awarded at Whist Party

The Ways and Means committee of the Fraternal Building association were very successful in their whist party held in Fraternal hall Wednesday evening. Mrs. Ralph T. Berry won the door prize, a picture. Other prizes awarded were as follows: Mrs. Annie P. Davis, sugar; Mrs. Annie Anderson, bath towel; James Douglas, stationery; Mrs. Cole, kitchen set; Robert Lockhead, necktie; Mrs. Franklin Valentine, table mats; Mrs. Albert Stevens, shoe tics; Raymond Metcalf, tie; Mrs. Murch, apron; Mrs. Gunn, necklace and consultations, Mrs. Tina Winn and James Edgar.

Alice Shorten Wins Playground Contest

Bubbling over with enthusiasm, a noisy group of one hundred spectators watched thirty-five youngsters compete for the title of "1932 Soap Bubble Champion" in a novel contest at the Playstead last Friday night. After seven heats in which the tots blew bubbles of various shapes and sizes, Alice Shorten, aged 10, was crowned as the best bubble blower. The Misses Elizabeth Perry and Barbara Lord acted as judges and did very well. They found great difficulty in tracing the origin of many of the bubbles which persisted in floating away, some of the contestants using a brand of soap that floats.

Mary Moynihan, 9 years old, won second honors, and was followed by Robert Ross, George Bodenrader, Harry Duke, and Emma Snyder.

The contest was divided into six heats and a final, all of five seconds each. John McGrath and Herbert Patterson were the scorers and James Bissett the referee. This week a checker and jacksone tournament started, and this will continue throughout the summer. Tonight the annual doll program will be held on the Playstead with awards for the largest, smallest, oldest, best home-made, most beautifully dressed, best pair of twins, most natural or lifelike, most unusual, best national costume, and best decorated carriage. Miss Susan Ripley is in charge of this event.

Mass Meeting Proves Evening Of Good Fun

claw hammer. He brandished this aloft at the meeting, stating that this was the symbol of his profession, and he added that he would like to use it on some of "their heads." With this destructive remark, he asked for constructive plans.

William A. G. Kidd, who sponsored the special town meeting last January, was the first to rise. He asked if any members of the emergency committee were present, and Miss Anna Kuhn arose. He asked Miss Kuhn if she thought that the committee's work was successful, and she replied that she and the committee felt it was. After Mr. Kidd had ceased his questioning temporarily, another man arose and asked how a man was to get along on \$6.40 a week when he has to pay \$6.50 for rent. Another man mentioned that he was a cripple and his boy had only received one day's work in five weeks.

Mr. Kidd again arose at this point and asked why the soldiers were being pauperized. Mr. Burns took an air of indignation, and a little later he explained to George Knipe why young men did not receive work if their fathers were working. Having defended the emergency committee in this, he went on to say that there were some men on the committee who were good and some who were no good.

Charges Favoritism

George M. Squires, who was routed in his race for election to the Board of Public Works in March, asked why there was favoritism if any. Mr. Burns, who had asserted that there would be no air of favoritism during the town can use a direct answer. Edward O'Hagan supported Mr. Squires, but Thomas Fallon from the gallery said: "More power to the man who can get six days." He suggested an appropriation, saying that young men should be given work since they may be helping their family out.

Mr. Squires rose again to state that the proof could be found in the town books. When no one ventured to get the books, Arthur Marion complained of working conditions at the Spring Grove cemetery. Mr. Swanton however defended his action by stating that the man in Marion spoke of was lying down on the job. The crowd applauded Mr. Swanton for his statement.

Mr. Dwyer, who is well-known to town meeting crowds for his lengthy speeches, reminded the meeting that they were straying a long way from the point. He suggested that what was needed was a plan whereby the town can use a direct answer. The general tenor of his remarks was that the town should give out gardens to the unemployed and then they could plant their potatoes and so save the money spent. Mr. Kidd voiced the objection that it was a little late to suggest this, and he added that he could get enough from his land to feed a canary on.

Committee Purchases

After Mr. Squires had said something else, Joseph Chambers, the man who led the effusive orations for the state school at town meeting, deplored the fact that the town had refused to purchase a direct answer. He complained that the emergency committee had bought its shovels in New Hampshire and its rubber boots also out of town. He would vote for an appropriation of \$100,000, he said. He felt that the town needed a new reservoir and that there were some loose ends of work that could be cleared up.

