President Truman Sends Nomination Of Boland to Senate

Acting Postmaster Had Topped List

The nomination of Stephen S. Boland, candidate for appointment as postmaster, has been sent to the Senate by President Harry S. Truman, it was recently made known.

Mr. Boland, who has been acting postmaster since last July, headed the eligible list for the permanent appointment. He has been a clerk in the post office since 1920, and was made assistant postmaster in 1941. In July, 1944, he became acting postmaster upon the retirement of the late John H. McDonald. In the examination last year he was well ahead of the field.

John Thomas Dies On Leyte Island

A telegram was received Tuesday by Mr. and Mrs. Horace R. Thomas, 129 Lowell street, advising them of the death of their son Corporal John H. Thomas who "died on Leyte" on April 13. In a recent letter, Corporal Thomas, who was a radio-gunner in a B-25, indicated that he was in good health. No cause of death was given.

He graduated from Punchard High school with the class of 1937, and prior to his enlistment in January, 1942, he was employed in Hill's hardware store. He was a member of the South church and the Andover Male Choir.

Surviving besides his parents are two sisters, Mrs. Burton Whitcomb of Wakefield and Mrs. Nancy Shea of Camp Ritchie, Va., wife of Lieutenant Alfred D. Shea.

Need Helpers for Sorting Clothing

It is expected that Andover will exceed her clothing drive quota by one-third, with more than 17,000 lbs. of usable clothing already collected, and articles still being left at the Central Fire station. Members of the Service Club worked Sunday afternoon in sorting the clothing and Wednesday afternoon a group of boys from Phillips Academy aided in the work. Those who assisted on Sunday were: Henry S. Hopper, William H. Faulkner, Arthur W. Cole, Walter E. Buxton, Lee Noyes Francis E. Wilson, Foster C. Barnard, W. Shirley Barnard, John Nelligan, George M. Brakey, Harry Stephenson, Jerome W. Cross, Jr., J. A. Remington, Charles J. Flanagan, Edward P. Hall, William S. Titcomb, Edwin L. Bramley, James G. Fettes, Fred E. Cheever, George W. Winslow David L. Coutts, E. V. Lovely, John H. Grecoe, John H. Grecoe, Jr., Harold R. Rafton, Edward I. Erickson, James S. Martin, F. W. Gould, E. A. Lewis, J. S. W. Davidson, J. H. Anderson and Albert N. Wade.

An urgent appeal has been issued for more workers to assist in the sorting on the coming Sunday, April 29, at 1:30 p. m., as the clothing drive ends on April 30, and there is still quite a bit of sorting and packing to be done.

School Board Meets With Supt. Sherman

The school committee met informally on Tuesday evening in a special session to discuss with Lt. Commander Kenneth L. However, no definite action was taken, and the committee will await further word from Commander Sherman.

Police Officer Jowett Succumbs to Illness

Arthur Jowett, well-known member of the Andover Police Department since 1928 and a past-commander of the American Legion, died early Friday morning, April 27, at the Chelsea Soldiers Home hospital. He had been there since Monday, having had to give up his work a week before. Earlier this year he had been out for a month with bronchial pneumonia, and the resulting complications brought on his death.

He was born in Bradford, England, April 4, 1897, and came to this country when he was seven. In 1921 he married Robertina Taylor, and at that time moved to Andover. The family home is on Binney street.

He leaves, besides his wife, a daughter, Mrs. Catherine Noyes; a son, Arthur, Jr.; a sister, Mrs. Jennie Jacques, New York City; and a brother, Joseph of Sherbrook, Canada.

Taxpayers' Ass'n Meets With B. P. W.

Board to Issue Statement on Increase

A delegation from the Andover Taxpayers Association met with the Board of Public Works Monday evening to discuss the recently granted 25% wage increase for the laborers of that department.

The matter was gone into in considerable detail, but no action was taken beyond a vote that the Board should issue a statement to the public. That statement is to be written by Chairman Sidney P. White, and will be edited by the Board at a special meeting next Monday evening. It is expected that it will be released after that meeting.

Until that time the reason for the Board's surprise action will not be known. It is understood that the Board does not care to announce which members were for and which were against the sudden increase. Last week Secretary William F. Barron told the Townsman that the action had been unanimous, "without a bit of discord." Previous talks with other members of the committee, however, had given some cause to believe that all was not quite as harmonious as the secretary stated.

We expect more New England Farmers will want Post-War Telephones

We plan to provide service for more farmer customers and to make rural telephone service increasingly valuable and attractive, after the war when we can build and install new equipment.

