### Organizing Willkie Independents Here

Within the past week there has been formed in Andover an organization called The Independent Willkie Club of Andover. It has been organized by citizens who believe Mr. Willkie is the most promising candidate to lead this country through the chaotic times which lie ahead, and its sole purpose is to encourage the Independent and Democratic voters to give their support to Mr. Willkie in the November elections. ### Expect Heavy Vote Tuesday As Andover Hopes For Representation

Andover is expected to have one of the heaviest primary votes in years next Tuesday when the town hopes to be able to elect a representative to the state legislature after 15 years of virtual disfranchisement. All six polling places will be open from 9 a.m. to 7 p.m.

For the first time Andover will vote with North Andover, Methuen and Ward 1 of Lawrence for the choice of three representatives, and numerically it is possible this year for Andover to win one of the positions, whereas in previous years South Lawrence's overwhelming strength made this an impossibility. Andover men running for the

position are Selectman J. Everett Collins, Gordon R. Cannon and Ralph W. Emerson. Believed to be the strongest of the Methuen men running are present representative Harold Pedler, school committeeman, Herbert Bower, former mayor, selectman and representative Samuel Rushton, and attorney Raymond W. Schlapp, formerly of Andover. Former representative Bruno M. Findeisen is the only Lawrence man running.

Also of direct local interest is the county commissioner's race in which Andover's Fred Butler is

VOTE FOR MAYOR ALBERT W.

**GLYNN**

REPUBLICAN CANDIDATE FOR  
ESSEX COUNTY COMMISSIONER

STATE TAX COMMISSIONER HENRY F. LONG

In January, 1939, when Glynn was going into the office of Mayor, declared: "Haverhill is one of our problem cities...Frankly (in view of this), I see no great hope for Haverhill."—But, after Mayor Glynn had placed his program into operation, Commissioner Long in September, 1939, stated to the press: "Haverhill has made the best comeback of any city in the State."

Is there any doubt but that Essex County needs among its Commissioners, two of whom will be nominated on Tuesday, September 17, a man who can bring about such improved conditions in such a short period of time?

HAVERHILL EVENING GAZETTE

(Editorial, July 9, 1940)

**GLYNN CAN WIN** If County Can Learn His Good Qualities As Haverhill Knows Them

Mayor Glynn's quest for a Republican nomination to a county commissionership is soundly established on his records as a partisan and as a public servant. He has been for years a faithful and effective worker for the Republican party. He is doing a splendid job as mayor of Haverhill.

If he wants to advance his political career—as evidently he does—aspiration for a county commissionership is logical. There is no doubt in our mind that he would make a splendid commissioner. He has great energy, real executive ability, unimpeachable honesty, and a flair for public service.

The Gazette wishes him the best of luck in his quest for a commissionership and believes that, if the county can get Haverhill's knowledge of his qualities, the quest will be successful. But The Gazette regrets his decision not to seek the mayoralty again. Haverhill needs in the mayor's office a man of his ability.

## Early Fall Weddings

### Lowe-Buchan

At a simple ceremony in the First Plymouth Congregational Church, Denver, Colorado, Miss Margaret S. Buchan, daughter of Mrs. Annie Buchan of Lincoln street, became the bride of John C. Lowe, son of Mr. and Mrs. John Lowe of Balmoral street, Shawsheen, Thursday afternoon. The bride wore a tan sport costume with brown accessories. Rev. Raymond A. Waser performed the ceremony.

After a wedding trip in the mountains, the couple will make their home at 702 East 12th Street, Denver, while Mr. Lowe is temporarily employed with the Marion & Wilson Company of that city.

### Chapin-Parker

At a four o'clock ceremony in All Souls Church in Lowell, Friday afternoon, Miss Elizabeth Ann Parker, daughter of Mrs. Allan Douglas Parker of Lowell and the late Mr. Parker, became the bride of Melville Chapin, son of Mr. and Mrs. E. Barton Chapin of Phillips street and Edgartown. Rev. Simeon E. Cozad officiated.

Miss Nancy Parker was her sister's maid of honor and the eight bridesmaids were Miss Ann Godfrey of Brookline, Miss Anne Blodgett of Beach Bluff, Miss Virginia Harris of New York, Miss Muriel Harris and Miss Hildreth Pratt of Lowell, Miss Elizabeth Ann Cook and Miss Alice Parker Scarritt of Kansas City, Missouri, both cousins of the bride, and Miss Katherine Binnian of Cohasset, cousin of the bridegroom. Misses Dorothy Parker Fairbanks and Alice Rogers Flather of Lowell, also cousins of the bride, were the flower girls.

