### Boards Discuss Over-All Plan For Andover

A long-range financial plan for the town was discussed by the planning board and finance committee Monday night.

It would establish a priority system for major town projects and plan revenue programs to keep pace with capital expenditures.

The proposed plan was first

### GIVE \$50,000 TO UNITED FUND DRIVE

Gifts to the Greater Lawrence United Fund exceeded \$50,000 this week.

Selectman Stafford A. Lindsay, Andover chairman, announced the figure on the basis of returns from Phillips academy, which boosted the total over the \$50,000 point. The academy gave \$6,228 compared with \$4650 last year.

Mr. Lindsay said there are some divisions which have not yet reported in full. The amount of contributions here has been about 10 percent higher than last year, he explained.

Girls of West Parish showed their parents and friends "what's fashionable this year" at a PTA-sponsored fashion show last Friday night. In front, left to right, are Kathy Tarbox and Maureen Cronin. In rear are, left to right, Susan Stevenson, Joyce Novak, Dottie Ann Minzner, Paula Chlebowski, Linda Urba, Charlene Tarbox, Joan Smythe, Leslie Maclaren, Diane Peterson, Sharon Dixon, Kathy Wojtkun, Judith McLean and Diane Rodden.

### Five Articles Before Voters Monday Night

The Finance committee has placed its stamp of approval on two of three school articles in the special town meeting Monday night.

Meeting with the school committee and members of the Taxpayers association Tuesday night, the board approved the request for \$7500 to draw preliminary plans for a school in Ballardvale.

Also approved was the article calling for \$45,000 for the West school addition.

Chairman Charles D. McDuffie told the school board that his group couldn't see how it could be done any cheaper.

### Reserves Opinion

The Shawsheen school article, calling for \$32,000 over the original \$85,000, is still under consideration by the finance committee.

Mr. McDuffie said the committee is worried about the constant shifting of pupils around in the schools and assigned Members

## Many Residents Oppose Firm's Bid To Make Concrete On Fletcher St.

### Mrs. Partridge To Retire From School Board

Mrs. Dorothy Trott Partridge, now completing her 12th year on the school board, will retire from that board in March.

(Continued on Page 14)

Residents of Binney, Fletcher, Shepley and Union streets appeared before the board of appeals Tuesday night to object to the request of the Acme Concrete company that it be allowed to manufacture concrete on its property on Fletcher st.

A. V. Thomason, attorney for the Stoneham firm, pointed out that "We purchased and are occupying and using" the old coal yard as a contractor's yard.

### Manufacturing Only

The request came before the appeals board only on the matter of manufacturing concrete - a process described as adding water to a dry mixture of sand or gravel and cement. The application also specified the manufacture of concrete

### Dr. Emmons Is Candidate For Selectman's Job

Dr. William V. Emmons, for 12 years a member of the board of health and currently its chairman, will be a candidate for selectman at the annual town election.

Dr. Emmons will seek election to the term to be vacated by Chairman J. Everett Collins, who has announced his retirement.

Dr. Emmons has been practicing optometry here since 1938 and has

## Rev. John Moses Cited For "Devotion Beyond Obligations"

The Rev. John Shapleigh Moses, rector of Christ Episcopal church since 1942, has been cited "For devotion beyond pastoral obligations" by Trinity college in Hartford, Conn.

The Rev. Mr. Moses, a graduate of Trinity, was one of 17 alumni awarded citations Nov. 11 by Dr. Albert C. Jacobs.

### Other Parishes

Mr. Moses graduated from the Episcopal Theological school in Cambridge and was rector of the Church of the Holy Redeemer in Chestnut Hill before coming here. He had also served as civilian chaplain at the Boston Navy yard and the Chelsea Naval hospital during World War I and was assistant minister of Trinity church in Boston and rector of St. John's church in Georgetown, D.C.

### Citation

His citation from Trinity college read: "A minister lives continuously with and for his people, and this alumnus of the class of 1914 has gained renown not only for his response to a lifetime of duty, but above all for his devotion beyond the call of his pastoral obligations at Christ Episcopal church, Andover, Massachusetts and other parishes which he has served."