New England has always been among the foremost sections of the country in rural telephone development. Our lines now are close to the homes or farms of 90% of the people living in the rural areas we serve. More than 49% of the farm families in New England now have telephone service, a figure almost equal to urban telephone development.

Since war interrupted our rural telephone program, many improvements in telephony have been made. We expect to put these developments to good use when peace allows us to resume the upward trend of rural telephone service.

LIBRARY NOTES

BOOKS ON BRETTON WOODS

Many people feel that almost more important than the Dumbarton Oaks proposals are the Bretton Woods agreements which provide for the establishment of an International Bank for Reconstruction and Development and an International Monetary Fund. Many economists, bankers and corporations like the International Latex Corporation urge the adoption of these agreements as one way to help avoid the mistakes after World War I, when no adequate machinery was set up to assure world-wide economic stability. There is difference of opinion upon the Bretton Woods agreements but there is no disagreement upon the need for some kind of international machinery in this area. To laymen, finance upon an international scale seems somewhat incomprehensible. However, some of the explanatory material, a great deal in pamphlet form, which has appeared helps to make the subject understandable.

Why not get from your library any one of the following titles which will add to your knowledge about Bretton Woods, international finance, trade agreements and commercial policy? The following are recommended:

Christian Science Monitor. April 11, 1945. Bretton Woods—Apples and Marbles. (Editorial) (a truly elementary explanation!)

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Pvt. John J. Jacobs, 9 Elm Court is with the 533rd Anti-Aircraft Battalion in the 6th Army Group in Germany, and recently, while standing a "watch on the Rhine" in support of the U. S. Seventh Army, a section of one of this battalion's batteries fired a single round and bagged an ME-109. Single-shot action is hardly routine with these ack-ack men, and in numerous other engagements their 40-mm Bofors and multiple-mount 50-cal. machine-guns have poured a withering fire from deep-dug camouflaged emplacements at enemy aircraft. This division served in Casablanca, Bizerte, and Sardinia before entering Southern France last November.

Mr. and Mrs. Peter St. Jean of 212 North Main street have received word that their son, P. F. C. George St. Jean has been promoted to Technical Sergeant in France. Sergeant George St. Jean enlisted on January 2, 1942. He has been overseas 32 months.

Seaman Second Class John Cornelius Brennan, USNR, 18, arrived at the Naval Training Station, Norfolk Va. on March 25 to undergo training for duties aboard a new destroyer of the Atlantic Fleet. He recently completed a period of training at the Naval Training Center, Sampson, N. Y. Son of Mr. and Mrs. Michael Brennan of 12 Brook street, Brennan has two brothers in the armed forces, Elwood, 23, an aerographer's mate, second class in the Navy, and Thomas, 25, a sergeant in the Army. Before enlisting in the Navy, Seaman Brennan was employed by the Shawsheen Mill. He graduated from Punchard high school.

First Lieutenant Paul J. King is spending a twenty-five day furlough at his home, after having returned from his second tour of duty in the European theater of war. Lt. King, who is a navigator on a B-17 heavy bomber, wears the Distinguished Flying Cross and the Silver Oak Leaf Cluster, as well as three battle stars on his overseas service ribbon. Entering the service in May, 1942, he received his training at Ellington Field and Mondo, Texas, and graduated from the Kingman, Arizona gunnery school. He was home on furlough last July, and returned to Europe to continue bombing operations. He has completed 43 bombing missions. Lt. King is the son of Mr. and Mrs. Harry J. King, 7 William street.

Corporal Weston D. Eastman, U.S.M.C., who was wounded at Iwo Island, has arrived in San Diego, Cal. according to word received by his parents Mr. and Mrs. W. F. Eastman.

Signalman, third class, Carl Erler, U.S.N., who is serving aboard an oil tanker in the Atlantic recently called his folks from Baltimore, Md. Signalman Erler, formerly of 13 Carlisle street, took part in the D-day invasion and the Italian campaign.

P. F. C. George W. Campbell, now with the 83rd Infantry Division in Germany, has been awarded the Combat Infantryman Badge for displaying exemplary conduct in action against the enemy. George's wife, the former Rita Campbell resides at 37A Essex street.

Sgt. Wilfred L. Pelletier arrived in Boston Friday on his way to Camp Myles Standish, Taunton, with a group of 750 other American soldiers liberated from German prison camps by the advancing Russians. Sgt. Pelletier, who is the son of Mr. and Mrs. Maxime Pelletier, will arrive at his home soon on a 45 day furlough. He entered the service in October, 1942, and went overseas in January, 1944. He was reported missing in action in France since September, 1944, and was later reported a prisoner. He was awarded the Silver Star for gallantry in action as a member of the armored infantry.

