## Off-Street Parking Essential To Andover

### Start On Final Conversion To Natural Gas

In the biggest and most important gas project in the company's 100 year history, the Lawrence Gas and Electric Company will soon start the final and most important step in converting every gas appliance of the 35,000 customers in its territory to use natural gas, William E. Casey, vice president and general manager, announced today. A great deal of preliminary work has already been done in order to speed up the final conversion and thus reduce the inconvenience to customers.

Scheduled to start Mar. 3, this project will be one of the major steps in the vast changeover of the company's system to natural gas with a heat content of 1030 btu. At present the company's manufactured gas has a heating value of 528 btu.

These appliance adjustments will be made by several hundred specially trained conversion men. The complete operation will take about two weeks and should be finished about Mar. 17, according to Manager Casey.

In order to use this new fuel, all gas appliances in homes and business establishments in the Lawrence Gas and Electric company territory will have to be adjusted. These appliance adjustments will be made by the trained specialists of Conversions and Surveys, Inc., the largest conversion company in the country.

### Chief Dane Dinner To Be "Different"

The stag dinner which a group of citizens are sponsoring in honor of Chief George A. Dane is going to be unique in more than one respect.

The exercises are going to be short and snappy. Only two speakers, the chief and Chairman Roy E. Hardy of the board of selectmen.

There will be no head table, no formalities. The meal will be served at the Andover Country club Sunday evening, Mar. 2, promptly at 7 o'clock. The committee asks those who attend to get to the club by 6:30 p.m.

There will be no invitations other than these announcements in the newspapers. Any Andover citizen who wants to show his appreciation of the work that has been done by the chief and the police department under him is welcome. All that is necessary is to telephone or write the Andover Country club before Feb. 27 and say you will attend.

What those present are going to hear from Chief Dane is not a "speech" but a lot of specific instances of what he and his force are up against in regard to crime.

It will be most interesting to a lot of local citizens. Many will be surprised to learn to what extent our town has been exempt from attempts to establish criminal activities here.

A fine dinner will be served and it promises to be a pleasant evening for all who attend.

At the regular meeting of the Andover Board of Trade, held on Tuesday evening, Feb. 12, at 8 p.m., a general off-the-record discussion was held concerning off-street parking. The group was three short of a quorum.

In the unanimous opinion of those present, off street parking is essential to the welfare of the town, the convenience and safety of the public, and the maintenance and growth of shops that meet the public needs.

In order to meet this need, the group decided that because of its central location, the Shaw property, so called, should be prepared as soon as feasible to accommodate 50 cars for free day-parking and that as soon as possible thereafter other areas near the business district should be made available. The group recommend more areas both for the better dispersion of traffic and so that shoppers can get as near as possible to the places of trade.

The board members voiced the opinion that the public would energetically support a program of off-street parking when they become aware of its effect on the tax rate, since a more active business life in the town lowers the proportionate part of the total tax which falls on the home owner. Retail business pays such a high proportionate part of the tax that any action which tends to improve it will eventually accrue to the public not only in the form of lower taxes, but also in shops with more complete stocks and more sanitary areas in the rear which present less of a fire hazard.

### Want Shawsheen Bus Route Change

A change in the Boston-Lawrence bus line that now runs through Shawsheen Village is contemplated by the Eastern Mass. Street Ry. Co.

G. F. Owrl, general manager of the company, appeared before the board of selectmen Monday night when a petition was presented to reroute the Boston busses in their trips between Andover and Lawrence.

The petition requests that the line that now runs through Main street and Union street in the village be changed to proceed from Elm square to Elm street and the North Andover line. The route (which would then be outside Andover) would continue to Wilson's corner and down the Den Rock road to Lawrence.

The board held the petition in abeyance and ordered a public hearing to be held at the town house at 7:30 p.m., Feb. 25.

Joseph E. O'Brien, on leave of absence from the police department offered his resignation as a member of the department effective Feb. 18, which the board voted to accept.

## Cites Need For Extending New 6-Inch Water Main

### Storm Cripples Bus, Power Service

A severe northeast blizzard that started Sunday crippled transportation service, damaged power lines and piled up huge drifts in all parts of town before it petered out early Monday afternoon.

Early Sunday morning a storm of about three inches of wet snow fell before it stopped about noon. Later in the afternoon the severe northeaster that paralyzed all New England causing 11 deaths, settled in and continued for about 24 hours leaving seven to eight more inches, a total of 10 or 11 inches in the two storms.

The second storm started off with wet snow and as the wind grew stronger and the weather colder it changed to dry snow which was wind-packed with the high wind.