Wearing an ivory satin gown fashioned with tight-fitting sleeves, a bertha of rosepoint Brussels lace and a lace train combined with tulle, the bride was given in marriage by her uncle, Mr. H. Hutchins Parker of Lowell. Her veil was caught to a coronet of orange blossoms and she carried a bouquet of white larkspur and bouvardia. The maid of honor wore a yellow silk jersey gown with full draped skirt, bishop sleeves and a high neckline. She wore a matching hat and carried yellow and lavender garden flowers. The bridesmaids' gowns were similarly fashioned in lime green. White organdy Kate Greenway frocks over yellow petticoats were worn by the two flower girls who carried old-fashioned bouquets.

The bridegroom's brother, E. Barton Chapin, Jr., was the best man and the ushers were Allan Douglas Parker, Jr., of Lowell, brother of the bride, Irving H. Smith, Jr., of New York, cousin of the bride, Lincoln Clark, Jr., of Lowell, Samuel S. Binnian of Cohasset, cousin of the bridegroom, John L. Simonds of Boston, Henry H. Livingston, Jr., of New York, Schuyler W. Meyer, Jr., of Long Island, R. Dennison Coursen of Short Hills, N. J., and Richard G. Jordan of Portland, Me.

"Homewood," the home of the bride's mother, was decorated with

garden flowers for the reception after which the couple left for a trip to Edgartown, Martha's Vineyard. They will make their home on Shaler lane, Cambridge, after October 1.

Mrs. Chapin is a graduate of the Marcy C. Wheeler School in Providence and attended Smith College. She was also graduated from the Garland School and is a member of the Junior League. Mr. Chapin is a graduate of Phillips Academy and Yale University. He is a member of Elihu.

### Wilson-Jensen

At a pretty four o'clock ceremony in the Wesley Methodist Church, Worcester, last Saturday, Miss Edith Jensen, daughter of Mr. and Mrs. Jens Jensen, 114 Elm street, Worcester, became the bride of Alexander M. Wilson, son of Mr. and Mrs. Alexander Wilson of William street, Shawsheen. Dr. George E. Heath performed the service.

The bride was lovely in a white dotted mousseline de soie over satin, cut en train, with a full skirt and sweetheart neckline. Her tulle veil was full length and she carried a bouquet of gardenias and bouvardia.

Miss Priscilla Winslow of Washington, D. C., and Auburndale, the maid of honor, wore a full skirted blue mousseline de soie over satin and carried sweetheart roses, bachelor buttons and pink delphinium. Mrs. Elmer Howard Blum of Holden, the matron of honor, wore a contrasting gown of pale pink starched chiffon over satin and carried bachelor buttons, sweetheart roses and blue delphinium. Both attendants were becoming flower arrangements in their hair.

Robert F. Wilson was the best man and John A. Wilson, Moscow, Idaho, was head usher. Both are brothers of the bridegroom. A cousin, Walter C. Wilson, Jr., was an usher with James V. Garvey, Lawrence, and Virgil L. Hume, Lorain, Ohio.

A reception followed in the church parlors which were decorated with palms and baskets of fall garden flowers. The couple left on a wedding trip to Virginia and Pennsylvania after which they will make their home at 38 Olive avenue, Lawrence, where Mr. Wilson is associated with the Andrew Wilson Roofing Company. He is a graduate of the local schools and attended Dartmouth and Carnegie Tech. Mrs. Wilson is a graduate of Jackson college and before her marriage was a teacher in Johnson High School, North Andover.

### Nicoll-Tewksbury

A pretty candlelight service performed Saturday evening by Rev. Herman C. Johnson solemnized the marriage of Miss Gladys E. Tewksbury, daughter of Mr. and Mrs. Herbert A. Tewksbury of Derry, N. H., and Robert Thompson Nicoll, son of Mr. and Mrs. George B. Nicoll of Washington avenue.

The Central Congregational church in Derry was prettily dec-

orated with evergreens and white fall flowers making a picturesque background for the bride whose gown of white satin and lace ended in a full court train. Her veil was of tulle and she carried a bouquet of mixed white flowers. She was given in marriage by her father.

Mrs. Dorothy Tewksbury Staples, who was matron of honor for her sister, wore a gown of rose taffeta and velvet with accessories in harmony and she carried an arm bouquet of yellow roses. Miss Sally Odell of Fairfax county, Virginia, Mrs. Edward Berry of Manchester, N. H., Miss Ruth Ramsdell of Washington, D. C., and Miss Mary J. Varnum of Greenfield, N. H., were the bridesmaids and they wore similar gowns of deep blue taffeta and velvet and carried red roses. A large reception followed in Association Hall after which the couple left on a trip through the White Mountains.

The bride is a graduate of Pinkerton Academy and of the Bouve School, Boston, and has been teaching at Miss Beard's school for girls in Orange, N. J.

The bridegroom is a graduate of the local schools, Phillips Academy and Wesleyan University. He is one of the proprietors of the Gulf filling station in town.

