B. P. W. Withdraws Reservoir Request

(Continued from page 1)
Park and Playgrounds

\$3700.—This amount we believe is the minimum required to maintain the grounds and equipment under our care.

Snow Removal
\$15,000.—This covers not only the removal of snow but the sanding of the roads, purchasing of snow fence, shovels and other supplies and repairs on equipment.

We can only estimate what may be required for keeping our roads and sidewalks cleared, and revised figures will be presented at the Town Meeting at which time we will know the total expenditures for the year 1934 to date, and estimate the amount required for the months of November and December. One has only to think back over this past winter to realize that it is impossible to make any definite estimate of what may be required for snow removal.

Articles 5, 6, 7

These articles cover a water supply for that section of West Andover which cannot be served by gravity from the present reservoir, and should be really considered together. This calls for a reservoir on Wood Hill with a booster pump to raise the water from a proposed main on Haggett's Pond Road to the reservoir, and a distribution system from the reservoir to supply the section in question.

This new system was covered in Weston & Sampson's survey of 1924, which survey was intended to cover all of the future development of the system, but we believe that the development of this section of the town has not yet reached the point where we are justified in expending so large a sum from which the return would be very small.

Article 23-25

These articles call for the construction of sewers on Porter Road, Carmel Road and Corbett Street at a total cost of \$7560, on which the returns for betterments will be \$5700, making the net cost to the town \$1860. If the C. W. A. or other free labor is available it is possible that these projects can be completed at a net credit to the town, and this Board recommends that they be constructed.

Article 26

This article calls for the construction of a sewer on Pine Street and is inserted in the Warrant by this Board as we have been advised by the State Board of Health that a nuisance exists on this street, but as a petition has been received from the abutters protesting the construction of a sewer, and as we understand from the State Board of Health that the construction of this sewer is not mandatory, and as we believe the nuisance can be abated by other means, we intend to withdraw this article as the Board of Health has not ordered the construction of the sewer. This sewer would serve less than half the length of Pine Street as the other end of the street can be served by our gravity sewer and calls for the installation of a pump or a very costly sewer line connecting with our mains on High Street and running over private land.

Article 28

This calls for the appropriation of \$500, for a complete study of the drainage system of Rogers Brook and its tributaries and watersheds.

For many years Rogers Brook has been a source of trouble to the residents along its course, and studies have been made in the past in an endeavor to arrive at some satisfactory solution of the problem, but we feel that the information at hand is insufficient to enable us to present an intelligent recommendation to the town as a permanent solution of our difficulty will call for a large appropriation of money. From information at hand it would appear that a lowering of the bed of this brook from some point near Whittier Street to Main Street is necessary in order to carry away the flood water in the spring, but this presents engineering difficulties, and we feel that it is necessary to have some expert advice on the most practical way to carry off this flood water. There are also some legal aspects in the case involving the responsibility of the Town which we would also expect to clear up in this investigation. We earnestly request the appropriation of this amount of money so that we can intelligently present this matter to the town for future action.

Articles 31-32

These articles both call for the installation of additional pumping equipment at the Haggett's Pond Station and should be considered together.

Our recommendations for the installation of an electric pump were presented to the Town at the last Town Meeting, and we are as strongly as ever of the opinion that this installation is the most economical and practical solution of our present needs.

This pump will serve the town satisfactorily for many years and will tie in with any future installation of a steam or other pumping unit, and we believe that the expenditure of \$7000, for this installation at this time is warranted and will be a profitable investment.

Article 33

This article calls for the rebuilding of Salem Street including sidewalks from Highland Road to Holt Road making a hard surfaced road between grass plots with tarva-lithic sidewalks. At present the sidewalks of this road are soft gravel and the selvages of the hard surface are breaking down and destroying the road surface, and it is necessary to spend money constantly on this road to keep it in passable condition.

The type of construction called for in this article is approved by this Board for all residential streets as we believe that in the long run money is saved by having a hard surfaced road from curb to curb or from grass plot to grass plot. This article is not approved by the Finance Committee and it is for the town to decide whether or not at this time we can afford to spend this money even though

Organ Recital by Walter E. Howe

The public of Andover is cordially invited to the Faculty recital to be given at Abbot Academy by Mr. Walter Howe, on Tuesday night, March 6th at 8:00 o'clock. For the benefit of those who enjoy knowing something about the music they are to hear, the following short notes on the music may be of interest.

