Varied Exhibits in Hobby Show

Antiques, Handwork, Puppets, Stage Models, Included—Starts Next Friday

The Town Hall will be the scene of great activity on Friday, October 22 and Saturday, October 23. On those days, the Andover League of Women Voters will sponsor a Hobby Show which will contain many examples of the diligence shown by people in their odd moments.

The lover of antiques will find displays of furniture, spinning and flax wheels, old prints and glass, etc. Those interested in their ancestry will see how others spend their idle hours filling out the branches of their ancestral trees. Bird and animal fanciers can observe the canaries, pigeons and guinea pigs.

Handiwork includes a multitude of various items. There will be samples of knitting, crocheting, cut work, weaving, needlepoint and other kinds of fancy work. Beautiful hand carved furniture and metal work will be on display. Oils, watercolors, pastels and sculpture will represent some of the amateur artists. Theatre enthusiasts will exhibit puppets and stage models. Those interested in model making will see a traveling coach, built in miniature by a Shawshen resident, a six foot, gasoline-engined airplane model which will really go, and other airplane and ship models made by enthusiasts. Housewives will view with envy the canned goods and candy on display.

Among the collections, the observer will note dolls, Indian relics, books, fans, match holders, old brass mortars and many other items. Sportsmen may see the equipment used by their fellow townsmen in out of doors activities.

Miss Ethel Parker will have a very interesting display of work done by a group of blind people in Lawrence. Two will be at the Town Hall at work. Miss Josephine Benoit, doing knitting and crocheting, and Walter Taylor caning chairs.

In all, there will be over a hundred exhibits, showing the patience and dexterity of Andover and nearby residents, men, women and children, in the pursuit of their hobbies. The wide range of articles exhibited will be of interest to all.

There are still many types of activity unrepresented and work of the same type

Jail Sentences Given in Hold-up

The hold-up at Howard Johnson's restaurant in May resulted in long prison sentences for three Greater Boston men when they pleaded guilty in Superior court last Saturday. The sentences will however run concurrently with sentences they are now serving for robberies in Middlesex county.

A fourth suspect was freed when the court found no evidence to hold him.

Organ Drawings Kept by Dupre

Marcel Dupre, the French organist of international fame, who is to appear in Andover, on October 22, in Cochran Church, Phillips Academy, carries around with him on all his travels a unique "casher" or book containing the drawings and specifications of every organ he has played on in Europe and America. He has these details perfectly memorized so that if engaged to play a recital on one of these organs he need only spend time enough at the instrument to become acquainted with the tone-colors and note the acoustics of the building; in an hour or two he is ready to play the recital.

Before his first tour in America when he was to play on the Philadelphia Wanamaker organ (the largest in the world, having 400 speaking stops and some 150 mechanical couplers and pistons), Dupre was supplied with a photograph of the complicated console. He memorized the photograph while on the boat and two days after landing in this country he announced that he was ready to play the organ.

The musical critics of Philadelphia commented upon his uncanny knowledge of this organ after so short an acquaintance, saying: "One can with difficulty appreciate the vast possibilities of such an instrument directed by such a Master as Dupre." Another spoke of him as "an orchestral conductor, marshalling his stops and couplers in unerring precision, and drawing forth rich music from the thousands of pipes."

Mr. Hamblin to Address P. T. A.

The Andover Parent-Teacher's association will meet on Wednesday, October 20, in the music room of the junior high school at 8 p.m. The speakers will be Nathan C. Hamblin, principal of Punchard high school, and Donald Dunn of the physical education department. Music will be furnished by the senior high school orchestra. Refreshments will be served.

Pumping Station Engineer Resigns

Howard Pillsbury, engineer at the pumping station, tendered his resignation to the Board of Public Works on Wednesday night, and it was accepted. No action has been taken on the appointment of a successor as yet.

Mr. Pillsbury was an acknowledged expert in his line. He has been prominent among those who fought to keep steam pumps at the station instead of substituting electric pumps.

BAKED BEAN SUPPER

The Woman's Alliance of the Free Church will serve a baked bean supper in the parish house on Saturday evening of next week, October 23, from 5.30 to 7.00 o'clock. The public is invited.

Sons of Legion Nominate Officers

Nomination of officers was held at the Sons of Legion meeting last Friday night. The election will be held on November 12.

Nominated on Friday were: captain, Garrison Holt, Jr.; first lieutenant, William Buchan; second lieutenant, Alfred Miller; adjutant, Paul McDonald; financial officer, Stafford Lindsay, Jr.; sergeant-at-arms, John Collins; chaplain, Arthur Coleman, Jr.; historian, William Beaulieu.

A number of boys passed the flag code test, as follows: Garrison Holt, Jr., Alfred Miller, Paul G. Cheney, Edward Lindholm, Joseph Keith, Paul McDonald, Peter Smith, Allen Dea and William Buchan.

The boys decided to assist the Legion at poppy day, Saturday, October 23, and at the Armistice day exercises.

Monoxide Gas Cause of Death

Dead three hours, Kenmick R. Smith, 32, an optician of Boston, was found slumped in his car with the motor running, off Rattlesnake hill road last Saturday morning. Monoxide gas was given as the cause of death by Medical examiner Dr. John J. Deacy.

Two Lawrence hunters discovered the body. A length of rubber hose was taped to the exhaust pipe and was then inserted through the left window, the crevices having been packed with rags.

