Abbot Fund Only \$25,000 Short Of Goal—To Start Dorm

Nearly 200 devoted alumnae of Abbot academy returned to the school on last Saturday for the annual business meeting and reunion banquet. The outstanding item of business was the report of the Second Century Fund, which is now only about \$25,000 short of its \$150,000 goal. Mrs. Katherine Clay Sawyer and Mrs. Isabel Sutherland Kurth, leaders in the drive, presented the encouraging report, and Miss Marguerite Hearsey also spoke of the plans for changes in the present buildings and for new buildings. Abbey hall, a new dormitory to be built under the \$50,000 gift of Mrs. Emily Abbey Gill of Springfield, will be started this summer, she said.

During the business meeting a lovely silver brooch was presented to Miss Jane Carpenter by Mrs. Annie Angus in behalf of the alumnae for her many year's faithful work as alumnae secretary.

The oldest alumna in town over the week-end was Mrs. Sarah Hunking Cheney of Haverhill, who graduated 72 years ago in 1866. She attended the graduation exercises on Monday, but did not attend the alumnae affairs on Saturday. Miss Carrie Foster of Andover was also present.

Abbot Graduates Forty-nine Girls

Forty-nine members of the graduating class at Abbot academy received diplomas and certificates from Miss Marguerite Hearsey, principal, Monday morning at the South church after hearing President William Allan Neilson of Smith college define their new freedom for them in the annual commencement address. Andover girls again played a prominent part in the exercises, with Mary Remington Elliot, daughter of Mr. and Mrs. Gordon B. Elliot of Bancroft road, being the only girl to win the "Honor A", highest award of the school for all around excellence. Barbara Rice received an award for good citizenship as did Helen Stott, an underclassman. Andover girls who graduated were: Susan Darling, Mary Elliot, Barbara Rice, Jeanne Sawyer, Arlene Teichert, Virginia Thayer, Mary Toohy, and Beatrice Tyer. President Neilson had given the commencement address at Abbot twice before, the last time nine years ago when depression was a

To Be Junior High's Last Graduation

The Junior high ninth grade which will graduate on June 20th will in all probability be the last class to graduate from the Junior high. School authorities at present are convinced that a graduation in this case is an unnecessary extravagance, since for most of the children it merely means promotion to the next grade in the high school, no more cause for a graduation than promotion from the primary grades to the grammar grades or from the sixth grade to the Junior High. Current educa-

tional philosophy recognizes no gap between Junior high and senior high, while a graduation presupposes a gap.

Some parents have complained because of the expense a graduation causes them for special clothes, etc. Other complaints have been heard relative to the junior high dance, but the school authorities have insisted that the dance be informal. Some of the girls however have apparently gone ahead and urged parents to buy special gowns for the dance.

"Aunt Minnie" to be Presented

"Aunt Minnie from Minnesota," a three act comedy, will be presented in the Baptist vestry tomorrow night at 7:45 o'clock, by a group of players from the Union Church of Methuen. The cast of characters includes: Aunt Minnie, Mrs. Leon Bassett; Minnie's Sister, Mrs. Will Clark; Mrs. Evans' older daughter, Mrs. Claude Taylor; Mrs. Evans' younger daughter, Mildred Rodgers; Eva's Fiance, George Mooers; Guy Graham, Clarence Shaw; the mayor, Leon Bassett; Patience Perkins, Beatrice Moody; Andy Andrews, Dana Bragdon; Cornelia Curtis, Mrs. Embert Potter; Nelia Nelson, Mrs. Walter Slater; Worthington Winter, Claude Taylor. The coach and director is Mrs. Benjamin Nice. The Alpha Dramatic Club, sponsors of the entertainment, have just launched a very successful advance ticket sale.

Work Progresses on New Boiler

Work is rapidly progressing on the installation of a new boiler at the pumping station as authorized by the town meeting. The side of the building has been removed, preparatory to taking the old boiler out and putting the new one in.

Two of the contracts on the job have been awarded: for setting the boiler, to Oscar F. Carlson Company of Springfield, and for the boiler, International Engineering Works of Framingham. Both were low bidders, Carlson figuring \$1990 and International \$1933. All other bids were above \$2100, with one on setting the boiler going as high as \$3,200.

HOLD CLINIC FOR PRE-SCHOOL CHILDREN

The board of health will hold a clinic June 14 from 3 to 5 o'clock at the Andover Guild for all children entering school in September. A physical examination will be given to each child by the Clinic doctor. Vaccination will be done free only for those who are unable to pay.