The couple will make their new home in Andover.

### Newman-Whitney

At a pretty informal wedding last Sunday afternoon at four o'clock in the South Church, Miss Laura Elizabeth Whitney of 3 Pelham street, Methuen, daughter of the late Mr. and Mrs. Henry Whitney of North Attleboro, became the bride of Henry Irving Newman, son of Mr. and Mrs. Charles Newman of Elm street.

The ceremony was performed by Rev. Frederick B. Noss. James Gillespie of Andover played the wedding music. The church was decorated with mixed gladioli.

Miss Mary Mack of Beverly was maid of honor and the bridesmaids were Miss Harriet Newman, sister

of the bridegroom, and Miss Marjorie Odeon of Lowell, a classmate of the bride at the North Shore Babies' Hospital.

It was a double ring ceremony and Master George Newman Peters of Andover, seven year old nephew of the groom, was the ring bearer.

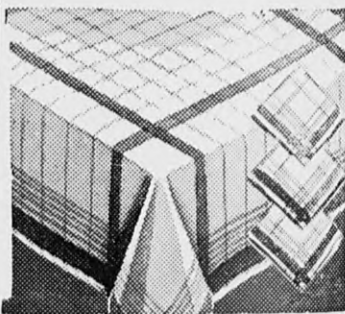

The bride wore a gown of white taffeta with elbow length veil and tiara of lily of the valley. She carried a colonial bouquet of white gladioli. Her maid of honor wore a gown of blue taffeta and matching tiara. The bridesmaids wore corresponding gowns of rose taffeta with matching tiaras. The maid of honor and bridesmaids all carried colonial bouquets of pink and red roses and baby's breath. The ring bearer wore long white flannels and navy blue cheviot coat.

Alfred Galleucia, Jr., of Lawrence was best man and the ushers were Charles Whitney of Worcester, brother of the bride, and Winthrop Newman, brother of the bridegroom.

## Candidates Reply To League Questionnaire

Three questions were asked the various candidates for office in the primaries by the League of Women Voters and the local League has received answers from a number of representative candidates and also from some candidates who are unopposed. Candidates for representative who answered were J. Everett Collins, Gordon R. Cannon, Atty. Raymond W. Schlapp, Bruno M. Findeisen, Robert Hewett and Daniel Downey.

Their answers follow:

**Question 1:** Do you favor the extension throughout the State of special Children's Courts such as the Boston Juvenile Court?

**Collins:** I am in favor providing that the Bar Association of the State approved and that it was also given approval by the Police Chiefs' Association of Massachusetts.

**Cannon:** Yes.

**Findeisen:** I believe in Juvenile Courts. I don't recall Boston's particular setup.

**Downey:** It is my understanding that the extension of such courts will remove the demoralizing and criminal taint associated with intercourse with ordinary court procedure and so protect juvenile delinquents from the contaminating influence attendant upon appearance at such ordinary courts. For the social values inherent in such Children's Courts I strongly favor extension.

**Hewett:** If memory serves me right, it is the unanimous opinion of special committees that have studied this problem, that extension of such a system will result in a decline of juvenile delinquency; therefore I am in favor.

**Schlapp:** I am not too familiar with the Boston Juvenile Court, but as a practicing attorney I am heartily in favor of any system of courts which will tend to correct criminal tendencies in youth and which will not brand them as criminal to blight their future possible useful years. And I firmly believe that they should be set up with as little political connection and interference as is humanly possible.

**Question 2:** Do you favor fewer and better State Teachers Colleges rather than the continuation of the nine existing institutions?

**Collins:** I am in favor of fewer and better State Teachers Colleges. It is a question that must be given serious thought. Problem as to those to be eliminated should be carefully studied without any political influence. This is a serious problem and should be given extensive study.

**Cannon:** I would like to see the present system improved by higher standards.

**Findeisen:** Fewer and better colleges would be better if it was proven it could be handled that way.

**Downey:** If a study of all the testimony presented by educators and friends of education should reveal to me the desirability of favoring one of the two alternatives, as suggested in questionnaire No. 2, I would be guided by the Educators and friends of education.

**Hewett:** Yes. Provided that the relocated institutions do not work a hardship on those who might otherwise be forced to incur tremendous expense in order to further their education. Public schooling is still the basis for affording equal opportunities in our democracy. Therefore, I do not entirely believe that hindering or frustrating ambitious ability should be a prime factor in governmental economy.

**Schlapp:** I believe that a committee has been appointed to make a study on this matter. I have not seen their report, so do not feel at liberty to bind myself to your group by making a positive statement.

On the third question, "Would you support legislation permitting Boston to decide for itself whether it wishes to elect its city council by proportional representation?" all declared themselves in favor of allowing Boston to decide its own problem, with Mr. Cannon and Mr. Findeisen expressing a desire to hear both sides debated before deciding. Attorney Schlapp further expressed the view that proportional representation would provide "for a more equitable and democratic way of government in Boston."

