Punchard Faces Strong Chelmsford

Chelmsford High school meets Punchard at the local Playstead this Saturday at 2 P. M., it being the first of a run of five home games for Punchard.

Coach Ab Lupien has a strong team and hopes to set back the locals here.

The Chelmsford attack is built around backs Mochrie, Anderson, Zorette and Adams, and features a wide assortment of fast plays. Chelmsford has walloped Wilmington and Weston to date, running up impressive scores in its two victories.

Punchard is expected to be at full strength for this encounter with the return of fullback Bud Johnson, who was sidelined in the Reading game.

Jack King, 215-lb. tackle, may start at left tackle and Grant McMackin, 180-lb. center, may shift to right tackle on defense, with scrappy Norm Bendroth and Johnson backing up the line. This will add sorely needed weight to a light forward wall. Ends Jack McGrath and Ronny Demers and guards, John Wirtz and Tony Cavallaro complete the line. Captain Gic Collins, Bob Phinney and Fred McCollum team with Johnson in the backfield.

Next Saturday, unbeaten Stoneham comes to the playstead. All home games will now start at 2:00 p. m.

Alumni To Hold Fall Frolic

At a meeting held Monday evening, the Punchard Alumni Association decided to hold a fall frolic in place of the barn dance previously planned. The affair will be held in the Memorial auditorium on Saturday night, November 11, following the annual Punchard-Methuen football game.

The students of Punchard, Johnson, Methuen, Lawrence and Central Catholic high schools are being invited to attend, and the members of the football teams of the Punchard and Methuen squads will be the guest of honor for the evening and admitted free.

Music will be provided by Harold Phinney, who will also act as master of ceremonies for the occasion. A prize dance will be held, each school being allowed to enter one couple. A prize will be presented to the winner as selected by a group of judges. There will also be door prizes of war stamps. Refreshments of cider and doughnuts will be served during intermission.

The executive board of the association will meet again on Monday at 7:30 p. m., to make further plans and distribute tickets for the party. Miss Monica Coleman is chairman of the affair.

Three Local Boys Wounded in Action

Three Andover boys, all of them Marines, have been wounded in action at Peleliu within the last month.

Corporal Donald A. Spinney, son of Mr. and Mrs. Charles A. Spinney, 97 Chestnut street was wounded on September 18, when he was hit by shrapnel in the left shoulder, arm and hand. He has taken part in the battles for Guadalcanal, Bougainville, Guam, New Guinea and Cape Gloucester, having been in service overseas for over two years. Corp. Spinney graduated from Punchard in 1938, where he was on the football team. Prior to entering the service in 1942 he was employed by the Merrimack Mutual Fire Insurance company. Also in the service are his two brothers, George in the Navy and Charles J. in the Marines.

Also wounded on Peleliu was Private Arthur F. Manock, son of Mr. and Mrs. George Manock, Andover street, who was wounded by shrapnel which hit him in the right ear on September 17. Pvt. Manock attended Essex Agricultural school, and before entering the service in December, 1942, he was employed

Library To Hold Pan-American Talks

The first speaker in a series of four meetings under the auspices of the Pan-American Society of Massachusetts and the Memorial Hall Library will be Mr. Oliver G. Ricketson, archaeologist, who will give an illustrated talk at the Library Thursday evening, October 26, at 8 o'clock on Pre-Conquest History and Art in Central America. Mr. Ricketson who has concentrated in the Middle American field, has been on several expeditions to Central America, being at one time director of the Guatemala office, Carnegie Institution of Washington.

Miss Wood Enters Cadet Nurse Corps

Miss Virginia R. Wood, daughter of Mr. and Mrs. Walter H. Wood, 82 Haverhill street, is now serving in the Cadet Nurse corps, and is receiving her training at the Children's hospital, Boston.

Miss Wood graduated from Punchard last June and gave the first honor essay. She was a cheer leader, and took part in the year book and social committees as well as the Varsity club. She is also a member of Grace Episcopal church in Lawrence and Lawrence Assembly, Order of Rainbow.

Fire Damage Held to Minimum by Prompt Action

An alert telephone operator at the Andover exchange, Miss Florence V. Gilman, was responsible for the early discovery of the fire in Ballardvale which caused an estimated \$20,000 damage last Tuesday morning, to property recently purchased by the Shawsheen Rubber Co., from the Wool Warehouse Corporation of Boston.

Miss Gilman noticed a light flashing on her switchboard about 2:10 a. m., and she immediately contacted Police Sergeant Hickey who, with Officer Carl Stevens, investigated at the plant. They sounded Box 24 in Ballardvale and expressed the opinion that the wooden building might have been destroyed had not Miss Gilman notified the authorities promptly.

