Award Contract For Control Of Elm Sq. Traffic

Contracts for a traffic control system and a traffic tower in the square were awarded by the selectmen at their bi-weekly meeting Monday night.

Two bids for the traffic control system were received and the contract awarded to R. W. LeBaron Inc., of Arlington, the lower bidder, who submitted a figure of \$7890. The other bid of \$8105 was from the Municipal Signal & Supply Co., of Boston.

The board also received two bids for the traffic tower, one from P. I. Gaudet, 85 Essex st., for a brick veneer at \$1154, and the other from Alexander H. Henderson Argilla rd., for brick veneer at \$1788.15. The contract was awarded to Gaudet, the lower bidder.

The contracts specify that the work will be completed 120 days from the time the contract is awarded.

Pomp's Bus Service In Great Demand

The Recreation committee announces that beginning Monday, July 19 the children who attend morning swimming classes at Pomp's will make the return trip to Elm square and Shawsheen square at 12:30 p.m.

There is an increasing number of children from these points using the bus daily. There is also a vast increase of youngsters 6 and 7 years old from all sections of the town seeking transportation to and from the pond.

There is but one bus, that driven by Alvah Wright, engaged in this service and the committee feels that the demands for transportation are so great that it is impossible for one bus to take care of all.

Extends Thanks For Carnival Aid

The committee in charge of the carnival sponsored by the American Legion post wishes to express its thanks and appreciation to all who volunteered their services during the recent Fourth of July celebration.

While it was not as successful financially as it was hoped, the committee still has enough money after expenses for a small fund toward a scholarship for a Punchard high school graduate next year.

From a community service and civic standpoint the committee feels it was highly successful as it provided a long weekend of entertainment for those who remained at home over the holidays.

The American Woolen company regains its place this year at the top of the list of the town's heaviest taxpayers with a real estate assessment of \$55,114.55.

This is the position it held for many years prior to 1951 when the Lawrence Gas & Electric company moved into first place and held it for three years until its gas and electric operations were separated.

As a result the Lawrence Electric company this year becomes the town's second heaviest taxpayer with a total assessment of \$54,308.93 (\$53,754.32 personal property and \$554.61 real estate) and the Lawrence Gas company with a total assessment of \$16,144.44 (\$14,170.44 personal property and \$1974 real estate) moves down to sixth place. Their combined taxes, however, would again place them at the top of the list with \$69,898.73.

The Trustees of Phillips academy are third among the heavy taxpayers this year with a total assessment of \$23,870.23; the Tver Rubber company fourth with \$20,087.81, and the N. E. Tel. & Tel. company fifth with \$19,119.60.

The list of the heaviest taxpayers for 1954 is as follows:

Real Estate
Anglesea H. & John R. Abbot, trs., \$1,338.33; John R. Abbot, \$857.75; Trustees of Abbot academy, \$4,623.64; Albert I. Jr., & S. Kathaleen Alexander, \$1,354.78; American Woolen Co., \$55,114.55; Andover Associates, Inc., \$1,575.-

Seek More Donors For Bloodmobile

Walk-in donors will be welcomed at the Red Cross bloodmobile when it visits the South church between 1 and 7 p.m. July 20. Because the blood supply is so low, the Andover Red Cross must find about four donors a week who will give blood at the Lawrence hospitals. A reserve supply for accidents and disasters is urgently needed.

Mrs. Roland Sherman, registration chairman, will make bloodmobile appointments for those who call Red Cross headquarters, Mrs. Archie Gunn will be in charge of the nursing staff for the visit, Mrs. Henry G. Tyer will direct the staff aides, and Mrs. Bernard Capen, the canteen.

OBITUARIES

JOHN M. CRONIN

John M. Cronin, 11 Center st., Ballardvale, died July 7 in the Lawrence General hospital, where he had been a patient for the past month.

Born in Andover, he was a World War II veteran and was employed as a shipper at the Tyer Rubber company. He attended St. Joseph's church, Ballardvale.

