## VIEWS OF THE NEWS

By LEONARD F. JAMES

The present success of communism in China threatens the future of the Asiatic areas. Siam, French Indo-China, Burma are marked for pressure. Yet the democracies have more than a toe-hold in the Far East. United States' support of Indonesian claims for independence, and Britain's withdrawal from India after the war are advantages in our favor.

As long as India remained under British control it was a potential sore-spot. In fact, Gandhi went so far as to say that Japanese control of India could be no worse than British. Such a remark may have been for home consumption, but it did carry a threat of opposition to Britain. At first glance it would seem that India is still a trouble spot, with the rival armies of India and Parkistan facing each other on the contested territory of Kashmir. Agreed that the situation is not good, nevertheless India may yet prove to be an obstacle to Russian influence in the Far East. India represents to the Asiatics a country which has freed itself from white domination. India championed the cause of Indonesia; today it champions the cause of all Asiatic groups who wish to become independent.

## Names Committee On School Building

### Moderator Appoints Seven Men On Board To Get Plans For Proposed Central and West Parish Schools

Another step toward the modernization and expansion of the town's elementary school system has been taken in the appointments just made by Moderator Arthur Sweeney of the members to serve on the school building committee authorized by the town meeting.

Named to the board are Roy E. Hardy, chairman of the board of selectmen and assessors; Gordon L. Colquhoun, chairman of the school committee; Kenneth L. Sherman, superintendent of schools; Stanley F. Swanton, secretary of the finance committee; Harold T. Houston, treasurer of the Bolta Rubber Co., Charles C. Kimball, member of the Andover Taxpayers' association; and Herbert P. Carter, guidance counselor at Boston Technical high school.

In making these appointments under the article appropriating \$10,000 for the study and preliminary plans for new elementary schools in the central and West Parish districts, Moderator Sweeney noted in a letter to Town Clerk George H. Winslow that he did not appoint a chairman but asked Mr. Colquhoun to call the members together so that they may appoint their own chairman. Mr. Colquhoun has called the meeting for Wednesday, Mar. 29.

After the committee has the plans prepared the approximate cost of the proposed buildings will be known and a special town meeting will be called for further action.

The special town meeting may accept or reject the plans. If accepted it will be called upon for an appropriation to go ahead with the work.

In connection with the school building situation the committee on capital expenditures created by the 1949 town meeting reports:

## Chemists To Honor Philip F. Ripley

Philip F. Ripley, 7 Abbot st., former chief chemist of the American Woolen company, will be honored by the nation's chemists and chemical engineers at the 117th national meeting of the American Chemical society in Philadelphia on Apr. 10.

A diploma certifying fifty years' loyal support of the society and its activities will be presented to Mr. Ripley by Dr. Ernest H. Volwiler, president of the society. Mr. Ripley is one of eight chemists and chemical engineers to be honored this spring as fifty-year members of the society.

Born in 1876, Mr. Ripley obtained the bachelor's degree at Yale university and continued his studies at the Massachusetts Institute of Technology and at the University of Heidelberg in Germany. He then started work as a chemist for the American Woolen company, eventually becoming chief chemist, a position he held until he retired in 1930 as a result of serious illness.

A member of the Society of Chemical Industry, Mr. Ripley has also been active in civic affairs in Andover, particularly the American Red Cross.

## Youth Fellowship Elects Officers

The newly organized Youth Fellowship at the Baptist church elected its officers last Sunday evening. The following young people of the church were elected: Raeburn B. Hathaway, Jr. president; Richard A. Woodhead, vice president; Laura L. Thompson, Secretary; Robert L. Hess, treasurer; Judith A. Colmer, social committee chairman, assisted by Patricia Stocks and Alla Wright, Program committee, the vice president assisted by Phyllis Thompson and Margaret A. McLachlan.

Plans were discussed to entertain the Youth Council of Andover churches on Apr. 2. It was announced that the Fetter Family of Boston would be at the local Baptist church for the weekend of Apr. 15 and 16.

## Miss Harsey To Speak On Abbot

The March meeting of the Andover Historical society will be held at 8 p. m., Friday, Mar. 24, at the society's house, 97 Main st.

The guest speaker will be Miss Marguerite C. Harsey, headmistress of Abbot academy, who will relate the history of the academy.

The talk will complete the series of three covering Andover's early schools. The first was about Phillips academy by Dr. Claude M. Fuess, and the second was about the Andover-Newton Theological seminary by Dean Vaughn Dabney of that institution.

Miss Harsey for Abbot will tell of the founding of the academy and its development into the institution which is today such an integral part of the life of the town. All are welcome. Light refreshments will be served.

The society also announces that James Duncal Phillips, author and historian of Salem will be the speaker at the semi-annual meeting in April.

## Three Youths Held In W. Andover Case

Police believe that they have cleared up the Mar. 5 holdup of a Lawrence taxi driver in West Andover with the apprehension of three youths and the arraignment of one in district court in Lawrence last Thursday.

Joseph A. Daley, 17 of 75 School st., pleaded guilty to charges of robbery while armed and the larceny of a taxi. He told police that he and two juveniles held up and robbed William Barren of Lawrence, taxi driver, with a toy pistol. Because of the juveniles involved the case was continued a week until the session of juvenile court today.

Lawrence police working on another case gave some information to local police which resulted in Officer Joseph E. O'Brien questioning Daley. Police said he admitted his part in the affair and implicated the two Lawrence youths. The other two were charged with delinquency.

## All-Women's Post Elects Officers

Miss Jeanie Mitchell was elected commander of the All-Women's Post, 427, American Legion, at the meeting Mar. 15. Miss Mitchell, a charter member of the post, succeeds Mrs. Dorothy M. Walker as commander.

Other officers elected were: Mrs. Louise Wolfenden, vice-commander; Mrs. Edith St. Jean, assistant and finance officer; Mrs. Mary Patrick, chaplain; Miss Mary G. Bailey, Mrs. Virginia Schiebler and Mrs. Evelyn St. Jean, executive committee. The installation of officers will be held with fitting ceremonies at 8 p. m., April 24, in the legion post rooms.

## Two New Members For Finance Com.

Two new members have been named to the finance committee according to the list of appointments just made by Moderator Arthur Sweeney and recorded with Town Clerk George H. Winslow.