HARVEST SUPPER TUESDAY

The annual harvest supper and entertainment of the Woman's Union of the South church will be held on Tuesday evening at 6.30 in the vestry. A turkey supper will be served. Mrs. Carl Elander is in charge of tickets.

The new officers of the Legion will be installed on next Thursday night. County commander Joseph Hines may be the installing officer.

Finance Committee Advises Board to Go on with Study— Might Save Town \$7,000

The Board of Public Works has now under consideration an offer of two second hand boilers which if found satisfactory for use at the local pumping station would represent a substantial saving to the town. On Wednesday evening the finance committee, after considering the facts assembled to date, recommended that the Board continue with its study and report back as soon as possible. Neither the finance committee or the Board of Public Works feel that they have enough information as yet to enable them to make a decision as to whether the purchase would be a wise one or whether it would be better to drop the matter entirely, but it is expected that the study which the Board is now conducting will provide the requisite information.

The Somerville Bleachery, now in the process of liquidation, had a battery of four boilers which are about three years old. Two of them have already been sold. The price quoted the local Board of Public Works for the two remaining units was \$3300 at the Somerville plant, with all appurtenances and connections including feed-pump, two oil burners and 15,000 gallon tank. The town would have to pay for the cost of taking the boilers out of the bleachery, transporting them here, and installing them in the pumping station. What this figure would be is not definitely known, but the present investigation will provide this information.

After having received the basic facts, the Board of Public Works decided to present them to the finance committee with a request for advice on whether or not to go into the matter further. A rough estimate of the cost of moving and installing the boilers was given as \$10,000, making the total cost about \$13,300, or better than \$7,000 less than the cost of the new boilers discussed at the annual town meeting. At the finance committee's advice a thirty-day option was taken on the two boilers over the telephone on

Razing a building usually raises memories. Last week an old red building on Park street beyond the Fraternal building was torn down, and it revealed a hitherto hidden side of another red building. At the top in big letters was the sign: "Jas. H. Green, Livery, Board and Hacking." Below was "Chew it after Every Meal," no connection of course to Mr. Green.

Free Church C. E. Officers Installed

Last Sunday evening at 6:30 the regular meeting of the Free Church Christian Endeavor society was held in the meeting room. Reverend Herman C. Johnson installed the officers for the year as follows: President, William Taylor; vice-president, Ruth Keith; secretary, Warren Richardson; and treasurer, Lindsay Kinneer.

The installation service, planned and carried out by Mr. Johnson, was very impressive and the pastor executed it very effectively. Mr. Johnson read the sacraments, Humiliation, Truth, and Attractiveness, from the Holy Bible, and as they were read the various ceremonies in relation to them were carried out by the pastor and the newly-elected officers.

Immediately following the meeting the four officers of the society went to the North Andover society meeting and took part in their meeting. After the meeting it was discussed whether it was advisable to leave the Lawrence Union and form an Andover Union, or not. Warren Richardson, secretary of the Free Church society, read the Resolution of Secession drawn up and signed by the members of that church. Last Wednesday the officers met in the parish house of the church and held a cabinet meeting.

Tonight all of the members of the Greater Lawrence societies of the Christian Endeavor will attend the County Institute in the United Presbyterian Church in South Lawrence. A wonderful program has been planned for the evening.

Next Sunday, the October mass meeting will be held at the Free Church at three p.m. All of the C.E. societies of Greater Lawrence will also attend this meeting. Each member is asked to contribute five pounds of candy.

Miss Dorothy Wray of 66 Maple avenue is studying this winter at the Vesper George School of Fine and Applied Art in Boston.

Ballardvale

Samuel Moody and son Durwood of Andover street visited in Grafton, N. H. over the week-end.

Mrs. Grace Cooper is confined to her home on Andover street by illness.

The Methodist church Epworth League met Sunday evening with Miss Jessie Bissett as leader.

John Miller and Minot Edwards were at Camp Onway over the week-end.

Rev. and Mrs. Carl Crain and Alma MacTammany attended the Epworth League convention that was held in Lynn Tuesday.

Mr. and Mrs. John Wilson have taken up a residence on River street.

Rev. and Mrs. George R. Moody have returned home after spending the summer in Grafton, N. H.

Mrs. Margaret Lawrie David and John Lawrie visited in Troy, N. Y. over the week-end.

Mr. and Mrs. Maynard Clemons of Wakefield spent Tuesday in Ballardvale.

Mr. and Mrs. Arthur Colbath of Woburn street visited in Burlington on the holiday.

Mr. and Mrs. William McDermitt entertained guests from Westerly, R. I., over the week-end.

Mr. and Mrs. George Hutchins and family have moved from Center street to River street.

Mr. and Mrs. Michael Mullaney have moved into the residence of Charles Coolidge, Sr., of River street.

P.T.A. GOBLIN HUNT

The Ballardvale Parent-Teacher association will conduct a Goblin Hunt and mystery ride on Thursday evening, November 2, after their meeting.

HISTORICAL SOCIETY NOTICE

The Fall Meeting of the Bay State Historical League will be held in the quaint old town of Marblehead as guests of the Marblehead Historical Society, Saturday afternoon at 2.15 o'clock.

Members are asked to assemble promptly in Abbot Hall, Washington Square, Marblehead, for the transaction of business, followed by the literary program.

In this Hall is hung the original painting "The Spirit of '76" by Archibald Willard first exhibited in Philadelphia at the Centennial Exposition in 1876, and members will be delighted to have the privilege of seeing this inspiring painting, which recalls to grateful memory the courage of stalwart ancestors of Revolutionary times.