The fire, which, it is believed, started in the basement, followed an elevator shaft to the roof and gutted the interior of the building,

but was confined, for the most part, to one section of the building.

Extensive repairs were being made on the property, as well as the installation of a new automatic steam boiler and four transformers for power and light.

The firm is engaged in the manufacture of surgical tape, shoe tape, gum for coating, shoe binding, combining, backing and shoe cement.

The Lawrence Fire Department sent Engine 3 to cover for the Central station, while the North Andover Fire Department also sent aid. Police Chief George A. Dane and the selectmen were on hand to assist where necessary and Lawrence Gas and Electric Company workers responded.

Two firemen were injured when they stepped on nails. They were Everett Long of North Andover and Eugene Zalla of Ballardvale

Donation of Books Urged by Library

A new appeal has come through from the Massachusetts Victory Book Committee Headquarters for continued effort on the part of book owners to share their extra books or books that they have enjoyed with the armed forces.

At the time of their request, the members of the committee announced that already in 1944 they had handled about 100,000 books, but found themselves with a supply that was less than the requirements for one week.

As they point out, the hospitals and camps are now well supplied, but the smaller sea craft depend on the generosity of the people at home to keep them supplied.

Good books in good condition are most welcome. If there are doubts about the value of books, why not bring them to the Memorial Hall Library, which is a collection center?

Fiction, including westerns, thrillers, and historical novels, biography, ravel, and recent books on technical subjects are most in demand.

Your contribution will be gladly read by the boys.

PUNCHARD NOTES

The sophomore class has completed electing their class officers with the election of their social committee chairman. Their officers for the coming year are: President, Ronald Demers; vice president, Edith Ambye; secretary, Jean Ballantyne; treasurer, Robert Henderson; and social committee chairman Robert King.

Tom Williamson, Randlett Emmons, David Stafford, Paul Cheney, and Arthur Hall comprised the group of boys who made the trip to Camp Devens for the Tour of Inspection for high school students, which was held last Friday. A demonstration was given by several of the departments which included chemical warfare, camouflage, tank barricades, fox holes, bazookas, small arms, and demolitions. Also a negro battalion staged a retreat and German prisoners under guard served the boys their dinner. Mr. Eugene Lovely, principal, enjoyed the trip with the boys and furnished the transportation. All of the boys who went are members of the Andover State Guard.

Principal and Mrs. Eugene Lovely entertained the faculty at their home on Summer street on Tuesday afternoon and evening of this week at an outdoor supper.

BORIS GOLDOVSKY WILL APPEAR AT G. W. HALL

Mr. Boris Goldovsky, noted concert pianist, will appear in a lecture-recital in George Washington Hall at 8:15 o'clock tomorrow evening under the management of Aaron Richmond.

Mr. Goldovsky enjoys outstanding popularity, especially in Boston, for his competent piano technique, as well as for his engaging sense of humor. He was born in Moscow and came to America in 1930 to join the staff of the Curtis Institute in Philadelphia.

In the summer of 1941, Dr. Koussevitsky invited him to the newly-formed Music Center at Tanglewood in the Berkshires, and since that time Mr. Goldovsky has been a favorite of music lovers in Boston.

"My neighbor on the next street had a telephone installed. Why did he get one before me?"

The above question is often asked of telephone people.

The basis on which new telephones are installed today is that they must be essential to the proper discharge of the user's duties in the armed forces, war work, or public welfare and security. Your neighbor may

be in one of these classifications.

Or if he had telephone service before, and moved within his immediate area, he would be entitled to transfer his service.

MEMORIAL SERVICE HELD FOR MRS. HINTON

The following item was received this week at the office of the Townsman and will, no doubt, be of interest to many residents of the town.

A memorial meeting for Mrs. Alben Minton was held in Craig Home, 16 Wyoming street, Roxbury, on Sunday, October 15. The affair was planned by her daughter, Alice, who is resting at the Home.

The program follows:

Invocation by Rev. E. E. Thompson of South Medford, Mass.; hymn, selected by the gathering; scripture reading, by Rev. Thompson; Proverbs 13-10 to end of chapter; Mrs. Hinton was born on October 16, 1834 in Elizabeth, N. J., and the 16th verse is an example of her life. Solo, "Some Day," by Mrs. Nickins; Talk, by Rev. Thompson, who used the 16th verse of Proverbs as his text; solo, Mrs. Holiday, "We Shall Walk"; duet, Mrs. Nickins and Mrs. Holiday, "In the Sweet By and By."

