County Trade Board To Sponsor Local Projects

Will Meet Here Oct. 8 To Consider Several Highway Proposals

Andover, Lawrence and Methuen will be hosts to the Essex County board of trade at the Andover Country club Wednesday, Oct. 8 when several Andover projects will be considered for presentation to the state board of public works.

This Andover meeting of the county board will be attended by the selectmen and other town officials, state representatives of this district and officials from the neighboring communities.

Chief among the items to be discussed is the proposed improvement of Main street near Phillips academy which would eliminate the grass plot that juts out into the street over the area formerly occupied by the old electric car tracks.

This particular improvement was recommended by The Townsman in October 1949 in order to eliminate the traffic hazard there.

Academy officials have made a study of the situation and presented a plan calling for a safety island in the highway from Chapel avenue to Highland road which would provide two traffic lanes each 24 feet wide. Crossovers for vehicular traffic would be provided at Phillips and Salem streets.

At a meeting of the directors of the county board earlier this month in Beverly the president, Walter E. Billings, read a letter from Henry S. Hopper, comptroller of Phillips academy citing the need for a traffic separation island on the street

Cloudbursts Bring 2.19 Inches Of Rain

Torrential rains deluged the town late last Friday afternoon causing temporary flood conditions on many streets but doing no appreciable damage. The storm, which was general throughout this area, did much damage in Lawrence and other places.

Friday brought two storms, one with heavy thunder and lightning just before 5 a.m. that measured .68 inches, according to Essex Company records at Lawrence, and the other in the afternoon that measured 2.19 inches, a total of 2.87 for the day.

The afternoon storm, starting about 3 and ending shortly after 5 o'clock, was marked by four distinct cloudbursts, each of which sent great volumes of water rushing through the streets in streams so swift and wide as to make them impassable for pedestrians.

These copious rainfalls, four (Continued on Page 13)

Officials Regard Prospects At Marland Mills Bright

Punchard Opens With 18-0 Win

Punchard opened its football season under its new head coach, "Ed" Doherty at the local play-stead Saturday by scoring an easy 18 - 0 victory over Chelmsford.

Operating from a "T" formation the Blue and Gold ran up all its points in the first half when it chalked up 10 first downs. On the defense the local frontier was able to stop the visitor's offensive thrusts. Toward the close of the game Coach Doherty gave many of his reserves a chance to play, and it was only in this time that the Chelmsford team really moved toward its goal line.

Roger Barous exhibited some nice broken field running, and on one occasion broke loose to cross the goal line after an 88-yard run. However, the touchdown was nullified by a penalty.

Blood Donors Exceed Quota

Andover's bloodmobile visit was an outstanding success. During the two days 279 pints of blood were collected. A quota of 250 pints had been assigned. Blood program chairman Sidney P. White and all the Red Cross volunteers were delighted that Andover made such a magnificent response to the appeal for donors.

Officials of the Massachusetts blood program made a surprise visit to the blood center at South church Tuesday afternoon and had only the highest praise for the efficiency and smoothness of operations as conducted by the volunteers of Andover chapter.

The Kick-off

The "kick-off", the title which has been given to the student council dance, will be held Oct. 2 from 8 until 11 p.m. The music will be under the direction of George Emmons. Sally Seinwerth is chairman of the event. Working with her are, Joyce Mowatt, music; Marcia Tagney, Jack Laurie, Judith Colmer, and Charles Giovinco, refreshments; Alan Wadman and Randy Hurley, tickets; Libby Hatton and Tony Sullivan, publicity; and on the floor committee are, Roger Barous, James Gemmel, Shirley Murray and Margery Retelle.

Class Secretary

The sophomore class elected its secretary last week. The honor was given to Mary Boloian.

Class Dues

P.A.A. dues have been eliminated this year and class dues will replace them. Class meetings are being held to determine how much they will be. In previous years part of this money has been given to the band and an assembly fund. This practice will not be continued this year.

