## Welfare Expenditures Hit New High in July

### Rise Is Seasonal, but Fifty Percent Higher than July, 1931—Transfer Aids Soldiers' Relief Funds—Will Need Transfer in Public Welfare

## Children Passing Tests at Poms

Andover's children are continuing to show the results of their swimming instruction at Poms' pond. Thirty-two have passed their beginners' tests, while twenty-four have passed the advanced tests. Others are expected to pass soon. John A. Robertson and George C. Forsythe have been in charge of this work.

The list of those who have passed follows: Beginners' Test (Jump into water over their depth, swim twenty-five feet and return)—Thomas Dea, Bruce Gesing, Mary Hastings, Alice O'Hagen, Mitchell Johnson, Shirley Specter, O'Connell, Cecilia Marceau, Marjorie Crosby, Brownie McCarthy, Maurice McKee, Russell Parker, Margaret Little, John Mitchell, Peter O'Hagen, Donald Cole, Edward Cole, Helen Walsh, Howard Procter, Margaret Delaney, Miriam Golden, Robert Procter, Ethel Cheroch, Marie Hutchin, Barbara Gormey, William Driscoll, Donald Burns, Esther Carney, Jennie Carney, Jeanne Thayer, Gladys Sanborn, Allen Dea, Minnie Manthorn, Marie Cope, Margaret Thompson, Anna Thompson and Arthur Coleman.

Advanced class of swimmers (Tread water 30 seconds, float motionless, plain front dive, swim 100-yards, side stroke using one other stroke also; witness a demonstration of artificial respiration, swim 50 feet on back, using legs only; execute a surface dive into six or eight feet of water recovering an object)—Elio Choquette, Madeline Choquette, Margaret Kennedy, Warner Richardson, Agnes Carter, George Brown, Clinton Gordon, Margaret Downs, Margaret Lyons, Winifred Burhine, Mitchell Johnson, Janet Marceau, John Mitchell, Russell Parker, Madeline Grou, Thomas Burns, James Flathers, George Flathers, Fred Morrison, Edward Cheroch, Eleanor Doherty, Thomas Davis, Joseph McNulty and Pearl Hurwath.

## Swimming Meet Planned at Poms

A week from tomorrow a swimming meet will be held at Poms pond under the direction of Senior Life Guards John A. Robertson and George C. Forsythe. The local post of the Legion is assisting in the plans. If possible an out of town team may be induced to compete with the local swimmers.

Those who wish to enter any of the events are requested to consult with the life guards before Wednesday, August 24. Various ribbons suitably engraved will be awarded the winners. It is also requested that boys wishing to try out for the local team in swimming and diving consult with the guards as soon as possible.

The boys have planned many interesting features, chief among them being a first class exhibition of modern life saving methods. A short act entitled Chinese Life Saving will also be demonstrated. Other events will include an egg and spoon race, a spectacular Monte Cristo sack event, and a fancy diving contest. Open entry for novices only include a 50-yard free style swim for boys under 14 years of age and a 50-yard free style swim for girls under 14 years of age. Following is a special handicap race for 100 yards free style swim for boys, and a 100-yard free style swim for girls (handicap).

## Grand Jury Trial for Everett Man

James H. Aker, 22, of 14 Henry street, Everett, operator of the touring car, who crashed into a truck at Carter's corner on August 8, causing the death of two women, was held for the grand jury in bonds of \$1500 on charges of manslaughter and operating to endanger, in District court Tuesday by Judge Frederic N. Chandler.

According to testimony, the accident occurred at about six o'clock in the afternoon. A Medford truck was being repaired on the right side of the road facing north, when the car operated by Aker came along. Aker testified that the steering wheel had locked when he tried to pass the truck. Inspector James J. Moore of the motor vehicle department testified that the defendant told him he was driving about 35 miles an hour and saw the truck about 100 yards away. The driver tried to turn the wheel which did not take hold until about 25 feet from the truck. Inspector Moore stated that drag marks of a tire showed on the roadway for a distance of 27 feet back of the truck.

Medical Examiner Dr. Victor A. Reed testified that of the two women who died as a result of the accident, Miss Lillian Middleton of Reading died from injuries to the heart and lungs and hemorrhage to the chest and Mrs. Daniel Reed of Medford died from a fractured skull.

