Red Cross Explains Stand On United Fund Campaign

Adopt New Policy For Blood Giving

A modification of the Greater Lawrence blood program has been adopted at a joint meeting of representatives of the hospitals and Red Cross chapters in this area. Its purpose is designed to promote blood giving at hospital blood banks only to those who participate in the program.

A serious depletion of blood supplies in the Greater Lawrence area has made this action necessary, according to a statement to which all those present at the meeting concurred.

The depletion has now reached a point where it would be impossible to cope with an industrial disaster and the hospitals find it necessary to dispense much less than the required amount of blood to a patient scheduled to undergo surgery for a much needed operation

THE TOWNSMAN

The directors of the Andover Red Cross have decided, unanimously, that the chapter can best continue to serve the community this year by retaining its present independent financial status.

This was the reply given by Leo Daley, chapter chairman, to an invitation to join the United Fund solicitation procedure newly formed for Greater Lawrence.

Mr. Daley wrote to Howell Stillman, chairman of the United Fund admissions committee, that the decision had been reached after the directors had thoroughly studied the pros and cons of a single fund drive, and had discussed them fully and openly. However, until they had conducted a much wider investigation, they could not determine that a joint fund raising plan was in the best interest of the Red Cross, an organization with unique responsibilities.

The American Red Cross is a great national organization, with semi-governmental obligations to serve the armed forces and their families, to collect blood, and to help in disasters. The extent of its program is largely determined by circumstances beyond the control of the organization. Its financial needs are decided by the course of national and world events, the size of our military forces, their dispersal, the degree to which they may be engaged in combat, the number, size and type of disasters. Chapters may be required to engage in special fund raising campaigns, in addition to the an-

Playgrounds Hold Annual Field Day

The annual field day for the playground youngsters was held last week at the Central playground with a large representation of participants from the town's six play centers.

The Central playground, with the largest number of entrants, gave a handicap to all others but managed to win by scoring 131 points. The others were: Ballardvale, 47; North District, 36; West Center, 35; Indian Ridge, 30; and Shawsheen, 15.

One of the highlights of the present season on the playgrounds was the announcement this week of the gold medal winners. They are selected on the basis of leadership, sportsmanship, helpfulness, good

Braves Win Title In City League

The Andover Braves clinched the City league title by defeating St. Patrick's Seniors 4-1 at the local playstead Tuesday night.

Larry Higgins, on the mound for the winners, allowed the visitors only one hit over the seven inning route and aided his own cause materially in the first inning with a single that drove in two of the three runs scored in the opener by the Braves.

3 Teachers, Librarian Elected By School Com.

The school committee Tuesday evening elected three new teachers and a school librarian, accepted the resignation of another teacher and gave some time to discussing the proposed new high school.

While considering the latter subject Sec. William A. Doherty injected a new idea into the project by suggesting a four-year high school. This would mean a two-year junior high school for grades 7 and 8.

C. Carleton Kimball presided at the special meeting at which a letter from C. P. Woodworth was read recommending two sessions at the high school level which would eliminate the necessity of a new building.

Miss Muriel C. Shaw of Exeter, N.H., was elected librarian for the senior and junior high schools on motion of Sec. Doherty seconded by Roy A. Russell, at a starting salary of \$3700.

Mrs. Margaret (McParland) Fingleton, 48 Abbott st., Lawrence, was elected fifth grade teacher at the

V.F.W. Post Honors Mrs. MacCord

The Ladies auxiliary to the Veterans of Foreign Wars held their regular meeting in the post rooms last Wednesday evening.

The highlight of the business session was the presentation of a framed certificate to Mrs. James MacCord, chaplain and past president of the local auxiliary. This was given in behalf of the national department and local post by Cmdr. George Milne in recognition of Mrs. MacCord's faithful assistance during the past 10 years in Poppy day sales. She was congratulated for her long hours, during all kinds of weather, in the sale of "Buddy Poppys", the proceeds of which go toward helping the hospitalized veterans of all wars.

A generous check was recently sent to the V. F. W. department for Christmas work to be done for veterans confined at various hospitals at Christmas time.