Bibles Displayed At The Library

In observance of Bible week, from Sept. 28 - Oct. 5, the Memorial Hall library has a display of various editions of the Bible, and books related to the study of the world's "best selling book."

There is an 1829 edition containing the Old and New Testament and the Apocrypha, translated out of original tongues; a Douai version translated from the Latin Vulgate; the Modern Reader's Bible, which presents the Bible in all its varied forms instead of adhering to the structure imposed by early commentators; the Short Bible, an American translation edited by Edgar J. Goodspeed; the Dartmouth Bible, an abridgment of the King James version.

Also there is La Sainte Bible, a French version dated 1854, a copy of the Biblia Sacra of 1852, a Syriac Bible dated 1826, and a copy of the New Testament, according to the Eastern text, translated from the Aramaic. With these is the beautiful newly published Revised Standard Version, released this month for the first time.

Aids and helps in reading and understanding the Bible are included in the display.

Andona Society To Meet Oct. 2

The members of the Andona society will gather at the Andover Inn for the first fall meeting at 6:45 p.m. Oct. 2. Dinner will be served and a business meeting will follow.

Plans for the season ahead will be discussed and committees for the various coming events will be named at this time.

The club's first project this fall will be a bakery sale to be held at the Andover Coal company, Friday, Oct. 10. This will be followed by a Halloween square dance, Oct. 31.

JUST WASH AND HANG, IN 7 QUICK MINUTES

That's right! As Arthur Godfrey tells you on television and ra-
dio, these marvelous curtains save time, labor and temper. No
ironing, no stretching, no starching. Just suds, rinse, roll in a
towel and put back on the rod. They
never shrink, never distort, always
wear their hems straight. That's not
all. They can't catch fire, are un-
harmed by the sun, mildew, rain or

Republicans Plan Harvest Supper

The Andover Republican town committee will hold a harvest supper in the Punchard cafeteria at 6:30 p.m., Wednesday, Oct. 8.

Chairman Robert F. MacMackin announced it would be a supper "for workers, for a Republican victory." There will be only one speaker, Mrs. Beatrice H. Mullaney, Republican candidate for secretary of state.

The following supper committee was formed: Mrs. Warren E. Barker, Kirk Batchelder, Fred W. Bradley, Mrs. James F. Dolan, Mrs. Allen Dunlop, Alexander Gibson, Mrs. Fred Kent, Miss Barbara Loomer, Mrs. Randolph Perry, Mrs. William T. Rich, Roland H. Sherman, Vincent F. Stulgis and Irving Whitcomb with Frederic A. Stott, chairman.

Philip K. Allen, executive secretary of the Republican state committee, emphasized the need of all voters to register. He said Andover has close to 1000 unregistered voters and unless they register by Oct. 3 they cannot vote at the election Nov. 4.

Interest Shown In Primaries

Events on the political front in the past few months brought a substantial number of voters to the polls last week.

Their interest in the district, county and state contests was shown here when nearly 45 percent of the registered voters went to the polls, an increase of almost 800 over two years ago. Of course that means that 55 percent remained away, but last Tuesday's showing was far better than the anemic turnout in 1950 when only about one-third of the electorate voted.

The expected statewide reprisals against legislators seeking re-nomination after the dispute over pension measures did not materialize. However, something of this nature may occur when the Independent voter, who does not appear in the primaries, gets out to cast his vote in the November election. Some were apprehensive lest voters would cut sound legislators who have good records in office.

Statewide, the Republicans nominated Roy C. Papalia for state treasurer over Fred J. Burrell in the only contest at the head of the ticket. His victory and the backing given Sen. Lodge, seeking reelection, Christian A. Herter, candidate for governor, and Sen. Sumner G. Whittier for lieutenant governor, is considered an indication of GOP unity for the coming election.

The Democrats cut Gov. Paul A. Dever, who was unopposed for re-election. In almost every section of the state he ran far behind Cong. John F. Kennedy, who ran unopposed for U.S. senator. In Andover 753 Democrats went to the polls but only 440 marked their ballots for Dever while 616 voted for Kennedy. In Lawrence Dever received 11,515 votes, Kennedy 16,328 and Cong. Lane, unopposed, 17,169.