The business will consist of the reading of the records, reports, and communications, and such other and further business as may legally come before the meeting.

At the end of the business meeting an address, illustrated by stereopticon, will be delivered by Mr. Fred B. Litchman, member of the Marblehead Historical Society on "Old Marblehead."

When these exercise have been concluded, the members will proceed to the Lee Mansion, which is situated nearby, on Washington street, where a reception will be held, and light refreshments will be served. This is a fine Pre-Revolutionary mansion, one of the outstanding examples of the pretentious home of successful Eighteenth Century merchants.

Those planning to attend the meeting are asked to telephone W. A. Trow, president of the local society, so that they may have the necessary information to act as official delegates. All are welcome.

Urge B.P.W. to Study Offer of Two Boilers

(CONTINUED FROM PAGE 1)

Wednesday night, and yesterday morning the Board started its intensive investigation, which will include exact cost figures the insurance company's inspection of the boilers, etc.

If the investigation reveals that it would be a good opportunity for the town to save money on the boiler replacement which must take place soon anyway, the finance committee will in all probability suggest a special town meeting. If on the other hand the Board of Public Works finds that the purchase would not be a wise one, the whole matter will be dropped.

We can't spare you!

The "key man," the valued executive, doesn't want a common cold to bar him from his desk. He can't be spared for frequent minor illnesses.

COMMON, says Webster, means oft recurring, and it means vulgar, low, polluted. Now, doesn't that describe a cold? Immunization, administered by your physician, enables you to overcome susceptibility and to build up a strong resistance against colds.

Supplying of Information a Great Need at Andover's Town Meeting

"How can we know how to vote at town meetings?" was a question discussed last Monday night at the annual meeting of the Andover Taxpayers' association. The member who put the question felt that insufficient discussion of articles at town meeting often brings action which is not to the best interests of the town, and this is probably true. Expenditures are too often granted which should be turned down, and frequently worthy projects fail to meet the voters' approval, mainly because the voters did not realize the merits or demerits of any particular subject.

Part of the fault lies with the voters themselves, because they are afforded plenty of opportunities, through public meetings and through the papers, of learning the reasons for or against the articles. But, as was suggested Monday night, there is a possibility of making the voters better acquainted with the subjects at hand by having the finance committee members give their reasons for approving or disapproving any article. This, it was stated, the finance committee formerly did.

At present the finance committee merely puts out its annual report, which consists of a short preamble, a reciting of the articles and the statements "Approved," "Disapproved," or "Action not necessary" after them. Except in very infre-

quent cases no reasons are given for the approval or disapproval, and when reasons are given they are pretty much boiled down. The finance committee has just about the hardest budget job in town, for it must in two short months learn all about the finances, past and future, of the various departments in addition to studying special propositions, some of them of a very technical nature. They get no pay for all their work, and to ask them to do more than they are doing might seem to be asking too much. However, the hardest job is the preliminary study, the fact-finding job; the fact-giving end takes far less time, and it would make the fact-finding worthwhile. To make their work effective, they should pass on the benefits of their study to the voters, who are in no position to make an exhaustive study of their own.

The same line of reasoning applies to the town departments themselves. Most of them make a careful study of their proposed projects, but since the voters have the final say, the departments should be ready to give all the reasons for their recommendations, even without being asked specifically to do so. If their study has shown them that a particular article has definite merit or demerit, their job is not done until they have done their level best to have the town meeting approve or disapprove the suggestion.

Communications

School Transportation

To the Editor:

Cheers and congratulations to the members of the school board who were influential in continuing the bus transportation for five little children of Ballardvale to the parochial school while awaiting a ruling from the Educational Department. To those members goes the appreciation of at least one grateful parent.

In view of the fact that the parochial school actually saves the town of Andover money in both taxes and school expenses, we cannot understand the spirit which is unwilling to return that favor. It is hard for this citizen to believe that any member of the school committee could entertain thoughts of depriving these five little children of the benefits received from such service, guaranteed to them by a recent state law. If such is the case I believe that member should publicly announce a logical theory for such views. Communicative thoughts and actions should be discouraged in all cities and towns of America, Andover included. And such actions as these are to say the least, neighborly to the Communicative trend.

GEORGE H. DUMONT

Miss Edith Sellars, clerk at the town house, has resumed her duties after spending a two weeks' vacation at West Dennis.

Weddings

White—Poisson

Miss Bernadette Poisson, daughter of Mr. and Mrs. Adelard Poisson of 160 High street, and Frank White, son of Mr. and Mrs. John White of 7 Almont street, Methuen, were united in marriage on Tuesday by Rev. Thomas B. Austin, O.S.A., at St. Augustine's church.

The bride was gown in satin, en train, with a plain tulle veil held in place by orange blossoms. She carried white roses and lilies of the valley. Her sister, Miss Cecile Poisson, as maid of honor wore a gown of royal blue velvet with hat to match. Her bouquet was of tea roses.

The best man was Charles Pocius, and Sumner Harrington and Leo Poisson were ushers.

Following a reception at the bride's home, the couple left on a wedding trip to Niagara Falls. They will live in Lawrence.

The bride graduated from Punched high school, and the groom, who is now employed with the Standard Oil company of New York, is a graduate of Methuen high.