Plans are progressing for a plastic party to be held at the next regular meeting, Sept. 8. The public is cordially invited to attend and refreshments will be served by the committee, Mrs. Charles Spinney, chairman; Mrs. Fred Yancy, Mrs. Peter Quinn, Mrs. Herbert Folley, Mrs. James MacCord, Mrs. Thomas Eldred and Mrs. Louise Simeone.

ADOPT NEW POLICY FOR BLOOD GIVING

(Continued from Page One)

for the cure of a cancer or to stop internal bleeding.

Treatment of emergencies resulting from accidents is often delayed dangerously because of the lack of the proper type and amount of blood in the hospital blood bank.

The conference decided that only a well informed, responsible and sustained community effort could effect a solution of the problem and the seriousness of the difficulty must be presented to the citizens of this area.

Hospital blood supplies need constant and regular replenishment. The amount of blood in the hospital bank must be sufficient to guarantee that any patient will receive blood upon demand of the circumstances and without delay; blood that is given with the knowledge that replacement by the family and friends of the patient will be equally prompt. This depends entirely on the generosity and co-operative spirit of the Greater Lawrence community.

Never at any time does the Red Cross charge for blood; nor does the hospital, providing replacement is made. However, legitimate charges for pretransfusing, typing and handling, plus the equipment are made by the hospital.

The Red Cross cannot and should not be expected to constitute the major source of blood. In order to clear up confusion and eliminate delay, blood can and will be provided only to those who qualify under the following categories:

- a. persons who have donated as individuals during the preceding year to the Red Cross program.
- b. persons whose immediate family have donated as individuals during the preceding year to the Red Cross program.
- c. persons belonging to organizations actively participating in the Red Cross program to the extent of 33% of the membership during the preceding year.

All others applying for Red Cross aid are not entitled to this service and consequently the Red Cross will urge that such persons visit the local hospital bank to replace the blood used in the amount designated by the hospital.

It cannot be too emphatically stated that it is the responsibility of the family and friends of the patient requiring blood to see that replacement is accomplished at the hospital blood bank which dispensed the blood.

As the Red Cross states, it neither wants nor has a monopoly of blood. It cannot meet 100% of the indiscriminate demands, and it actively encourages donations to be made at the hospital where it is needed and where it is used. Complete cooperation between the hospital and Red Cross agencies and, most important, a sense of individual and community responsibility is needed to make the program a success.

Present at the conference were: J. Leroy Wood, M.D., chairman; Carl Blotner, M.D., for Bon Secours hospital; Milton D. Howard, M.D., for the Lawrence General hospital; the Rev. George H. Argyle of Methuen; Denis J. DeManche, for the Clover Hill hospital; Milton J. Meyers, D.M.D., of Lawrence; Barbara M. Loomer of Andover; Otto F. Student of the Lawrence blood program; F. W. Lilley, chairman of the Andover blood program; Mary V. Pikor, chairman of the Lawrence blood program; Annette A. Bernardin, executive director of the Lawrence Red Cross; and Esther E. Burnham, general field representative of the American Red Cross.

Engagements

Hancock - Cottrell

A November wedding is planned by Miss Barbara A. Cottrell, whose engagement to William Murdoch Hancock of Lawrence, son of Mr. and Mrs. Coalter Cabell Hancock of Richmond, Va., is announced by her parents, Mr. and Mrs. Charles Brown Cottrell of Hidden rd.

Miss Cottrell is a graduate of the Summit, N.J., schools, attended Salem college, North Carolina and the University of North Carolina, and is a member of the Alpha Delta Pi sorority.

Mr. Hancock is a graduate of the Richmond, Va., schools and attended the University of Richmond and New York university. He is a graduate of Pennsylvania State university and is a member of the Phi Gamma Delta fraternity. He served with the army during World War II, and is an engineer with the Western Electric company.

Deutsch - Black

Mr. and Mrs. Peter D. Black of Pelham, N.H., formerly of Andover, announce the engagement of their daughter, Jane Carol, to Michael H. Deutsch, of Des Moines, Iowa.