Results of the primaries are going to bring many spirited contests down throughout the ticket. It is up to the electorate to weigh the records of all contestants and then get out and vote at the election Nov. 4.

HERE'S TO YOUR HEALTH

RICKETS--

The disease caused by a lack of vitamin D is called rickets. It is a disease of the teeth and bones and occurs in children who get insufficient vitamin D.

Vitamin D is present in only a very few foods but is plentiful in fish liver oils such as cod liver oil. It is now artificially produced in some foods by exposing them to ultra-violet light. Vitamin D is also formed by the action of sunshine on the skin.

It is now known that vitamin D helps the child to use calcium and phosphorus, which are minerals that are necessary for building strong bones and good teeth. As bones grow, they become hardened and strong. In rickets the growing ends of the bones do not harden and deformities, such as bowlegs, may develop when the baby begins to stand or walk. In mild or early rickets, which is the form usually seen nowadays, there are enlargements of the bones at the wrists and ankles and at the angles of the ribs. In babies these may be hidden by fat so that X-rays may be necessary to diagnose the disease.

Doctors say that children need vitamin D throughout their entire period of growth.

NEW BOOKS

The Peculiar War, Kahn.

A deeply moving account of a war that remains perplexing to many people as told by a roving reporter for the New Yorker.

The Americans At Home, Macrae.

About 100 years ago David Macrae, curious about America, landed in Canada and worked south and then inland to New Orleans. Here are his observations about Americans, their customs, habits, colloquialisms, etc.

Creation Of The Universe, Gamow.

A thoughtful book concerned with the fundamental question of whether the universe had a beginning in time and whether it has an end in space.

All The Best In South America - West Coast, Clark.

Businessmen, travellers and tourists will find this highly informative and interesting. Colorful historical background for present-day data of Colombia, Ecuador, Peru, Bolivia, Chile and Argentina.

Thurber Album, Thurber

A fine picture of the American Middle West in the past 150 years as it deals with Thurber's friends, family, teachers and colleagues in Columbus, Ohio.

Choosing The Right College, Turngren.

As teacher and editor of a teenage magazine the author is well aware of the questions about college that are asked by high school students, boys and girls. This tells how to finance, decide on type of college, religious affiliations, fraternities and societies; how to rate a college, how to gain admittance. New B & M Cars In Service Sundays

The new fall timetable of the Boston and Maine Railroad effective with the change of time Sept. 28 will include 21 new trains and 28 trains with faster running times, all listed in the new timetable form which is greatly simplified with "read-down" tables only.

A thorough study has been made of all trains operating on the system and many changes have been made in departure times to make a smoother operating pattern. These changes in departure times will also space evening train departures more evenly.

The new Budd Highliner cars will go into service between Boston and Haverhill on Sundays and will give this area 12 new Sunday trains with stops at Lawrence, Andover, Reading, Wakefield, and Melrose. The Budd Highliner leaving Haverhill at 11:38 p.m. Sunday will connect at Haverhill with the "State of Maine" which leaves Portland at 9:30 p.m. This will give passengers from Portland a late train departure to Boston by changing at Haverhill.

Very few changes have been necessary in the commuter service which seems to be fairly well stabilized on the departure times best suited to the commuter.

WILL ALLOWED

The will of Arthur M. Hoffman of 426 Andover st., Ballardvale, who died Aug. 10, was allowed by Judge John A. Costello in Essex County probate court recently. His widow Ida E. Hoffman, was named executrix. The estimated value is \$300 in real estate and \$1375 in personal property.

The future of our country depends upon the sound, sane thinking of its citizens.

Says Autos Speed On River Road

A complaint against speeding on River road was considered by the board of selectmen Monday night.

A letter from a resident of that district stated that motorists frequently drive along there at a very fast clip making the road hazardous for children.