The new members are Louis E. Gleason of Woodland rd., former chairman of the Andover Taxpayers' association, and Frederick W. Doyle, of Chandler rd., well-known contractor. They succeed Dr. Harry V. Byrne and Ellsworth H. Lewis.

Other members of the finance committee are Howell M. Stillman, Stanley F. Swanton, George E. Abbot, Victor J. Mill, Jr., and Harold G. Bowen.

## To Discuss Federal Aid To Education

The Rev. Robert G. Hartnett, S.J., editor of the magazine "America," educator and recognized authority on national affairs, will conclude the 1949-50 lecture series sponsored by Merrimack college when he will discuss "Federal Aid to Education" next Sunday afternoon, Mar. 26 at 3 p. m. in St. Mary's auditorium, Lawrence.

A graduate of Loyola university, he received his master's degree at St. Louis university and was ordained in the Society of Jesus at Heythrop college, England in 1939. In 1945, Father Hartnett received his doctor's degree at Fordham university and from 1946 to 1948 was director of the department of political science at the University of Detroit.

In presenting Father Hartnett in the last of the lecture series, Merrimack college offers an opportunity for all to hear a discussion of a topic that has been making recent headlines.

## Easter Egg Hunt To Be Held April 8

The time-honored Easter egg hunt, a favorite game with the youngsters of the town over a decade ago, will be revived this year by the Andover Recreation committee.

Plans are now in the making to stage this old favorite pastime the afternoon of Saturday, Apr. 8, at the park off Whittier and Chestnut sts. The committee hopes this will be a real community affair similar to the very successful Halloween party. So far several

## New Form Of Exercises For Punched Graduation

### Award Contract For Water Heater

The contract to furnish a hot water heater for the Shaw property, 85 Main st., was awarded to Harry Schofield by the selectmen Monday night. His bid of \$165 was the lowest of three bidders. The others were M. T. Walsh & Co., \$185 and Buchan & McNally \$202.75.

Myron H. Clark, 30 Chestnut st., was drawn as a juror to serve on the session of superior civil court opening Apr. 17 at Newburyport.

Joint pole locations were awarded the N. E. Tel. & Tel. Co., on the Lawrence Gas & Electric Co., as follows: one pole on High Plain road approximately 425 feet westward of Virginia road; and two existing poles on Morton street, one east of School street and one east of Bartlett street.

## P.H.S. Students To Stage Comedy

Members of the sophomore and junior classes of Punched are busy with plans for the presentation of "The Brewster Boy", a three act comedy to be staged at the Memorial auditorium at 8 p. m., Friday, Mar. 24.

Members of the cast under the direction of Mervin E. Stevens have been rehearsing faithfully since the first of February in preparation for this performance and another well-staged production is anticipated. Some tickets are still available.

The cast is as follows: Joey Brewster, Alan Parker; Pee Wee, James Brown; Mother Brewster, Bessie Christie; Dad Brewster, Raeburn Hathaway; Nancy Brewster, Ruth Weamer; Phillip Hawthorn, Brad McCormack; Minerva Mitchell, Jean Davis; Bonnie Bates, Barbara Hook; Swifty. (Continued on Page 12)

## Ask Bids on Boiler At Fire Station

Fire Chief C. Edward Buchan is preparing a call for bids on the purchase and installation of an oil burning boiler and fuel tanks at the central fire station as authorized at the town meeting.

Specifications will be prepared and will be available in time for bids to be open at 1 p. m., Apr. 3 at the fire station.

The traditional form of graduation exercises at Punched will be revised this year in an effort to make the program more interesting for the graduates and spectators.

This decision was reached in a meeting of the senior class called at the request of Kenneth L. Sherman, superintendent of schools, when different forms of exercises were discussed and individual members of the class requested to express their opinions.

In the discussions the students indicated that there was much in the traditional form of graduation that they liked but there was a marked preference to abolish the essays in favor of a guest speaker.

As a result of this meeting the seniors are to have a processional, the salutatory or speech of welcome but without the traditional essay appended, music by the glee clubs and orchestra, a guest speaker, the awarding of prizes, the presentation of diplomas and the valedictory without the essay.

It was unanimously agreed that the four ranking students of the class should receive fitting public recognition but not be subjected to the strain of the additional work of writing and delivering essays.

## War on Autoists Dumping Refuse

The dumping of refuse in a vacant lot at the upper end of Canterbury street has aroused residents of that locality against the practice and has drawn police action against several of the offenders.

The refuse has brought rats to the vacant lot and some of them have been seen about the property of nearby residents.

Police have found some of the offenders and given them warning. However, if the practice still continues the police are going to bring offenders into court.

Residents of the upper end of the street are cooperating with the authorities to check the practice and are going to take the numbers of autos whose occupants are seen throwing refuse into the lot. An effort will be made to have the lot filled in.

**TRAINING**

The third meeting of the council's scoutmasters' basic training course was held Wednesday, Mar. 15 in the vestry of the Trinitarian Congregational church in No. Andover with Walter Caswell, scoutmaster, Leon Duchesne, assistant scoutmaster, and Richard Tarkesian, senior patrol leader in charge. Property and arrangements were under the supervision of M. Reade Hall, quartermaster, and Joseph Gaudet, scribe. Walter Caswell, course leader, made an announcement about the boy scout scholarship to be awarded an outstanding scout in Region 1, namely the Emily Jane Culver scholarship provided for a scout of at least first class rank, of not less than 13 years of age or more than 15 on Apr. 1, 1950, and who fulfills certain other requirements of scholastic ability and health. The lucky scout would be enrolled at Culver Military academy for three years. The scholarship is valued at \$4275.

Following opening exercises the senior patrol leader discussed patrol and troop meetings and a film was shown and later talked over as a training feature. Scoutcraft for the evening included first-aid and work on troop program planning charts. Near the end of the evening the group was addressed by William Brandy, council president. The next meeting will be held at Phillips chapel, Methuen, with 'helping the boy to grow' as the subject of the evening. The scoutcraft portion of the meeting will be taken up by Morse code of instruction.