The board of public works snow clearing crews were out all through Sunday and Monday and kept all streets open. The plow crews encountered some difficulty because of the different types of snow mixture on the highways, which were so hard packed in some places that the plow blades rode over them.

The blizzard was very heavy at different times. One crew working on Lowell street near Haggett's Pond road found the snow blowing so hard and so dense across the pond that they could not see the road.

During the operations Sunday one of the sidewalk tractor plows broke down in Shawsheen and the work of plowing sidewalks was not completed at that time.

Other minor difficulties were experienced by the workers but all during the day this sidewalk plow was the only one, BPW officials report, that was crippled.

In regard to the special article in the town warrant calling for the extension of the 16-inch low service main from Phillips and Main streets to the reservoir at Bancroft road, Sidney P. White, chairman of the board of selectmen, has issued the following statement:

The extension to the low service force main which the board of public works proposes to construct from Phillips street to the Bancroft road pumping station during the coming year is an important link in the town's water distribution system. The existing section of the main which extends from the present end of the 16-inch force main at Phillips street along Main

### Chest Surveys To Start Feb. 25

Appointment cards were mailed yesterday to the 428 persons scheduled to be X-rayed on the opening day of the Andover X-ray survey, Monday afternoon and evening, Feb. 25, at the town house, according to Francis J. Rodericks, general chairman.

While the primary purpose of the survey is to find tuberculosis in the early stage when it is most easily cured, other chest conditions, if they are found, will be reported by the Massachusetts department of public health to family physicians, Mr. Rodericks said.

Any Andover residents who have not now been enrolled for their free chest X-rays should telephone Andover 525, the survey office in American Legion rooms at 2 Park st.

The second X-raymobile will be located at the Tyer Rubber Co. on opening day. It will move from there to Marland Mills Thursday, Feb. 28. The following week it will be at Shawsheen Mill for two days.

## University Of Life Will Close Sunday

Dr. Henry Smith Leiper, associate secretary of the World council of churches, will speak Sunday at the University of Life chapel service at the South church.

The Rev. Mr. Leiper's address "As the Kingdom Comes" will be preceded at 7 o'clock by the devotional service conducted by the Rev. Paul E. Callahan of the Union Congregational church, Ballardvale. In the following hour Dr. Leiper will discuss "The Church and the World" when the moderator will be the Rev. A. Graham Baldwin of Phillips academy, where Dr. Leiper's son was a former student.

The Rev. Charles H. Buck Jr., of Cambridge will bring to a close his series of New Testament studies by his hour on "The Apostle Paul."

The young people will meet a newcomer to Andover, the Rev. Robert J. McCune of the Methodist church, Ballardvale. His topic, "The value of the Christian Witness" will be presented in the seminar presided over by the Rev. Mr. Callahan.

This is the final session of the 1952 University of Life. It will begin with a buffet supper at 6:15 p.m. served by the women of Christ church and Cochran chapel.

Miss Elizabeth Hilton and Mrs. Elbert Weaver will be in charge.

**The Snow is Always Deeper . . .**

Talk about old fashioned snowstorms! Grandpa would have been proud of that last "howler". I felt like a kid plowing through the light squeaky snow down to the station. Got inside and while I stamped the snow off I noticed that everybody was laughing and telling stories about the storm. Seems the snow was deeper in front of their house than in front of anybody else's.

Lots of speculation about whether the train would be late. But Bill, he's a railroad fan from way back and always waits out on the platform watching for the train, grinned and yelled; "Here she comes, and boy, look at her!"

We all went out and what a sight she was. All you could see

at first was the top of the locomotive plowing through a big spray of fresh snow swirling up from the track. Then some of the cars, all outlined in white. Then the windows going by, streaked with melting snow, as the 8:08 pulled in about thirty seconds behind schedule.

In a real cold spell she'll be held up a couple of minutes at each stop because there'll always be some people who'll wait in the station until the last minute before coming out to get on board.

Got a seat next to the window and leaned back watching the new, white countryside go by. Nothing like the excitement of a fresh snowstorm. And nothing like a nice warm train to watch it from.

## Phillips Students Prefer Eisenhower

Phillips Academy students and faculty showed an overwhelming preference for General Eisenhower in both the Republican nomination and the presidency in a straw poll conducted by the student newspaper, The Phillipian. For the Republican standard bearer, Eisenhower far outstripped the field, passing votes 405 to Senator Taft's 110. The rest of the Republican hopefuls straggled out far behind: Stassen 28; Warren 10; Lodge

The Democratic preference, though not as decisive, bespoke little confidence in President Truman who lagged in second place with 135 votes well behind the leading Estes Kefauver who racked up 229. Senator Paul Douglas trailed with 33.