## Ballardvale Vet Receives Award

Lewis N. Mears, Marland road, Ballardvale, has received the "Purple Heart" from the United States government on account of wounds received in action October 8, 1918, at Verdun, while serving as a private in Company L, 125th Infantry, in the World War. Private Mears was taken a German prisoner and placed in the hospital until removed from there to the American Hospital after the Armistice was signed. He is a member of the Andover American Legion, Post 8.

## Slain Body of Boston Man Found in Woods

### No Definite Evidence Found on Who Murdered Him, or When or Where it Happened—Many Theories Advanced, but None Substantiated

One of the most gruesome affairs which our town of Andover has yet experienced was uncovered last Friday evening at about 9 o'clock when Steve Chester, the operator of a filling station on the main highway, while looking for young trees about fifty feet off the road, found the badly deteriorated body of a murdered man lying in a group of trees. The slain man was found to be Frank D'Arrigo, 28 year old Boston tango dancer and would-be gangster. During the past week various theories and conjectures have been suggested, some of which are still being investigated and others that have been discarded. However, nothing definite in regard to who perpetrated the killing, when and where it took place, and why the man was killed has been decided upon. Two state detectives, Richard J. Griffin and Joseph F. Ferrari, have been working on the case and have done much towards revealing the fallacy of false leads.

Medical Examiner Dr. Victor A. Reed, after an examination of the body declared that the body had lain among the small trees since July 25, but he also states that because the body had been exposed to the sun's rays and the rain, deterioration may have been quicker than usual. He had the body removed immediately to the tomb at the Spring Grove cemetery.

The body was found on the 12th of this month indicating that it had been there unaccounted for perhaps two weeks or more. A checkup revealed that on Monday night, August 1, about 11 p. m., several shots and the screams of a man were heard on the Salem turnpike issuing from an automobile moving slowly towards Middleton. Harold Blodgett, who resides on that road, and his wife were startled by the screams and shots and Blodgett drove immediately to the North Andover police station where he informed the police of the suspicious sounds. The North Andover police went to the scene of the commotion and searched the road and roadsides with lights but failed to discover anything.

After the finding of the body it was suggested that the sounds heard by Blodgett and his wife were caused by D'Arrigo and his murderers. It is possible that this car may have taken one of the back roads leading to the Andover-Reading road near the by-pass and then could have conveniently deposited the body into the bushes. This, however, is purely hypothetical and has no substantiation.

The fact that D'Arrigo had a love affair with a Gloucester, North Shore, married woman about which the husband gained information and also that D'Arrigo left a girl from the West End with whom he had been keeping steady company until he met the married woman led to conjectures of his being killed by jealous husband or a revenge-seeking sweetheart. Both of these leads have been disproven though and a woman is no longer considered as being the murderer. The local police say that D'Arrigo was no underworld "big shot," but rather one who tried to appear "big" in the eyes of his associates. He was addicted to talking a great

## Legionnaire Robbed in Village Woods

Five persons whom Louis Sammarico of Medford had thought were Good Samaritans turned out to be quite the opposite when after offering him a ride home from Lawrence early Sunday morning they slugged him and robbed him of money and valuables in the woods of William Street, Shawshem. He was picked up at the corner of North Main and William streets by Joseph Carroll, truck driver for the Shawshem Dairy, Inc., and taken to the local police station.

He told Sergeant William R. Shaw he had been in Lawrence attending the Legion convention. While on Common street, an automobile containing four men and a girl drove up and offered to give him a ride home. When they came to William street, they took him into the woods and beat him up badly. They relieved him of forty dollars, Legion card, overseas cap, and a gold ring with a black setting.

He was suffering from a bleeding nose, badly cut lips, and sore ribs. Dr. J. J. Daly examined the victim and reported that no bones were broken.

## Pet Show Tonight at Local Playground

The annual playground carnival is to be held on Tuesday, August 30, this year, according to plans made at a meeting of the playground mothers' on Monday night. Many novel features will be introduced into this annual event, and judging by the enthusiasm displayed at Monday night's meeting, the carnival will be more successful than ever this year. The sub-committees in charge of the various booths and tables were appointed at the meeting, and they will cooperate with Mrs. M. E. Dalton, general chairman.

One of the most interesting of the events at the carnival will be the raffling off of the playground quilt. Over fifty persons have participated in the making of this quilt.

Tonight the annual pet show takes place in front of the grandstands at the Playstead. A great number of playground youngsters are expected to enter their favorite animal friends, and if the pet shows of former years are any criteria, the spectators will gaze upon almost as many different kinds of animals tonight as one would see on a visit to Franklin Park.