**District Meeting**

A meeting of the Andover district committee was held Thursday, Mar. 16 at the Memorial Hall library. Those present were Howard Johnson, Francis Kelly, Calvin Metcalf, Merrill Burnett, Walter Caswell, Arnold Schofield, Louis Gleason and Howard Young. Final discussions and arrangements were made for the fourth annual scout-oral to be held Saturday, April 1, at 1:30 p. m. All townspeople are invited to the events to be held at Case Memorial cage of Phillips academy. Admission is free. The prizes for the winning boys are being donated by friends and scout leaders. Donations are in charge of Francis Kelly, treasurer, and Calvin Metcalf, district chairman, and they may be contacted in connection with gifts. The district committee voted to appoint Howard Johnson as cooking merit badge counselor and Arnold Schofield as pioneering counselor. It was also voted to accept the recommendation of the North Essex council executive board that the only scouts eligible to serve on emergency service in case of public disaster, man hunts, etc., shall be explorers, 14 to 18 years of age. These groups shall be under the direction of their unit leaders and subject to orders of the district chairman, vice-chairman, district commissioner, assistant district commissioner or other duly appointed district committeemen. A brief meeting of the committee will be held this evening in the library at 7:30 p. m.

**Knight Eagles**

The knight eagles of the North Essex council headquarters will again act as judges at the district scout-oral at the cage Apr. 1. These young men, many of whom are World War II veterans and hold the highest rank in scouting, Eagle Scout rank, have done a fine job in the past. They will be in charge of Commander George Hackney.

**Host Council**

The North Essex council will be host to scouters from the Greater Lowell and Lone Tree councils at 2:30 p. m., Sunday, Apr. 16 at Phillips academy log cabin, Highland rd. A catered dinner will be served at 6:15 p. m., and the meeting will conclude at 9 p. m. The subject will be "organization and extension institute."

**Scout-oral**

The following units will attend and compete in the scout-oral: Troop 72, boy scouts; troop 73, boy scouts; troop 75, boy scouts; troop 76, boy scouts; post 72, explorers; explorers attached to troops 73, 75, and 76; Pack 72, cub scouts.

**District Officials**

Nearly all posts have been filled on the district committee. Those serving are: Calvin E. Metcalf, chairman; John H. Kelly, vice-

chairman; Walter C. Caswell, commissioner; Arnold Schofield, assistant commissioner; Everett MacAskill, organization and extension; Joseph A. McCarthy, advancement; Calvin E. Metcalf, camping and activities; Merrill F. Burnett, senior scouting; Byron H. Smith, health and safety; F. Tyler Carlton, leadership training; John Carver, cubbing; Francis Kelly, finance. Roy E. Hardy, chairman of the board of selectmen, who has served faithfully as finance chairman for many years retires this year.

**Good Lawns Aid In Keeping You Cool In Summer**

The old adage, "Handsome is as handsome does," applies as much to your lawn as to your lawn-mower. A lawn which doesn't muffle noise, trap dust, kill glare and generally keep you more comfortable is no more useful than a beautiful mower which doesn't cut grass.

"Good lawns keep you cooler," says an article in the March issue of House Beautiful magazine. "A good lawn works for you by helping to improve your summer climate."

The article points out that grass never heats up, re-radiating heat in the way that pavings, walls and other things do when exposed to the sun. Lawns soak up sunlight instead of bouncing it back as glare. The editors suggest you plan gardens so that all living and working areas overlook green grass.

By evaporating moisture rapidly, grass produces a real and noticeable temperature drop. And a good thick lawn acts as a sponge which deadens noises and filters dust.

Here are some suggestions from the editors to make your lawn serve you better: Mow grass when it gets 1 inch above height of cut (1 1/2 inches for bluegrass or fescue). Use a flexible-toothed rake and a sweeping motion that fans leaves off grass. A stiff rake may rip out many plants by roots. Leave a mechanical sprinkler in place until soil is wet at least 3 inches deep. There's no truth to idea that sun "burns" wet grass.

**W. R. Edwards Appointed On Special Committee**

William R. Edwards, 76 Salem st., a mechanical engineer and superintendent of maintenance at the Pacific Mills, Lawrence, has been appointed by the moderator, Arthur Sweeney, to the committee to study and advise regarding extensions and improvements to the water and sewer systems of the town.

Mr. Edwards succeeds E. V. French, former member of this special committee, who has resigned. Other members of the committee are Joseph A. McCarthy and Sidney P. White.

**QUESTIONS AND ANSWERS**

Q—I dropped \$5,000 of my \$10,000 NSLI term insurance after my discharge from the army. Will I be permitted to reinstate the amount, dropped and again carry \$10,000 worth of insurance?

A—Yes, but if the insurance has been lapsed more than three months, a physical examination is required. This will be given without charge at any VA regional office.

Q—Is compensation ever paid for disability due to misconduct?

A—Under provisions of Public Law 439, 79th Congress, compensation may be paid for such disabilities if it is shown they are not due to the veteran's own wilful misconduct or vicious habits.

Q—I have been told by friends that my disability, which I claim is due to service, cannot be service-connected because I had it before I entered the armed forces during World War II. Am I entitled to file a claim for compensation?

A—Yes. A claim should be filed as soon as possible. The decision as to service-connected or service-aggravated disability will then be made by the proper agency of VA.

**Red Cross Reaches 60 Pct. of Goal**

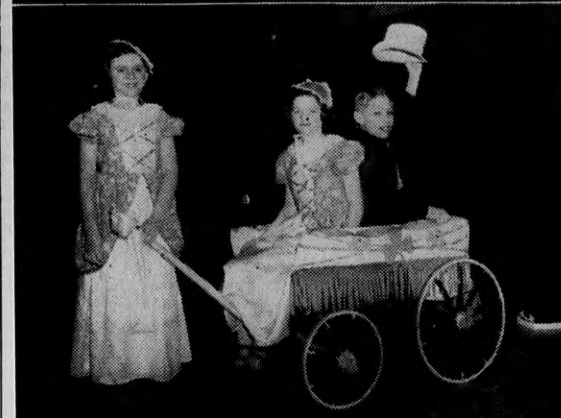

The regular meeting of the directors of Andover chapter, American Red Cross was held Tuesday evening at chapter headquarters. Present were Fredrick Butler, Mrs. Leon A. Field, Mrs. Winsor Gale, Mrs. Joseph J. Tavern, Mrs. C. Edward Buchan, Stafford A. Lindsay, Roy E. Hardy, Samuel Resnik, John M. Murray, John E. Gilcreast, chapter treasurer, and Ernest S. Young, chapter chairman, who presided. Miss Barbara A. Loomer, executive secretary, served as secretary pro tem.  
In announcing progress of the fund campaign, Mr. Gilcreast said that better than 60 percent of the goal has been achieved, with about 10 days to go. The Phillips Academy team was noted as the only one with complete returns already in, although several other groups have reported their work almost finished. A few of the residential teams have made their returns, but there is still a good deal of territory yet to be covered, as some teams are assigned the last part of the month for their canvass.