For the presidency Eisenhower spread-eagled the field with a vote that more than doubled the combined total of all other candidates. The Presidential preference totals:

Eisenhower	376
Taft	90
Kefauver	34
Truman	23
Warren	8
Thurmond	7

Faculty opinion coincided with that of the students with General Eisenhower again far in front with 26 votes compared to Taft's 9 Stevenson's 5 and a scattering to other candidates.

### IN NAVAL TRAINING

# IMPORTANT NOTICE

To Our Gas Customers In

## ANDOVER

### CONCERNING CONVERSION TO NATURAL GAS

On March 3, 1952, we expect to begin the final and most important step in changing over the gas appliances of all our customers to the use of natural gas. The changeover in Andover is planned to start March 7, 1952. A great deal of preliminary work has already been done in order to speed up the final conversion and thus reduce the inconvenience to customers. This will be the biggest and most important project we have ever undertaken. It will benefit both the customers and the Company so we ask your cooperation.

In order to bring this new fuel and its benefits to our customers, we plan to convert every gas appliance in the territory we serve - in every home, office, store and plant. Naturally, the costs of normal adjustments will be borne by the Company.

To use natural gas and enjoy its benefits all gas appliances must be adjusted. For this important work we have hired qualified conversion men. These experts will adjust your gas appliances to burn natural gas properly, safely and efficiently.

Since we serve nearly 35,000 customers in this area, this will be a huge engineering project. To keep the inconvenience to our customers at a minimum we have divided our territory into 15 districts. The conversion men will work from district to district until the job is completed.

We need your cooperation so that these conversion men can get into each home, office, store and plant. This is your most important responsibility during the entire changeover. It is absolutely necessary that these men be admitted to your home on the changeover days to make the necessary adjustments.

If for any reason you will not be able to admit the conversion man to your home on the

changeover days please make arrangements with your neighbor or leave the key at our office. It is of utmost importance that gas appliances be converted on the appointed day.

Future newspaper announcements, folders and handbills will show what district you are in and the days on which your district will be converted.

IF YOU HAVE ANY QUESTIONS about the changeover to natural gas or the conversion of your gas appliances, please call our special conversion telephone number.

We will appreciate your cooperation and patience during the conversion.

WATCH FOR FUTURE ANNOUNCEMENTS and be sure to read all the instructive material we will send you.

The last serving will be at 6:30. The menu consists of tomato juice, chicken-a-la-king, mashed potato, peas, tossed salad, rolls, coffee, jello and home made cookies.

Tickets may be obtained from any member of the organization or reservations may be made by calling Mrs. Curtis Scholtz, tel. 132.

Members of the committee include: Mrs. William McIntyre, Mrs. Curtis Scholtz, Mrs. Alfred Webb, Mrs. William Batchelder, Mrs. Albert Warner, Mrs. Russell Hall, Mrs. Edwyn Russell and Mrs. Paul Callahan.

### W.S. of C.S. Met

The Women's Society of Christian Service held a bi-monthly meeting at the home of the president, Mrs. John Duke, River st., last Thursday evening. During the meeting plans for the spring sale and entertainment were discussed. Mrs. Virginia Orlando had charge of the devotions.

A social time was enjoyed and refreshments were served by Mrs. Calvin Seiferth and Mrs. Virginia Orlando.

Members present were: Mrs. John Wilson, Mrs. Edna Lafin, Mrs. James Enright, Mrs. George Davison, Mrs. Edwin Brown, Mrs. Robert McCune, Mrs. Frank Davis, Mrs. Calvin Seiferth, Mrs. Virginia Orlando and Mrs. John Duke.

The next meeting will be held Feb. 28.

### Valentine Party and Dance

The Ballateeners held a valentine party and dance in the community room last Saturday night with a fine attendance.

Each guest present brought a valentine, these were put in a box and each boy drew for his partner in the valentine dance. The King and Queen of Hearts, Vivian Bell and Ronald St. Armand were chosen. In the Popularity dance Ray Nolin and his guest were chosen and were awarded a prize.

Mr. and Mrs. Edward Nolin, Mrs. Alice Dumont and Mrs. Ralph Sharpe were the chaperones.

Music for dancing was furnished by George Emmons and his drummers.

### Card Party

Mr. and Mrs. Albert Warner, High st., opened their home for a bridge and canasta party. This was the first of a series to be held by a special committee assigned at the last PTA meeting to raise money to purchase a record player for the Bradlee school.