Basso—Scardino

Mrs. M. P. Scardino has announced the marriage of her daughter, Vincen Mary, to Mr. Joseph Anthony Basso, son of Mr. and Mrs. Andrew Basso of Chestnut street, at St. Anthony's church, Bryan, Texas, on October 2nd.

Immediately after the wedding breakfast the couple left by automobile for Andover. After a visit here they will settle in Texas where Mr. Basso is engaged in aviation. Mr. Basso attended Punched and graduated from the Marshall, Missouri, airplane school.

Clinic to Benefit in Charity Bridge

The Tuesday club of Andover is sponsoring a charity bridge for the benefit of the Lawrence clinic. This bridge will be held at the new Andover school gymnasium at eight o'clock on Friday evening, October 29.

The Clinic has developed rapidly in serving humanity. Not only does it serve Lawrence but all the surrounding towns.

It is hoped that many will avail themselves of this opportunity to give a helping hand to a worthy cause.

The tickets are fifty cents each and can be bought at the Harborn shop or from members of the committee.

WILL START MASSEUSE

OFFICE HERE TUESDAY

Dr. Martha N. Jones, masseuse of Boston, is planning to open practice at Mrs. Marr's, 11 Locke street, on next Tuesday. She will be here all day Tuesdays and Thursdays.

In addition to her college education, Dr. Jones had a year in medicine and received her degree in dentistry, giving up the latter profession because of her eyes.

She studied massage with a well-known French masseur in Philadelphia and with a Swiss masseur in Germany. Later she finished her study at the Nylin school in Brookline and did practice work at the Boston Dispensary.

Legion Auxiliary Chooses Officers

Mrs. Albert Robinson was elected president of the Legion auxiliary last night, succeeding Mrs. George T. Cilley. Other officers elected were: senior vice-president, Mrs. Annie Platt; junior vice-president, Mrs. Stafford A. Lindsay; secretary, Mrs. Arthur Jowett; treasurer, Mrs. John Keith; chaplain, Mrs. Joseph Levi; historian, Mrs. William Buchan; sergeant-at-arms, Mrs. George Cilley; executive board, Mrs. Frank Borneman, Mrs. Freeman Abbott and Mrs. John Anderson.

Card Party to Be Held on Tuesday

St. Augustine's Sacred Heart Sodality will conduct a Monster Card Party, in the School Hall, Tuesday night, October 19th. Cards will be played, starting at 8.30 sharp. After the cards, refreshments will be served. The table-prizes are very beautiful.

The funds raised at this card-party will be used for the renovation of the Convent and School. Fr. Thomas B. Austin, O.S.A., the Pastor has spent considerable money in having the School Hall painted. It is expected that the parishioners will appreciate the new color-scheme used.

The Committee, which is made up of all the members of the Sacred Heart Sodality, promise a most pleasant evening, and a large number of card-players are expected. Tickets may be had from the members of the Sodality or at the rectory any day.

Women Voters to Start Season

The first meeting of the Andover League of Women Voters, for the 1937-8 season, will be held on Tuesday. The League will meet for luncheon at the Wildwood Inn at 12.45.

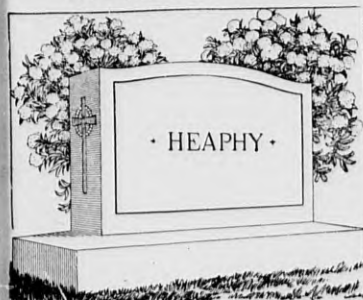

The department chairman will announce their plans for study groups. This will be followed by a talk by Dr. Fritz Marx, Assistant Professor of Government at Harvard University, on the subject of Veterans' Preference.

Dr. Marx is a veteran, who prior to entering upon an academic career, saw ten years of government service in executive positions. Since then he had served on the faculties of the Pennsylvania School for Social Work, New York University and Princeton University. Dr. Marx has made a special study of public personnel problems and so will be thoroughly prepared to tell the Andover League what effect Veterans' preference has on personnel in public service.

Abbot Academy Notes

The annual senior picnic, a tradition of long standing in Abbot academy, will be held on Saturday afternoon at Haggett's pond. Members of the faculty who will accompany the girls are Miss Hearsey and Miss Sweeney.

On Sunday evening at 7.30 Dr. Claude Fuess, headmaster of Phillips academy, will address the students at the weekly vesper service. On Sunday, October 24, a memorial service for Miss Rebekah

Chickering will be held in the chapel of Abbot hall at 7.30 o'clock. Miss Chickering, a member of the faculty for thirty-nine years, died last August in Paris. The service will be open to her friends in Andover and elsewhere, as well as to the students and faculty of Abbot academy.

On Saturday night, October 23, Mr. Harrison M. Lakin, distinguished student and lecturer on international affairs, will speak at eight o'clock in Davis hall on the subject "Intimate Views of Contemporary Europe." Mr. Lakin has spoken at the

Town Hall club in New York, the Foreign Policy associations of Hartford and Buffalo, to men's and women's clubs throughout the east, and to many eastern schools including Phillips Exeter, Deerfield, Groton, Irskine, Bowdoin college and the University of New Hampshire. He spent the entire summer in Europe obtaining material for the lectures which he will give this fall. Friends of the school are cordially invited to attend.

Doll Table to Feature Bazaar

One of the big attractions at the bazaar to be held in the town hall on December 9 and 10, by Christ church parishioners, will be the doll table. Big dolls, little dolls, baby dolls and grownup sisters and brothers, dressed in all the latest styles, will be on display to delight the hearts of little girls and some of the bigger ones too. The prices will be reasonable and it will

be a splendid time to get these for Christmas presents.