No Redistricting Probable in 1938

County Commissioner Butler Feels Law Not In Effect Until 1940

Governor Hurley's suggestion to the legislature last week that they tackle the redistricting problem which they have avoided since 1935 may not mean Andover's severance from South Lawrence until the 1940 elections, and possibly not even then, county commissioner Frederick Butler stated yesterday. The consensus of the legislature at present, he said, seems to be that if the law is passed, ordering the redistricting, it will probably be put into effect for the 1940 election and not for the November elections of this year.

The county commissioners have no authority to redistrict until so ordered by the legislature, but Mr. Butler has done some tentative work on the problem of his own although the commissioners as a board have not discussed it. It is assumed that 76-7700 votes would be used as the basis per member of the legislature, and if this is the case Andover could be worked in with Middleton. However, it is up to the legislature to decide this figure, and a variation of any size may place Andover elsewhere or leave it with South Lawrence as it is now.

If the problem continues after the November elections, County commissioner Fred Butler may not have anything to do with it if he makes the gubernatorial grade. He stated yesterday that he has a stiff fight in the primaries ahead of him against Leverett Saltonstall on September 20, but if he gets the Republican nomination on that day he would have a good chance against the Democratic candidate in November.

Mad Dog Keeps Residents Alert

A reported mad dog, believed at first to belong to Selectman Howell F. Shepard, kept the Dascomb road district on the look-out yesterday, with policemen endeavoring to shoot it down. Mr. Shepard also saw the dog and stated that it was very much like his dog except for certain black markings.

Officer Carl Stevens joined in the hunt yesterday, as did dog officer Herbert Lyle, who was able to get one unsuccessful shot at the dog. Freeman Abbott and Burton Abbott also were in the hunt, and during the afternoon the elder Mr. Abbott did his harrowing in minute-man fashion, with a gun by his side.

word associated with the early 30's. The reversal of the wheels of prosperity in those nine years, he said, has meant in other countries the substitution of authority for freedom, and this has taken out the zest for living of people of our own kind. If the girls, he said, had visited these countries, they would understand the true value of the word "liberty," which is what all girls leaving preparatory school look forward to. Up to now, he said, restrictions had been placed on the students for the sake of others and for their own sake; hereafter the latter restrictions would be removed, and it is up to the girls to choose their own ideals and their own set of rules.

Tree Exercises

Prior to the commencement exercises the senior class participated in the traditional tree and ivy planting. A birch tree was planted by Elizabeth McBride of Savannah, Ga., president of the graduating class, and she then presented the spade to Charlotte Norton Skinner of Lakeville, Conn., president of the remaining seniors. At the ivy planting Miss Comstock officiated and entrusted the trowel to Lloyd Pierce of Flushing, L. I.

Baccalaureate Service

"Have faith in yourself, have faith in your fellow-man, have faith in God," the graduating class was told on Sunday by Rev. Donald Bailey Aldrich, D. D., rector of the Church of the Ascension in New York city, at the annual Baccalaureate service at the South church. Rev. Frederick B. Noss conducted the services, with Walter Howe, the academy's director of music, at the organ, and the Fidelity society rendering two anthems. There was a large congregation numbering 564 present.

Rev. Dr. Aldrich reminded the girls that they were children of God and asked them never to forget the implications of this indispensable conception. He used the illustration of the family, saying that love is not created by us but found, given by God to us. In discussing his third point he stated that God brings to life things on which our lives depend, illustrating the statement with the creation of a new day.

A Real Purge Needed

Last Thursday's editorial on drunkenness in town departments brought in its wake many more stories about this unfortunate state of affairs not only in the public works department but also in other town positions. From all over the town, Shawsheen to the Vale, came tales of trucks parked near breweries, men coming to work with pints which they were altruistic enough to share with their fellow-workers, men sleeping it off in the woods, and so on. Some of the stories of course had gathered size as a snowball does when rolled down a hill, but there was enough truth to most of them to warrant a pretty close study of the whole situation, followed if need be by drastic action. The town officials themselves were keenly interested in the problem and the chances are that soon the condition will be rectified.

Before town meeting we go over very carefully all the budget requests made by the town departments, and in an endeavor to keep the tax rate down we usually pick on the special articles, assuming that the departments are not asking for any more money than they actually need. And yet this drunkenness situation is an example of a far more serious waste than these special articles would involve. When we appropriate so much for highway construction for instance, we just take the department's word that that much is needed, and yet if this work were done by sober, hard-working men, the chances are that the cost to the town would be reduced considerably. Inefficient work by public employees is at the very core of the high tax problem everywhere. From Shawsheen last week came stories about a job done on Fletcher street with a maximum of time caused by a minimum of effort. Conditions there became so bad that it was reported one party called the town department to register a complaint. And it is said that the long-lasting River road job lasted longer because of the proximity of a house where liquid refreshment was procurable.