Miss Black, who graduated from Simmons college in 1953, is employed at the Iowa State Teachers college in Cedar Falls, Iowa. Mr. Deutsch graduated from Earlham college in 1952, and is an intern in psychology at the Mental Health Institute at Independence, Iowa. He is the son of Mr. and Mrs. Emil M. Deutsch of Des Moines.

NEW BOOKS

Confederate Agent, Horan.

There is a contemporary ring to this astounding story of the great Confederate conspiracy that came close to destroying the Union from within and of its master mind, Captain Thomas H. Hines, C.S.A.

Everyday Life in New Testament Times, Bouquet.

A fascinating account of how people lived in the Mediterranean world in the first century of the Christian world. Well illustrated from contemporary sources.

Bottle in the Sea, Guerard.

Author of the intensely interesting "Education of a Humanist," Professor Guerard here examines the thoughts, beliefs, feelings by which he has lived.

Guidance Services, Humphreys.

An introductory book, simple and direct in its treatment, intended to serve the needs of students of education and faculty members who are potential counselors.

Japanese Masters of the Colour Print, Hillier.

An exquisite book intended to appeal to the general art-lover as well as those already familiar with Japanese color prints. Illustrations in black and white and color are chronologically arranged, showing the development of this art.

Ladies of Courage,

Roosevelt and Hickok.

The authors show what women can do in public life by telling the stories of those who have been successful in politics locally or on the state or national scene. Among the scores of women discussed are such well-known figures as Sen. Margaret Chase Smith, Clare Booth Luce, Rep. Frances Bolton, Oveta Culp Hobby, Margaret Howard, Judge Florence Allen.

They Never Talk Back, Trefflich.

The largest wild animal dealer in the world advertises that he can supply anything from a hamster to an elephant on an hour's notice! A hilarious account of a unique business.

Twilight of the Dragon, Bourne.

An exciting, if improbable, tale of Peking during the Boxer uprising.

U.S. Grant And The American Military Tradition, Catton.

First book in new "Library Of American Biography" series, edited by Oscar Handlin, professor of history at Harvard.

Defendants Fined In Accident Cases

Andover police had two automobile cases in Lawrence District court Wednesday morning and in both cases the defendants were found guilty and fined.

George Koyoumjain, 22, of Park st., Lawrence, charged with operating an uninsured motor vehicle and operating to endanger was fined \$100 on the first charge and \$25 on the second. He was allowed 30 days to pay.

The defendant was operating a car involved in an accident at Chestnut street and Highland road the evening of Aug. 1. Officers Calvin Deyermond and Raymond Collins investigated. David Thomson of Clinton ct., operator of the second car, required treatment by a physician after the collision.

Richard Beauchesne, 20, of Lewis st., Lowell, was charged with operating to endanger. He entered a plea of not guilty but was found guilty and fined \$35. He paid.

Beauchesne was operator of a car that skidded on Main street, north of Morton street about 6:18 p.m., Aug. 4 and struck a tree, the impact throwing the driver and a passenger out of the car. Officers Calvin Deyermond and Raymond Collins investigated this accident.

How To Keep The Customers

It's no mystery why people keep on patronizing certain stores. They trade with them because they believe they can get lower prices, or better service, or more attractive selections, or some other appealing inducement.

What may not be so well known is why people stop patronizing certain stores and take their business elsewhere.

The Kentucky Grocers News recently touched on this. It said that a recent survey showed that of all customers lost by stores, one per cent died, three per cent moved away, five per cent changed because of friendship, 14 per cent had grievances, and nine per cent were not accounted for. That leaves 68 per cent. And this big majority took their trade elsewhere because of indifference on the part of the store. In other words, they had been made to feel that their patronage was not needed.

Nowadays merchants of all kinds and sizes, independents and chains, are concentrating on improving their contacts with customers. The fact that we are in a strong buyers' market has made that inevitable. A rude or inefficient or bored salesperson can drive squads of potential customers away, and for keeps. So successful retail stores are seeing to it that customers are warmly and courteously greeted and made to feel wanted and at home.