Mr. Dwyer, forgetting temporarily that he had asked the meeting to stick to the point, next gave an address on the assessors' survey, the connection being that if the town had not spent this money, it could use it to help the unemployed. Mr. Dwyer then stated that the unemployed had been sent from the welfare authorities to the Board of Public Works and then back again. His suggestion was for a permanent organization of the unemployed, and after he had attempted to explain how a man could save over \$97 a year, he made a motion to adjourn. Then he went on to say that Burns stated that they were here to put people to work and not to form labor unions, and he ruled the motion out of order.

While the question of whether poor-house economics was in order or not was being thrashed out, Mr. Squires made a motion to adjourn the meeting. Then he went on to call a special town meeting to appropriate no less than \$10,000 and wipe out the taxpayers' association." Mr. Burns stated that he would take this up later.

Mr. Dwyer arose once again, but he was cut short temporarily when Mr. Burns asked him if he were going to stop talking tonight. Mr. Dwyer reassured him in words, if not in actions. Mr. Swanton was again applauded when he explained the purchases of the emergency committee which Mr. Chambers had mentioned before. He stated that the Andover merchant had received the contract for the shovels at a high bid, but that he had not produced the goods, and so Mr. Swanton went to New Hampshire at his own expense and bought the shovels at a low figure.

Moves Adjournment

C. Carleton Kimball arose and stated that all had aired their views, and then he moved adjournment. The crowd had not yet had enough however, and Mr. Burns ruled the motion out of order. The chairman started then on his main address of the evening in which he made frequent references to a "self-appointed Moses who rose to lead the taxpayers' out of the wilderness of excessive taxation." He stated that he was a personal friend of his for many years, and went on to condemn the chairman of the emergency committee on various points. He made a demand that Andover mills be reserved for Andover people. Next he suggested the reservoir job mentioned earlier by Mr. Chambers. Mr. Kidd moved an appropriation of \$10,000, and this was accepted.

Mr. Chambers suggested a further appropriation of \$20,000 for a new steam turbine pump so that the water could be pumped to the reservoir. Mr. Burns made him sit down after having told him that the pump would not be needed.

Mr. Chambers also moved \$15,000 for country roads in West Andover, and this was also accepted. Mr. Burns then suggested that if this were passed at town meeting, the taxpayers' officials should pay an equal amount out of their pockets. Thomas Fallon warned the chairman that he seemed to be leaning toward the Socialists, and Mr. Burns reassured the gathering that he was neither socialist, bolshevik, Libertine, or anarchist, though he felt that the Socialist party would poll a strong vote in the coming election.

O'Connell Speaks

At this point Mr. Burns called on Mr. O'Connell to say a few words and he intimated that he would later ask him a few questions. He warned the crowd to be courteous while the taxpayers' official spoke. Mr. O'Connell said in part: "I have driven today 110 miles to attend this meeting with the sincere hope that there might be even a single suggestion that would help a committee which is struggling to meet a really difficult situation. I expected just such a spectacle but I did hope that my name as president of the Taxpayers' and of the Emergency committee would not be so tossed about. I suppose that is one of the penalties one incurs when he attempts to do any civic work of a constructive nature. However there has not come from this floor a

single workable idea to help out in a genuinely serious situation. I even hoped that there would come from the four perpetual and professional politicians who arranged, and nominated this meeting, something helpful but true to type their pills leaves the situation unchanged.

"As the chairman says he has a vast respect for me and I have a very definite liking for him. I wish him success in everything he undertakes except his long-continued and unproductive attempts to be elected to anything by the citizens of Andover.

"Frequently I have stood upon this floor in Town Meeting and laughed and joked with you, but I couldn't laugh very much tonight. There are here sincere people without employment for themselves, or families, and for six weeks we have been hearing their stories and in a measure helping them.

"We are spending \$500 weekly given outright by the comparatively few people who have anything to give. People who have given us surprisingly large individual sums with only one suggestion, 'Please don't mention my name.' Is this \$500 enough? I don't think it should be double. Even trebled, but where it is to come from. Please tell us and don't scold us. We are not brilliant, as my friend says, neither are we of the committee wealthy. We have been told by outsiders Andover has handled the situation splendidly, but our committee feels we are not doing half what should be done.