Surviving are three brothers, Fred of Ballardvale, William P. of New Orleans, La., and Dr. J. Joseph Cronin, of Boston; a sister, Miss Margaret Cronin of Lawrence.

The funeral was held Saturday from the John Breen Memorial funeral home, Lawrence, with a high Mass of requiem at 9:30 a.m. in St. Augustine's church.

The Rev. Henry B. Syvinski, O.S.A. was the celebrant. The Rev. William Proctor of Springfield was seated within the sanctuary. James E. Sheard was the soloist and Miss Mary F. Lanigan presided at the organ. Burial was in St. Augustine's cemetery where Fathers Syvinski and Proctor conducted committal services.

The flag which draped the casket was presented to Fred Cronin,

brother of the deceased.

The bearers were: William J. Cronin, Eugene Murnane, Raymond Dean and William J. Cronin.

A delegation from the Tyer Rubber company attended the funeral.

Harvey Bullinger McCrone

Harvey Bullinger McCrone of Westwood Village, Cal., a former Andover resident, died July 5 in the Methodist hospital, Los Angeles, Cal., after several weeks' illness.

He was a graduate of Phillips academy, class of 1911 and Brown university. Mr. McCrone was a member of the Associated Artists of Pittsburg, Pa., where two of his pictures were hung in the Carnegie Galleries. He was past master of Masonic lodge 17, F. and A.M., Watertown, Conn., where the family resided, moving to Los Angeles in 1935, a member of the First Congregational church of Watertown, Conn., and was owner and manager of Brass & Copper Specialties company of Los Angeles.

Surviving are his widow, Anne Coleman McCrone, formerly of Andover, two daughters, Mrs. John Wesley Parrish and Mrs. William Itner Orr, and nine grandchildren, all of Westwood Village, Cal.; two brothers, Walter C. McCrone of Old Hickory, Tenn., and Charles McCrone of St. Johnsville, N.Y.

Cremation took place in Los Angeles and a Masonic service will be held later in Watertown, Conn., and burial will take place in Watertown cemetery.

MRS. GEORGE HARTMAN

Mrs. Mabel (Robinson) Hartman, wife of George Hartman, 89 Elm st., died July 8 in the Lawrence General hospital after a long illness.

Born in Andover, and a lifelong resident, she was a graduate of Mount Holyoke Teachers' college and was a teacher in the old West Andover elementary school.

Surviving besides her husband are three daughters, Margaret, wife of Harold Whitneck of Salem, N.H., Frances, wife of Robert Haden, of Hollis, N.H., and Ruth, wife of Carl Calvery of East Barrington, N.H.; a brother, Ralph, of Florida; six grandchildren; and several nieces and nephews.

The funeral was held Sunday from the John Breen Memorial funeral home, Lawrence, with services at 2 p.m., by the Rev. Levering Reynolds Jr., Th. D., pastor of the Free church. Burial was in Old South cemetery.

The bearers were: George, Robert and Robin Hartman and John Hartman Jr.

MISS ANNIE I. BUCHAN

Miss Annie Isabel Buchan, 82, 12 Lincoln st., died Sunday afternoon in her home after a short illness.

Wedding . . .

TARMEY - WILLIAMS

At a 2 o'clock ceremony Saturday in the Immaculate Conception church, Lowell, Miss Ann Calder Williams, daughter of Mr. and Mrs. James Hutton Williams, 53 Park st., became the bride of Robert Joseph Tarmey, son of Mr. and Mrs. Thomas Tarmey, 186 Perry st., Lowell. The Rev. Bertram Silva officiated.

Escorted by her father, the bride wore a gown of triple tiered nylon net and imported Chantilly lace fashioned with princess collar, long sleeves and full cathedral train. Her fingertip veil of illusion fell from a pearl trimmed cap and she carried a bouquet of stephanotis centered with an orchid. The maid of honor, Miss Dorothy Williams of Andover, wore a midnight blue gown trimmed with white. Her headpiece was of white and she carried white roses. Miss Mary Kathleen Hession of Lowell, niece of the bridegroom, was the flower girl. Her gown was of light blue with matching beanie and she carried a colonial bouquet.