Tomorrow there will be an overnight hike for playground mothers, with the bus leaving the playground at 4.30 p. m. Every Wednesday for the past few weeks, the misses Elizabeth Perry and Barbara Lord have been conducting hikes to Prospect hill for the girls, and tomorrow the mothers will be given an opportunity to join in the fun.

A golf championship is now underway for those over 14 years of age. Preliminary contests are now being held, and the ten best golfers will be announced tonight. The finals will be held next week.

The checker tournament has also aroused plenty of enthusiasm. The winner in this event is to play Mr. Henry Tyer at the carnival, and at present, judging from the crafty work of the participants, it appears that Mr. Tyer will encounter plenty of competition. The jackstone contests, too, are very popular with the youngsters.

Behind the carnival and the pet show, the program for the remainder of the season calls for an Indian pow-wow a week from today and a field day on September 2.

The committees appointed to assist at the carnival are as follows:

Ice cream table—Mrs. Edmund Smith, chairman, Mrs. John McGrath, and Miss Margaret Davies; playground quilt—Mrs. Anne Driscoll and Mrs. Anne Coupe; candy table—Mrs. Chas. C. Sailer, chairman, Mrs. O'Melia, Mrs. Lillian Hackney, Mrs. Helen Brennan, and Mrs. Mark Surette; tonic table—Mrs. John Porter and Mrs. Alice Brennan; cake table—Mrs. Roland Gilnes, chairman, Mrs. Ell Surette, and Mrs. John Souther; grab—Mrs. Henry Tyer, chairman, Mrs. Herbert Walsh, Mrs. Charles Barnett, and Miss Marjorie Lowe; and handicraft exhibit—Miss Bissett, Miss Caroline Abbott, and Miss Margaret Davis, all of the playground staff.

## Eclipse Will Be 99% Total Here

The official Government map, showing the exact path of the coming eclipse of the sun on August 31st, as it crosses Canada and New England, may be seen on one of the bulletin boards at the Memorial Hall Library. The eclipse begins about 3.20 daylight time, reaches its totality about 4.30, and is over about 5.30. Andover is just outside the line of complete eclipse, but it will be 99 per cent total here.

The demand for a special town meeting, which subsided a few weeks ago, has bobbed up again, with William A. G. Kidd being the principal factor in this drive. Monday afternoon Mr. Kidd explained to the Townsman that he had told the unemployed that if they wanted a special appropriation, they would have to work for it themselves, and in accordance with this idea several unemployed have been gathering signatures to a petition which asks for \$30,000. Mr. Kidd has set his goal at 500 signatures. The petition will be presented to the Board of Selectmen, who he hopes will support the proposal.

Mr. Kidd's petition contains four articles. The first asks that a transfer of \$10,000 be made from the town's Emergency Fund. This amount is to be used under the direction of the Board of Public Works for the purpose of providing work. The second asks for a special appropriation of \$20,000 to be used in the same manner and for the same purpose. In the third section the petitioners ask the adoption of a forty-hour week for town employees. A third sum of money is asked in the fourth article for the purpose of providing expense money for a committee whose duty it would be to bring to Andover "good, sound industries."

At noon yesterday over fifty signatures had been secured, and at that time Mr. Kidd said that he expected one hundred by nightfall. Although he intends to have five hundred people sign the petition, he stated that to expedite matters he may present the petition to the selectmen earlier if the signature collectors are slower than he expects.

### Sunday Sports Possible

The former candidate for selectman would be willing, he said, to allow anyone to insert an article that the town adopt the Sunday sports law. For some time there has been considerable agitation for Sunday sports, but to date no one has formally come out for it. There is one group of young men in town who wish to join a state soccer league, but they cannot do this unless they can play in Andover on Sundays. Before the annual town meeting there was talk of putting an article in the warrant for this purpose, but nothing came of it. In the later demands for a special meeting some people have expressed the hope that such an article would be inserted, but Matthew Burns, the sponsor of these attempts, had definitely declared himself against such a plan. He felt that to include a Sunday Sports article would jeopardize the chances of having the special appropriation granted.

Burns, however, is not active in this latest campaign, he and Mr. Kidd having had differences about a month ago. The latter had volunteered to support any Sunday Sports movement in March. A petition for this purpose would have to seek the acceptance of sections 21 to 25 inclusive of Chapter 136, General Laws, making it lawful to take part in or witness any outdoor sport or game on the Lord's Day, subject to such regulations and restrictions as shall be prescribed from time to time by the selectmen.