Article 34

This article calls for an appropriation of \$5000, for the extension of a bituminous macadam road on River Road to which would be added \$5000, by the County of Essex and \$10,000, by the Commonwealth of Massachusetts, giving us \$20,000, for the extension of this road which we have been working for several years. We strongly recommend the appropriation of this sum as it appears to be a good investment for the Town, and will supply some labor for our citizens.

Article 35

This article calls for the reconstruction of Brechin Terrace at a cost of \$1500. This street is in very bad condition, and in consideration of the value of the abutting property we believe that this small expenditure is justified and should be made.

Article 38

In the baseball season Mr. Andrew Basso whose land adjoins the Playstead has been annoyed by foul balls going over into his garden, and in retrieving the balls there has been damage to his crops.

At the last annual Town Meeting \$1100, was appropriated for the relocating of the baseball diamond with the idea that the foul balls could be prevented from going on to Mr. Basso's land, but a further investigation seems to indicate that even if the diamond were relocated it would not prevent all balls from going on to the adjoining property. Furthermore, there has been a public protest against the proposed relocation of the diamond as it would seriously handicap the baseball players in training, and as the diamond would shorten the outfield to such an extent that fair balls to the outfield would very possibly go over onto adjoining property.

We understand that the Selectmen have conferred with Mr. Basso and that a satisfactory arrangement can be arrived at, whereof the Town will make an annual payment to him for any inconveniences that may be caused by the baseball players. It will be our endeavor as in the past to have the retrieving of balls under our supervision, so that no damage will result to growing crops and we trust that this arrangement as outlined may be carried through.

LOCAL NEWS NOTES

Mrs. Harry Hurwitch of Summer street is visiting relatives in New York.

Mr. and Mrs. W. T. Rich, Jr. of 41 School street were in New York city this week.

Tax Collector William B. Cheever has been ill at his home, 63 Chestnut street, this week.

Joseph Levi has resumed his duties at the Post Office after undergoing an operation at the Lawrence General Hospital.

At the Free church Woman's Alliance meeting on Thursday, March 8, at 2.30, an address will be given by Mr. G. Edgar Folk.

Mrs. Charles D. Thompson of this town was re-elected to the board of directors of the North Shore Babies' Hospital at the annual meeting in Salem recently.

Very Rev. J. G. Grene, S.T.B., O.S.A., prior of St. Rita's church in Chicago is on an extended visit with Rev. Charles A. Branton, O. S. A., pastor of St. Augustine's church.

Rev. Charles A. Branton, O.S.A., pastor of St. Augustine's church, will be confined to the rectory for the next three weeks with a sprained ankle sustained when he fell on the ice Sunday night.

Mrs. Clara T. Knox of New Haven, Conn., well-known here as a former resident, was one of nineteen artists elected recently to membership in the Connecticut academy of Fine Arts. She is the daughter of Mrs. T. Dennie Thomson.

Miss Elizabeth B. Burchan, daughter of Mr. and Mrs. John S. Buchanan of 3 Lincoln street, Andover, a freshman at Tufts College, is a member of the Jackson Swimming Team which will meet Wheaton at the Radcliffe Pool on March 3.

Edward W. Brewer, 75, retired Boston man and former clerk of the Roxbury district court for 37 years died Friday night after a short illness in Los Angeles, Calif. Among the survivors is a daughter, Mrs. H. Gilbert Franck of 234 Main street.

Miss Marian MacDougall of Dorchester, formerly of this town, has just completed her training at the Cambridge Hospital and has been assigned to her first case, Miss MacDougall is a graduate of Pynchard High school in the Class of 1930, and while in town lived with her sister, Mrs. C. Norman Bartlett on Chestnut street.

Candidates Speak at Rally Tonight

The annual warrant and candidates' meeting of the American Legion will be held in the Legion rooms this evening, beginning at 8 o'clock. All candidates are invited to attend and address the audience. In addition the entire warrant will be discussed informally.