The letter also asked that white lines be painted in the middle of the road, especially at curves to keep cars on their own side of the highway at these points.

Complaint was also made that motorists throw rubbish from their cars as they drive over the road.

The letter was referred to the police department.

Carnival Report

Charles Bentley, chairman of the Ballardvale carnival committee has received from James D. Doherty, director of recreation, a report on the profits of the recent carnival.

In his letter Mr. Doherty says in part:

"It gives me great pleasure to report to you, as chairman of the Ballardvale Carnival committee, that I have deposited in the Andover Savings bank, to the credit of the Ballardvale Playground Association, \$120.82, which represents the net profit realized from the carnival held at the playground on Aug. 13.

"I have delayed giving this final report because I was waiting for

verification of a \$10 credit which makes our final figure that much better than the estimated \$110, which I told you we would probably make.

"On behalf of the playground committee and recreation staff, I want to thank you and the good people of the community who assisted us at the time of the carnival."

W. S. of C. S. Meeting Held

The Women's Society of Christian Service of the Methodist church met last Tuesday evening with the president, Mrs. Edwin Brown presiding. The treasurer's report was read by Mrs. Calvin Seifert. Dedicate College Buildings Sept. 29
The Most Rev. Richard J. Cushing, archbishop of Boston, will preside at the dedication of the three new buildings at Merrimack college at 3 p.m., Monday Sept. 29.
The public will have an opportunity to inspect the new build-

ings when open house will be held Sunday, Oct. 5.
The three new buildings are the latest additions to the proposed nine-building campus of the college founded by the Augustinian Fathers. A science building and liberal arts school structure were completed in 1951. The recently-finished structure is a faculty house and administration building.

You don't have to be a millionaire

TO BUY MEAT THIS WAY AND SAVE REAL MONEY!

LOTS of women, who have very limited food budgets, now buy a whole lamb, a quarter of beef or a whole loin of pork at one time.
They have the butcher cut the meat into small, daily, family portions. They pay less for meat this way than you do!
Then they put the meat into their

General Electric Home Freezer, and use it as they need it.
They save a lot of money, too, by buying fruits and vegetables in season. They even pay a lot less for ice cream by buying it by the gallon.