Many other articles will be for sale at this bazaar, which is being held to augment the treasury, and there will be all sorts and kinds of gifts, both useful and ornamental for the holiday season.

Aprons these days are not only the neat but prosaic coveralls of grandmother's time, but they are also the gay little flutterings of the tea table and Sunday afternoon supper. They add to rather than hide the costume, and may be found at the

bazaar in large numbers.

Handkerchiefs for the nose and for the vest pocket of the suit will be on sale in quantity and quality. Prices range from the five cent kind for common use to the more expensive ones for gifts, but none are too high.

White elephants, groceries, candies, food, smokes and gadgets for men, and other articles too numerous to mention will be on sale at this time, in a most attractive winter setting, and the public is cordially invited to participate.

Crashes Car of Police Officer

Officer David Gillespie added his name to the list of local policemen who have been involved in automobile accidents when on Friday evening the left rear end of his car was struck by another car on Union street near Fletcher street. Sergeant Hickey was in an accident about a year ago and officer Carl Stevens a few weeks ago. On Monday night the state police cruiser was also hit here in Andover.

According to the police report, a Lawrence man attempting to pass a parked truck struck the left rear end of the truck and then the left rear end of Gillespie's car. Losing control the driver let the car go across the street and over an embankment into the yard of mail carrier Harold Eastwood.

No one was injured.

Obituaries

David Yule

David Yule, 74, of 223 South Main street, a resident of Andover for the past twenty years, passed away Monday morning at the Lawrence General hospital. A native of Dundee, Scotland, he had lived in this country for a long time, formerly having been employed as a steam fitter.

He leaves his wife, Mrs. Mary Yule, and a son, Dr. David D. Yule.

Funeral services were held Wednesday afternoon from the Lundgren funeral parlors, and burial was in Bellevue cemetery.

Rev. Frederick B. Noss conducted the services with Malcolm Lundgren rendering selections on the funeral home organ. The bearers were: Arthur Jackson, Ernest Pullan, James Wallace, Alexander Crockett, David May and Guy Robinson.

Roger W. Parsons

Roger W. Parsons, employee of an organ pipe manufactory, passed away on Sunday after an illness of several years. He had lived here for eight years, and was forced to give up his work in 1932. He was born in Dedham 28 and a half years ago.

He leaves his parents, Mr. and Mrs. William P. Parsons of River street.

Rev. Marion R. Phelps conducted services Wednesday afternoon at the late home, and burial was in Spring Grove.

The bearers were: Joseph E. Stott, Stillman Lawrence, Gavin McGhie and Richard Cooper.

Mrs. Elizabeth W. Manning

Mrs. Elizabeth W. Manning, widow of the late Albert S. Manning, passed away Monday morning, October 11, at the home of her daughter, Mrs. John L. Phillips, 215 Main street, where she had made her home of late.

She is survived by four children, Mrs. John L. Phillips of Andover, Mrs. James J. Brainard of Pittsburgh, Pa., James W. Manning of Attleboro and Albert H. Manning of Greenfield, Mass., also five grandchildren, four great-grandchildren, and one sister, Miss Susan Watson of Lowell.

Funeral services were conducted at the late home by Rev. Dr. Asbury Krom of Wethersfield, Conn., Wednesday, October 13, at 1.30 p.m. Interment was in Lowell cemetery, Lowell.

Mrs. Manning was born 88 years ago, the daughter of James Watson and Mary Durell Stone, in Brewer, Maine, but had lived here for the past seven years. Her passing was peaceful and in harmony with

her unchanging mode of life. Her lovable, charitable qualities with high ideals which she retained throughout her life, although tolerant of changing times, endeared her to a loving, devoted family, and to many friends to whom her life was an inspiration.

Miss Carrie M. Utley

Miss Carrie M. Utley passed away Wednesday at her home, 52 Morton street. A native of Charlestown, she formerly lived in Cambridge before coming to Andover three years ago. She leaves two sisters, Miss Edith Utley and Mrs. Charles Keirstead.

Following funeral services this afternoon, burial will take place at Mount Hope cemetery, Mattapan.

Arthur S. White

Arthur Sylvanus White, 71, passed away at his home, 64 1-2 High street on Monday night following a short illness.

He leaves his wife, Nancy; a son, Clyde A.; two daughters, Lucile and Marjorie.

Funeral services were held yesterday afternoon at the late home, with burial following at Union cemetery, Woonsocket, R. I.

Births

A daughter, Mary Ann, at the Hale Hospital, Haverhill, on October 5th to Mr. and Mrs. Thomas Farley of Riverina road.

Mr. and Mrs. Alfred Kneath of Melrose are rejoicing over the birth of a son born at the Lawrence Memorial hospital, Medford, on Saturday, October 9. Mrs. Kneath was formerly Esther Lewis daughter of Mr. and Mrs. Herbert Lewis of Lowell street.

Born at the Lying-In hospital in Boston, September 23 to Mr. and Mrs. Charles A. Nason of Somerville, a son, Robert Alan. The mother, nee Elsie A. Gilbert, is the youngest daughter of Dr. and Mrs. Guy W. Gilbert, formerly of this town, and is a niece of Perley F. Gilbert, local architect and Mrs. Elsie L. Brown of Honolulu, and a granddaughter of the late Dr. Charles H. Gilbert. The father is an adopted son of Mrs. Nellie M. Nason of Ballardvale.