The meeting for discussion of the town warrant scheduled to have been held Monday night in the town hall by the Otis Club was postponed because of the storm until next Thursday evening.

Alice Sullivan, fourteen-year-old daughter of Mrs. Patrick Sullivan of 64 Morton street was painfully injured Sunday afternoon in a coasting accident on Phillips street. She coasted out into the junction of Abbot street where her sled collided with the running board of a machine operated by Miss Mildred Sipey of Lawrence, which had stopped at the junction of the two streets.

She was removed to the Lawrence General hospital where she was detained with questionable fractured ribs and questionable internal injuries.

Wedding

WILKINSON—MAY
Priscilla B. May of Brookline and Ralph B. Wilkinson of Methuen were united in marriage on Wednesday, February 21, in New York. The couple are residing at 46 Salem street.

Mr. Wilkinson graduated from Dartmouth college with the class of 1923 and is at present assistant treasurer of the Lawrence Co-operative bank.

Garden Club Notes

M. A. Davis of the Massachusetts State College at Amherst will be the speaker at the next meeting of the Andover Garden Club to be held next Tuesday morning, March 6, at ten o'clock at the Phillips Inn. His subject will be "Planning Garden Effects. Plant Combinations Which Look and Do Well Together."

Tickets for the annual Flower Show to be held in Boston March 12th to the 17th may be secured by Garden club members and friends at a reduced rate if application is made at the Phillips Inn before twelve noon on March 10. If purchased under this plan, the charge is seventy-five cents; if purchased in Boston, the charge is \$1.00.

C. W. A. Men on Snow Removal
Part of Andover's C. W. A. funds were diverted to snow removal Tuesday and Wednesday, Dr. Daly having obtained permission from Boston over the telephone Monday night to go ahead with this project. The cost of the labor will be about \$1600, while the trucks were hired by the town.

Very little difficulty was encountered because of Monday's storm. Schools were closed for the day, however.

New York Boys Win Means Prizes

Wells Lewis of New York City won first prize of \$25 in the annual Means Prize Speaking contest at Phillips academy Tuesday night with a dissertation on "Popularizing Art." Lewis is a senior.

Second prize of \$15 was awarded to John Thurston Beaty, '35, of Kye, N. Y., for his oration on "The Decline and the Future of Manners," while the third prize of \$10 went to Earl Williams Newton of Cortland, N. Y., also a senior, who spoke on "Educating for Leisure."

Dr. Claude M. Fuess, headmaster, presided. Dr. Arthur B. Darling was chairman of the committee on awards, the other members being Guy J. Forbush and Allan V. Heely.

The program follows:
The Decline and the Future of Manners John Thurston Beaty, Rye, N. Y.
The Greatest Living Statesman Jack M. Ginsberg, New York, N. Y.
Educating for Leisure Earl Williams Newton, Cortland, N. Y.
Can Democracy withstand the Challenge of Post-War Dictatorship? Marion Clay Harper, Jr., New York, N. Y.
Music
Popularizing Art Wells Lewis, New York, N. Y.
The Blue Earth John Brumbaek Spitzer, Toledo, Ohio
John Marshall and Law Observance Willis E. Urlick, Jr., Los Angeles, Calif.
Democracy vs. Dictatorship Robert Reginald Kurson, Bangor, Maine
Music
Award of the Judges
The awards are based two-thirds on composition, one-third on delivery.

Marriage

Andrew J. Norander, 15 Atherton street, Somerville, and Mary F. O'Brien, 23 Kennilworth street, Shawheenee Village, February 25 in St. Augustine's church by Rev. Leo A. Hart, O. S. A.

Discovery

The minister met Tom, the village ne'er-do-well, and, much to the latter's surprise, shook him heartily by the hand. "I'm so glad you've turned over a new leaf, Thomas," said the good man.

"Me?" returned Tom, looking at him dubiously.

"Yes, I was so pleased to see you at the prayer meeting last night."

"Oh," said Tom, light breaking in on him; "so that's where I was, is it?"