# EXPECT LARGE VOTE

(Continued from Page 1)

seeking re-election with James D. Bentley of Swampscott. Their strongest opposition is expected from Mayor Albert W. Glynn who has done a good job on Haverhill's finances, and present representative Carl A. Woekel of Methuen.

The other contest that has stirred up interest is that for the Republican nomination for attorney-general in which former Middlesex district attorney Bob Bushnell has become Andover's "favorite son." He formerly resided here and went to the academy.

Brief sketches or statements of most of the important candidates follow:

## For Representative

Because of his previous vote-getting strength in local campaigns, J. Everett Collins bears the hope of many Andoverites that the town may finally secure representation. He has twice been elected selectman, defeating in the first case a man believed unbeatable and being unopposed the second time. Prior to this he had led the ticket for school committee. Born and brought up in Andover, he is a Pynchard graduate, was prominent in athletics and served overseas. He is well-known all over New England for his work in music, being director of the Andover Male Choir. He is employed as an auditor for James M. Kemper and Company, Boston.

Gordon R. Cannon, a graduate of Phillips Academy and commercial college, at one time taught commercial subjects and now deals in antiques. He says: "I have worked for the Republican party for 32 years and attended 29 town meetings in Andover, thus giving me a fair knowledge of legislation needed for the people whom I would represent."

Rep. Harold S. Pedler of Methuen has served on the Methuen Republican town committee for over 20 years and has also been prominent in the Young Men's Republican Club there. He says: "The best recommendation I can bring to Andover is the fact that my own neighbors, those who know me best, have given me the largest vote in the several contests I have been in." His positions have been delegate to Republican state con-

vention in 1934 and 1936, town almoner, clerk of board of health and charities department. Educated at Methuen high and Boston trade school. Lawrence newspaperman for many years, now in printing business in Methuen.

Atty. Raymond W. Schlapp was educated here, graduating from Pynchard in 1924 and Bowdoin college in 1929 and receiving his LL.B. from Boston University Law school in 1933. He is now on Methuen Advisory Board and is its chairman. The last town meeting followed the board's recommendations fairly closely, thus reducing the town's tax rate. In a 1936 campaign for state senator he polled a 2 to 1 vote in Methuen.

Samuel Rushton comments: "I, Samuel Rushton, seek to be one of

three Republican nominees. I sincerely offer the qualifications I feel I possess to serve you. My background as a public servant has been extensive. I have served Methuen as a Selectman (12 years), Mayor (2 terms), School Committeeman, Representative (member of important Committee on Taxation), Chairman of Div. 18 U. S. Exemption Board (world war)."

Bruno M. Findeisen of Lawrence served in the legislature in 1931 and 1932. He states: "I believe that there should be more men with

## News of Other Days

**50 Years Ago**

At a meeting last Friday night in the Engine house, Engineer Sleath of Ballardvale made a motion that the firemen's muster be indefinitely postponed. A pair of W. H. Tucker's horses won second premium in a drawing match at the Essex Agricultural Fair. A well-known amateur poultry raiser and gardener, John Hax, killed a rooster last week weighing 1½ pounds. The select audience and also the Professor Laflin, himself, was greatly surprised Wednesday night when the latter gave an exhibition of fancy bowling using very intricate points that were very pretty. His opponents won every match. Mr. Barnett Rogers was agreeably surprised last Saturday afternoon, when Robert Jamieson, in behalf of his fellow workmen, presented him with a purse and handsome sum of money, in token of the good service he has rendered in the defense of tariff on dressed flax.

**25 Years Ago**

Peck of Pittsfield has been elected graduate treasurer at Phillips Academy and Paul Abbott of New York City has been elected undergraduate treasurer.

**10 Years Ago**

Miss Bertha Bailey, Principal of Abbot Academy, returned on the Minnetonka which arrived in New York Monday from London. Miss Grace Hadley of Wolcott avenue leaves today for the University of Wisconsin where she is enrolled as a student. William L. McDonald, son of Mr. and Mrs. Frank S. McDonald of Chestnut street, has been appointed to the Pynchard High School faculty. George A. Higgins, Town Clerk and holder of various offices for more than a quarter century, has tendered his resignation to the Board of Selectmen. James H. Eaton won his first M. V. C. C. golf championship Sunday when he defeated Dr. Joseph W. Fenton, 7-5, in a 36 hole match.