GENERAL ELECTRIC HOME FREEZER

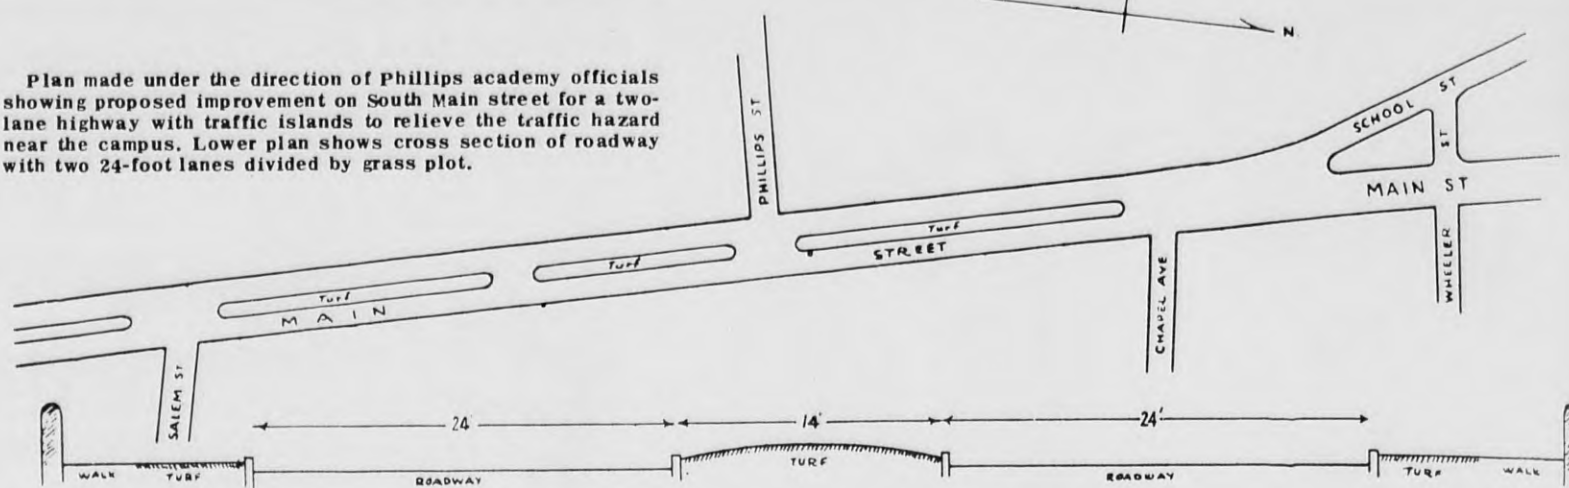

SUCH A CONVENIENCE, TOO!
You don't have to worry about shopping every day, or what you're going to have for dinner. You can laugh at rainy weather.
There's no more shopping problem when you or the children are sick. And you always have plenty of food right on hand when guests drop in unexpectedly!
See the dependable General Electric Home Freezer. Let us prove to you how it saves you money day in and day out!

COUNTY TRADE BOARD TO SPONSOR PROJECTS

(Continued from Page One)

where it passes the academy campus.

Plans and sketches which the academy had prepared some time ago in connection with this pro-

posal will be displayed at the coming meeting. The academy is seeking the support of the trade boards in having this project undertaken by the state department of public works.

Another project to be considered will be the proposed relocation of Route 28 from Stoneham to Methuen, by passing these towns as well as Reading, Andover and Lawrence. This might necessitate the building of a new bridge over the Merrimack river above the falls, but proponents of the measure point out that a new bridge has recently been approved for Lowell and a similar improvement may be possible for the Lawrence area.

A third major improvement to be considered is the possibility of re-routing Route 110 all the way down the south side of the river from Chelmsford to join the new Route 1 as it crosses the Merrimack at

Newburyport.

This would mean a new highway passing through Andover somewhere in the vicinity of Shawsheen heights. It would also mean that direct traffic from the western part of the state would be taken out of the business section of Lowell, Lawrence and Haverhill.

The directors of the county board have announced that Harold E. Heseltine is on the publicity and membership committees, and Chester D. Abbott on the committee on dutch elm disease.

OBITUARIES

JAMES HIBBERT

James Hibbert, 36½ Maple ave., died Saturday at the Lawrence General hospital following a short illness. Born in England he had resided in Andover for 53 years and was employed in the Shawsheen mills warehouse. OFFICIALS REGARD MARLAND OUTLOOK BRIGHT

(Continued from Page One) better equipment in a continuing program.

Marland mills is now producing the famous Hockanum men's and woman's wear fabrics formerly made in Connecticut. It is gratifying to Marland mill workers, who are always known for their high quality workmanship, that they have been selected to maintain the Hockanum name.

The fact that the people of the plant have succeeded in having steady employment during the past year is another indication of their progress. Marland employs approximately 500 people who have been working all the past year when other plants have been closed due to lack of orders.

The visiting officials were members of the company's manufacturing committee which meets periodically at different locations near its plants. The meeting of the committee took place at the Andover Inn Wednesday and was followed by the visit to Marland mills the next day. The committee previously visited the Osgood mills in North Andover.

Local residents working with the visitors were: Walter L. Goddard of Dascamb rd., general manager of the M. T. Stevens & Sons Co. mills in New England, David L. Markert of Chestnut st., superintendent of the local mill, and David J. Fox of Appletree lane, assistant general manager.

During their stay here the visitors also paid a visit to the Dundee warehouse.

Junior Garden Club To Be Organized

Mrs. John B. Cecill Jr., president of the Andover Garden club, announces the formation of a Junior Garden club under the chairmanship of Mrs. Ernest L. Wilkinson. The counselor will be Mrs. Adeline M. Wright.