Missionary Rally Speakers Named

Among the out-of-town speakers who have promised to take part in the women's inter-city rally, to be held in the South Church vestry on Thursday, March 15, is Rev. Alfred V. Bliss, secretary of the Massachusetts Conference. Mr. Bliss knew Andover during his study in the Theological Seminary, and has spoken in recent years in the churches of the town. His subject will be "The Cultural Contribution of the Immigrant." Those who have read in the daily press of the participation of various nationalities in the Washington's Birthday assembly in Symphony Hall will be especially interested in this talk.

There will be two speakers to represent the Orient. Rev. Irving M. Channon, of the Philippine Islands, has lately been engaged in helping Dr. Frank Laubach make use of the spectacular short cut to learning which his newly invented alphabet provides. Mr. Channon has been for a long time dean of the Bible School of Silliman Institute. Fresh from the quiet East also is Miss Eleanor Wilson, of Simmons College and New York Biblical Seminary. She is principal of the Woman's Theological School in Kobe, Japan, and has friends among all classes, including peers of the realms and Buddhists. Somewhat as a hobby she started a Sunday School, preparing at first for fifty children. Among the one hundred who appeared was the seven-year-old child of a Buddhist priest. Miss Wilson calls Japan a most fascinating country to live in.

These are some of the good things to anticipate at this fifteenth annual rally of Andover women. All should plan to be on hand for the morning session (beginning at 10.15) to hear the usual interesting conference of churches and speakers on local welfare projects. Miss Wilson will speak in the morning also. The noon devotional service will be led by Mrs. Henry R. French, of West Lynn, whose husband is brother of Mr. E. V. French.

All interested who read this notice are asked to spread the invitation.

Legion Auxiliary to Hold Penny Social

A penny social will be held Wednesday evening at 8 o'clock in the Legion hall by the Ladies' auxiliary. Friends and the neighboring auxiliaries have been invited. The committee: Mrs. Kenneth McDonald, Mrs. William Buchanan, Mrs. Harry Wrigley, and Miss Ethel Hilton.

The auxiliary held a successful dance in the Legion hall last Friday night. Bruce Valentine's orchestra played from 8 to 12 o'clock. Several novelty dances were included in the program.

The dance committee: Mrs. Frank Bourneman, chairman; President, Mrs. John P. Alexander, Mrs. Thomas W. Platt, Mrs. Carl A. Wetterberg, Mrs. Henry Wrigley and Miss Ethel Hilton.

Coasting Accident

The March sewing meeting of the Lawrence General hospital will be held in the Unitarian church in Lawrence, on Tuesday afternoon, March 6, from two until five o'clock. Sewing for the hospital. Tea will be served.

Girl Injured in Coasting Accident

Mrs. Patrick Sullivan of 64 Morton street was painfully injured Sunday afternoon in a coasting accident on Phillips street. She coasted out into the junction of Abbot street where her sled collided with the running board of a machine operated by Miss Mildred Sipey of Lawrence, which had stopped at the junction of the two streets.

She was removed to the Lawrence General hospital where she was detained with questionable fractured ribs and questionable internal injuries.

Local Youth Gets Federal Position

Alexander Stewart, well-known local young man, has accepted a position with the United States Government as textile inspector and is now located in Philadelphia. Mr. Stewart has lived here all his life, and attended the local public schools. He graduated from Pynchard in 1927 and from Lowell Textile Institute in 1931. At the latter institution he specialized in textile engineering and was a member of Omicron Pi.

Mr. Stewart's present address is the Y. M. C. A., 1421 Arch street, Philadelphia.

Academy Students Local Club Guests

About fifty Phillips academy students were guests of the Harvard club of Andover at the annual winter meeting held in the Peabody house Tuesday evening. Frank W. Vincent, P. A. '32, and Harvard '36, and Professor Ronald Perry, master of Winthrop house were the speakers. Light refreshments were served following the talks.

President Thaxter Eaton announced the appointment of a nominating committee consisting of Randolph H. Perry and John S. Bars. They will draw up a slate of officers to be acted on at the spring meeting.

Local Boy Wins Honor at Harvard

Malcolm B. McTernan, Jr. who was recently put on the Dean's List at Harvard has just been awarded a \$150 scholarship.