Mrs. Charles Langdell won the door prize. Other prizes were won by Mrs. Tyler Perry, Mrs. Robert Read, Mrs. Henry Meyers, Mrs. Joseph Serio, Mrs. Joseph Bouleau and Mrs. Hector Buschmann.

Refreshments of cake and coffee were served by the hostess, Mrs. Albert Warner, assisted by the co-hostesses, Mrs. Samuel Mucci and Mrs. Bart Smalley.

Among those present were: Mr. and Mrs. Charles Langdell, Mr. and Mrs. Robert Read, Mr. and Mrs. Joseph Bouleau, Mr. and Mrs. Henry Meyers, Mr. and Mrs. Hector Buschmann, Mr. and Mrs. Palmer Chester, Mr. and Mrs. Joseph Serio, Mrs. Tyler Perry, Mrs. Henry Brouck, Mrs. Samuel Mucci, Mrs. Bart Smalley and Mr. and Mrs. Albert Warner.

Mr. and Mrs. Bart Smalley, Hall ave., will sponsor a party Thursday evening Feb. 28, at 8 p.m.

### Ballateeners Met

A meeting of the Ballateeners was held at the home of their advisor Mrs. Ralph Sharpe, Andover st., last Wednesday night. A short business meeting was held and final plans for the dance held Sat. night were made.

Rehearsals for the minstrel show will start this week. This show will be held in the Community room April 18 and 19.

Those present: Jane and Claire Dumont, Wyler Barrows, Robert Lakin, Lucille O'Hara, Ann Ward, William Shaw, Dianne Mitchell, Dorothy Gallant, Marilyn Ness, Joan Lakin, Frank Hebert, Herbert MacMillan, Margaret Buckley, Warren Ferris, Harold Newcomb, Raymond Reed, Ronald and Richard St. Armand, Clifford Sharpe, Donald Ness, Raymond Nolin, Dolores Comporone, Richard Nolin, Nancy White and Mrs. Ralph Sharpe.

### Red Cross Drive

The Red Cross drive in Andover and Ballardvale will get under way Feb. 28 and will continue through March 10.

Miss Barbara Loomer met with the solicitors of Ballardvale last Thursday morning. She told them that this year there will be no soliciting of employers in Andover. The only ones being solicited will be the school teachers and proprietors of business. Andover's quota will be \$12,500. Of this 70% will go to the Andover Red Cross.

The American Red Cross does a great number of things. It aids in disaster, maintains and develops a national blood program, trains millions in first aid, conducts water saving and a life saving program, offers food, nutrition and nursing service, engages in school and college training (Jr. Red Cross), serves the armed forces in peace and war, cheers and assists our war veterans, conducts international activities. Miss Loomer also stressed that if anyone needs blood to call the Andover Red Cross.

Mrs. John Wilson is area head in Ballardvale and will have assisting her the following: Mrs. George Brown, Mrs. William Richardson, Mrs. Curtis Scholtz, Mrs. Frank Davis, Mrs. Peter Quinn, Mrs. Leo Pimpare, Mrs. Robert Aucterlone, Mrs. James Nicoll, Mrs. Paul Callahan, Mrs. Frank Green, Mrs. Robert Mitchell, Mrs. Clyde Mears, Mrs. Robert Mayo, Mrs. Alfred Osgood and Mrs. James Letters.

## Moderate Driving

A steady diet of "moderate driving" is recommended for a happy, healthy existence on today's highways. "Moderate driving" means driving neither too fast nor too slow and in keeping with speed limits, prevailing traffic flow, and weather conditions. Whether you're a habitual speeder or a slow poke, it is pretty likely that sooner or later the law of averages will catch up with you.

Studies of accident causes made by the Institute for Safer Living of the American Mutual Liability Insurance company indicate that driving too fast for conditions is not only the largest single cause of fatal traffic accidents, but also is a contributing violation in many other fatal automobile accidents. Slow drivers, too, account for their share of accidents.

Of the two classes of drivers, however, speeders are by far the most dangerous and produce the most violent types of accidents. An estimated 28 per cent of all drivers involved in fatal accidents during the past year were found to be over-driving their margin of safety.

Slow drivers tend to hamper normal traffic flow, particularly on main arteries, and as a result cause congestion and impatience on the part of other drivers. These factors set up a hazardous condition which may cause an accident to cars somewhere along the line of traffic. Sightseers or other drivers who prefer to drive unusually slow should confine their trips to lesser-traveled roads where traffic will not be hampered.