A son to Mr. and Mrs. Winthrop K. White of Andover street Monday at the Boston Lying-In hospital.

Mrs. James Farnsworth of Elm street has returned from a two weeks' visit with relatives in Niagara Falls and Canada.

Punchard Notes

During the second period Wednesday morning, Mr. Wennik gave a demonstration of a combination electric adding and bookkeeping machine, with the following present: sophomore bookkeeping class, the senior typewriting class, Mr. Hamblin, Mr. Stevens, Mr. Sanborn, Miss Dugan, Miss MacDonald, Miss Corliss, Miss Winkley and Miss Oliver.

Last Monday at the regular Monday morning assembly several subjects were brought up. Mr. Hamblin was in charge as usual and he read several notices and made all the announcements for the week. The first thing that Mr. Hamblin spoke about was the performance that the Master Singers gave last Friday. He explained that these men were brought here through the School Assembly Service. This service is new to this section of the country and its functions are to provide entertainers, lecturers, and so forth to schools for assembly purposes. The junior high school has joined this organization and each pupil contributes a certain sum to enable the performers to be able to come here. The senior high school paid their share towards bringing the Master Singers here, but as yet the senior high students have not signed up for the full course of five performances as is offered in the plan. Last Wednesday's performance was the first of the five in the series. The next one will be a camera artist, who will show pictures taken on travels all over the world. This will be on the 29th of October. The third is an explorer who will show films and lecture on South America and the Amazon. This man has traveled extensively through that section of the country and it is expected that his talk and films will be very educational. The fourth will be a lecture on personality and the last will be a lecture on physics, and the principles of the gyroscope, and so forth, will be explained. As the senior high has not paid for this, instead of charging the pupils any definite sum, Mr. Hamblin asked all those who would be willing to do so, to contribute what they feel that they can. The money will be turned in to the home room teachers. There was some money left over from the Memorial Tablet now hanging in the hallway of the main entrance to the school, and this will be used for the assembly fund. The students were led in the flag salute by Virginia Batchelder, president of the senior class of Punchard. Yesterday afternoon the school held their weekly group singing program, led by Miss Sweeney, in the Auditorium. This morning the regular Friday morning assembly was held.

Elect Directors for Tax Ass'n

Seven directors for the coming three years were elected on Monday night at the annual meeting of the Andover Taxpayers' association. New directors are Edward V. French and Clarence S. Waugh, while others re-elected were: E. Barton Chapin, Edward P. Hall, Henry S. Hopper, Frank H. Hardy and Eldon E. Starke. Elmer J. Grover was re-elected secretary and Frederick S. Boutwell was again named treasurer.

Atty. Joseph L. Burns announced the report of the nominating committee, which also included Mitchell Johnson and Walter M. Lamont.

The directors will meet next Thursday evening at eight at the town house to elect a president and vice-president for the coming year.

At President Edmond E. Hammond's request for suggestions, Sidney P. White suggested the possibility of more frequent meetings of the Taxpayers' association. Philip W. Thomson stated that he felt a real need at town meetings was to have the finance committee or the association to give reasons for and against each appropriation, to prevent possible action made unwise by haste. Henry A. Bodwell added that when he was on the finance committee, this practice was followed, but since then the committee has just been content to approve or disapprove. Mr. Bodwell spoke against the policy of establishing a figure above which the rate should not go, saying that articles at the end of the warrant are thrown out regardless of their worthiness under this plan. Mr. Hopper suggested the possibility of sending out the reasons pro and con articles before town meeting.

Punchard Favored to Keep Record Clean Against Manning

Ipswich Team Has Shown Marked Improvement After Poor Start

Manning High of Ipswich will meet Punchard high in the fifth game for both teams at the local playstead tomorrow at 2:30. Manning has lost two, tied one and won one. It tied 7-7 Boston Farm and Trade which Punchard defeated 40-0, lost to Portsmouth 13-6, to Reading 25-6 the week before Punchard defeated Reading by exactly the same score, and defeated Danvers 14-7 the week after Punchard had beaten this team 18-0.

The Danvers comparison would predict a close contest, although the other scores would give Punchard a decided edge. Manning has but one veteran, Captain Markos at guard, and it is expected that the non-veterans will improve rapidly after they have a few games under their belts. That factor plus the overconfidence that an undefeated record gives a team might well prove Punchard's undoing tomorrow.

The Manning team is light, aside from Cronin, a 190-pound half-back, and Matheson, a 175-pound tackle. None of the others are above 140.

Coach Lovely will probably start the same team he started last Saturday. The Manning team will start as follows:

Trembley, l.e.; A. Pappas, l.g.; N. Pappas, l.t.; Koch, c.; Markos, Captain, r.g.; Matheson, r.t.; Budzianowski, r.e.; Marcocelle, q.b.; Clapp, l.h.b.; Cronin, r.h.b.; Robishaw, f.b.

WHITING AT NEW HAMPTON

Frank Whiting, co-captain at Punchard last year, played guard in New Hampton's 14-0 win over Hebron last Saturday.

Academy Loses First Since '35

Phillips academy's football team, undefeated since the Exeter game of two years ago, went down before the Yale freshman team 21 to 6 on last Saturday at New Haven. Whatever compensation the Andoverites had in the loss was supplied by the fact that the Yale fresh team was in good part P.A. alumni. Ray Anderson of last year's team, captain of the Eli fresh, scored one of the touchdowns.

Harold Tine of the local team scored the only Andover touchdown on a 65-yard run late in the game.