Money was voted for two scholarships to the Red Cross Aquatic school to be held in June, to provide trained personnel for Pump's pond during the summer. There was discussion of plans for proper care of hospital equipment donated to the chapter. Reorganization of the disaster committee was also discussed, and Mr. Murray was appointed chairman.

# AT THE LIBRARY

A recent analysis of the books being read by the people of Andover brought out an interesting fact, and from the point of view of librarians, a not too surprising fact. The analysis shows that readers of Andover like those of other communities, are turning strongly towards books in the fields of philosophy, psychology and religion, with emphasis on those books which deal with various aspects of human relations.

The following titles proved to be in circulation when the study was made:

The Way of Christ, Addison; The Biography Of A Cathedral, Anderson; Nicomachean Ethics, Aristotle; Human Growth, Beck; Religion Through The Ages, Bell; Win Your Man And Keep Him, Bengt; The Happy Home, Benedict; How To Live On 24 Hours A Day, Bennett; Human Machines, Bennett; American Freedom And Catholic Power, Blanshard.

The Adolescent Personality, Bloss; Nerves And Common Sense, Call; Power Through Repose Call; How To Stop Worrying And Start Living, Carnegie; Men Who Walked With God, Cheney; Psychology of Adolescence, Cole; Better Ways of Growing Up, Crawford; Personality Plus, Daly; David, Duff-Cooper.

Try Giving Yourself Away, Dunn; Story of Philosophy, Durant; Science and Health, Eddy; Just And Durable Parents, Ellenwood; Religions And Democracy, Finkelstein; Living Under Tension, Fosdick; Man From Nazareth, Fosdick; The Power to See It Through, Fosdick; Make Your Life Worth-While, Fox; Man For Himself, Fromm.

God's Underground, Father George; Discourses and Sermons, Gibbons; Your Marriage, Himes; The Holy Bible, American revised version; Are You Considering

Psychoanalysis? Horney; Our Inner Conflicts, Horney; Five Great Philosophies of Life, Hyde; You Must Relax, Jacobson; Varieties of Religious Experience, James; Call To What Is Vital, Jones; You can Change the World, Keller. ### EDITORIAL THOUGHTS

#### THE PRUNING KNIFE

It was a rather determined group of voters who attended the town meeting last week and used the pruning knife on the town warrant.

All together the money sought for departmental expenses and special articles ran into the record high figure of \$1,282,000 giving rise to the assumption that there would be a substantial increase in the tax rate.

Departmental appropriations met with no opposition but the temper of the meeting was soon sensed when it came to voting on the special articles.

Led by the Andover Taxpayers' association, who had their guns trained on the new six million gallon reservoir and the purchase of land for its construction, the meeting turned down the articles calling for certain improvements at Lowell street and Argilla road despite the earnest appeal of Sidney P. White, chairman of the board of public works, for approval of this work.

This skirmish was just a "warm up" to the debate over the articles calling for the new reservoir and the land on Bancroft road for its construction. When the amendment of the taxpayers' association was offered for certain improvements in the water system minus the reservoir it was passed with a determined chorus of "ayes."

No doubt many of those voting were mindful of the appropriation which is expected to be made later this year for new elementary schools. They did pass favorably on a budget which is nearly \$59,000 more than the record appropriations of last year but they had pared the \$1,282,000 down to \$1,142,429, a very substantial cut.

Then came the pleasing announcement from Roy E. Hardy, chairman of the board of assessors, that he looked for no change in the tax rate. Extra income to the town this year through taxes on new homes, added receipts and greater returns from the state, he explained, would take care of the increase.

This encouraging announcement is all the more creditable to the town officials and their management of affairs in view of the bite being put on taxpayers everywhere at federal, state and local levels.

In view of conditions today, a tax rate of \$36 is another of the many reasons why Andover is such an attractive place in which to live and to conduct business.

#### MR. FARLEY'S FIGURING

We are indebted to James A. Farley, says DeWitt Emery, president of the National Small Business Men's association, for taking President Truman's formula and doing a little figuring on his own.

Recently Mr. Truman stated that by the year 2000, based on a projection of the growth of the past 50 years, this country would have a national income of a trillion dollars — that's one thousand times a billion — and every worker would be making at least \$12,000 per year.

Mr. Farley felt that Mr. Truman should have applied his projection to at least two other items, the cost of government and the number of people working for the federal government. He contends, I think rightly so, that based on the record of the past 50 years, federal spending and employment are both likely to increase at a much faster rate than national income. However, disregarding the possibility of a faster rate of increase, Mr. Farley found that, "If we take the cost of government for 1900 and compare it with the cost of government for 1950 and then figure the same rate of increase for the next 50 years, our government (in the year 2000) would cost six trillion dollars, or six times as much as the whole national income."

"On the same basis we would have working for the federal government (in the year 2000) 20 million men and women. The lesson of these simple figures," Mr. Farley added, "is that unless we find some way to reduce the cost of government it will soon grow so great as to consume not only everything we all earn but everything we have all saved, everything that we call property which is owned by all of us."

#### India—Pakistan Nationalism

But can the two nations of India and Pakistan resolve their differences and not provide a fertile spot for Russian influence? Is war between the two inevitable? And why should these two, successful in achieving independence from Britain, be ready to fly at each other's throats?

Independence from Britain served to emphasize the basic differences that constitute the old India. What appeared as strong Indian nationalism while Britain ruled, quickly split into two distinct groupings once it was free. The Congress party of Hindu supporters and the All-India Muslim League agreed that at the moment of independence each of the two racial groups should be a separate state. The bond of common enmity to Britain snapped, and each group became fanatically jealous of its independence.