## Destroying Free Enterprise

Karl Marx, the intellectual father of communism, devised a ten-plank platform whereby, he believed, the capitalistic or free enterprise economic system, with its right of private ownership of property, could be destroyed. Two of these plans dealt with taxation and ran as follows: (1) A heavy progressive or graduated income tax. (2) Abolition of all right of inheritance - that is, a 100 per cent inheritance tax.

We have not yet reached the entire communist objective, but we have come an ominously long way along the road. Today the tax on individual incomes runs to a high of 92 per cent - and its minimum is 22.2 per cent on incomes of not over \$2,000. The corporation tax is 52 per cent, to which 30 per cent more is added for so-called "excess profits." And the inheritance taxes are very steep.

It is this situation which has stirred up so much support for a constitutional amendment to limit the taxing power of congress. The proposed amendment fixes the rate at 25 per cent, and provides that it can be raised to a higher level in the event of such an emergency as war. The whole idea is to force economy and efficiency on the government by constitutionally depriving it of excessive amounts of money. The cloth would have to be cut to fit.

Destruction of free enterprise and truly representative government can be accomplished by drying up the economic resources that maintain them. That is what our insane fiscal policy is doing now. John Marshall said it all when he said that the power to tax is the power to destroy.

**THE L.W.V. REPORT**

Editor of the Townsman:  
In the report of their year-long  
scrutiny of our school system, the  
education committee of the League  
of Women Voters make three more  
statements with tantalizing brevity.  
Many of your readers must have  
been surprised to learn that our  
new school buildings — not yet  
completed — will not provide enough  
space — and that an addition will  
have to be built on the Shawsheen  
school. It is only two years since  
this town accepted a survey, sub-  
mitted in the fall of 1949, which  
runs counter to the League's find-  
ings. That survey analyzed future  
enrollments and recommended new  
construction, all of which has been  
voted in the belief that it would be  
adequate for the foreseeable future.

Regarding Shawsheen, the survey  
said "The Shawsheen school can  
accommodate the number of pupils  
presently enrolled together with  
estimated increases for some time  
to come". Could someone have  
miscalculated here? An explanation  
is obviously in order.

Concerning our teachers the  
report says that we expect and re-  
ceive more from them than we give  
in financial security. If they mean  
that our teachers lack security,  
few of your readers will buy that.  
And if they mean that our teachers  
are underpaid they should say so  
clearly and provide the supporting  
facts and figures. There is here an  
inevitable conflict between the  
town which wants a service at the  
lowest possible cost and the tea-  
chers who rightly offer their ser-  
vices for the highest price they  
can get. The committee's euphe-  
mism calls for clarity and evidence.

The school report closes with a  
remark to parents that the last  
applicant should be hired regard-  
less of where he lives. I agree ful-  
ly with that statement. I am sur-  
prised and disappointed that any  
individuals or groups in this town  
should bring pressure to bear to  
gain a favored status for any one  
at the expense of a better quali-  
fied candidate and of our children's  
education. This comes from a low-  
grade citizenship which puts per-  
sonal interest above community in-  
terest and is a thoroughly despic-  
able practice. If such a practice  
exists the League did well to call  
it to our attention, however  
briefly. We want no tariff wall  
against ability.

In general what Andover needs  
is more flesh to put onto the  
League's skeletonized report.  
Dino G. Valz

(Editor's Note: This newspaper  
would welcome other opinions on  
the L.W.V. report, or on other  
items important to the town.)

About the only thing that the  
negotiators in Korea seem to be  
able to agree on is to meet the next  
day.

**Open Incinerators Cause Grass Fires**

Incinerators without covers are blamed by fire officials for most of the 13 brush fire alarms they had to answer during the high wind Wednesday and Thursday of last week.

Burning papers, they claim, were blown from the incinerators and ignited grass bear by which spread quickly over the dry surface endangering several buildings.

In responding to an alarm Thursday the ladder truck and a car coming out of Railroad avenue were in collision near the railroad station. Both were slightly damaged. W. Gordon Coutts was operating the ladder truck and I. Theodore Freije of Duroso ave., Lawrence, was operating the other vehicle.

The forest fire hazard was so great in several parts of the state last week that several forest fire lookouts were put into operation. The hazard in this locality did not call for this emergency service. Sunday's blizzard put an end to the forest fire menace for some time.

**Punchard 30 - Pinkerton 24**  
Punchard had a close call at Derry, N. H., Tuesday when the Blue and Gold staved off a fourth period surge by Pinkerton academy to win 30 - 24.