Brendon Tarmey of Lowell was his brother's best man and the ushers were Robert Williams of Andover, brother of the bride, and Ruby Carabatsas of Lowell.

A reception at the home of the bride's aunt, Mrs. Robert Fournier of Lawrence, followed the ceremony.

After a wedding trip to Hyannis the couple will reside at 243 Westford st., Lowell.

The bride is a graduate of Punchard high school and was employed with the Tyer Rubber company. The bridegroom was graduated from Lowell high school and is employed as a stockkeeper at Camp Devens. He is a discharged veteran.

WEDDING INTENTION

The following wedding intention has been filed in the office of Town Clerk George H. Winslow.

Andrew D. Milne, 190 Summer st., and Helen E. Leyland, 312 Turnpike st., North Andover.

Travel Trash

Since 1948 Massachusetts has spent nearly \$400 million on highway construction. By 1957 it will be nearly \$600 million.

Taxpayers of the commonwealth are footing a huge bill for this excellent system of highways yet maintenance costs are rising because of the so-called "travel trash" thrown from vehicles. More than 4400 truck loads of debris were harvested along our state highways last year.

Gov. Herter and the state department of public works have directed a plea to motorists to aid in a drive to keep our highways free from litter. Careless disposal of "travel trash" has created numerous hazards as well as maintenance problems. Lighted cigarettes flung from cars have been the cause of fires that destroy valuable woodlands. Broken glass on roads has become a pedestrian as well as an automobile hazard. The remains of a picnic can become a health menace.

To keep the highways free from such litter a number of "travel trash" bins have been installed in conspicuous places on roadsides. Motorists are asked to cooperate in this "highway cleanup program" by keeping their refuse in their cars until they reach one of these receptacles.

Everybody can help make this drive a success and at the same time help themselves to pleasanter and safer travel.

The principle that must forever be stressed, regardless of all other considerations and controversies, is that commercial business belongs in the province of private enterprise and nowhere else. — St. Johnsbury (Vt.) Caledonian Record.

Necessities of life, such as food and clothing, should not be made to cost more on account of taxes. — Essex Jct., (Vt.) List.

DISHPAN HANDS By Science Features

A woman's work is never done, according to an old maxim, but very few people regard housework as injurious. Yet the housewife does know occupational diseases. Dishpan hands or, as it is known when more serious, housewives' eczema, is becoming more and more common.

In a study of 145 cases of eczema of the hands Dr. Matthew J. Brunner of Chicago found that 108 patients were housewives. The doctor described the ailments as starting with dryness, redness and scaling which, when the condition became more severe, led to cracks in the skin, crusting and blistering.

Continued dunkings in hot water and soap are responsible for the condition, along with other household culprits such as ammonia water, bleaches, detergents and solvents (as in waxes and polishes).

Treatment, based on the idea that the eczema is primarily due to irritation and the skin is extremely sensitive to household agents, is simple. The doctor said that "cosmetic cleansing creams are sometimes useful," and that petrolatum, boric acid and zinc oxide ointments are also recommended.

Serious outbreaks demand the attention of a physician who will check for secondary infection. Dr. Brunner reported that "antibiotics are given orally and sometimes produce spectacular improvement." Terramycin orally administered for five to seven days was preferred over drugs that are applied to the skin to fight infection.

The most important point for the patient is to remove the irritating causes. Possibly to the dismay of other members of the family, Dr. Brunner stated that "the patient is urged to do only a minimum amount of housework . . . and to enlist the aid of husband or children in dishwashing and other kitchen duties."

Maj. Ermer On Duty With Records Unit

Major Arthur W. Ermer of Andover, commanding officer of the 324th Machine Records unit, U.S. Army Reserve, is currently on a two-weeks' active duty training with his unit at Camp Kilmer, N.J.