This hymn, so beautifully rendered by the soloist, was a favorite of Mrs. Hinton's and also Mr. Hinton's. Mrs. Nickins presided at the piano in a very able manner as always.

Leigh Carter who was born in Andover 70 years ago was Miss Hinton's special guest. Rev. Mr. Thompson invited him to speak and he readily responded. He has been in the Custom House, Boston, for 33 years, and is a valuable employee.

In his closing remarks Leigh said that it was Mrs. Hinton's famous ice cream recipe and her delicious cakes, combined with her sound judgment that made the Hinton Farm famous.

Rev. Thompson's eulogy was excellent, such as only he can give.

In the Rev. Mr. Thompson's closing prayer, special mention was made for brother Edward, who is recovering from a major operation and it was a beautiful tribute to Edward. The meeting closed with the singing of the grand hymn, "God Be With You Till We Meet Again." Benediction was by Rev. Mr. Thompson.

Mrs. Hinton died in her Andover home, January 31, 1921. Her last words were:

Oh! How Beautiful
Oh! How Wonderful
Oh! How Sweet.

A smile came on her face that stayed. She saw Heaven.

Behind the Label

There are some good names and some bad names on the forthcoming November ballot. Of course, most of the good names appear with the word "Republican" after them, and most of the bad names with the word "Democrat." Andover, being a very sensible town, probably put the majority of its crosses after the names that had the word "Republican" following them, and therefore, there's not much point in going into too great detail on the bad names among the Democrats.

We're going to elect Republicans, the good Republicans, but where those in party power have failed to show sufficient interest in any position to see to it that good Republicans are nominated, let us, in the name of good government, put our cross behind the name of a good Democrat. There are those here in town who would shut their eyes to everything but the word "Republican." There are those in other communities who would shut their eyes to everything but the word "Republican." There are those in other communities who would shut their eyes to everything but the word "Democrat." But to do the greatest good for our community and for the state, and for the nation, it is well to look behind the party label and see just what kind of a man really is running.

A few weeks ago, we spent some time mentioning a person named Washington Cook, who received the Republican nomination for Governor's counsel primarily because Republicans in this county weren't sufficiently interested to put up a real strong candidate, and Mr. Cook won more or less for default. A Democratic opponent here, Attorney O'Sullivan is by far the better man.

But that's not the only position on the ballot where Republican leadership failed to show itself in the pre-primary days. Once again we're up against the perennial

problem of C. F. Nelson Pratt. We have had him as County Commissioner before. He's been a legislator before, and both experiences should give ample reason for voting for almost anybody else but C. F. Nelson Pratt. Even the Republicans don't want him in office, and therefore, it is up to everyone to vote for one of the Democratic candidates instead of for Saugus politicians.

It's the only thing to do, and it might serve as a lesson to the Republican leaders of our various committees so that next time they will try to put in the field men who are worthwhile candidates; men who really deserve the label "Republican."

NEWS OF OUR MEN AND WOMEN IN UNIFORM

The following letter came from PFC Lionel W. Boulanger, who is stationed at the Percy Jones General hospital at Battle Creek, Michigan. "...It's good to be in the States again, I rather expected to be sent closer to home but it seems the amputations centres in the East are all filled up, so I received my artificial leg here at Percy Jones. I'm due for a 30-day furlough in two or three weeks I'm sure anxious to see Andover again. It might interest the Andover Servicemen's Fund that I received their swell Christmas package July 18th, 1944, while recuperating in a Naples hospital. The package was in good shape.

Well, so long and keep up the good work.

Capt. George Carney received his birthday card on September 16th, and as he says, it sure travelled a lot of miles to reach him. He notes "I really didn't think nor could I be convinced that when I left Andover on January 16, 1941, that on September 16th, 1944, I would be sitting in a field behind a French town."

Johnnie Campbell wrote to thank the Andover Servicemen's Fund Association "For what you folks at home are doing to keep our morale sky high." The letter came from Italy.

Pvt. Raymond Gaudet now has an New York A.P.O address as have also Pvt. Joe Hastings, Cpl. B. Dargoonian, and Sgt. R. L. Luce, T/Sgt. F. T. Cronin has an F.P.O. out of San Francisco. He writes that the scenery in the Pacific is very different from that pictured on the Servicemen's Birthday card. Also, "It's mighty easy to get a good coat of tan here but in a few months no doubt I'll be glad to see a snow ball!"

Cpl. F. A. LeLacheur is stationed at Moses Lake Air Field, Moses Lake, Washington.

Sgt. Alec Renny writes from the Army Air Field at Herington, Kansas, that he has graduated from working on Liberators (B-24s) to the latest bomber out, Super Fortresses (B-29s). Says there's a great difference between the two and that it will take some time to catch on to every thing new "But in the Army we have plenty of time."