#### Artificial Divisions Intensify Trouble

The division between the two is much more than a mere geographic boundary. India with its Hindu majority has some 330 million people, substantial natural resources, and a small but good industrial plant. But it suffers from a severe food deficit and a rapidly increasing population. Pakistan with a smaller population of 69 millions, is normally self-sufficient in food, but is geographically divided into two widely separated areas in the northwest and the northeast, and lacks commercial and professional classes.

#### Near-War In The Punjab

Initial trouble between India and Pakistan began with the partitioning of the Punjab province in the northwest. In the Pakistan half, the Muslims drove out nearly 5,000,000 Hindus and Sikhs, and in the India section the Hindus drove out as many Muslims. Before either new government had even organized administrative machinery, the Punjab was aflame with the chaos and bloodshed inevitable as 10,000,000 people moved across its borders. For more than a year each government was struggling for sheer survival. Incidentally, the assassin who murdered Gandhi claimed as his reason Gandhi's deliberate appeasement of the Muslims. This act of political murder actually strengthened India's hand. For the government was able to halt the danger of communalism, the withdrawal of social-religious groups from central control.

The present antagonism between India and Pakistan centers on Kashmir, a state lying across the upper frontiers of both countries. Both nations committed themselves to maximum effort to control Kashmir, a symbol of prestige to each. The United Nations has attempted to resolve these differences through a U.N. plebiscite commission headed by Admiral Nimitz. So far, no settlement has been reached, although tentative agreements are operating. Meanwhile national expenditures for military forces are ridiculously out of proportion in each country. It is hoped that points of opposition can be cleared up as time passes, else a localized conflict could spread into full Pakistan-India warfare, with incalculable results.

#### Economics May Force Reconciliation

In the meantime both nations are attempting to solve their separate political and economic problems. Each is endeavoring to consolidate its government, permitting what may be likened to 'state-rights.' But the real problem is economic. In both countries the cost of living has risen and production has lessened. Geographic boundaries have separated commercial centers from former markets, jute and cotton areas from mill districts. Pakistan has no commercial iron or coal and no industry. India has insufficient food because the major wheat belt of the northwest went to Pakistan. To make matters worse, each nation extended its political hostility by erecting trade controls.

#### Importance in Asia

Despite these differences of two countries where eight out of nine people are illiterate, India and Pakistan have already assumed an importance outside their borders. Their sympathies lie with the west against communism. Both have participated in U.N. agencies, even in disputes between them-

L. FRASER COLPITTS

An assistant plant manager at Tyer Rubber company for five years ago, at present production manager of F. B. Hicks company, Cambridge, L. Fraser Colpitts, has been closely identified with affairs in town since coming here 10 years ago.

Born in New Brunswick, Can., he was educated at Fitchburg High school and Northeastern university, and when not engaged with his usual duties spends much of his spare time restoring antique automobiles. He is a familiar figure around town in his old Stanley steamer.

A member of the South church, he is active in the Men's club and the Ping Pong club. He holds membership in the Merrimack Valley alumni club, Pequawket club, Veteran Motor car club and the Horseless Carriage club. He also served on the Andover School Survey committee.

Married, he resides with his wife and two daughters at 9 Oak st., Ballardvale.

### Down the Years with The Townsman

#### 50 Years Ago—March 1900

A flock of geese was seen going north over West Parish this morning.

While Thomas Caffrey was chopping wood his axe slipped and cut his thumb in an exceedingly painful manner.

Bradlee hall was crowded to its utmost capacity last week by those who came to hear the Fisk Jubilee singers give one of their justly celebrated concerts. Their fondest hopes and anticipations were realized as no better concert was ever given in the town.

Among the deaths recorded this week were the well-known and highly esteemed residents: Mrs. Caroline L. Clement Dean, Mrs. Joanna Erving, Mrs. Sarah A. Holt, Mrs. Elizabeth Rayner, Mrs. Emily Clemens Pearson and John Miller.

Rather unexpectedly comes the announcement that before summer has really set in once more, an electric road will have been constructed connecting Andover and Reading with a spur track joining North Reading to the main line.

Plans for a plain and simple but substantial gymnasium to be erected by Phillips academy are being discussed.

#### 25 Years Ago—March 1925

By the will of the late Rhode A. Howell of 47 Whittier st. who died Mar. 6 leaving an estate estimated at \$35,000, the following public bequests were made: Memorial Hall library, \$200, Methodist church, Ballardvale, \$500, Home for Aged Women \$300.

Mrs. Prudence Brown is confined to her home with a sprained ankle.

Miss Elizabeth W. McClellan, a senior at Smith college, was awarded the Phi Beta Kappa key this week at chapel. Miss McClellan is the daughter of Mrs. Frances P. McClellan of So. Main st. and a former Abbot academy student.

Mrs. Henry McKechnie of West Philadelphia, formerly Marie Crockett of this town, is visiting her brothers Alexander and Frank, and her sister, Mrs. Roberta Winn.

Monday afternoon both the selves. Both have demonstrated an appreciation of their role in a new Asia. From them both comes a philosophy that is very significant in the West-Russia struggle. The time has come, say India and Pakistan, for Asians to run Asia free from influence by the United States or Russia. In time Asia may be able to keep world peace by helping to form a "third force" between the present world rivals.

boys' and girls' basketball teams of Punched showed up surprisingly well and nearly whitewashed the Groveland teams. The Punched boys won by a score of 47-4 and the Punched girls by 31-13.

At the home of Mr. and Mrs. Frank Kendall of Chestnut st. a very attractive shower was given in honor to Miss Lucy Cheever, whose engagement to William Fessenden of Miami, Fla., was recently announced.

Miss Vivian Taylor, who has so successfully conducted the Andover Guild classes during the past few years, and who leaves this year for another line of work, was pleasantly surprised at a dancing party when she was presented a beautiful silk umbrella by Miss Jean MacLeish in behalf of the senior girls.

The wild ringing of the fire alarm for more than a quarter of an hour roused Andover around 10 p. m., to a spectacular blaze in Ballardvale. The E. Bouleau farm and contents were totally destroyed.

#### 10 Years Ago—March 1940

A campaign for revision of the telephone rates between Andover and the Lawrence, North Andover and Methuen area is being conducted by a committee appointed some time ago on the authorization of the Andover Service Club. The committee is interested in the desire of many business and professional men to have a more reasonable rate for service between Andover and Lawrence.