This is good for the stores. It is good for the buying public too.

Food And Gasoline

We have read much about Guatemala recently. As usual where communism is involved, discord and revolution brought misery and loss to the common citizen.

The country's economy was sagging badly after the new anti-Communist government took over. An interesting commentary on the situation appeared in Newsweek which said, "Food and gasoline were short and inflation was depressing the quetzal."

It is rather startling to see gasoline bracketed with food. One does not ordinarily think of it as being so vital a necessity, and yet what would happen in the United States if the gasoline supply were shut off for even a few days? Confusion would be complete in cities and on the farm, and in many cases food would be unobtainable.

The United States can be thankful that it has the greatest systems of food and gasoline distribution in the world. The two can be rightly paired together as necessities.

FOOD FOR MENTAL HEALTH

By Science Features

Good nutrition is necessary for good health, both mental and physical. Most people know that a well-balanced diet—one that contains sufficient minerals, carbohydrates and vitamins—is necessary for growth, energy and normal body functions. But new studies now show that a severe vitamin deficiency is known to be among the causes of at least 11 nervous or mental disorders.

Dr. Robert A. Peterman, medical director of J. B. Roerig and Co., and Dr. Robert S. Goodhart, scientific director of the National Vitamin Foundation, summarized 74 recent studies. They reported that disorders due to vitamin deficiencies involved such symptoms as mental deterioration or depression, hysteria, defective memory, loss of sense of location, hallucinations, ideas of persecution, anxiety and irritability.

The survey points out that large dosages of vitamins, as high as 10 times the amount required for normal nutrition, administered for long periods of time may be necessary to aid sufferers. Anti-stress formulas such as ASF have already been devised to meet the vitamin requirements for acute stress situations.

Major emphasis in the report is on the B vitamins. Lack of thiamine (B-1) may cause forgetfulness, difficulty in orderly thinking and insomnia. Insufficient riboflavin (B-2) may result in mental depression, visual disturbances and inability to concentrate, while not enough niacin may produce apprehension and anxiety, according to the study.

PIETERS TO TEACH AT PRINCETON U.

Richard S. Pieters, a member of the faculty of Phillips academy, has been granted a leave of absence to teach freshman calculus and statistics at Princeton university for the coming school year. This is the first time that a secondary school teacher has ever held a visiting lectureship at the university. He is an alumnus of Princeton and has been at Phillips academy since 1938.

SACRED HEART SCHOOL TO HAVE NEW DIRECTOR

Brother Fernand, S.C., has been appointed director of the Sacred Heart School for Boys in Shawsheen Village, succeeding Brother Fulgence, S.C., who has been transferred to St. Aloysius academy, Nashua, N.H., as director.

Brother Fernand, a native of Manchester, N.H., is former principal of St. Dominic's high school in Lewiston, Me. His appointment is one of the eight changes in the faculty of the Sacred Heart school.

Down the Years with The Townsman

50 Years Ago — August 1904

A large load of hay tipped over on Park street Tuesday morning.

A new tar sidewalk has been laid at Bartlet and Park streets.

Quoting matches are being played every evening on the Flag Pole grounds in Abbot Village.

Walter M. Lamont and Alexander Ritchie are members of the Lawrence Canoe club committee arranging for the regatta on the Merrimack river Sept. 10.

The park commissioners have a gang of men at work grading a piece of land at Bartlet and Chestnut streets which is to be a public park. When completed it will be another beauty spot for Andover.

Mrs. Harlan W. Whipple has returned from St. Louis after having made the trip from Boston with Mr. Whipple in his large automobile.

A man in a nearby town met death Sunday in a peculiar manner. While at an outing he was carrying a half barrel of beer on his shoulder when he tripped and fell. The barrel landed on his chest injuring it so severely that he died soon afterward.

Many local Grand Army veterans marched in the National Encampment parade of the GAR held Tuesday in Boston.

Four special cars were called into service for the final trolley party of the season held last evening under local auspices at Canobie Lake park.

It required the full seating capacity of six electric cars to accommodate those who attended the Tyer Rubber company outing Saturday at Revere beach.