He also received the highest mark in the country in mechanical drawing at the June College Board Examinations, attaining a mark of 97.

In addition he played on the victorious Harvard Freshman Football Team last fall. He is the son of Dr. and Mrs. Malcolm B. McTernan and grandson of Selectman and Mrs. Andrew McTernan of this town.

Coasting Accident

Five year old Robert McCall of 43 Pearson street was slightly injured last night when he coasted out of a driveway underneath the car of Maurice Paresky of Lawrence, traveling up Pearson street. The accident occurred about 5.15. The sled was demolished but the youngster was not seriously hurt.

Alumni Dinner in Dr. Fuess's Honor

A large gathering of Andover alumni, in honor of Dr. Claude M. Fuess, headmaster, will be held on Wednesday evening, March 7th, at the University Club, 40 Trinity place, Boston. This dinner which comes almost on the anniversary of Dr. Fuess's appointment as acting headmaster, is being held as a result of wide-spread interest on the part of Andover men throughout the United States. Enthusiastic dinners have already been held in Minneapolis and Chicago. The New York dinner is the other in prospect in cities of the middle west. The Toastmaster at the Boston Dinner will be Professor James P. Baxter, 3rd, P. A. 1910, Master of Adams House, Harvard College, and the guests of honor will be, besides Dr. Fuess, Professor Delmar Leighton, Dean of Freshmen at Harvard College, and Professor W. A. Valentine, Master of Pierson College and Chairman of the Board of Admission at Yale University. The sponsors of the occasion will be: Horace Baker 1850, Arthur Eames 1863, Harry Barrett 1868, Hollis R. Bailey 1873, Charles P. Clark 1876, Hon. Marcus Morton 1879, Edward Greene 1880, Fred B. Lund 1884, Rev. Frank Lucie 1888, Mortimer A. Scarborough 1905, Charles L. Lanigan 1906, L. Cushing Goodhue 1907, Joseph S. Kimball 1908, Harry C. Grafton 1909, Seth W. Eames 1910, Gordon R. Hall 1911, Arthur B. Darling 1912, Aretas O. Barker 1913, F. Trevor Hogg 1913, Robert F. Daley 1914, Moseley Taylor 1914, George D. Flynn 1915, Thomas A. Fitzgerald 1916, Royer Preston 1917, Frederick F. Durfee 1918, Phillips E. Wilson 1919, Asa W. K. Billings, Jr. 1920, Lloyd Brace 1921, Horace W. Cole 1922, Leo F. Daley 1923, Charles H. Sawyer 1924, Lincoln P. Holmes 1925, Francis C. Rogers 1926, William D. Taylor 1927, Carlton E. Knight 1928, William G. Sheldon 1929, Guy S. Hay 1930, John C. Eason 1931, Field C. Leonard 1932, John L. Bishop 1933.

The hour of the dinner is 6.45 p.m., with a reception starting at 6.15 p.m. It is anticipated that on this occasion there will be a record turnout of Andover graduates.

Photos Illustrate Lecture

In connection with the lecture of Miss Margaret Bourke-White at Phillips academy on March 9, the Addison Gallery of American Art is now holding an exhibition of 27 of her photographs. The subjects range from American industrial scenes to Russian peasant portraits. Among the more striking is a portrait of Stalin's mother, whom Miss Bourke-White met in Russia, and some studies of American lumberjacks. A visit to this exhibition will make it perfectly clear why Miss Bourke-White is known as one of the most artistic photographers in the world today.

Book on Seminary Reviewed

The following review of a book about the Andover Theological Seminary appeared in the Boston Herald this week. The book was published several months ago.

The review follows:
"Andover Theological Seminary, now affiliated with Newton Theological Institute in Newton, after a century on the hill in Andover, beside the Merrimack, is fortunate in many respects and one of them is in having Henry K. Howe as its historian. His work of more than 200 pages, now published, is a credit of what such a work should be. His inspiration will spread far. The text, filled with details of the early years and rich with biographical portraits, has numerous illustrations. Only the final pages are given to the removals to Cambridge in 1908 and to Newton in 1932. Those changes are a book in themselves."