Mrs. Benjamin Babb of Princeton road is enjoying a visit in Florida.

At a pretty double wedding Miss Beatrice Gallagher of 250 No. Main st. became the bride of John J. Doyle, son of Mr. and Mrs. Patrick Doyle and Miss Katherine J. Gallagher, her sister, became the bride of Mitchell J. Riopelle, son of Mrs. Elizabeth Riopelle of Beach st., Lowell.

Particular interest is attached to the visit of Atty. Robert T. Bushnell for the Young Men's Republican club's annual banquet. Atty Bushnell sold newspapers and served in many capacities to

work his way through Andover, Harvard and Harvard law school. Edward Sirols, newly-appointed chairman of the state Republican committee will also be a welcome figure.

To hundreds of Phillips academy alumni the news of the sudden passing of Professor A. Rogers Beuner in Wadoboro, Me., came as a saddening shock. Prof. Beuner taught here nearly a half-century, 44 years of which he was head of the Greek department.

The Woman's Alliance of the Free church will hold a style show. Gowns and sports clothes will be shown by Cherry and Webb. Sure sign of spring is the advent of the style shows!

Mr. and Mrs. Alan R. Blackmer of Highland rd. are enjoying a visit at Dunkirk, N. Y., having encountered under New York's blizzard on Monday.

By virtue of a first-round win over Methuen the Andover Boys' club basketball team will play in the semi-finals of the Greater Lawrence basketball tournament. On the Andover team were McKee, Gorrie, Ross, Duff, Fettes, Bisset, Brown, Wallace and Blyth.

**BASKETBALL**

Punchard high's Blue and Gold basketball team closed its season last week when three of the boys were picked on the Little Three all-star team. The team picked was: Sid Watson and Captain Charlie Dwyer of Punchard forwards, Will Uttely Methuen center, and Nick Maucerie of Punchard and Captain Don Pirozek of Methuen guards. Charles McCullom, center of this years Punchard team was picked as a reserve on the all-star team. Charley Dwyer was also picked on two other all-star teams. He is a forward on the Greater Lawrence team and a guard on the Class C all-state team. Nick Maucerie was also selected to be a guard with Dwyer on the Class C all-state team.

Coach McKiniry expects to have even a better season next returning, and eight of his varsity as he has four of his first five city twelve. The only boys lost through graduation will be Nick Maucerie regular guard, Russ Thompson reserve center, Dave Wetterberg reserve forward, and Bob Dimlich reserve guard.

**Gym Team**

The local gym team has been holding daily work outs in the school gym for the past week under the watchful eyes of Coach Donald D. Dunn and Captain Hilton Cormey. No shows have been arranged as yet due to the rentalship of Memorial auditorium in the coming months.

**Track**

Capt. Donald D. Dunn's indoor track team has closed its season. The local team competed in only one dual meet, that with Phillips academy varsity seconds and lost to the boys on the hill 28 to 49. The locals competed in other big meets during the season and gave a good account of themselves.

Capt. Joe Ratyna was the outstanding performer on the team. Other excellent performances were turned in by Phid Dantos, Jack McCarthy, Ray Collins, Monte Peck, Louis Fedler and Dick Holmes. Many other boys on the squad showed up well in their events.

The locals are now training for the outdoor season which will begin in about a month.

**LIBRARY EVENTS**

**COOK BOOK FREE**

Congressman Edith Nourse Rogers has for distribution a new cook book issued by the department of agriculture entitled "Family Fare, Food Management and Receipts." It will be sent without charge by writing to 1725 New House office building, Washington, D. C. It contains 96 pages of interesting information.

**TO PRESENT MINSTRELS**

The talents of the Andover Male Choir and the Andover Square and Compass club will be combined in a minstrel show to be presented at the Memorial Auditorium Tuesday, Apr. 18. Philip K. Allen will be interlocutor.

**DOG LICENSES**

All present dog licenses expire Mar. 31 and new licenses are now available at the office of Town Clerk George H. Winslow. About 1200 licenses were taken out in 1949.

**Youth Center Plans Novel Variety Show**

A variety of unusual acts will highlight the entertainment to be put on by members of the Andover Youth center clubs Wednesday, Apr. 19 in the Memorial gym for the purpose of raising funds to buy equipment.

The greatly increased attendance at the Andover Guild this year and the increased number of hours the center is open for youngsters and adults has taken its toll on games, mats, backboards, tables and other equipment in constant use.

Determined to replace these things by their own efforts members of the center are putting together a program which for variety and novelty has never before been attempted here.

The committee in charge of the entertainment is preparing a number of posters and displays to announce their show and are now selling tickets for the affair.

A ring will be erected in the center of the gym floor and all acts will be presented from this area. There will be boxing, wrestling, magic, and a dramatic act, as well as instrumental and singing numbers introduced by a master of ceremonies noted for his imitations. Almost every club at the center will take part in the presentation.

Calvin Metcalf, chairman of the house committee, is general chairman of the event. He is being assisted by the following committee who now have tickets for sale

for the entertainment: Stafford A. Lindsay, Miriam Putnam, Anne M. Harnedy, Kenneth L. Sherman, Frank R. Petty, John T. Johnson, Roy E. Hardy, the Rev. Henry B. Smith, O.S.A., Mrs. Foster C. Barnard, Arthur W. Cole, Edward J. Shea, James R. Adrance, Harry I. Emmons, Mrs. Walter H. Partridge and Norwood P. Hallowell.

**SERVICE CLUB**

Atty. James A. Donovan of Lawrence, chairman of the Massachusetts parole board, will be the speaker at tonight's meeting of the Andover Service club at the Andover Inn. Carl E. Elander is chairman of the program.

The area covered by the United States building in Washington, D. C. is 153,112 square feet.

# JUNIOR HIGH

By MARY E. BISHOP

## BASKETBALL

The junior high emerged victoriously in its next to the last game of the season with the score of 76-15 over North Reading. The lineup of this game was as follows: Andover: rf Adams, lf Ruel, c Yancy, rg Reed, lg Carver. North Reading: rf Kelly, lf Haley, c Barron, rg Ham, lg Stanton. Heavy scoring was done by each

boy but the high scorers were Leo Ruel with 14 points and Roger Barous and John Lawrie with 12 points each. Haley and Barron each contributed four points for North Reading. Our boys deserve a lot of credit for achieving such a fine record.