### Emergency Committee Appeal

Ever since its inception the Emergency committee has been planning to make an appeal for funds in September, and this movement for a special appropriation is in direct opposition to this plan. Mr. Burns was induced to drop his campaign a few weeks ago when he was told that the departments were going to save about \$10,000 which could be used at the end of the year for the unemployed. At the meeting after which Mr. Burns dropped his plans Mr. Kidd proposed that the Reserve Fund be used to provide work, but at that time Mr. Hardy and others stated that this could be used only if an emergency existed; i. e., if there were no other funds available for relief.

The second article of your petition is an out and out appropriation. The third, that for a forty-hour week for town employees, has been brought up at various times without much success. At present there is a committee investigating the salaries, hours of work, etc., of the town officials.

### The Petitioners:

Board of Selectmen  
Andover  
Dear Sirs:

We the undersigned respectfully petition you to call a special Town Meeting for the following purpose:

1. To see if the Town of Andover will vote to transfer from the Reserve Fund the sum of \$10,000, to be used under the direction of Andover's Board of Public Works for the purpose of providing work to Andover's Citizens now unemployed.

2. To see if the Town of Andover will vote to appropriate the sum of \$20,000, to be used under the direction of Andover's Board of Public Works for the purpose of providing work to Andover Citizens who are unemployed.

3. To see if the Town of Andover will adopt a 40-hour week for Town employees.

4. To discuss at this meeting ways and means of eliminating Andover's unemployed problem. To elect from among those present a body of citizens for that purpose. Their duty to be the bringing to Andover good sound industries and to appropriate a sum of money necessary for any expenses required along these lines.

Lexington Police Car Has Radio Installed

(By the Lexington Townsman)

LEXINGTON—Last week it was announced that the police department here had been authorized to install in the department's car a short-wave radio. It will be used in conjunction with a short-wave broadcast station of the Lexington Police Department and should mean a great increase in the efficiency of the Lexington police force. It means that the station can at all times get in touch with the cruising car and can direct it to the scene of any emergency with the minimum loss of time. All that is necessary is that the Lexington Police call the Arlington station and any message can at once be put on their air.

Until the first of January Arlington is giving Lexington this broadcast service without charge and after that date the cost will be only to cover actual operating expenses.

CLINTON—At a meeting of the directors of the Tax Payers' Association held last week at the assessors' offices in the municipal building, a motion creating a committee of seven was passed, whose duties will consist of climaxing previous negotiations with firms and businesses showing interest in a Clinton location. The report was made by Edward J. Kelly in connection with the recent trip to New York city of himself and James M. Donnelly to confer with representatives of two concerns showing an interest in coming to Clinton. One representative agreed to study the situation in first hand and the other's interest was considerably enlivened.

Figures were discussed by the directors in answer to remarks of criticism made against the association for approving certain appropriations to show that any sums approved were absolutely necessary by the various departments for their adequate administration. Appropriations this far have been reduced \$105,000 or 18 per cent over the total figure for last year.

The report of the membership committee was received with considerable satisfaction by the directors. There are approximately 600 members in the association at present and plans are being formulated for a canvass of all the streets in every section of the town with a view of increasing the membership until the organization has attained the 1000 mark.

An attempt will be made to secure Sen. David I. Walsh, Tax Commissioner Henry F. Long and possibly one other speaker, expert in municipal tax matters, to address the next meeting which will probably be held within a month.

\$20,000 Appropriated for Palmer Welfare (By the Palmer Journal Register)

PALMER—At a special town meeting here last week a special appropriation of \$20,000 was granted the Board of Public Welfare to carry on its work for the remainder of the year. Thirty thousand had been asked for as the Welfare Board's estimate of amount required to finish out the year. The Board feels that they will probably have to ask for more funds later on.

There was no discussion on any of the articles of the warrant calling for the appropriation of additional funds, the finance committee recommendations being accepted by voice without dissent.

The Forest Warden asked for \$1500 additional. Forest fires have already caused an overdraft of more than \$1000. The Finance Committee's recommendation was \$1200.