The game got pretty rough at times and local adherents questioned the lobsided foul totals called by the New Hampshire officials. Of the 24 called 15 were against Punchard. Punchard plays tonight at Methuen.

**Punchard 62, Tewksbury 46**  
Punchard romped away from Tewksbury 62 - 46 at the local gym Friday night. Coach Ken McKiniry used his starting five for most of the game, not entering his reserves until half way through the fourth period. Punchard took the lead in the first period, increased it in the second and remained out in front by a wide margin until the finish. In the preliminary game the Punchard J. V. team had little difficulty with its Tewksbury rivals, winning 48 - 23.

**To Play Marlboro**  
Punchard will get into the Class B competition in the fifth annual small and medium school basketball tournament for Eastern Massachusetts next Saturday at 5:15 p.m. when it meets Marlboro in the Malden high school gym.

**Andover Defeats Exeter 2-1**

Andover scored a 2-1 victory over Exeter on the latter's rink Feb. 13 in the annual hockey game between the two schools. The Blue spurted in the second and third periods after Exeter got off to a fast start. Capt. Abner Oakes assisted by Bill Rider put Andover ahead 1-0 with a second

period score, and Carl Purnell got the clincher in the third period on an assist from Joe Crehore. Co-Capt. Bob Dennen scored Exeter's goal in the third and his twin brother Bruce, came within an inch of tying the game a few minutes later when his shot skimmed past the open cage by that narrow margin.

Lt. Edward A. Romeo, currently stationed in San Diego, Cal., was a recent visitor in town where he was welcomed by his many friends. He was called to Long Island, N. Y., by the death of his father, Frank Romeo on Feb. 10.

**Inter-Church Basketball**

Because of Monday's heavy snowfall, the annual interchurch basketball roundup scheduled for Monday evening, Feb. 18, has been postponed. The entire program will be coupled with the annual banquet to be held Monday, Feb. 25. Because of the added roundup program, the banquet will start at 6 p.m. instead of 6:30 as originally scheduled.

All mothers who have offered to assist in serving at the banquet should be there at 5 p.m. instead of 5:30 as planned.

**A.L. Kerr Jr., Joins Bradford Faculty**

Albert L. Kerr Jr., son of Mr. and Mrs. Albert L. Kerr, 109 Central st., has been appointed a specialist in semantics at Bradford Junior college. Mr. Kerr previously taught at the Gilman Country school in Baltimore and at Cooperstown (N.Y.) academy. A navy veteran with four years' service he is a graduate of Phillips academy, Yale university, and of Harvard university where he received his master's degree in education this year.

**HOLIDAY DANCE**

The U. S. naval reserve battalion 1-5 made up of young men and women in the Lawrence area is holding a Washington's Birthday dance in the Memorial auditorium Feb. 22. The dance is open to the public and the unit is depending on public support in this venture. Tickets will be available at the door.

**ABBOT ACADEMY**

Maxim Karolik, tenor, will sing at Abbot Academy at 7:15 p.m. Sunday, Feb. 24, in Davis Hall. Jules Wolfers will be at the piano. The concert will be open to the public and there is no admission charge.

The Exeter Glee club which has been scheduled to sing at Abbot with the Abbot Fidelio society on last Saturday evening was unable to keep the engagement due to the fact that many of them were ill with influenza. The concert will take place however at 8:30 p.m. Mar. 15, in Davis hall and will be open to the public. Dancing will follow.

The date for the coming of Miss Phyllis Curtain, soprano, has been postponed from Mar. 15, to Apr. 12. Miss Mildred Hatch of the Abbot faculty, teacher of Latin and assistant in the administrative work of the school, has been granted a three-month's leave of absence to fill the place of the registrar in the registrar's office of Spelman college, Atlanta, Ga. who is also on a leave of absence.

The annual senior promenade will take place at Abbot the evening of Mar. 8.

**Newspaper Panel Features Meeting**

Prominent issues in the international and local fields were topics discussed by a panel of newspaper editors at the meeting of the Andover Service club last Thursday night at the Andover Country club. William F. Lucey, program chairman of the evening presented in the panel John A. O'Hearn, managing editor of the Lawrence Eagle-Tribune, William H. Heath, managing editor of the Haverhill Gazette, and Arthur W. Woodman, editor and owner of the New England Newspaper service at the state house. President Harold E. Heseltine presided. It was announced the auction night will be held at the Mar. 13 meeting, and that Henry F. Long, state tax commissioner, would be speaker at the Mar. 27 meeting.