Tomorrow the local team will meet Northeastern fresh at Brothers' Field.

In about as bad an exhibition of football as any seen here in recent years, the academy seconds on Saturday fumbled and blundered their way to a 27 to 0 defeat at the hands of the Governor Dummer team.

The Northeastern university freshman team in two starts has not fared very well, losing to St. John's Prep 21 to 0 and to Rhode Island State fresh 21-6. It is a heavy team, with Dean Williams, a Nebraska boy at center, straining the scales at 230. Two of last year's unbeaten Haverhill high aggregation will be in the starting line-up: Wiseblood at left end and Barney at right guard. L. Williams in the backfield is the only prep school boy, he having come from Huntington. Others in the line-up are: Stirling, Fitchburg, l.t.; Henshaw, Samel, l.g.; Warshaw, Roxbury, r.t.; Bouldry, Roslindale, r.e.; Sullivan, Wellesley, q.b.; Karsh, Mattapan, r.h.b.; Dwyer, Medford, f.b.

The academy team was badly hit by injuries in the Yale fresh game. Kubie

Punchard Scored On But Wins

Reading Loses 25-6, Making First Score on Blocked Kick

A blocked kick in the third quarter of the Punchard-Reading game last Saturday enabled Reading to make the first score against Punchard this year, but Punchard was able to keep its untied, undefeated record clean by inflicting a 25-6 defeat on the visitors. Captain Eisenhaure of Reading fell on the ball behind the Punchard goal-line after Bisset's kick was blocked to make the only Reading score.

Punchard scored shortly after the game opened when right end Gordon downed a Reading punt on the 11-yard line, Noyes and Lynch following it up with gains which put the ball across the line, the latter scoring. Lynch kicked the point after.

Punchard was threatening as the quarter ended by virtue of runs by Dushame, Noyes, Bisset and Lynch and a pass from Lynch to Noyes. However, Punchard lost the ball on the one-yard line, but Lynch ran back the Reading punt from midfield to the 23, and on the next play he ran it to the eight, Dushame scoring from there. Lynch failed to score the point. The rest of the half ended with Reading having failed to make an offensive play in the Punchard side of the field.

Things went haywire at the start of the second half. Noyes fumbled on his 46, Reading recovering. Failing to gain, they kicked to Punchard's thirty. Bisset was downed on the 25 and a Bisset to Lakin pass was grounded. Then Bisset attempted to kick, and it bounced off a

Reading player. Captain Eisenhaure than pounced on it behind the goal.

Punchard was again threatening as the quarter ended, the most important factor being a Reading penalty which brought the ball to the one-yard line. The threat failed however when Punchard received two heavy penalties. After a Reading kick, Lynch scored on runs by Dushame, Bisset and himself. The try for point failed.

Shortly after this touchdown Bisset provided the feature of the game with a 77-yard return of an intercepted pass for a touchdown. Bisset's playing was again threatening a touchdown as the game ended, after he had intercepted another pass and thrown two of his own for good gains.

Punchard made fourteen first downs to Reading's two.

The line-ups:

SOCCER TEAM WINS

The Phillips academy soccer team edged out a 2-1 victory over the Deerfield academy team on Saturday at Deerfield. Kent's early goal was neutralized by a Deerfield goal, the first quarter ending 1-1. In the second quarter Hagedorn, German exchange student, made an unassisted goal on a hard drive to give Andover its margin.

Cows and Horses Perish in Blaze

Thirty-five tons of hay, six cows, two horses and a \$300 milking-machine were lost when flames destroyed a barn owned by Thomas Dixon of Brown street, West Andover, on Tuesday morning. Damage was estimated at from \$300 to \$5000, with a favorable wind saving the dwelling itself.

An attempt to get the horses out of the blazing building failed when they became unmanageable. Eight cows were led to safety by Mr. and Mrs. Dixon, with Mr. Dixon being burned about the neck and arms.

The blaze is believed to have been caused by spontaneous combustion. It was well underway when first noticed by a neighbor.

will start for injured Hank Williams tomorrow, and Meech will start at left guard. Johnnie Murphy is still unable to play.

Fifth Andover Pulpit Vacated

Rev. Marion Phelps Resigns in Vale to Accept New Pastorate

At the Sunday morning service of the Union Congregational church Rev. Marion R. Phelps tendered his resignation to accept a call to the First Congregational church in Erving, Mass. He will assume his new duties there on Sunday, November 21. Rev. Mr. Phelps has been with the church here for the past seven years, being ordained by the Andover Association of Congregational Churches and Ministers in the Ballardvale church in July, 1935. This makes the fifth local pulpit to be vacated this year.

Rev. Mr. Phelps assumed the pastorate on October 12, 1930 succeeding the Rev. Herman V. Lunen.

In 1935 he graduated from the Boston University School of Theology with an S.T.B. degree and also received a degree from the Cortland Business college of Cortland, N. Y. and the Boston University School of Religious Education.

Rev. Mr. Phelps has been ably assisted in his work here by Mrs. Phelps and through their untiring efforts the Junior Intermediate and Senior Christian Endeavor societies have been formed and also the Young Women's club and Men's club. They have also been a factor in increased membership in the other societies of the church.

The departure of Rev. and Mrs. Phelps will be felt by the community in addition to the church as they were ever ready to assist in any undertaking which they knew would be beneficial to the town.

Best wishes are extended the couple by the community for success in their new field.