Stagger Program Works Very Well in Stoneham

(By the Stoneham Independent)

STONEHAM—The Unemployment Committee, appointed at town meeting to distribute town funds properly among the laborers of the town, about thirty work and financial assistance, put 121 men to work during the week ending August 6, and \$1,790.76 was spent in wages. The three-day staggering program is found to be working out fairly well, men who owe taxes or other bills and have dependents and families receiving the preference. Most of the workers are finding that the committee is handling the matter of giving everyone possible work very fairly. A few are still dissatisfied, but are found to be those who have no dependents for the most part.

Other appropriations were \$25.22 for Maintenance of Town Officers and \$8.32 for Workmen's Compensation Insurance.

The Old Age Assistance Fund will have to dub along with the original appropriation granted at the Annual Meeting as the request for \$200 additional was turned down.

**Tennis Tournament Over Labor Day**

The twenty-eighth annual open tennis tournament for the championship of Essex County will be held on the clay courts of the North Andover Country Club beginning Saturday, September 3, and continuing over Labor Day. There will be men's singles and men's doubles as usual. Matches will be best two out of three, advantage sets, except the finals, which will be the best three out of five sets.

Play in the singles is for the North Andover Country Club cup which becomes the property of the player who wins it three times. The previous cup, after eight years of competition, was retired last year by Melvin H. Partridge of New Rochelle, N. Y. Prizes for the winner and runner-up will be awarded in both events. The singles will commence Saturday, September 3, at 9:30 o'clock and play will continue each day until dark. The finals will be played on the following Saturday at 2:00 o'clock.

All entries must be accompanied by the entry fee. Singles \$3.00, Doubles \$4.00 per team. Fifty cents of each singles' fee and twenty-five cents for each person in the doubles will go to the New England Lawn Tennis Association. Make checks payable to North Andover Country Club.

Entries for singles close Thursday, September 1, at 6:00 p.m. with Samuel F. Rockwell, North Andover. Players are requested to send their telephone numbers with their

**Benson Leads in Popularity Contest**

The Epworth League of the Methodist Church is conducting a "Most Popular Baseball Contest" and at present Captain William Benson of the B. A. A. is leading with Norman Kibbee second and Charles Partridge, third. Votes are on sale and the final results will be announced on Saturday evening, August 27, at the League carnival which will be held on the grounds adjoining the Community rooms. The name of the person guessing the correct or the nearest to the correct number of beans in the jar in one of the Ballardvale stores will also be announced at this time.

**Town League**

Ballardvale may always be in last place, but they participate in the most important games in the Town League. Last Friday they played the Sherrill club in an all-important game of the first half. Tonight they meet the same team under almost the same circumstances, for the Sherrill club as they play their final game are one-half game ahead of their second place rivals.

In the event of a B.A.A. victory tonight Hoods and Sherrill are tied for first and will play off the tie tomorrow afternoon at the field day. But if the Sherrill men win tonight they will be champions of both halves and will encounter an all-star team tomorrow. If such is the case, the composition of this team will be determined tonight by the League committee, and the players will be selected from the other three teams in the league. If tonight's game is rained out, it will be played off at the Field day.

The league will continue to function during the coming week with games between the winners of the first and second halves, or if the Sherrill wins both, between the all-star team and the Sherrills.

Tomorrow comes the first annual field day with contests in the morning, tug-of-war, a doll parade for girls; a cart parade for boys; a potato and spoon race for the ladies; and several relay races. The program starts at 1:30 with the ball game at about 3:30 or 4.

The standing, including last night's game:

| W        | L | Pct. |
|----------|---|------|
| Sherrill | 4 | .636 |
| Hoods    | 7 | .583 |
| Trojans  | 6 | .500 |
| B.A.A.   | 3 | .727 |

**Industrial League**

The regular season of the Industrial League winds up next week when the Townsman baseball team plays off two postponed games, one against the V.F.W. and the other against the Post office. Males. The Vets are leading the League, but if they lose their game this week they will be tied for first place with either the Townsman or the Post office, the choice depending on which team wins on Tuesday.

The standing of the league is as follows:

| W           | L | Pct. |
|-------------|---|------|
| Veterans    | 4 | .800 |
| Post Office | 3 | .600 |
| Townsman    | 2 | .500 |

**Veterans 4-Greeley's 1**

In a snappy, well-umpired game at the Playstead Tuesday night, the Veterans defeated the J. E. Greeley nine, 4-1. It was the Greeley team's last league game of the season, and the defeat established them definitely in the cellar position. In the last four games, they have played good ball, losing each time by small margins, and next year they hope to finish on top.