"None of us wanted this job. I begged the chairman of the selectmen not to appoint me. . . . There are here tonight a few genuinely interested unemployed, who, I don't think feel that the time has not come for us and they—along with the three hundred registered unemployed who are not here—believe that our committee are, perhaps, as qualified as any the talkative quartet here tonight could appoint. I doubt if exploiting the unemployed will advance the office-seeking and the time has not come for us and they—along with the three hundred registered unemployed who are not here—believe that our committee are, perhaps, as qualified as any the talkative quartet here tonight could appoint. Swimming Lessons Popular at Poms

Pomp's pond has proved once again to be a very popular bathing resort and hundreds of children benefit by its cool waters every day. Under the supervision of John Robertson and George Forsythe, senior life guards, swimming is being taught daily. Forty-four children have already registered for the junior life guard tests and twenty-four have entered the lists for the senior tests. Fifty-six children out of the 112 pupils in swimming are in an advanced class. Any who desire to receive instruction in swimming or life-saving at Pomp's pond may do so by communicating with the life-guard.

Brigham Named Vice-President

At the quarterly meeting of the Board of Directors of the Merrimack, Cambridge and Lynn Manufacturers & Merchants Mutual Fire Insurance companies, of Andover, held on July 18th with President Burton S. Flagg presiding, it was voted to effect the following changes in the executive personnel: Frank L. Brigham, for 19 years General Agent, elected vice-president in charge of production; Edward C. Nichols, secretary; Herbert H. Veit, general agent, and Charles H. Cole, assistant general agent.

Camp Mayanuck Begins Season

Camp Mayanuck, located at Leominster and operated by the Lawrence Young Women's Christian Association is open to all girls of Andover, Lawrence, Methuen and other surrounding towns. Camp opened on July 16th and will close after Labor Day. The camp provides an ideal program of swimming as its special feature. Swimming instruction is given daily and there are special swimming periods for recreation. Four Red Cross Life Savers give instruction and patrol the water front. The beach is an excellent one, providing a swimming crib for beginners and diving for the advanced. Other features of the program which also are under expert direction are hand craft, first aid, nature, overnight hikes, campfires and boating. Each girl has an opportunity to choose those things in which she is most interested. Hand craft has been extremely popular with the campers. Almost every girl makes something in the Putter Shoppe to take home with her—birch candle sticks, baskets and purses are some of the articles made. The camp is ideally located in a pine grove. The girls sleep in screened-in cabins. Modern plumbing and electric lights add to the comfort of rustic life. A fine staff of trained counsellors have been selected. Registrations may be made by addressing the Y. W. C. A., 19 Orchard street, Lawrence, Mass.

Births

A son, Joseph Wilfred Alfred, to Mr. and Mrs. Daniel Beaudoin, Topping street, on July 17. A son to Mr. and Mrs. Leonard (Mary Carroll) Ronan at the Shawsheen hospital, on July 17. A daughter, Elizabeth, to Mr. and Mrs. Sterling (Elizabeth Sanderson Flagg) Dow in Portland, Maine, July 14.

Local Gun Club Victors at Everett

The Andover Sportsmen's club defeated the Everett Gun club, 204 to 199, in a team invitation skeet shoot at Everett Saturday. J. Pitman with 47 was the high man for the local team. The summary: Andover—J. Pitman, 47; R. Buchan, 41; H. Manthorne, 38; J. Judson, 38; W. Soutar, 40. Total, 204. Everett—Mrs. W. Pierce, 42; R. A. Lesson, 38; A. Lewis, 44; T. Ford, 43; E. Allen, 31. Total, 199.

Local Dividends Over \$300,000

Mutual savings banks throughout the state whose dividend periods come in June and July will release dividends amounting to about \$200,000,000, either in money or additional credits in passbooks of depositors, representing earnings for the half-year ending June 30. Dividends of the local mutual savings institution was in excess of \$400,000.00. The considerable sum ready for distribution to the 3,000,000 depositors in Massachusetts mutual savings banks represents an important addition to the available supply of ready money. This year's summer payment falls at a moment when the greatest need of business is a fluid movement of currency and the release of \$200,000,000 at this time cannot fail to be of benefit. It is an interesting fact that not a single institution among the 194 active mutual savings banks in Massachusetts will fail to pay its dividends this year. In fact, none of these institutions has omitted the payment of accounts of the entire present period of depression, a record said to be unequalled by any other kind of institution in the state and perhaps in the country. The only difference present conditions have made to savings bank depositors in Massachusetts is a slight reduction in dividend rates as a means of further increasing surplus accounts. Last year the average rate paid by all savings banks in the state was 4.38 per cent as compiled on December 31. Although the average has not been compiled for the first half of 1932 it will be nearer 4.25 per cent. At the same time the surplus accounts of the savings banks are increasing, thereby strengthening their back log of earnings. Officials of the savings banks report normal operations, with earnings maintained at the level of recent years. Dividends for the remainder of 1932 are well in sight and in some cases partly earned for the next six months. The total for the year will be in the vicinity of \$90,000,000. During three years of slackening business the mutual savings banks of Massachusetts have paid out more than \$300,000,000 in dividends upon deposits in excess of \$2,000,000,000. That means an average of \$100 each for every depositor in the state. The banks not only have paid dividends regularly during the three-year period but have fully maintained deposits, which amount to \$2,098,799,104.34 as of July 1, 1932.