The first meeting will be held at 3:15 p.m. Tuesday, Sept. 30 in the Central elementary school. All children from the third grade through the sixth in the Central school are eligible for membership. Plans for club activities include field trips, flower shows, bird walks, arranging bouquets and similar endeavors.

CLOUDBURSTS BRING 2.19 INCHES OF RAIN

(Continued from Page One)

within two hours, put a terrific load on the town's drainage system. The water from one was still being carried off when the next sent a new torrent pouring into catch basins and drains everywhere.

For this reason the catch basins could not take the rain off as fast as it fell, causing miniature floods in many places.

On Main street the water at times was lapping over the curbstones and when the 5 o'clock downpour struck it sent small streams racing over the sidewalks.

Because of the morning storm, employees of the board of public works were engaged for several hours clearing fallen leaves and other debris from catch basins before the afternoon storm broke. But for this precaution the flood conditions in the afternoon would have been much greater. As it was, the rain washed down more leaves and debris which piled up at the mouths of catch basins but the department had its crews out relieving these conditions as fast as possible.

After the storm the fire department received only one call to pump out a cellar.

Information For Veterans

Q—I am a World War II veteran, and I just received notice from VA that my GI term insurance policy will expire soon. Must I take some action before that date—either to renew or convert—or will I have a grace period afterward, to do something about it?
A—That expiration date is a final date, and there is no grace period. If you want to continue your insurance, you must send VA your application for renewal or conversion, along with the proper premium for the new policy.
Q—Before I re-entered service a year ago after having served in World War II, I bought a home with a GI loan, which was guaranteed for \$7,500, the top amount. Under the Korean GI bill, will I be entitled to another GI loan, based on my service after Korea?
A—No. Since you have used up all your entitlement under the World War II GI bill, you will not be eligible for another GI loan under the new law.

Information For Veterans

Q—I am a World War II veteran, and I just received notice from VA that my GI term insurance policy will expire soon. Must I take some action before that date—either to renew or convert—or will I have a grace period afterward, to do something about it?
A—That expiration date is a final date, and there is no grace period. If you want to continue your insurance, you must send VA your application for renewal or conversion, along with the proper premium for the new policy.
Q—Before I re-entered service a year ago after having served in World War II, I bought a home with a GI loan, which was guaranteed for \$7,500, the top amount. Under the Korean GI bill, will I be entitled to another GI loan, based on my service after Korea?
A—No. Since you have used up all your entitlement under the World War II GI bill, you will not be eligible for another GI loan under the new law.

Little Leaguers Enjoy Outing

Last Sunday the Andover Cardinals Little Leaguers' parents held an outing at the farm of Sidney P. White at which over 75 parents attended.

A baseball game between the fathers and sons resulted in an easy 8 - 3 victory for the sons.

A baseball throwing contest for mothers and sons resulted in the following winners: mothers, Mrs. Mrs. Robert Leete; boys 11 - 12 years old, John Giovinco; boys 10 years and under, William Dubocq.

Several presentations were made during the afternoon. Chairman Gordon L. Colquhoun on behalf of the parents presented engraved cigarette lighters to the coaches, Thomas Law and Carl Erier. Charles Dalton presented Commissioner Charles O. McCullom with an engraved pen and pencil set on behalf on the parents.

The Coaches cup, awarded to the player who in the opinion of the coaches was the most improved, cooperative and aggressive, was presented to Douglas Anderson, regular catcher for the Cardinals.

Harold Wennik, tam system director, and his assistant, Harold Bishop, spoke briefly on activities of the system.

James P. Christie, treasurer of the league and of the Andover Boosters club announced that the Boosters had agreed to underwrite the Little League program next year.

LIBRARY HOURS FOR YOUNG PEOPLE

Beginning on Oct. 4, the Saturday "summer hours", which proved so satisfactory during the months of July and August, will be adopted by the Young People's library until further notice. This will mean that the library for boys and girls will be open every school day from 11:30 to 12:30 o'clock and from 2 to 6 p.m. and on Saturdays from 10 to 12 noon.