## How smart can a Wife get?

" . . . I don't know . . . but my wife can sure spot a bargain. She knows most people earn nearly twice as much today as they did in 1940. But she also says all her costs are up. Most things she buys for the family cost 2 or 3 times as much as they did then . . . but not our telephone. Telephone rates in Massachusetts are up on an average of only 17% (less than 1/5). So she figures — the telephone bill takes a smaller proportion of my paycheck than it did in 1940. And she's right!"

### IT'S A BARGAIN THAT'S GROWING BIGGER

There are twice as many telephones today as there were in 1940 and more are being installed every day. There are a lot of new stores and businesses that you can reach by telephone — probably more of your friends have telephones now. And service is faster, better and more dependable.

Your telephone is truly Big in Value — Little in Cost.

### PTA Fun Night

The Shawsheen school hall was packed to capacity last Wednesday night when the PTA held its annual money making event in the form of a fun night. As a result of the efforts of the hard working groups a sum of around \$250 was raised.

The PTA uses the money from this affair to provide some extra service for the school. Donations of several valuable articles were given by Mr. and Mrs. John Tansey, Mrs. Edgar Joiner, Mr. and Mrs. William Sullivan, Mrs. William Dixon, Mrs. John McCarthy, Mr. and Mrs. P. Giovinco, Mr. and Mrs. Robert Hamilton, and Mrs. Walter Davis, and these were awarded, during the course of the evening, to the following: U. F. Thomas, Edna Keenan, Caroline Fiedler, Linda McCarthy, Susan Galnan, Anne Woodcock, Sally Howard, Barbara Lane and Jackie DeClerq. A complete list of the chairmen and their committees are as follows: Refreshments, Mr. and Mrs. Gerard Pelletier, chairmen, Mrs. John Reilly, Mrs. James Baxter, Mrs. Thayer Warshaw, Mr. and Mrs. Thomas Neil and Mr. and Mrs. James Batterbury; Plants, Mrs. Leslie Joliffe, chairman, Mrs. Douglas Howe; Preserves, Mrs. John Edhardt, chairman, Mrs. David Cardinal and Mrs. Richard North; White Elephants, Mrs. Albert Carpentier, chairman, Mrs. John Moriarty, Mrs. Joseph Gaudette, Mrs. Alan Woodcock; Bakery, Mrs. James O'Shea, chairman, Mrs. Charles Benedetti, Mrs. Alan Dunlop, Mrs. William Skully, Mrs. Stanley Chart, Mrs. Walter Davis;

Shawsheen Village Woman's club met at the home of Mrs. Herman Seinerth, Canterbury st. last Wednesday afternoon. Instead of the regular book review, the group enjoyed dessert and coffee and an afternoon of bridge and canasta. The next meeting will be at the home of Mrs. William Merchant, Canterbury st. on March 14 at 10 a.m. when Mrs. Lewis Putnam will review current literature.

### Dramatic Department

The dramatic department of the club met at the Andover Country club last Friday afternoon for its regular monthly meeting. Mrs. Katherine Blaney gave a very interesting talk on Godey's Ladies Book and the clothes and fashions of the early nineteenth century. She showed items of underwear from her collection of that period and members of the group modeled some of her nightgowns and negligees. Those taking part were Mrs. John Lowe, Mrs. James Batterbury, Mrs. Walter Caswell, Mrs. Frank Stevenson and Mrs. James Baxter. At the next meeting, which will be on March 7, the North Andover Woman's club dramatic department will be the guests of the local club and will present their minstrel show.

### Personals

**Commonwealth of Massachusetts**  
LAND COURT  
Case No. 22916-Reg.

To RUTH M. MACREADIE and BESSIE P. GOLDSMITH, of Andover, in the County of Essex and said Commonwealth; and to all whom it may concern:

Whereas, a petition has been presented to said Court by ANNIE M. WILSON, of said Andover, to register and confirm her title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Andover, bounded and described as follows:

Southeasterly by Elm Street 125.78 feet; Southwesterly by Maple Avenue 100.25 feet; Northwest by land now or formerly of Ruth M. Macreadie 119.42 feet; and Northeasterly by land now or formerly of BESSIE P. GOLDSMITH 62 feet.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House), or in the office of the Assistant Recorder of said Court at the Registry of Deeds at Lawrence in the County of Essex where a copy of the plan filed with said petition is deposited, on or before the tenth day of March next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, JOHN E. FENTON, Esquire, Judge of said Court, this fifth day of February in the year nineteen hundred and fifty-two.

Attest with Seal of said Court.