The unit is comprised of men interested in mechanized statistical and accounting systems in civilian business as well as in the army. A majority of the members of the unit are residents of Greater Lawrence.

Major Ermer resides at 240 Highland rd., with his wife, the former Ruth Leach, and their two children, Candy and Curtis. He is the credit manager of the Tyer Rubber Co.

Down the Years with The Townsman

50 Years Ago — July 1904

Two special electric cars containing picnickers from North Reading passed through here yesterday morning bound for Canobie Lake.

Work is being rushed on the new heating plant for the schools by E. W. Pitman and the sanitary work by W. H. Welch & Co. is also being hurried.

An open air exhibition of moving pictures and advertising will be given throughout next week, weather permitting, in the rear of the Musgrove building. The pictures will be given by Col. C. L. Saunders and son and will consist of war scenes in the Philippines.

Barges for the South church Sunday school picnic tomorrow at Haggett's pond will leave the church at 8 and 10 o'clock.

Frank B. Jenkins is enjoying his annual bicycle trip to the White mountains.

Two 15-seat cars have been filled for the trolley ride to Canobie Lake next Thursday evening.

A bicycle owned by Omar P. Chase was stolen last Saturday afternoon. Chief Frye is working on the case and has a good description of a suspect who has been missing from town for the past few days.

Miss Bessie Goldsmith is teaching in a summer school in Portsmouth, N.H.

Malcolm McTernan has entered the employ of Hardy & Cole during the vacation.

The body of one of the victims of the Fourth of July drowning accident in the Merrimack river at Lawrence, Seymour J. Leighton, was brought to Andover last Saturday and interred in the family lot in the South church cemetery.

Andover has been invaded by swarms of brown tail moths. Their sudden arrival has put farmers and other citizens in a furor. Tree Warden J. H. Playdon had a force of men going around to all the arc lights brushing them down and destroying them.

Word has been received from Buenos Ayres announcing the bestowal of a gold medal on the Ballardvale Lithia spring water during an international exposition held there in April and May.

25 Years Ago — July 1929

The number of building permits issued here for the first six months of 1929 is only 40, as compared with 44 for the same period last year.

The playgrounds are now holding their first special activities with a large number of children enrolled in various contests.

The J. H. Champion store, the oldest grocery store in Andover, has been sold to James E. Greeley & Co., which has a fish and meat market on Essex street. They will move the stock of the "corner grocery" to their present stand.

The house at 124 and 126 North Main st., was moved across from the west to the east side of the street Monday with considerable disruption in traffic. This is the first step in the rebuilding of North

Main street.

The ladies auxiliary to Camp 111, Sons of Veterans, enjoyed a bus ride to Swampscott and Marblehead Thursday evening.

The Ballardvale PTA was formed at a meeting in the community room last Tuesday. Mrs. Miles Ward was elected the first president of the organization.

Members of the Andover Garden club were guests last Tuesday of Mrs. James C. Sawyer at her summer home in Durham, N.H. A large number attended, making the trip in private machines.

10 Years Ago — July 1954

J. Everett Collins, representative for the past four years, won one of the three Republican nominations to the position in Tuesday's voting. Mrs. Alyce Schlapp and Ralph Hill were also nominated in a close fight.

While bathing at Pomp's pond last Saturday a Lawrence man, Boles Zuromskas, 58, lost his life. He had been demonstrating to his wife and daughter, who were on the shore his endurance in staying under water.

The Rev. Thomas B. Austin, left St. Augustine's yesterday for Hollywood, Cal., where he will become pastor. On his way to the west he will visit relatives at his birthplace in Joliet, Ill.

The canning center opened Monday at the Free church.

Andover's carnival for the Servicemen's fund proved a grand success with large crowds on the last weekend adding considerably to the fund. The committee, under the chairmanship of John M. Erving wishes to thank all who patronized the affair or who assisted in any way.