We're paying for things like this. We're paying these men who seem to feel that their position is so secure that they can do anything they wish. That's the big trouble with public employment. They either, as in the case of firemen and policemen, are on civil service or in the case of teachers on tenure, or they are so well-entrenched politically that they feel no matter what they do, no one would fire them. But a good purge of all our departments would help cut the tax rate and it would also allow worthy people to get the jobs that are now held by parasitic men.

The bride was charming in a white satin gown, princess style with tulle veil and a tiara of alceon lace. Mrs. Johnson was gowned in aqua chiffon with a pink tiara of roses and lilies of the valley. Pink chiffon with an aqua tiara was the bridesmaid's choice for her gown. The three carried gardenias and lilies of the valley.

Miss Annie G. Donovan played the wedding march, and Jackie Sullivan and Rep. Louis J. Scanlon rendered solos.

After a reception at the home of the bride's parents the couple left on a wedding trip which included Niagara Falls.

Chadwick-Brown

At a four o'clock ceremony last Saturday Miss Etta Brown, daughter of George Brown of Elm street, became the bride of Thomas Chadwick, son of Albert Chadwick of Main street terrace, at the home of Rev. Herman C. Johnson. A small assemblage of friends was present.

Miss Lillian Brown was bridesmaid for her sister, and Mr. George Brown, Sr., served as best man.

Gage-Hall

The lovely interior of Center Church, Meriden, Conn. was the scene of a simple marriage ceremony at noon May 27, of special interest to those familiar with its history. The bride, Mrs. Brownell Gage, was before her marriage Miss Delight Walkly Hall of Andover, younger daughter of the late Rev. Alfred H. Hall. She was christened in this church during the pastorate of her father. Today's ceremony was performed by another pastor, Rev. John H. Grant, recently of Fairfield, Conn., whose wife is the former Margaret Hall. Edward Twichell Hall of New York gave his sister away.

Music by Bach, Mozart, Gluck, Purcell and Alfred Bonnet was played by Robert A. Squire of Meriden, organist of the Episcopal Church in Middletown. Members of the families and friends were present from New England and

"For One Day Only"

How many times has the above slogan, and many others, such as, "Special for Monday," or "Special for one hour," proved to be a disappointment to you? Probably quite often, but although the sale-period was so short-lived that you might have been disappointed, it was no disappointment to its sponsors who put it there, not to help you save money, but to create an impression, a false impression of low price, knowing that nine out of ten who read it couldn't possibly take advantage of it.

Such is not the case with our weekly specials. They are advertised to help you plan your menus and at the same time save you money "not for just an hour," "not for just a day," but for six full working days from Thursday morning until Wednesday noon.

First Holy Communion was received Sunday by 43 children at St. Augustine's church, with the mass being celebrated by Fathers Leonard, Austin and Ronan. The girl's choir sang several selections during the program.

The children who received communion:

CAKE-EATERS

Thieves had their cake and beat it, too, early Tuesday morning at the Shattuck Farm ice cream stand. Officers McBride and Stewart found that someone in the early morning hours had removed a screen at the rear of the stand and reached in to a cake box. Several cakes were taken, but they were left thrown about the lawn when employees scared the thieves away.

CHRIST CHURCH SCHOOL PICNIC SATURDAY

A picnic will be held at Prospect Hill Saturday for all members of Christ church school over eight years of age. They will meet at the parish house at 10. Those under eight will have their annual spring party at 2.30 at the parish house.

Driver Cuts Wrist and Alarm Wires

If you want the fire department and the town to know you've been in an accident, hit a couple of telephone poles. Just before one o'clock Monday morning the fire department and the people who have the misfortune to live within easy hearing distance of the station were awakened by a single blast from the alarm.

Officers Carl Stevens and John Deyermond went investigating, and soon a call came in for the ambulance, with Kerr Sparks and Officer Shaw responding. They found Harold F. Lee of Danvers badly in need of the tourniquet which they applied to his wrist, a car badly damaged, half a telephone pole dangling from the wires in the air and the other half off its base in the ground. Fire alarm wires had snapped.

The accident, apparently caused by a blow-out, occurred on Lowell street near the Wild Rose dairy.

GRAVITY WINS

A horse who tried to defy the law of gravity by stepping through an open scuttle brought the fire department to the property of Edward Beaulieu on Andover street Sunday morning.

CLAN AUXILIARY NOTES

A strawberry festival will be held by the Clan auxiliary at the next meeting to be held next Thursday. At the last meeting Mrs. John Thomson was elected a delegate to the grand lodge convention to be held June 21-23 at Providence.

Tonight the auxiliary will hold a whist and domino party at the home of Mrs. Merrill Watt on High street for the children's picnic fund.