## Needs More Clothing For Needy Refugees

The Andover Chapter of the Red Cross has received the following quota from Washington which is to be shipped by December 31: 35 Women's Dresses, 75 Women's Skirts, 175 Girls' Dresses, 125 Girls' Skirts, 125 Layettes, 60 Boys' Shirts, 25 Shawls, 25 Children's Stockings, 35 Boys' Overalls, 60 Convalescent Robes, 60 Hospital Pajamas, 25 Men's Sweaters, 50 Women's Sweaters, 300 Children's Sweaters, 20 Mufflers, 100 Men's Socks.

A few excerpts from the letter from National Headquarters may answer some of the questions people have in their minds concerning the shipment and ultimate destination of articles made by Red Cross workers.

"At the beginning of August approximately 700,000 Chapter-made garments had actually been received by our export warehouse and practically all of these had been shipped abroad by August 3. Since then, shipments have been going forward regularly to Great Britain for the French and Belgian refugees and English evacuees in that country and we are planning to send additional shipments to Finland in the near future.

"There is no question as to the overwhelming need among the hundreds of thousands of destitute refugees who have been driven from their homes and we are anxious to have available for immediate shipment an adequate stock of all the various garments so that future requests from our commissions abroad can be met promptly and advantage taken of any ocean transportation space that becomes available. No one can foresee the future but no one ques-

tions that the needs will continue to be far beyond our ability to meet, and there is no doubt in our minds but that eventually we will be able to send to these unfortunate people all the garments that our volunteers can produce.

"As you will note, we are stressing children's garments even more strongly than we have in the past. More and more it seems probable that our future program will be confined to aiding this group, and the sick and injured.

"We sincerely trust that by the end of this year our half million volunteers will have increased in number and that through their efforts, America will be able to give further expression and tangible evidence of its sympathy to the millions of men, women and children, who are victims of the greatest catastrophe that has ever visited our world."

Many small groups are being formed in Andover to do the sewing which is so urgently needed. Any group of women desiring to form such a group can receive materials and instructions by getting in touch with Miss Kuhn, 48 Central street, Telephone 46.

## FALLING IN LINE

We don't exactly FALL for all this chill weather but it's ideal for encouraging the "back-to" mood... back-to-school, back-to-work, or back-to-town... Gus Rapisardi probably won't mind too much the stiff assignments at Rensselaer Polytech... Nor will Edmond E. Hammond, who was an honor student at Phillips anyway, find it too difficult to settle down to chemistry at Haverford... George G. Brown, Jr., will tackle Hebron Academy and will probably be tackling for it during the football season... Joyce Hansen returned to Redlands University this week where she is entering her sophomore year...

But vacations are not all over and there are some who prefer the 'ember months for travelling... Mrs. Donald Laurie, Miss Margaret Laurie and Miss Maud Brown will start out this week for a motor trip through the southern states... Miss Grace Ganley and Joseph Ganley of Washington, D. C., who have been visiting their sister, Mrs. Philip

Moore, left Wednesday for New York where they will visit for a few days before returning to Washington...

business experience in the legislature. I founded the Findeisen Farms Company starting when I was 16, and I was general manager until four years ago." He is a member of a number of sportsmen's clubs.

Herbert B. Bower is a member of the Methuen school committee, and a town meeting member. He ran two years ago for representative and came in fourth. He is married and the father of seven children.

### For County Commissioner

Fred Butler, Andover's town meeting moderator, has held public office every year since 1914 except 1919. From 1914-1918 he was a representative in the state legislature, and from 1920-1922 he was in the state senate. Since March 1923, he has been a county commissioner and for the last six years he has been chairman. Prominent in Republican quarters in the state he was in 1936 chairman of the state convention and in 1938 candidate for the gubernatorial nomination. He is running for one of the two positions with

James D. Bentley, who has two sisters living in Andover. A resident of Swampscott for 50 years, he was educated there. He is a member of the Republican town committee and was in the state legislature for 19 years. He was appointed to take the place of county commissioner James Mitchell who died two years ago.

Mayor Albert W. Glynn of Haverhill presents his two-year record as mayor as his best recommendation. In that time he cut the city debt \$146,000, restored wage cuts to city employees, installed a purchasing department, saved \$68,000 by putting efficiency into the W. P. A., replaced worn-out equipment, established a street building program, paid state tax deficit of over \$70,000 and founded a constabulary of over 200 members for Home Defense. Taxes have been cut twice.

Rep. Carl A. Woelke has been 14 years as representative at the State House and was formerly a councilman and alderman in Lawrence. He has been a contractor for 40 years and is a member of many lodges and sportsmen's clubs. He has served on many important committees in the Legislature.

### Hudson Driver Up For Re-election

In announcing his candidacy for nomination and re-election to the office he now occupies, Register of Deeds G. Hudson Driver, points to the increased importance of that office in the affairs of greater Lawrence.

Due to the accelerated home building program in the local area, together with title examinations for P. W. A. and W. P. A. improvements and Federal Housing developments, etc., the value and convenience of the local Registry is becoming more evident to all who have occasion to visit the Court House.