Many local people attended the annual gathering of the Bailey-Bayley Family association Aug. 17 at Canobie lake.

We publish an item from a St. Louis paper regarding the auto trip to the World's Fair, saying, "Leading the tourists into St. Louis was Augusta Post of New York. With him was Harlan W. Whipple of Andover, Mass., president of the American Automobile Assn. Mr. Whipple was rather disconsolate at not being able to lead the brigade in his own machine. He came into East St. Louis on a train. Fifteen miles out of Springfield yesterday, on the last stages of the run, the Whipple car broke down. A crank shaft snapped and repairs were out of the question. This is only one of a series of mishaps which Mr. Whipple had on the tour. Near Toledo his machine ran into an express train. There were several other minor accidents."

25 Years Ago — August 1929

Work on the new Phillips Inn on the site formerly occupied by the Stowe house will probably begin next month. The Samaritan house crossed Main street Tuesday to the West campus.

A double birthday party was held Friday evening at the home of Mr. and Mrs. Winfield C. Folley of Rocky Hill rd. The occasion was Mr. Folley's 54th birthday and his son, Herbert's 18th. Both were recipients of valuable gifts.

Mary Doherty, 13, daughter of Mr. and Mrs. Peter Doherty of N. Main st., competing for the first time under the colors of the Boston Swimming Assn., won several prizes over the weekend, competing at Manchester-by-the-Sea Saturday and at the Revere Beach pool Sunday.

An auto believed stolen in Boston speeded through the square Saturday night narrowly missing Officer Deyermond, struck a passing machine and damaged another. Ignoring the officer's whistle to stop the machine turned into High street. Officer Deyermond commandeered a car driven by Fireman Henry Pomeroy and gave chase. At High and Haverhill streets their machine was struck by another car and the whole left side ripped off. The chase was abandoned.

A Lawrence woman is in a serious condition at the Shawsheen hospital as the result of being hit by an automobile on Haverhill street. The thoroughfare has become a speedway since its reconstruction and efforts are being made by citizens for better protection.

Wool men from near and far attended the annual outing of the Boston Wool Trade Assn. at the Andover Country club yesterday.

10 Years Ago — August 1944

The town reservoir was found nearly empty. The shortage of water is blamed on heavy use during the hot weather. Members of the BPW last Monday drove around town asking householders to shut off their sprinklers. North Andover and Lawrence came to our assistance by allowing us to pump water from hydrants at Union street and Wilson's corner. Many reasons advanced for shortage. Best theory is that the water system has not grown as fast as the town.

Seven new teachers were elected at a meeting of the school committee Monday night.

The OPA gives orders to enforce the rule on car pools in issuing gasoling rations to "B" and "C" applicants.

Pomp's will close its successful season Aug. 26.

The Rev. Frank Dunn, Mrs. Rita Buchan and the Rev. A. Graham Baldwin comprise the committee for the Andover Council of Churches which will conduct a religious survey early in the fall.

GETS B.U. SCHOLARSHIP

William R. Peters, R.N., son of Mr. and Mrs. Bert Peters of Boston rd. has received a one-year scholarship to Boston university from the National Institute of Mental Health. Mr. Peters, head nurse at the McLean hospital, Waverly, now a resident of Belmont, will resign his present position to give full time study in the field of psychiatric nursing. He was formerly an orderly at the Lawrence General hospital and in World War II served in the navy as a pharmacist mate.

WEDDINGS...

Karamourtopoulos - Dantos

At a 4 o'clock ceremony Sunday in Sts. Constantine & Helen church, Lawrence, Miss Lefcothea Dantos, daughter of Mr. and Mrs. Peter Dantos, 15 Pine st., became the bride of Harry Karamourtopoulos, son of Paul and the late Mrs. Paul Karamourtopoulos, 565 Haverhill st., Lawrence. The Rev. Evangeolos Triantafillides officiated before an altar arranged with potted palms and white gladioli. Doris Diamond of Lawrence, sister of the bridegroom, was the soloist and Helen Georges of Lowell, cousin of the bride, presided at the organ.