Pvt. Henry J. Beliveau is training with an infantry division at Camp Croft, S. C. He is the husband of the former Julie Topping, 61 Corbett road, and was inducted into the service on March 2 at Fort Devens. Before his induction he was employed by the Dana Trucking Company.

Word has been received that George E. Nodin, son of Mr. and Mrs. Peter C. Nodin, 47 Beacon street has been promoted to the rank of Corporal. Now serving with a medical unit in the South Pacific, he has been overseas for 15 months, having served in Australia and New Guinea. He received his training in Virginia and South Carolina.

Recently advanced to the rank of lieutenant-commander in the U. S. Merchant Marine Service was E. Allen Schmidt, husband of the former Constance V. Swenson, of High street. At present he is at his home on a leave, recently having returned from a trip to the west coast of South America. He has spent eight months overseas, during which time his ship made several shuttle runs, including the Anzio beachhead and the invasion of southern France at St. Tropez.

Word has been received from Pvt. William C. Moore who is somewhere in Germany that one of the first officers who spoke to his company was Captain, Chaplain Herman C. Johnson former pastor of the Free church. They had a long chat and later had chow together. Capt. Johnson said Bill was the first Andover boy that he knew personally whom he had met since he has been overseas.

When the 321st B-25 Mitchell Bomb Group of the 12th Air Force recently announced the completion of two full years of combat operations one of the men assigned to the group who helped observe the anniversary was Cpl. James E. Trott whose sister, Mrs. Dorothy Partridge, lives at 50 Walnut avenue. He serves the group as a camera technician. Corporal Trott's group has flown combat duty in the Tunisian, Sicilian, Italian and Southern France campaigns and holds five campaign stars as well as a War Department citation for distinguished service in battle.

Alan Dix was in to see us this week, looking fine. Al, having recently returned from a hospital in Denver, is enjoying a 30-day furlough from Camp Edwards. Looks none the worse for having become acquainted with a mine, the hard way, at Aachen.

Pfc. Thomas Ryan - Killed in Germany

According to a recent telegram from the War Department, received by Mrs. Genevieve Tomlinson, 19 Bennington Street, Lawrence, Private First Class Thomas Ryan, 25, formerly of Carter's Corner, was killed in action in Germany on April 12th.

Tom enlisted in the U. S. Army in March 1942; trained at Camp Shelby, Miss., Camp Hood, Texas; Camp Laguna, Arizona and Fort Monmouth N. J., before going overseas two years ago. He had seen action in France, Belgium and Germany, having served with the 643rd Tank Destroyer Battalion of General Patton's Third Army. He attended Lawrence and Andover schools and prior to his induction was employed in the Wood Mill. He was the son of the late Timothy Ryan. His mother died suddenly several months ago.

Pfc. Ryan is survived by three sisters, Mrs. Genevieve Tomlinson, Mrs. Agnes Gordon and Mrs. John Hendry, all of Lawrence; and three brothers, Lieutenant-Colonel T. J. Ryan, stationed at the University of Virginia; Private Frank Ryan at Fort Benning, Georgia, and Technical Sergeant John Ryan, stationed somewhere in Belgium.

THE 186TH GENERAL HOSPITAL, ENGLAND—Wounded in the left hand by mortar shrapnel while attacking a small town in Germany, Private Samuel J. Spinella, 18, of 35 Middle street, is now convalescing at this United States Army general hospital in England. "We were attacking the town of Prosfeld Germany," said Pvt. Spinella, who was recently awarded the Purple Heart. "The enemy let loose a mortar barrage and I was wounded." After receiving medical treatment at an aid station he was taken to a field hospital and later evacuated to England by air. "Pvt. Spinella's

wound is healing very nicely," said his ward surgeon, Captain Peter Chisena of Peru, Illinois. "In a short time he will be ready to return to duty." Pvt. Spinella entered the Army in September, 1944, and he trained at Camp Fannin Texas. He is the son of Mrs. Lucy Spinella of the Middle street address. Before joining the Army he was a machinist employed by the Boston and Maine Railroad.

Andover Men Honored At H. P. Hood Meeting

Two residents of Andover, George Crocket, 3 Brechin Terrace, and Roswell E. Ward, 2 Brechin Terrace, are among the two hundred employees of H. P. Hood & Sons who were guests of honor Thursday night at the first annual dinner of the Quarter Century Club at the Hotel Bradford Boston.