1932--THE "STAY-AT-HOME" SUMMER

For the fortunate few, the house at the beach or the country will be opened again—the vacation will be as usual, or travel at reduced rates will be enjoyed—

BUT FOR MANY OF US—

Well, we must admit that prudence, and our pocket books will probably dictate

A STAY-AT-HOME SUMMER.

One enjoyment we can indulge in, however, and we shall undoubtedly do it occasionally, and that is to gather the family into the automobile and take them out to dine, at places where the rates are attractive, the food delicious, and the atmosphere homelike.

May we invite you to come out to

The Manning Manse Tea Tavern

in North Billerica, Mass.

It is such a homey place—a real old New England home—has been in the Manning Family over 230 years—and is in a perfect state of preservation. And the food? Well, they say it's the best tasting and the best served anywhere around.

Lunch \$1.25 to \$2.00. Tea 50c to \$1.00. Dinner \$1.50 to \$2.50.

Reservations made by calling Mrs. Morris, telephone Billerica 49-4.

Special care and attention given for luncheons, bridge, club and committee meetings.

Industrial League

The second week of play in the Industrial league finds the V. F. W. on top with two wins, and the Post Office and Townsman tied for second each with one win and one loss. The leaders are an experienced team—they are all Veterans. Many of their players were members of the old Andover Royals of 20 years ago, and they are still playing great ball. Jimmy Welch, Charlie Bowman, Frank Petty, Everett Collins, and Ed Lawson, now on the V. F. W. team, all played with the Royals, George Collins of the Townsman team and Freddie Keuhner of the Post Office were on the same team.

The J. E. Greeley company team is at present in last place. They are a young team, and in another week they should hit their proper stride. Just now they are inclined to be a little unsteady in their fielding and have literally thrown both their games away. The team has a bunch of heavy hitters, but so far they have been hitting in hard luck right at the fielder.

A meeting of the league committee was held last Monday night, and another will probably be held this Monday.

The standing:

Team	W	L	Ave.
Veterans	2	0	1.000
Post Office	1	1	.500
Townsman	1	1	.500

V. F. W. 15—P. O. 6

The Veterans of Foreign Wars went on an outing Tuesday night at the Playstead defeating the Post Office 15-6. In the first inning of the outing Fran Daly was bombed by the heavy artillery of the Vets for five hits and seven runs. Jack Deyermund finished the game in the box for the mailmen, but the V. F. W. group seemed not to care that he was the policeman's son and paid little respect to him, slamming him for eight runs.

Jimmy Welch besides hitting a triple and two singles made several scintillating stops at short and ran the bases with the speed of a 16-year-old. Pepper Martin with two out of three and Jimmy Dugan with three out of three were also big guns for the Vets. The winning team's left fielder was accused of Petty larceny by the letter carriers for three hit-robbing catches. Charlie Bowman almost retired the whole Post Office team single-handed when his bat slipped from his hands and flew in the direction of the P. O. bench in the third inning. Mattie Chetson, possessed with nearly as much steam as another famous Andover Mattie, twirled a good game for the Vets.

For the Post Office team Leo Driscoll, Vin Irvine, and Fred Keuhner were the best players.

Trojans 16—Sherrill 4

The Trojans emerged from a slump Monday night and fattened their batting averages considerably by collecting 13 hits to beat the Sherrill club 16-4 at the Playstead. Joe Davis, Aubrey Polgreen, Gordon Coutts, and Shank Nelligan piled up nine of the Trojans hits, while Peter Aldrich kept the eight Sherrill bingles well scattered. The Trojans lost no time in beginning their slugfest, amassing twelve runs in the first three innings, while the Sherrillites sent but one man across the plate. Ken Wallace and Lester Hilton were the leading hitsmiths for the losers.