**CITES NEED TO EXTEND WATER MAIN**

(Continued from Page One)

street, South Main street, and Bancroft road to the reservoir is of 12-inch diameter and was installed in 1890.

Based on our experience with other sections of pipe of like age, it is to be expected that the effective diameter of this main has been reduced by tuberculation to at least the equivalent of an 11-inch pipe. This condition causes increased friction during pumping hours, which lowers the output of the pumps, and during the non-pumping hours it reduces the backflow thru this main from the reservoir to the central part of the town.

The consulting firm of Weston and Sampson made a comprehensive study of the Andover water system in 1944 and submitted a report to the town in January of 1945. One of the principal improvements recommended at that time was the installation of a new and larger force main from Haggetts Pond station to the intersection of Main Street and Phillips street, and from Phillips street via Central street to the square.

This work was done in two stages during 1945 and 1946 at a total cost of about \$300,000. As next in importance in its effect on the downtown distribution system, it was recommended that the force main be extended to the reservoir. This project has been placed before previous town meetings; but has not been voted upon favorably.

However, the board of public works continues to feel that this extension is of great importance to the town and that it should again be considered at this time.

The demands of the town as it continues to grow place an increasing load on the pumping and storage facilities of the water system. Under certain conditions of use it is impossible at present to supply an adequate quantity of water to the center of town when the pumps are shut down. The installation of the proposed 16-inch extension will double the quantity of water presently available to the distribution network under gravity flow and will also furnish the added protection of an auxiliary line between the center of town and the reservoir.

The new and larger line, which will be of cement lined cast iron pipe, will reduce the pumping friction losses during the hours when the reservoir is being filled. While it is difficult to accurately forecast the potential savings due to more efficient pumping, because of the many variables involved, it is not unreasonable to expect the annual saving in power costs to be on the order of \$800.

In addition to the above stated major benefits to be obtained by present construction, it should be further considered that this extension is an integral part of the overall water improvement program. Its importance and necessity will become more and more apparent as time goes on, and ultimately it will have to be constructed. At the present writing it is estimated that the construction cost will be \$55,000. The cost trend of such work has been rising steadily since the last war and it is reasonable to assume that this trend will continue. Hence the board feels that in terms of dollars this proposed extension will never be constructed any cheaper than it is presently estimated.

### Offers Scholarship In Nature Course

The Andover garden club is offering for the third consecutive year a scholarship to the Audubon Society workshop at Barre. The workshop offers camp counsellors, teachers and others interested in nature, a brief but co-ordinated course in natural history and conservation. This course is open to all boys or girls of high or junior high school age.

The club has tickets for the spring flower show at Boston available at the reduced rate. They may be purchased at the Andover Book store or from Mrs. Ernest L. Wilkinson up to Mar. 3 at which time the price advances. There will be special showings at this show for members of the Massachusetts Horticultural society from 9 to 10 a.m., Mar. 10 and 11. Admission is by membership card and flower show ticket.

The Garden Federation of Massachusetts will hold its third annual Junior Nature Educational conference at Horticultural hall, Thursday, Feb. 28 at 10:30 a.m. This is a "workshop day" for all who work with children. The conference is open to the public.

### ESSAY CONTEST WINNER

Joseph Pellegrino, an eighth grade pupil at St. Augustine's school, was a winner in the essay contest conducted throughout the schools of the Boston archdiocese in connection with National Catholic Book week.

His contribution, "Criticism on Don Quixote," was selected from hundred submitted by members of Junior High divisions. The award was made Tuesday at Boston.

Joseph is the son of Mr. and Mrs. Joseph P. Pellegrino, 9 Sherbourne st., Shawsheen.

### Carillonic Bells To Mark World Day Of Prayer

In cooperation with the Andover Council of Church women, the Andover Baptist church will play the carillonic bells at intervals from 12 noon to 3 p.m., on Friday, Feb. 29. They will invite peoples of all faiths to prayer and meditation on this World Day of Prayer.

The World Day of Prayer has been observed for several years in many countries. Coming at the beginning of the Lenten season, it summons Christians the world over to assert their faith in God.

The Andover Baptist church will be open from 12 noon to 3 p.m. for prayer and quiet meditation. A

member of the board of deaconesses will serve as receptionist. Everyone is welcome.

The regular service of prayer, under the sponsorship of the Andover Council of Churches, will be held on Feb. 29 at 7:45 p.m. in the West Parish church. This service is open to all women of the town.

The guest speaker at the evening service will be Mrs. Teruko Kachi of Takarazuka, Japan, now a student at Radcliffe, and a graduate of Cambridge university, England.