Charlie Bowman was the big slugger for the Vets, connecting for a double and a single, while the crippled George Markey with two sharp singles was the batting star for the fishermen.

Ted Lawson made a miraculous stop of a hard hit ball from Joe Hannon's bat, a play that received as much applause as any fielding performance at the Playstead this year.

The score:

**Hoods 6-Trojans 2**

The H. P. Hood team assured itself of at least second place in the league standing last night at the Playstead when they set back the Trojans 6-2 with little difficulty in a very twilight game.

In the first Page singled, stole, and tallied on Fallon's hit. Tom scored on Heinie Porter's single. In the second two more runs counted on Barney Riley's single, a fielder's choice, and Harry Gouck's single.

The Trojans' fourth produced one run with a two-base error on Burbin's rap and a single by Joe Davis. In the fifth Jerry Winters got a triple when Gouck misjudged his fly, and scored on Aldrich's single. The final two Hood counters came as a result of errors.

**Sherrill 2-B. A. A. 1**

The Sherrill, B. A. A. game played last Friday night was a tight contest, which the Vale should have won, but the usual errors, combined with poor base running, prevented their winning. This was a first-half postponed game. Jimmy Sparks pitched a wonderful game, allowed only four hits and fanned six, while his teammates garnered nine socks and could gain only a single counter.

The Vale group threatened to tie the game up in the seventh, and Shorty Fettes was in danger. The Sherrill board of strategy then held a conference and decided that the way to end the ball game quickly and to get to Lawrence in time for the Legion parade was to send Lecker Hilton to the mound. The Punched had showed plenty of speed, which easily retired the Vale team.

**Hoods 8-B. A. A. 6**

The Hood milkmen defeated the Vale team 8-6 in a slow, free hitting ball game in Ballardvale Tuesday night. The B. A. A. group were ahead 6-3 at the end of the third, but the Hoods came to life to pile up five runs, knocking Jim Sparks out of the box, and winning the contest.

The outstanding features of the game were catches made by Hood outfielders, one of them by Harry Gouck in centerfield on a fly by Harry Trow. The other was made by Henry Page, who came dashing up from the rightfield valley to reach for a short fly. The ball bounced from Page's glove, and still running, he caught the bounce.

**Chevrolet Award at Annual Carnival**

The feature prize at the annual Knights of Columbus-Catholic Daughters carnival this year will be a Chevrolet sedan, 1932 model, according to plans announced at the meeting of the joint committee Monday evening. The carnival will be held Wednesday, Thursday, and Friday, September 14, 15, 16. In addition there will be many other attractions, including a blanket table, lamp table, refreshment table, miscellaneous table and punch board. Mrs. Charles J. Bailey will be in charge of blankets; Mrs. Frank Burns, lamps and miscellaneous; John Cussen and Frank S. McDonald, punch board; and Patrick Beston and Frank Nelligan, refreshments.

**Senate Membership**

The Constitution provides that there shall be two senators from each state and that immediately after they shall be assembled in consequence of the first election they shall be divided as equally as may be into three classes. The seats of the senators of the first class shall be vacated at the expiration of the second year, of the second class at the expiration of the fourth year and of the third class at the expiration of the sixth year, so that one-third may be chosen every second year. The senate itself was charged with the division of the original senate into the three classes as provided for in the Constitution.

**Why Lives are Crooked**

A wise and witty message was given by Carl G. Doney, the president of Williamette university, to his students, published in his book, "Half Way to Noon," concerning the crooked stream: "I know why the brook is crooked. . . It is following the line of least resistance. It is a thing of circumstances and not of intelligence. To pursue the line of least resistance makes a stream and a man crooked." Surely millions of men are leading twisted lives by lack of personal will and are only led by the current influence of passion and prejudice. Streams can flow straight and upward if sufficient power is applied.—Doctor Geo. Elliot.

**Man With Vision**

Initiative is the middle name of the up-and-at-'em fellow who believes there is always a better way to do something, a better product to be made, a better job to be had. He holds no sacred belief in things as they are, but wants something bigger and better.—Grit.

**Switching the Slogan**

"Can you beat it?"  
"What now?"  
"They sold me this stuff on the 'pay-as-you-can' plan, and now they insist I pay when I can't."—Cincinnati Enquirer.

He paid the bill so often they began to take him as an afterdinner mint.—Ohio State Day