Both Mr. Crocket and Mr. Ward are long service employees at the Lawrence branch of the company. Mr. Crocket, who is now a wholesale salesman, joined the company in September, 1910. His first job was unloading the milk car which brought in the milk from the country. Mr. Ward has been with Hood's since October, 1915. He is a route salesman. Both men are members of Veterans of Foreign Wars.

Mr. Harvey P. Hood, president of the company, presented each employee of twenty-five years or longer service with a Quarter Century Club pin. In his speech Mr. Hood paid tribute to the loyal service of these old-timers, which in his opinion has played a large part in bringing the company to its present position of leadership in the New England dairy industry.

To Build A Better World*

It Had Better Be Good

The public reaction to the lead heading in today's Townsman: "B. P. W. TO ISSUE INCREASE STATEMENT" will very probably be, "Boy, it had better be good!" Andover hasn't been quite so disgusted with a board in some time, and it certainly would like some kind of a statement.

To satisfy the people of Andover that statement is going to have to answer unequivocally certain questions.

The people of Andover want to know if there are any good reasons why such a tremendous increase, 25%, should have been granted to the laborers of the town department of public works, an increase that now makes their hourly rate better than 50% higher than it was a very few years ago.

The people of Andover want to know next, provided the statement can set forth some good reasons for the increase, why those reasons weren't in existence before town meeting. Is it something that has arisen as a sudden emergency in the past month, something that was not even thought of before town meeting? The members of the other departments in town will want to know also why these reasons, these emergency reasons, these unforeseen reasons, do not also exist for their employees.

And if these reasons did exist before town meeting, the people of Andover want to know, demand to know, why they weren't mentioned at town meeting. They want to know why the members who were planning the increase did not let the town meeting know about it, why these members effectively kept their plans from the finance committee and the Taxpayers' association, why these members allowed the meeting to go on thinking that there was no increase contemplated.

And if these reasons did exist and the members did keep them hid, the town of Andover wants to know which members were responsible. The voters of Andover want to know which members did not have the courage, the sense of decency, to come out and tell what the plan was. The voters of Andover want to know why these members who couldn't take the public into their confidence feel that the public should any longer have any confidence in them. The voters of Andover will want to know why, if all these premises hold true, these members shouldn't turn in their resignations forthwith.

We understand that the members don't feel that their votes or individual thoughts on the subject should be made known to the public. This is a pretty serious matter; it's going to cost the taxpayers of the town a lot of money. The voters want to know who's responsible, because at least the voters have a sense of fair play and they don't want to kick out all the members of the board if all are not guilty.

AMERICAN HEROES

AFTER DRAWING BY SGT. PAT DENMAN, IN 'THE LEATHERNECK'

WHEN a Jap 75-mm gun threatened to halt landing parties at Bougainville, Marine Sgt. Robert A. Owens placed four men to cover fire from adjacent bunkers and then charged into the mouth of the cannon. He entered the emplacement through the fire port, drove the gun crew out and insured their destruction before he himself was wounded. War Bonds helped pay for the guns with which his men covered his heroic feat. Sergt. Owens was awarded a Navy Cross.

The Meat Situation This Week

If I could write something nice, telling you we are all going to have more meat for your table — you would feel better, our clerks would feel better, even market men would feel better. But such is not to be. Every day this week people are asking when we are going to get more meat. They read about the government granting \$34,000,000 to the cattle men so they would send more meat to market. Well, my dear friends, it will be three months before any of this meat will be ready for your table. What a headache to face!

TALKS ON PEACE

Rev. William A. Donaghy, S. J. addressed the Andover Catholic Club at its meeting on Thursday evening in St. Augustine's hall. The Jesuit priest, who is stationed at Campion hall retreat house in North Andover, outlined the wishes of Pope Pius for a just and lasting peace.

Fr. Donaghy spoke of the fact that the Pope had selected the motto "Peace is the Word of Justice" for his coat of arms, and that he pleaded for peace in his first public address. He also spoke of the great battle made by Pius XI and the present Pius XII against dictatorship, bringing forth the fundamental rights and sacramental dignity of the individual person. Fr. Donaghy stressed the need for victory over hatred and stated that "we must fight the war to the finish and win a military victory, but we must not hate our enemies after." He gave examples to show that the boys who are doing the fighting have no hatred. In closing, he stated that "we must return to God."

There were about 60 members present at the meeting.

WAS HONOR GUARD AT ROOSEVELT FUNERAL

Private William I. Holden, who recently returned from the Aleutians, was an honor guard at the funeral of President Roosevelt.

His brother, Corporal James H. Holden, a member of a cannon company in the 100th Division regiment visited his great aunt in Bath, England on his recent furlough and is now back with his company.

Private Holden is stationed at Fort Belvoir, Virginia.