Lt. David W. Brown is in France with a Fighter Escort group.

Pvt. Paul E. Weamer, formerly stationed at Camp Breckinridge, Kentucky, now has an New York APO address.

Pfc. Frederic M. Boyce, Jr., has been, and no doubt still is, right in the thick anti-Nazi tactics. He is with the Corps of Engineers responsible for clearing mine fields, removing the steel pronged beach fortifications which were intended to stop landing craft, rebuilding railroad bridges, demolishing road blocks and pill boxes, and finally, the laying of an emergency air strip over which a chain of gas laden transports travelled with aid for General Patten's army which had moved so fast beyond Paris that they ran out of gas. This latter achievement brought a commendation from a high ranking officer in the Corp of Engineers headquarters in France.

1st Lt. John W. Smith, son of Mrs. Mary K. Smith of 23 Barnard street, has been awarded the Air Medal "for meritorious achievement in aerial flight." Lt. Smith, AAF B-17 pilot, is with the 15th AAF in Italy. He has been stationed with a Flying Fortress group of over two years combat experience since August 18, when he participated in the attack against the Ploesti oil refineries in Rumania, and is at present credited with 20 missions.

A letter from Lt. Tim Hurley states that his Townsmans do not catch up with him until long after their date of issue. "Each change of address means we are that much closer to Tokyo. Here's hoping you never catch up with me..." Says further that he would enjoy sharing a case of Jap beer with any Andover boys who may be in the Admiralties, the Philippines, or New Guinea, and hopes to meet some.

Private John Bourdelais, son of Mr. and Mrs. Octave Bourdelais, 55 Chandler road, is in France with an Armored Engineering Battalion. His brother, Sergeant Octave J. Bourdelais, who was seriously injured in April while serving in North Africa, arrived at Mitchell Field, L. I., N. Y., by ambulance plane. He has been moved to the Rhodes General Hospital in Utica, N. Y., where he will undergo further medical treatment. During the weekend he was visited by his wife, his parents and his brother Arthur.

Another letter expressing appreciation for news from home came from a former Shawsheen resident, Lt. John G. Casey, who is married to the former Harriet Kitchen. He received his commission in December, 1943, and has since been sailing on Transports out of Newport News, Va.

Richard Steinert RM 2/c U. S. Navy 624 (c/o Fleet P. O., San Francisco) has just passed his exams and has been promoted to Radio Man second class. He is in the Aleutians.

Corp. John Thomas who has recently been located at Greenville, No. Carolina has left with his crew for overseas duties as a Radio Gunner.

PFC Gerard Twomey recently of Camp Meade, Maryland has left for overseas duties according to word received by his parents.

From where I sit... by Joe Marsh

A Stranger gets a lesson

Stranger spoke to me on a train the other day. "You're Joe Marsh, aren't you? Fellow that writes for the papers?" When I allowed as how I was, he said, "I thought I recognized you from your picture!"

"Well," he continued, "I read your pieces. But once in a while I get the idea you're tryin' to sell beer, and that makes me mad as a hornet." He pointed a skinny finger in my face. "Are you or aren't you?"

"Stranger," I said, "I'm glad you asked me that, and I'm glad to answer you. Fact is, I'm goin'

to put my answer in the paper for folks to see.

"Mister," I told him, "I don't care a tinker's hoorah if you never take a sip of beer!

"I am interested in your right, as an American, to have one if you want one." And there's a powerful lot of difference.

From where I sit, Voltaire put his finger on it. He said: "I disagree with everything you say. But I'll defend to the death your right to say it!"

QUESTION NO. 1.
PROPOSED AMENDMENT TO THE CONSTITUTION.
Shall an amendment to the constitution to provide for a Fair, Concise Summary, instead of a Description, of Each Proposed Amendment to the Constitution and Each Law submitted to the People, under the Initiative and the Referendum, and Certain Changes relative to the Filing of Initiative Petitions which is further described as follows:—

This Amendment amends Article XLVIII of the Amendments to the Constitution by striking out section three under the heading "The Initiative. II. Initiative Petitions" and inserting in place thereof a new section which provides:—

That an initiative petition for a constitutional amendment or a law shall first be signed by ten qualified voters of the Commonwealth and shall be submitted to the Attorney General not later than the first Wednesday of the August before the assembling of the General Court into which

it is to be introduced. It may be filed with the Secretary of the Commonwealth if the Attorney General shall certify that the measure and its title are in proper form and that it is not, affirmatively or negatively, substantially the same as any measure submitted to the people at either of the two preceding biennial state elections, and that it contains only subjects not excluded from the popular initiative and which are related or which are mutually dependent.