The increased demands on the Registry staff are best evidenced by the fact that the number of instruments recorded for the period from January to June 1940, total 2604, an increase of 582 recordings over the corresponding period for 1939. This increase has continued throughout the summer and together with the upturn in fall building activity, will probably establish an all time high for recordings in the Northern Essex Registry.

Among the innovations developed by Mr. Driver in the Registry since his incumbency, are the introduction of the Bankruptcy Index, beginning with the year 1939, which has been continued, and which has proved a great convenience to those of the legal profession. Also nearing completion is the consolidated Grantor index from the year 1869 to 1914 inc.; and the retracing of the original land maps from the beginning of the Registry to the present time, necessitated by the intense usage to which these maps have been subjected.

has absolutely no intention of interfering with local politics and its only hope is that the result of its activities will stand as a concrete example of the American voters' ability to act in a national crisis not on the basis of party affiliations but on the basis of their own personal convictions. ## No Decision Yet On Proposal To Build Gas Station And Apartment Houses

It will probably be some time before the board of appeals comes to a decision on the proposal that a filling station and three apartment houses be erected on the Shaw property on Main street. Every phase of the matter will be gone over thoroughly before a final decision is handed down.

Many arguments on both sides of the matter were presented last Thursday night at the hearing before the Board of Appeals. Some of the arguments cannot be considered by the Board since they presented considerations that have no direct bearing on the legal aspects of the question. The main legal basis for granting a variance to build a filling station in the business area or an apartment house in the residential area is whether or not the refusal to allow this use of the property would impose an undue hardship on the owners. This question remained unanswered at the hearing, since the main heirs of the estate are in California. Burton S. Flagg, executor and petitioner, was not present.

Many of the people at the hearing expressed the opinion that there are too many filling stations in town now, but this is something that the board of appeals cannot take into account. Others were opposed to the filling station but not to the apartments; others were willing to have one apartment house but not three. Others wondered about the drainage, which would be a problem for the Board

of Survey and the Board of Public Works, if the permit were granted.

The main problem to the Board of Appeals will be whether the project would be detrimental to the future development of the town. Some opinions were expressed along this line—on both sides.

The potential purchasers of the property, H. E. Crocker and T. R. Hubbell of Watertown, were introduced by Leo F. Daley, potential broker in the sale. They explained the project as presented two weeks ago in the Townsman. Mr. Koenig represented the Colonial Beacon Oil Company along with district manager Mr. Hutchins.

Those who spoke on the problem were Frederick H. Smith, Jack Grout, Frederick W. H. Stott, Mitchell Johnson, William A. Trow, Edmond E. Hammond, E. Carlton Kimball, William F. Barron, Dr. Nathaniel Stowers, Jerome W. Cross, Mrs. Charles E. Abbott, Dr. Albert E. Hulme, Frederick E. Cheever, Chester W. Holland and John Murray. Sitting on the case are Board of Appeals members Walter M. Lamont, Roy E. Hardy and James Eastham.

### OFFICER DEYERMOND RECUPERATING AT HOME

We are happy to report that Patrolman John Deyermund has returned to his home, 11 Shawsheen road, after several weeks' illness at the Clover Hill Hospital. Lawrence, and we're hoping to see him in the square again any day now.

## Add New Members To Music Faculty

Beginning with the present academic year two new instructors will join the Music Department of Phillips Academy: Dr. William Reese, who will teach piano and assist with the orchestra, and Mr. Robert D. King, who will assist with the band. Dr. Reese is a graduate of Amherst and did graduate work at Columbia University. While at Columbia he assisted Mr. Beveridge with the University Choir and was organist of a Presbyterian Church in New York City. On winning a European fellowship, Mr. Reese spent five years in study abroad. He studied conducting at the Hochschule in Berlin and took his doctorate in Musicology at the University of Berlin in 1939.

Mr. King is a graduate of Boston University and did post-graduate work at Harvard. He is an outstanding authority on music for brass instruments, his arrangements having been played during the past summer by Mr. Goldman with his band in Central Park in New York City. During the summer holiday Mr. King held a fellowship at the MacDowell Colony at Peterboro, N. H.

Mr. Felix Fox, the distinguished piano pedagogue of Boston, will continue his relation with the

piano department. Mr. Frank Macdonald, the concert-master of the Handel and Haydn Society of Boston, and the conductor of the Quincy Orchestra, will continue to head the violin department in which position he did such excellent work during the past school-year. Mr. Clark will continue to assist with the Glee Club, the Choir, and at the organ.

## Dr. Pfatteicher To Play Bach Series

Beginning this coming Sunday, and continuing throughout the school year, Dr. Pfatteicher will play a half-hour, informal, Bach organ recital on the Martha Cochran Memorial Organ in the Chapel of Phillips Academy, from 12 to 12:30, after the morning service. During the year Dr. Pfatteicher will play the complete organ works of Bach, including the chorale-preludes. The public is cordially invited.