"As civilian chaplain at Boston Naval yard and the Chelsea Naval hospital during the first World War, as a member of the Andover School committee, as instructor in religion at Phillips Andover academy and as a member of many organizations, he has, throughout his career, splendidly represented the man of God who lives as dynamic leader and sympathetic friend of his people."

## Annual Food Sale At Pike School On Saturday Afternoon

The annual food sale by the students of Pike school will be held Saturday from 1-5.

During the sale hours, members of the student council will serve tea in the kindergarten rooms. Silver donations will be accepted to go towards the building fund.

The food sale, to be held in the cafeteria, will include all kinds of pastry, meat loaf, jellies, jams and candy at decorated booths. There will be an old-fashioned penny candy store for small children.

Officers of the student council which is sponsoring the silver tea are Wendy Bolton, president; Margot Harding, vice president; Janice Simon, secretary and Henry Nassar, treasurer. Virginia Ganem is chairman of the hospitality committee.

## Chief Hilton Is Honored By His Many Friends

Fire Chief Henry L. Hilton was honored by hundreds of friends and co-workers Monday night at a surprise testimonial banquet in the Andover Country club.

Andover's new fire chief was presented with a mahogany secretary in honor of his appointment.

The affair was arranged by the police department, bringing the tribute: "Truly remarkable, when you consider the such great co-operation and coordination between the two departments," from Chairman J. Everett Collins.

After hearing many glowing trib-

utes, Chief Hilton responded: "What can a man say, but thank you."

Toastmaster at the banquet was Leo F. Daley, former Harvard athlete and local businessman. The chief was escorted to the head table by Police Chief David Nicoll.

Seated there were the Rev. Patrick J. Campbell, C.S.A., pastor of St. Augustine's church; the Rev. John S. Moses, pastor of Christ church; Chief and Mrs. Hilton, Mr. and Mrs. Lester Hilton, his mother and father; Toastmaster Daley, Chairman and Mrs. J. Everett Collins, Miss Ruth Hilton, sister of the chief; Selectman Sidney P. White, Miss Barbara Loomer, Selectman and Mrs. Stafford A. Lindsay.

Officers from many surrounding towns were present as were representatives of practically every town department here.

All three selectmen paid tribute to Chief Hilton

You will have  
to put up a bond

## When this time comes for you—

Yes, the day may come when you will have to put up a bond.

We, of course, don't mean a jail bond. But there are dozens of other kinds of bonds anybody may sometime need.

You may need a bond when you are appointed administrator of an estate, or an executor or a guardian. Or a bond to guarantee court costs if you sue somebody, a "replevin" (repossession) bond to protect the sheriff if he retakes something you've sold, or an attachment bond if you want him to seize property. Or you may have to give a contract bond, if you are going to put up a building for somebody.

Just keep us in mind for the day when you may possibly need a bond.

### Treasures Letter From "Ike"

Michael Gordon, 10-year-old son of Mr. and Mrs. James Gordon of Celia st., recently received a thank-you note from President Eisenhower, which most naturally is the lad's most treasured possession.

Young Mike, whose birthday was just six days prior to the President's, realized how much a birthday card meant to him and thinking of the President, whom he has followed since he was nine years old, sent him a birthday wish along with a note wishing for his quick recovery.

Although no reply was ever expected, he was sure glad when the white envelope with the "White House" engraved in gold lettering arrived to say "The President is deeply grateful for your kind remembrance of him on his birthday.

Your good wishes, coming during his convalescence, have been very heartening to him".

It is easy to see why this letter mailed from Denver would be such a treasured object.

Michael was not the only one who received a note of thanks. Richard Bravacos, son of Mr. and Mrs. Louis Bravacos of Canterbury st., also received an answer to his thoughtful letter to the President. Richard has the added honor of having his birthday on the same day as President Eisenhower's. Richard's note, similar to Michael's, mentioned the fact that he and the President shared the same birthday and wished young Richard a happy birthday as well.

### Shawsheen P.T.A.

The Shawsheen school on Nov. 9 was the scene of a large gathering for the annual Shawsheen P.T.A. fathers' night program.