The bride who was given in marriage by her father wore a gown of white embroidered nylon tulle over paper taffeta. The bodice featured an illusion neckline and the bouffant skirt had paniers of ruffles on both sides extending into a cathedral train. Her fingertip veil of nylon tulle fell from a Juliette cap trimmed with imported seed pearls and she carried an arrangement of gardenias centered with an orchid and streamers of stephanotis.

Cynthia Dantos of Andover, sister of the bride, as her maid of honor, wore a waltz length gown of shrimp nylon net over taffeta, with matching stole, headpiece and shoes. She carried a colonial bouquet of delphinium, ivy and baby's breath. The bridesmaids, Eva Giovinco and Betti Gigis, both of Andover and Ann Karamourtopoulos of Lawrence, sister of the bridegroom, wore similar gowns in cotillion blue, matching accessories and carried colonial bouquets of rosebuds, ivy and baby's breath. Paul Karamourtopoulos of Lawrence was the ring bearer and Joanne Soris of Portsmouth, N.H., was the flower girl.

For her daughter's wedding, Mrs. Dantos chose a waltz length gown of grey Belgium lace with pink accessories and wore a white orchid.

John Karamourtopoulos of Lawrence was best man for his brother. The ushers were Charles Mastorakis and Peter Tsakle of Methuen and Phidias Dantos of Andover.

A reception in Crystal Ballroom followed the ceremony with guests present from Haverhill, Lowell, Brockton, Boston, Worcester, Pennsylvania, New Hampshire and Connecticut.

After a wedding trip to Lake

George the couple will reside at 26 Bowdoin st., Lawrence.

The bride is a graduate of Pynchard high school and Perry Normal school. In September she will teach at the Central school. The bridegroom is a graduate of Lawrence high school and a student at Emerson college. He served with the army in Germany for two years.

GODFREY - FORD

In St. John's Episcopal church, Pleasantville, N.Y., Miss Jo Ann Hardwick Ford, daughter of Mr. and Mrs. Joseph B. Ford of Mt. Kisco, N.Y., formerly of Larchmont, was married Aug. 14 to Robert Stewart Godfrey son of Mrs. Godfrey of 49 Cheever circle and the late Harold T. Godfrey. The ceremony was performed by the Rev. Bradford W. Ketchum. A reception followed.

Escorted by her father, the bride wore a gown of white paper silk shantung with fitted bodice adorned with a scalloped neckline, embroidered with seed pearls. Her illusion veil was held by a seed pearl crown. She carried white butterfly orchids and stephanotis. All the attendants wore gowns of mauve pink chrystalette.

Mrs. Robert D. Staten of Port Chester, N.Y., was her sister's matron of honor. Other attendants were: Mrs. James MacPherson of Leonia, N.J., Mrs. John Finck of Ithaca, N.Y., Miss Joan Godfrey of Andover, sister of the bridegroom; and Miss Marilyn McCarthy of Seekonk. Miss Elizabeth Towle of Manchester, Conn., was the flower girl.

Robert Mulcahy of Colonial Heights, Va., was best man. Ushers were David Austin of Reading, Elsworth Mann of Ridgewood, N.J., Allan B. Rogers of Andover, and John Finck of Ithaca, N.Y.

The bride is an alumna of Endicott Junior college of Beverly. Mr. Godfrey was graduated from Governor Dummer academy and attended Lowell Institute of Technology where he was a member of the Phi Psi fraternity.

After a wedding trip to Canada and Maine the couple will make their home in Laurel, Md., where the bridegroom is stationed with the armed forces.

MRS. ROBERT S. GODFREY

Must Show License In Auto Accidents

A change in the law regarding the showing of an auto license at the scene of an accident became effective Aug. 14.

According to Registrar King the change comes in the following amendment which has been added:

"Any operator who knowingly collides with or otherwise causes injury to any person or to any other vehicle or property shall plainly exhibit his license at the scene of

the accident upon request of the person injured or the person owning or in charge of the property damaged."

Among other events will be a penny scramble for the kiddies, a greased watermelon scramble for the older children, and competitive swimming for boys and girls of all ages.