Baking Birthday Cakes For Patients

AWARD CONTRACT FOR TRAFFIC CONTROL

(Continued from Page One)

town house a bid of \$35 from William C. Heinrich & Sons of Lawrence was accepted.

The selectmen also visited Elm court to view a fence on the Cronin property which, it is claimed, makes a traffic hazard as it is so high it blocks the view of motorists driving through. This is contrary to town zoning laws. The selectmen will have the town counsel write the owner about the action to be taken.

Miss Miriam Putnam, librarian, and Arthur Reynolds, chairman of the library trustees, were present and held a lengthy discussion regarding the extension of library services in the outlying areas of the town.

A delegation of Sterling street residents were present to discuss their receiving additional electric power for household appliances. Several petitions for poles in this Shawsheen Village area have been objected recently due to the objection of residents who want wires placed underground. It was decided to have the Lawrence Electric company petition again for services on Sterling street.

A recent request for bids on repairs of the Ballardvale Community room resulted in only one bid being received. This was rejected and the board voted to ask for new bids.

DISLIKE LOCATION FOR NEW HIGH SCHOOL

(Continued from Page One)

The board agreed with the idea of the building committee that a new three-grade high school be built and with some alterations the present high and junior high school buildings be given over to a three-grade junior high school.

The board further agreed that it would be wise to proceed slowly with the plans before arriving at a decision. It was further suggested that the building committee meet periodically with the school board and keep the latter informed as to the progress being made with the plans.

During the session it was voted on motion of William A. Doherty seconded by Roy A. Russell to instruct the superintendent to arrange with the board of public works to tie in the Bradlee school with the sewer line in Ballardvale when it becomes advisable to do so.

The revised school population estimates prepared by Supt. Erickson is based only upon the present school figures and does not take into consideration the new families that may move into Andover during the coming years.

The total estimates for the entire school population, which show an increase over the former figures published last January, are as follows:

	Former	Revised
1954 . . .	2320	2423
1955 . . .	2412	2527
1956 . . .	2501	2626
1957 . . .	2575	2708
1958 . . .	2649	2792
1959 . . .	2722	2867
1960 . . .	2751	2900
1961 . . .	2760	2908
1962 . . .	2775	2938

Life Saving Class To Open At Pomp's

Life saving classes will start next Monday when Greg Arabian returns from a four-week encampment with the USAF in Vermont to take up his duties as head lifeguard. These classes will operate from 6 to 8 p.m. Mondays, Wednesdays and Fridays. He will also be instructor for the advanced swimming class which will meet every Monday, Wednesday and Friday morning.

Tremendous progress is being shown in the beginners classes with about 200 registrants entered. From Don Light's class Bruce Benson, Joyce Pray and Jean Groleau are ready to be advanced to the in-

termediates, and from Jack Cole's class Judy Parent and James Sheard are ready to advance higher.

In the intermediate class Peter Winn, Joyce Nason, Alice Lynch and Peggy Williamson are ready to graduate into the class for junior life saving instruction.

The attendance at Pomp's has

You get more car for less

You get the most dollar-for-dollar value in a new Ford. And at trade-in time, Ford returns more of its original price . . . so it costs you less to own and drive.

(and the payments are easy)

You get tomorrow's styling

Ford's styling will do more than show friends your good taste. Long after other '54 cars are "old hat," your Ford will still be right in style.

(another reason why Fords "trade" high)

You get a V-8 engine

Ford is the world's largest builder of V-8 engines. Many higher priced cars are V-8s but Ford is the only car in the low-price field that offers a V-8.

(or the most modern Six in the industry)

You get ball-joint suspension

New Ball-Joint Front Suspension is the greatest chassis advance in 20 years! Only Ford and two higher-priced cars offer its easier handling and riding. It's yet another way in which Ford's worth more.

(greatest chassis advance in 20 years)

You get more for your trade-in

Our sales are high . . . so our overhead per car is low. And we're passing this saving on to you in the form of the highest trade-in allowances in our history.

(and more car to trade later)