President Andrew Innes presided, with the opening business being the vacancy left by the resignation of James O'Reilly as treasurer. Robert Paul was elected to fill the vacancy. Mr. Innes then urged those in the gathering to fulfill their duty as citizens and attend the coming town meeting.

The attendance banner was awarded jointly to Miss Harnedy's

sixth grade and Miss Anderson's kindergarden.

The meeting was then turned over to Donald D. Dunn, director of physical education in Andover who, with Miss Marshall and Charles Wilson, presented the program for the evening. Before presenting the gym team, Mr. Dunn commented to the audience that the youth of today has a great need for physical education as they no longer seem to be "doers" but are "content to be spectators". The gym team very ably showed the correct method of tumbling along with a variety of gymnastics. The progressive steps used in mastering the trampoline proved most interesting to the spectators present. They closed the program with a bamboo dance and for the approaching Yuletide season, a sleigh was molded from the body statues. The standard gym team pyramid brought the very interesting program to a close.

The kindergarden mothers and the third grade mothers were hostesses for the evening.

### Badly Injured In Fall

Arthur Walsh, son of Mr. and Mrs. Arthur J. Walsh of Binney st., who was seriously injured when he fell on the stairs of the high school, was discharged last Saturday after extensive tests and X-ray revealed a brain injury. He also received a severe laceration around the right eye. Although Arthur is feeling better, he has been advised by the doctors that it will be a long process to recover and that it will be several months, at least, before he will be able to resume full activity.

### Pack Meeting

The pack meeting of the Shawsheen Cubs of pack 71 will be held Friday evening at 7:30 at the Shawsheen school. The theme for the month is "America the Beautiful" and will be expressed by the boys in a Thanksgiving pantomime.

### Guest at Shower

Mrs. John J. Wholey of No. Main st. was hostess at a silver shower at her home Friday evening for Joan M. Young, daughter of Mrs. Nicholas A. Young and the late Nicholas A. Young of Swan st., Lawrence.

The guest of honor, whose marriage to Ensign Charles Brooks, U.S.N.R., of Canton will take place on Monday, Dec. 26 at St. Lawrence's church, received a lovely gift of silver from the many guests present.

Barbara Marsh poured at the buffet table which was attractively decorated in yellow and white.

Those attending the shower were Anne Kelly, Marilyn Meseth, Jean McCarthy, Phyllis Knox, Jackie Hayes, Pat Skeirik, Joanne Morse, Elaine Thornton, Christine Derby, Patsy Lanen, Barbara Marsh, Joan O'Reilly, Sally Ann Young, Mrs. Nicholas A. Young and Mrs. John J. Wholey.

### Women's Club Meeting

Mrs. Helen Snow Wilson, past president of the Nahant Garden club and a member of the Greater Lynn Garden club, demonstrated for the Shawsheen Village Woman's club at their Nov. 7 meeting in the Shawsheen school auditorium a variety of fruit and flower arrangements for use in the home at Thanksgiving time and throughout the year. Many of Mrs. Wilson's colorful arrangements combined fall fruits, flowers and vegetables along with feathers, but-

terflies and other unusual decorative materials.

Mrs. Walter C. Caswell, president, presided at the business meeting. An announcement was made of the American Home and Family Living division conference to be held at the Y.W.C.A. Nov. 29. All reservations for the luncheon at this time must be made by Nov. 21.

All members are asked to bring their year books to the January meeting of the club.

Mrs. Chester H. Wells and Mrs. John Franklin were named honorary members of the club and the following new members were welcomed: Mrs. Alan G. Chadwick, Mrs. Carl Limanna, Mrs. Philip Spinney, Mrs. William Moriarty, Mrs. J. Passinari, and Mrs. Stanley Butcher.

During the social hour, refreshments were served by the hostesses. Mrs. Alfred Kayworth and Mrs. J. D. Ledbetter were co-chairmen for the meeting.

### Phillips Andover Thrills Partisans, Wins, 14-12, In Last Six Minutes

Phillips academy defeated its arch-rival, Phillips Exeter, last Saturday, 14-12, at the Exeter field.