## Assembly

The assembly Friday was in charge of Room 9 of the ninth grade. Community singing was enjoyed by the faculty and pupils alike. The singing of popular songs was directed by Shirley Murray, chairman of the program, and was accompanied by Joyce Mowart and Elinor Mondale on the piano. In observance of St. Patrick's day various Irish songs were sung and Miss Evelyn Parker of the faculty favored the audience with a piano solo. As one looked around the as-

sembly hall, bright splashes of green were seen on everyone.

## Student Council

The first meeting of the newly elected officers was held Thursday and proved to be eventful. Jant Svenson and Sandra Guertin were appointed to the dance committee. The matter of a ninth grade prom was brought up. This issue was postponed until a ninth grade meeting can be called. Louis Mirisola is chairman of the ninth grade representatives and he and his committee will discuss it with Benjamin Dimlich, principal. A talent show will be presented this spring by the junior high and Dorothy Dunn, Priscilla Colpitts and Shirley Murray were appointed to develop the program. A ground crew will be named each week to keep the grounds tidy since spring was welcomed in last Tuesday.

## Notes

An assembly was called Tuesday in which Miss Moore, a representative of Essex County Homemaking school, spoke to the girls of the eighth and ninth grades about the courses and subjects offered at the school to all girls who have completed eighth or ninth grade satisfactorily. A similar assembly was held for the boys of eighth and ninth grades, with Mr. Meigs from Essex County Agricultural school in charge. Mr. Meigs told the boys about the work done at the school and pointed out the advantages of attending such a school. At the end of each assembly a question period was held. Interested parents of pupils were invited to attend the discussion.

Instead of the regular Friday assembly there will be a home-room meeting with the new officers in charge.

In girls intra-mural sports Mary Oliver is the junior high champion in shuffleboard and Josephine Collins is the champion in the ping pong tournament.

As soon as weather and ground conditions permit there will be several fire drills.

Tickets for "That Brewster Boy" to be presented Friday evening are on sale in the Junior high office.

## Youth Center Teams Defeat North Andover

The Andover Youth Center basketball team won two recent games against the North Andover Community Center teams.

In the first contest the local intermediates ran away from the visitors 59 to 19. McCullom was high for Andover with 19 points and Graves next with 16. The intermediate team will be Andover Youth Center's entry in the coming Lawrence YMCA junior tournament.

## A.P.C. Sorority Plans For Three Events

The A.P.C. sorority of the South church has planned for three events to be held soon.

At 8 p. m. Thursday, Mar. 23, the child study group will meet with Mrs. John Brown, 138 Main st., with Miss Louise Sherman, supervisor of the Andover kindergartens, leader.

At 8 p. m., Thursday, Mar. 30 the book review department will meet with Mrs. George Collins, 38 Maple ave., at which time Miss Fannie Davis will give a book review.

At 5 p. m., Sunday, Apr. 2 there will be a vesper service in the South church vestry with the Rev. Victor Sealise of the Lowell Cavalry Baptist church speaker.

# PUNCHARD HIGH

By JANET THOMPSON

## SPECIAL ASSEMBLIES

Two special assemblies were held Tuesday with representatives from Essex County Homemaking and Agricultural schools as guest speakers. Miss Ethel Moore, educational manager at the homemaking school, spoke to the ninth grade and Punchard girls concerning the courses offered to prepare girls for careers as future homemakers. Miss Moore also described the one year all vocational course for girls who have graduated from high school.

In the boys' assembly following, instructor George A. Meigs described the many courses given at the agricultural school and also explained that one half of each calendar year is spent in classes while during the other half the boys practice on farms.

## Barnard Essays

Preparations are now being made for the Barnard essay con-

test held annually in honor of J. W. Barnard. All seniors and any other students will spend the day of Apr. 4 writing their essays, using just their outlines. The eight best essays will be delivered Friday night, May 5. First prize will be \$20; second prize, \$12; third \$8.

## Tryouts For Cheering

Tryouts for cheerleaders were held Thursday before Miss Frances Collins, girls' physical education instructor; Beasie Christie, captain of the cheerleading squad; Walter C. Roberts, football coach, and Kenneth McKinstry, basketball coach.

The girls who demonstrated their skill in cheering are as follows: Grace Engel, Marion White, Betty Ann Locke, Joan Corey, Frances Ratyna, Connie Coleman, Catherine Anderson, Claire Nadeau, Janet Valentine, Janet Svenson, Maureen McKay.

## Obituaries . . .

### HENRY LaROSA

Henry LaRosa, 57, well-known landscape gardener, was stricken ill at his home, 44 Corbett st., Friday afternoon and removed to the Lawrence General hospital where he was pronounced dead upon arrival. Death resulted from a cerebral hemorrhage and hypertensive heart disease according to Dr. Julius J. Burgiel, medical examiner.

A native of Italy he made his home here for many years and was a member of the Andover Catholic club.

He is survived by his widow, Mary (Messenti) LaRosa; two daughters, Mrs. A. C. Longo and Mrs. Alfred Morin, both of Boston, and two sons, William and Raymond LaRosa of Andover.

The funeral was held Monday morning from the M. A. Burke Memorial funeral home with a high mass of requiem in St. Augustine's church at 9:30 o'clock. The Rev. Henry B. Smith, O.S.A., was celebrant. Robert A. Walsh, Frank S. Womey and William A. Doherty represented the Andover Catholic club. Burial was in the Immaculate Conception cemetery.

The bearers were Philip, Michael, Joseph and James Misenti, Joseph Cronin and Sebastiano LaRosa.

Young Husbands Deserting Families

"We are alarmed over the number of young husbands who are deserting their families and forcing them to accept relief," says the board of public welfare in its annual report commenting upon the increase in the form of aid known as aid to dependent children.

"The federal government is also disturbed," the report continues, "and legislation is now pending in congress to make desertion of family a federal offense. This would make it harder for a man to go from state to state to evade arrest."

"During the past year we have had five desertions and in only two cases have the police been able to locate the responsible partner. In one of these cases the man served a one month sentence, and then disappeared, while the other man is now serving a three-month sentence. We are aiding 10 cases at present under aid to dependent children."