Trojans Win on Forfeit

The Trojan-Ballardvale game at the Playstead last Friday night culminated in a riot, when Ballardvale protested a questionable decision at home plate. The game was forfeited to the Trojans. Going into the last half of the sixth, the Trojans were behind 7-10, but they rallied to put men on first and second with two out. Gordon Coutts then hit a Texas leaguer to left which took a mean hop to get away from both the 'Vale shortstop and left fielder. One run scored easily and the speedy Shanky Nelligan raced from first to home. Doot Bonner made an accurate throw to the plate in an attempt to get Nelligan. Umpire Jack Cussen called the runner safe and Ballardvale raised a loud protest and then refused to continue the game, forfeiting to the Trojans.

Another unusual feature of the game was a triple play made by the Trojans. Men were on second and third when a 'Vale player fanned. Catcher Joe Davis threw to Nelligan, who retired the runner there who had taken a big lead off second, and Shanky then plugged the ball back to the plate to catch the runner trying to score from third.

Jack Lawrie with four out of four was the leading hitsmith.

Townsman 14—Greeley's 3

The Townsman won its first game of the league season Wednesday evening when it took the Greeley aggregation into camp 14 to 3. The Press team slugged out 18 hits to the groceryman's 5, and this, combined with the 13 errors made by the Greeley boys, accounted for the defeat. Harold Johnson with nine strikeouts to his credit and a record of three hits out of four times at bat was the individual star of the game. One of his hits was a double. Collins hit three out of five, one of them being a two-bagger. Polgreen smashed out a triple, while Renny, Blackburn, and M. Grover also hit doubles. Winters made some fine catches in addition to hitting three out of four. Leo Allison with two out of four was the hitting star for the Greeley nine.

Town League

The H. P. Hood team knocked the Sherrill club out of first place in the Town league this week. The race, which last week looked like a walkaway for the Sherrillites, suddenly turned into a close, hectic struggle when the Hood team chucked up two victories while the Sherrill club was being slaughtered by the Trojans. Nor are the Trojans with three won and three lost yet out of the running. Sloppy fielding has kept them from climbing higher than third place. The Sherrill and B. A. boys have seven games left to play while the Trojans and Hood have more. The season is scheduled to end about August 7.

At the meeting of the league committee last night the protests by Manager Ed Doyle of two games in which Ballardvale played were thrown out. Doyle had protested the B. A. games against the Trojans last Friday and against H. P. Hood Tuesday night. The reasons for the protests are shown in the accounts of the two games given below. The committee also voted to allow Polgreen and Winters of the Trojans to play with the Townsman team in the Industrial league on Wednesday nights.

While the second half of the league season is nearing the halfway mark, the first half will not come to an end until Saturday night when the Sherrill club plays Ballardvale in a postponed game. If the Sherrillites lose, they will be tied with the Trojans for the first half championship and a play-off will be necessary.

The standing of the second half including Thursday's game:

Team	W	L	Ave.
H. P. Hood	4	1	.800
Sherrill	3	1	.750
Trojans	3	1	.500
B. A. A.	0	5	.000

H. P. Hood 10—B. A. 8

With Henry Porter starting with two doubles and a triple, the H. P. Hood nine defeated the Ballardvale A. A. 10-8 at the 'Vale Tuesday night in a six-inning game. The B. A. A. had one man on base with one out when the game was called on account of darkness. Al Dimlich with three hits out of three times at bat was the hitting star for the 'Vale team, along with Babe Lynch who made two out of two.

Barney O'Neil twirled for the Hood men, fanning six and walking the same number. Lawrie was the fielding star.

H. P. Hood 3—Trojans 2

Abie Swenson's four-hit pitching, coupled with the errorless play of his H. P. Hood teammates, proved to be just enough to defeat the Trojans 3-2 at the Playstead last night. Fran Sweeney pitched a great game, too, but the support given him by the Trojans was not so brilliant. The Hood men started the scoring in the first inning when errors by Deyermund and Polgreen produced a run. In the fourth they added two more as the result of a base on balls, a Mura single, and two fielder's choices.

The Trojans' two scores came in the last of the fourth when Nelligan walked, took second on Coutts' single, and reached third on Burbine's sacrifice while Coutts went to second. Joe Davis then came through with a single to score the two runners.

Tom Fallon was the only batter to get two hits.