## EDITORIAL

**Don't Let Andover Down!**

There are 2,677 of you. You're classed as Independents; it doesn't mean you're independent; it merely means that you haven't taken the time to vote in a primary election. Andover needs your vote Tuesday; Andover wants a representative at the State House; so get out Tuesday and vote.

In Methuen they vote in primaries. In a recent tabulation it was shown that of 11,800 Methuen voters 8,184 had voted at a primary while only 3,616 had failed to. What is the story in Andover? Only 56% have voted in the primaries here as against Methuen's 70%.

Possibly you just didn't care; possibly you felt that with South Lawrence having such overwhelming strength in the old district, it was a waste of time to go to the primaries. That excuse doesn't exist now that we're in with Methuen, North Andover and Lawrence's Prospect Hill. Andover can have one of the three representatives if you Republicans and you Independents get out Tuesday and vote! If Andover is lethargic next Tuesday, Methuen is going to have three representatives, or Methuen two and Lawrence one—and Andover will have none.

Yes, we want a representative in the State House. We don't want all three, because then Methuen and the other sections would be without representation, and they shouldn't be. But we don't want Methuen to have three, either. That isn't fair! And yet we can't expect the Methuen voters to go to the polls and in effect say: "Those nice people over in Andover haven't had a representative for 15 years; let's vote for one of the Andover boys." Human nature just doesn't work that way. Our men will get some votes over there; theirs will get some over here, but by and large each town will support its own. It's our duty to our town to vote Tuesday in the Republican primaries if we really want a representative. If we don't vote, we just don't deserve one.

You who haven't voted in primaries, your vote is needed and needed badly. Go to the polls Tuesday and ask for a Republican ballot. It's a primary ballot, true, but in this case it's the election, for the district has a heavy Republican majority. There's only one Democrat running for the three positions; he'll get the Democratic nomination, but the three who get the Republican nomination really get the election.

It's our chance. We can do it. Let's not let Andover down. She deserves representation; she deserves our wholehearted aid in giving her representation. Just a few minutes on Tuesday, that's all it will take to give us two years of representation. SO DO YOUR BIT! GET OUT AND VOTE!

## Many Candidates At Republican Rally

A large number of candidates for representative, county commissioner and attorney-general spoke last Thursday evening at the rally conducted by the Young Men's Republican Club. Most applause of the evening went to the Andover Male Choir which varied the program with three selections under the baton of representative candidate Ev Collins.

The county commissioner fight brought forth the most brickbats, with the "outs" doing the tossing and the "ins" in the person of Andover's Fred Butler tossing them back quite effectively.

The candidates for representative devoted themselves mainly to presenting their own biographies and views without banging each other. Henry Parkman, Jr., unopposed for the Republican nomination for U. S. Senator, received a good hand at his forthright declaration for immediate national defense. William Haskell of Lynnfield, though he had to speak late in the evening, presented a worthwhile appeal for nomination to Congress.

## Seven Injured In Local Accidents

Seven persons were injured in three automobile accidents this week. Last Friday night three women were taken to the Lawrence General Hospital after their cars had crashed on South Main street in front of Luther Witham's Andover Cottage. Both cars were badly damaged, but injuries were not serious enough to place anybody on the danger list.

Elaine L. Dalrymple of Methuen and Helena M. Sobel of Brookline were the drivers. The latter suffered a concussion, a laceration and a general shaking up. Two passengers of Miss Dalrymple were also treated at the hospital.

The next trio were injured in West Andover Sunday noon, with one of the cars being tipped over. Mrs. Maritza Casparian of 117 Greenwood road was kept at the hospital, while her husband and son were released after treatment. The other car was driven by Raymond Tisbert of Chandler road.

Frank Gaudet of Topping road was cut about the face in a triple crash Saturday night on River road, with glaring lights given as the cause. The car in which he was riding, it was claimed, hit two other cars after the lights of another had blinded the driver.

## Total Enrollment In Local Schools Shows Decline

Andover's total school enrollment showed a decline on Monday over the same date a year ago, although the rainy weather may have had something to do with it. However, out in the North district parents felt happy, because despite a predicted low enrollment the re-opened school had an enrollment of 18, only one less than the 19 that it had when the committee closed it in 1939.

The total dropped from 1,513 to 1,480. All of this and more was accounted for by a decline of 37 in the high school. Increases were shown as follows: Junior high, 7; Central Grammar, 4; West Center, 7. Decreases were: Shawsheen, 11; Bradlee, 17; Indian Ridge, 5.

St. Augustine's parochial school showed a slight drop from 266 to 259.