MRS. ROBERT E. BROW

The funeral of Mrs. Miriam (Rector) Brown who died Sunday at her home 48 Morton st., after a long illness, was held Wednesday afternoon from the Lundgren funeral home with services at 2:30 o'clock by the Rev. Frederick B. Noss.

Mrs. Brown was born in Fitchburg but for the past 18 years has been a resident of Andover. She was a member of the South Congregational church and the Andover Garden club.

Surviving are her husband, Robert E. Brown; her step-mother, Mrs. Frank Rector of Providence, R.I., and a sister, Miss Beulah Rector of Watertown, N.Y.

Friends were requested to omit flowers and instead send their contributions to the Massachusetts cancer fund.

GUSTAV M. LUCKE

Gustav M. Lucke, 74, a long-time resident of Andover, died Friday, Mar. 17, after a long illness. A painter by trade he deceased, who was born in Germany, made his home here for 50 years.

He was a member of Andover Lodge, 230, IOOF, and past chancellor of the former Knights of Pythias lodge here.

Surviving are Miss Esther M. Eatchelder, a step-daughter, and Mrs. Sidney S. Batchelder daughter-in-law with whom he made his home, and a sister and niece in Germany.

The funeral was held from the Lundgren funeral home Tuesday with services at 2:30 p.m. conducted by the Rev. Levering Reynolds, Jr. Burial was in West Parish cemetery.

The bearers were four step-grandsons of the deceased: Albert L. Sidney A. Loring and David Batchelder.

FIRE IN STORAGE SHED

Fire in a storage shed of the Redman Card Clothing Co., Red Spring rd., gave firemen a two hour battle Monday noon before it was extinguished.

An overheated smoke pipe from a wood-burning stove was given as the cause of the blaze. Chief C. Edward Buchan said it started in a corner of the building where the pipe came in contact with a partition and worked its way upward.

When the fire was discovered Box 56 sounded at 12:15 p.m. and employees of the plant started battling the flames with a hose until the fire department arrived. The shed contained several hundred boxes of card clothing and other goods. The relief sounded at 2:12 p.m. Company officials are checking the loss.

FRIENDS . . . . .

We had a customer in our store recently who really surprised us when he said: "I didn't know you sold paint." Modest-like, we opened up (well, he asked for it) and we gave him the complete story of PITTSBURG PAINT. We extolled its covering and workability qualities, plus its exceptional color range. ### Easter Egg Hunt To Be Held April 8

(Continued from Page 1)

organizations have expressed their willingness to serve and assist in making this a big event for the children of the town.

The police department and the board of public works will cooperate with the committee in arrangements for the afternoon. Other organizations cooperating are the Andover Guild Youth Center, Andover post, 8, American Legion and its auxiliary, the All-Women's post of the Legion, and the Andover Service club.

Donations have already been received by the committee and other organizations are expected to contribute so that those in charge will have plenty of Easter eggs for the hundreds of youngsters who will join in the hunt.

### COURT SESSION

Another session of the local court will be held at the town house Saturday morning by Trial Justice Richard K. Gordon who will hear the cases of seven defendants on speeding charges.

### Teachers Granted Annual Increases

A number of teachers were granted the annual step rate increases at the meeting of the school committee last week when other routine matters were transacted.

Robert Colombosian, representing Colombosian & Sons, milk dealers, appeared before the board with a request that he be allowed to sell milk to the school children. The question will be given further study before action is taken.

On recommendation of the superintendent the driver training course was reinstated. It is deemed to have a big educational advantage, and it meets with the approval of the registrar of motor vehicles and the state department of education.

The board voted to hold a special meeting Mar. 28. It is believed that plans will be made to fill the high and junior high vacancies that exist with the resignations of Mr. Lovely and Milton H. Nelson. Charles A. Gregory and Benjamin F. Dimlich are acting principals at present.

The following teachers were re-elected and granted increases; Louella M. Dunning, Helen M. Phillips, Louise B. McQueston, Eunice O'Donnell and Alma M. Marshall.

Elizabeth L. Hopkins, remedial reading teacher, was granted an increase of \$100.

Re-elected as of Sept. 1 and granted \$100 increases were; Jeanne T. Bernardin, Barbara J. Bolton and Mrs. M. Rita Cronin. Mrs. Marjorie Jones, who has been doing substitute work, was elected at a salary of \$2800. Mrs. Francis M. Parker, grade school teacher, was re-elected; Betty H. Richardson was placed on tenure as of Apr. 1; Mrs. Ruth Wescott, R. N., school nurse, was re-elected with \$100 increase; Mrs. Shirley Beal, dental hygienist, \$100 increase; Miss Barbara Greenwood, clerk in the superintendent's office, re-elected with \$100 increase; Mrs. Eileen Morrisroe, clerk in the high school principal's office, re-elected with \$100 increase; Mrs. Mabel McGrath, clerk in the junior high school principal's office \$100 increase.

Walter Roberts, football coach, was re-elected and placed on tenure.

The following janitors were re-elected with increases of \$50; Fred L. Collins, James Waldie, Charles Flanagan, William Stirling, George Symonds, Carl Holt, Edward O'Hagan, Jr., John K. Hill and Robert V. Deyermond.

### Spring Style Show To Be Presented

The annual style show sponsored by Court St. Monica, 783, C.D. of A., will be presented at the Memorial auditorium Monday evening, Mar. 27.

The preview of spring fashions for the teen age and the matron will be displayed by models from Sutherlands. Door prizes will be awarded. The public is invited.

### Names Committee On School Building

(Continued from Page 1)

"The largest immediate capital outlay that we face is for the expansion and modernization of our elementary school system. We favor the \$10,000 appropriation for an architectural study and sketches as presented by the school committee. The study will probably result in a request for approximately \$700,000 for new school buildings, nearly as much as we raise in one year by all our real estate taxes. Some state help is available, but a further study is required to determine the proper use of taxes and short term borrowing."

Members of this committee are: Roy E. Hardy, Howell M. Stillman, Fredric S. O'Brien, Joseph A. McCarthy, Sidney P. White, Gordon L. Colquhoun and Wallace E. Brimer. The committee was created for the purpose of coordinating the future capital expenditures of the town.