The Secretary shall provide blanks for the use of subsequent signers. He shall print at the top of each blank a fair, concise summary of the proposed measure, as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers. All such petitions, with the first ten signatures attached, shall be filed with the Secretary not earlier than the first Wednesday of the September before the assembling of the Legislature into which they are to be introduced, and the remainder of the required signatures shall be filed not later than the first Wednesday of the following December.

Referendum Petitions." is also amended by striking out the second sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers of a referendum petition on a law requesting that the operation of such law be suspended subsequent to the first ten signers and shall print at the top of each blank a fair, concise summary of the proposed law as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers.

Section 4 of that part of said Article XLVIII under the heading "The Referendum. III. Referendum Petitions." is also amended by striking out the third sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers subsequent to the first ten signers of a referendum petition asking for the repeal of an emergency law or of a law which takes effect because the referendum petition does not contain a request for suspension, and shall print at the top of each blank a fair, concise summary of the proposed law as such summary will appear on the ballot together with the names and residences of the first ten signers.

Article XLVIII is further amended by striking out subheading "III. Form of Ballot" and subheading "IV. Information for Voters" under the heading "General Provisions" and inserting in place thereof new subheadings III and IV, which provide, respectively:

III. FORM OF BALLOT.

PROPOSED AMENDMENT TO THE CONSTITUTION.

Shall an amendment to the constitution to provide for a Fair, Concise Summary, instead of a Description, of Each Proposed Amendment to the Constitution and Each Law submitted to the People, under the Initiative and the Referendum, and Certain Changes relative to the Filing of Initiative Petitions which is further described as follows:—

This Amendment amends Article XLVIII of the Amendments to the Constitution by striking out section three under the heading "The Initiative. II. Initiative Petitions" and inserting in place thereof a new section which provides:—

That an initiative petition for a constitutional amendment or a law shall first be signed by ten qualified voters of the Commonwealth and shall be submitted to the Attorney General not later than the first Wednesday of the August before the assembling of the General Court into which it is to be introduced. It may be filed with the Secretary of the Commonwealth if the Attorney General shall certify that the measure and its title are in proper form and that it is not, affirmatively or negatively, substantially the same as any measure which has been qualified for submission or submitted to the people at either of the two preceding biennial state elections, and that it contains only subjects not excluded from the popular initiative and which are related or which are mutually dependent.

The Secretary shall provide blanks for the use of subsequent signers. He shall print at the top of each blank a fair, concise summary of the proposed measure, as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers. All such petitions, with the first ten signatures attached, shall be filed with the Secretary not earlier than the first Wednesday of the September before the assembling of the Legislature into which they are to be introduced, and the remainder of the required signatures shall be filed not later than the first Wednesday of the following December.

Section 3 of that part of said Article XLVIII under the heading "The Referendum. III. Referendum Petitions," is also amended by striking out the second sentence of such section and inserting in place thereof provisions that the Secretary shall

Section 4 of that part of said Article XLVIII under the heading "The Referendum. III. Referendum Petitions," is also amended by striking out the third sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers subsequent to the first ten signers of a referendum petition asking for the repeal of an emergency law or of a law which takes effect because the referendum petition does not contain a request for suspension, and shall print at the top of each blank a fair, concise summary of the proposed law as such summary will appear on the ballot together with the names and residences of the first ten signers.

Article XLVIII is further amended by striking out subheading "III. Form of Ballot" and subheading "IV. Information for Voters" under the heading "General Provisions" and inserting in place thereof new subheadings III and IV, which provide, respectively:

III. FORM OF BALLOT.

QUESTION NO. 2
PROPOSED AMENDMENT TO THE CONSTITUTION.

Shall an amendment to the constitution to provide that the General Court may prescribe the terms and conditions under which pardons of offences which are felonies may be granted which is further described as follows:—

This article of amendment to the Constitution of Massachusetts amends Article VIII of section 1 of chapter II of Part the Second of the Constitution, which vested the Governor, by and with the advice of the Council, with the full and unrestricted power of pardoning offences of which a person is convicted, except such as persons may be convicted of before the Senate by an impeachment of the House, and adopts a new Article VIII in place thereof.

This new Article VIII vests the pardoning power in the Governor, by and with the advice of the Council, but provides further that if the offence to be pardoned is a felony the Legislature shall have power to prescribe the terms and conditions upon which a pardon may be granted.

The new Article VIII contains the same provision as the old with relation to the ineffectiveness of pardons granted before a conviction, — which proposed amendment was approved by