The October first figures are usually more indicative of real trends than the opening day figure which is affected more by such factors as temporary illness, weather, etc.

All the schools held opening day programs with flag salutes, etc.

## Academy Ready To Aid In Defense

Phillips Academy "stands ready to offer all its facilities to the government" if need arises, it was stated this week as school opened with 20 refugees from England as guest students at the school. Colonel Henry L. Stimson, president of the academy trustees, is secretary of war at Washington now. For the present, however, the trustees feel "that it is the duty of the school to carry on the normal process of education."

## Citizens Demand Action On Telephone

Letters are still pouring in on the Department of Public Utilities regarding the recent so-called reduction in foreign exchange rates for telephone service, a reduction which by the imposing of a 70-call limit actually proved an increase to business people wanting unlimited service to and from Lawrence.

One letter from a local business man reads as follows:

Gentlemen:

I have before me a copy of your letter to Walter C. Tomlinson, Esq., Chairman of Andover Service Club Committee and your D. P. U. 5994.

Nothing was stated in your letter and schedule of rates about limiting Andover-Lawrence Service to 70 calls a month.

Has the Telephone Company the right to make this limit, and if so, why didn't you explain this in your letter?

J. Harry Anderson of William street has written twice, without an answer to date. His letters follow:

Gentlemen:

Regarding local indignation over the recent decision of your body regulating Foreign Exchange rates between Andover and Lawrence, would state that a question has arisen in the minds of many of our citizens as to just what are the duties, responsibilities, and authority of your Commission on telephone matters, and would request that you kindly advise me in order that I can show your reply to those interested.

Very truly yours,  
J. H. Anderson

Gentlemen:

So many of my friends in Andover have asked me what was said

in reply to my recent letter to you concerning duties of the D. P. U. that I am writing you again for a reply.

I realize your Mr. White is not on the job at present; but I presume some one is responsible while he is campaigning.

The telephone question here in Andover and Shawshen Village is at present quite serious to our business men, and we are trying to get what we consider inexcusable high rates done away with; so I am doing what little I can to help.

We have supposed that the D. P. U. would be very much interested in the welfare of the PUBLIC.

Very truly yours,

J. H. Anderson

3 William St., Andover, Mass.

J. Augustus Remington, secretary of the telephone investigation committee, has asked for further information, as follows:

Gentlemen:

Mr. Joseph A. Mulvey, Chairman of the local Telephone Investigation Committee, has advised me that the D. P. U. were planning to do something about the exorbitant rates charged for a Lawrence-Andover business telephone limited to 70 calls a month.

The committee would like to hear from you as soon as possible.

Very truly yours,

J. A. Remington,

Secretary

## Modern Poster Exhibit At Gallery

On September 10th the Addison Gallery of American Art will open an exhibition entitled "A History of the Modern Poster." This exhibition has been sent to Andover by the Museum of Modern Art and is scheduled to be shown in other American cities this year.

The picture galleries of the public are virtually found on bill boards of buildings, in banks, in theaters, in every railway, street car, elevated train, subway, bus and taxi. The poster, as one of the informal and most omnipresent of the arts, is therefore important because of its constant influence on our lives.

Unfortunately poster design is rarely, in America, more often in Europe, representative of the best art of the day. With the commercialization of the lithographic process, the modern poster as we know it came into being. From this time poster design has often been influenced by the successive vanguard movements in painting—sometimes detrimentally, more often beneficially. It is only rarely that a poster design reflects immediately the most advanced

movement of the period, and even then it is usually because a leading painter is also a poster designer. Toulouse-Lautrec's posters because of their wide use were naturally much better known than his paintings. Today they are looked upon as fine examples of his art, equal in quality to many of his finest paintings.

The exhibition traces in part the major changes which have taken place in poster designing from the introduction of large scale color lithography in the 1880's to the present. It shows the clever adaptation to poster design of the work of the Impressionists, Pre-Raphaelites, Expressionists, Cubists, Abstract artists, Surrealists and painters of the American scene.

Posters from England, France, Germany, Greece, Russia, Switzerland, Holland and the United States are included in the Exhibition which will close on September 18th.

Dr. Fuess Boosts  
Bob Bushnell

Last Friday evening Dr. Claude M. Fuess, headmaster of Phillips Academy, put in a kind word for one of his old boys, Bob Bushnell, now a candidate for attorney-general of the state. Bob used to live in Andover, and he attended the academy. The headmaster told of Bob's enterprise and independence, with his excellent work winning for him a scholarship.

At graduation Bob received votes from his classmates for "brightest," "most respected," "most likely to succeed," and of paramount importance for an attorney-general "Hardest to rattle."

"He is now a candidate for the office of attorney general and I venture to say that there is no man or woman in the Commonwealth better equipped in intelligence, energy, and integrity to hold that high office," Dr. Fuess stated.