Safety Talk at P. T. A. Meeting

Wentworth Kennard of the Harvard School of Practical Research gave a talk on "Safety" at the first meeting of the Shawsheen P.T.A. on Wednesday evening at the Shawsheen school. Mr. Kennard came in place of Miss Doris Greenwood of the Massachusetts Safety Council.

The Saxony Trio with Mrs. Frederick C. Smith, pianist, Mrs. Ethel B. Watson, violin, and Mrs. Hazel Foster, cellist played selections from Rosamund by Franz Schubert, Fairy Tale by Komzak, and Forgotten by Cowles.

Mrs. Harold Houston, president of the Shawsheen P.T.A. presided at the meeting. She reminded the large assembly of fathers and mothers of the completed gymnasium floor, and asked all to go down and see it. She said they wanted to buy equipment for the gymnasium this year so that the children could make full use of this room.

Mr. Dean, the treasurer, reminded the meeting that collections are used to defray monthly expenses, such as refreshments, janitor service, etc., but for quite a long time now the collections have not covered expenses. They urged parents to join the association and to be faithful in attendance.

Mrs. Harold Houston, president, and Mrs. Harold Eastwood were chosen as delegates to the State Convention which is to be held in Boston at the Hotel Statler on October 20-21-22.

The banner was won by the first and third grades in a tie. Both rooms will get a book, and each share the banner half the month.

Mr. Kennard, in his very interesting

way, said that Shawsheen was as safe as the people made it. The schools are doing a fine work in the safety campaign drives, he said, but the parent has his responsibility also. He gave the age of two years being none too young to train a youngster in safety ways. The speaker's daughter who is only two is taught to come onto the path when a car comes into the yard, and if a car is standing in the driveway she is also taught to play on the walk.

The parent is responsible, he said, when sending a child to school late, as he may run across a street when he hears the last bell, and thereby be involved in an accident.

Other points brought out were: Boys who ride bicycles after dark should wear white belts for their safety on the highway. They should have lights and good reflectors.

Children who roller skate should do so only on safe places.

A temptation comes to many people to slip through a long line of cars during a traffic tie-up, but the speaker suggested that it was far wiser to look at one's watch and see how short a time one waited for the whole line to pass rather than hazard a cut through the line.

Playing ball on the sidewalk is not dangerous, but the hazard involved is that the ball may bounce into the street and the child dart out into traffic.

The sixth grade mothers, as follows, served refreshments with Mrs. Frederick Smith and Mrs. Harry Emmons as co-chairman: Mrs. Russell Foster, Mrs. Harold Houston, Mrs. George McCollum, Mrs. Jerry Dyer.

COLUMBUS DAY PROGRAM

Master Singers in School Program

Roger Bragg, David Johnson, Howard Carmen, Emil Tafflinger, Stewart White, and Walter Hardwicke, known as the Master Singers, gave a very enjoyable program last Friday morning in the Memorial Auditorium, for the junior and senior high schools. The men wore grey suits, red ties, white shirts, and all had red silk handkerchiefs in the breast pockets of their suits.

Included in the program were: "Hail, Bright and Bold," a march from Tannhauser; "An evening pastoral," by Wilbur Shaw; "The Song of the Flea," by Tschakowsky; "One Alone" from the Desert Song; "Passing By" by Purcell; "Song of the Jolly Roger," by Cannon; "Persian Market," by Cartalmaie; "Lift Thine Eyes," by Frederic Van Cogan; "A French Composition," by LeBaron; "The Chinese Horn," "I Got Shoes," "Who Built the Ark," "De Glory Road," from Green Pastures, "Home on the Range," "The Water Boy," "We Saw the Sea," "Woman in the Shoe," "Something about a Soldier," Vincent Gorman's "Great Day," Nelson Eddy's "Fight for the Right You Adore."

REBEKAHS TO INSTALL

The annual installation of the local Rebekah lodge will be held next Monday evening in Fraternal hall. A supper will precede the ceremony. Tickets must be secured from Mrs. Franklin S. Valentine or Mrs. David Laurie by tomorrow morning.

Refreshments were served by Miss Margaret Reid, Mrs. Anne Renny, Mrs. Harry Rose, Miss Agnes Stewart, Mrs. David Stewart, Mrs. Tilsbury and Mrs. William Vannett.

Richard Crooks to Sing Here

Phillips academy's annual concert series will be brought to a close on January 19 by America's best-loved tenor, Richard Crooks. His voice and his art are familiar to us all, although some of us may never before have had the privilege of hearing him on the concert stage. Since 1931 he has been soloist for radio's Firestone Hour and will commence his seventh season in that capacity November 1. Noted for his interest in American song-writers, Mr. Crooks has recently recorded for Victor a series of Stephen Foster songs.

Crooks spent the greater part of the summer at his camp just over the Canadian border. His first vacation in three years, the tenor has taken every advantage of it in order to rest himself for the very busy season that is ahead of him. His first radio appearance prior to the Firestone series was on the Ford Sunday Evening Hour, September 26, and a few weeks later his first recital audience will hear him at the beginning of a completely booked tour in Newburgh, N. Y., on October 14. Besides his Andover appearance, such cities as Memphis, Atlanta, Boston, Wilmington, Philadelphia, Washington, Harrisburg, Springfield (Mass.), Pittsburgh, Worcester, Hartford, and Florida cities will hear the tenor in recital, while he will be soloist with the National, the Cincinnati, and the Tri-City Symphony orchestras.