The Andover Recreation committee in cooperation with Andover merchants has provided a fine array of prizes for winners of the various events. In addition there will be swimming and life saving demonstrations which will show what the youngsters attending the classes have accomplished in water work during the 1954 season.

The program will conclude with the presentation of certificates, diplomas and letters of congratulations to those who have completed various courses.

MINOR FIRES

At 5:10 p.m., Aug. 14 Engine 4 and the jeep extinguished a brush fire near the public dump.

At 9:55 p.m., Aug. 15 Engine 3 and the jeep were called to Essex street near Whitey's restaurant to wash gasoline from the street which had been leaking from an auto parked there.

Box 37 was sounded at 8:33 a.m. Wednesday after the kitchen at the home of Charles Sayles, 117 Salem st., became filled with smoke from a smokey oven. Engine 3, the jeep and ladder truck responded. There was no damage.

NEWCOMERS CLUB

A board meeting of the Newcomers club was held recently at the home of the new president, Mrs. Allyn B. Sears of Lowell st. Plans for a very varied and worthwhile season were made.

At the close of the business session refreshments were served by Mrs. Sears and her daughters, Kathleen and Karen.

Modern Traffic needs Concrete pavement

Traffic has increased steadily in weight and volume. Yet for more than a quarter of a century thousands of miles of concrete roads have rendered uninterrupted service while carrying most of the heaviest traffic.

Concrete meets every requirement of modern traffic: It is moderate in first cost. It has lower maintenance cost and at least twice the service life of other pavements. It is the safest pavement too. Its gritty surface grips tires firmly, permitting quicker stops in emergencies. Its light-colored surface allows maximum visibility at night. *If you can't see you can't be safe.*

Mr. Motorist, your license fees, gas and other taxes pay for building and maintaining roads. Insist on concrete to get the greatest pavement value for your money.

BRAVES WIN TITLE IN CITY LEAGUE

(Continued from Page One)

The first inning told the story. Bill Lucey opened with a double hit scored when Jake Polgreen followed with a single. Jim Murray fit safely, moving Polgreen to third, and Leo Daley was hit by a pitched ball to fill the bases. Higgins then inserted his safety to score two runs.

In the second inning the Braves notched another run when with two out Polgreen single, moved to second on a walk to Murray and scored on Larry Lynch's single through the box.

The visitor's only hit came in the sixth and scored Reusch who had walked and stole second.

Braves Top Red Sox

In a game that was called after five and a half innings on account of darkness the Andover Braves won a 1-0 decision over the Methuen Red Sox last Friday night at the O'Connell playstead. Andover got only four hits but two of them came in the third inning between two outs and accounted for the only run of the game.

The Methuen club actually went ahead in the first half of the sixth but when the side was retired it was obvious that no further play was possible and Umpire-in-chief Lefebvre called the game.

Stack pitched for the Braves and gave up only three hits and struck out seven.

Braves Lose Two

The Andover Braves dropped two games to St. Patrick's of Lawrence in a City league doubleheader at the local playstead Sunday afternoon which enabled the visitors to move into a tie for first place in the league standings. The scores were 2-0 and 6-0.

In the first game both pitchers allowed only two hits, but one of the visiting team's singles came with a man on third in the sixth and accounted for the first run, enough to win.

Andover made only two hits in the second game as the local nine was shut out for the second time. St. Patrick's was leading 1-0 going into the sixth when they scored three runs with a walk and three hits. Bases on balls and a hit accounted for two more runs for the visitors in the seventh. Both games were seven-inning affairs.

Rening pitched the first game for St. Patrick's and Cockroft the second. For the Braves Ronan was on the mound in the first game while Stack and Ronan twirled in the second.

JUNIOR LEAGUE**N. Andover 5, Andover 2**

Andover scored two runs in the first inning in a Junior league game against North Andover at Grogan's field Aug. 11 but could not hold the lead. The North Andover boys scored in the next three innings to win 5-2. Both pitchers allowed only three hits and walked four. Brown of Andover had eight strikeouts while Arsenal of the host team had seven.