It was a real thriller, with Andover scoring twice in the final six minutes to salvage what had appeared to be a sure Exeter win.

Tony Forstmann, Andover quarterback, heaved two touchdown passes and kicked both points to put the game on ice for the local team. It was the fourth consecutive win for the Phillips Andover team and brought the over-all record to 39 wins for Andover, 30 losses and six ties.

Exeter scored twice in the se-

cond quarter, both times after costly Andover fumbles. The first happened on the Andover 40 and the second was on the Andover 20.

In the final period Andover took just five plays to move from its own 35 to the Exeter 22. Forstmann fired a strike to Trevor Grimm in the end zone for the first tally.

The second TD came after Exeter was forced to punt. Matt Freeman carried the return to the 44 from his own 19. After moving into Exeter territory, to the 31, Forstmann heaved to Freeman in the end zone. There was less than a minute left to play when the final TD was scored.

### LIBRARY TO CLOSE FOR TOWN MEETING

## BPW Has Fixed Dawson Lawn

The BPW has loamed and seeded the lawn of Mr. and Mrs. Herbert Dawson of Yale rd.

Chairman Sidney P. White reported to the board last week that the work had been done because water from the road had done damage to the lawn.

The Dawsons' had asked that part of the lawn be loamed and seeded, pointing out that water from the road had caused the damage, even before the hurricanes. The town had previously filled a washout at the end of Yale rd., also caused by the water running down the road, and into which the Dawson lawn had been washed.

### GUEST OF B.U. PROXY

Miss Marjorie Stewart was a recent guest of Boston university President and Mrs. Harold C. Case, during an informal afternoon session. The afternoon sessions are termed "Adventures in Conversation" and are being held for the fifth year.

## Water Problem Serious

The planning board is now considering the problems of upper Elm st. in relation to the proposal that some 300 houses be constructed there in the next two years.

Members of the board are concerned over water and drainage facilities in the area and banned all sub-divisions there until the master plan is prepared. Meanwhile, representatives of the Realty Construction company have asked that at least part of the development be considered before the master plan is done — and have offered to confer on the sharing of town expenses in the installation of additional water mains.

We think the planning board used good judgement in banning sub-divisions temporarily . . . and said so. Now we have dramatic proof of their sound judgement.

A fire last week on Brown st. killed over 3000 chickens and destroyed their house. Firefighters managed to get, at best, one full stream of water from the existing main in that area. Lines from booster tanks were also used.

But Engineer Ralph Preble pointed out that the amount of water available on Brown st. is more than could be anticipated for upper Elm st.

Thus, a fire in that area, which is now rather heavily built up, could mean total loss for the homeowner. For, on the basis of Mr. Preble's estimate, after careful measurements, there would not be one full stream of water available to fight a fire there.

That is reason enough, in our opinion, to halt all further expansion in the area until something can be done to enlarge and improve the facilities.

For certainly it would not be good thinking to allow further home development there with the present facilities.

Moreover, even without one additional home, we can see the immediate necessity of improving the service there so that water would be available for firefighting.

That will mean a major expenditure by the town — and it appears inevitable if proper protection is to be offered the residents and property owners.

It is also obvious that improvements in the water supply system — both on Elm st. and in other sections of the town — are only a small part of the total problem facing the town.

There are new school problems, sewerage problems, drainage problems — enough to keep the town busy for many years just catching up with needed improvements.

It is certainly a step in the right direction for the planning board and finance committee to begin discussing the possibility of a financial plan for the town. It would set a priority system for all the major projects, based on the over-all need.

We hope the idea will be carried out.

A graduate of Punchard High school in 1927, Dr. Emmons graduated from the Bentley School of Accounting and Finance and from the Massachusetts College of optometry.

In presenting himself to the people, Dr. Emmons stated: "After 12 years on the board of health, it seems timely to offer my services as a candidate for selectman. As an active citizen and professional man, I have been vitally interested in the civic activities of the town and how they affect the people."

Dr. Emmons is a member of St. Matthew's lodge, A.F. and A.M., Service club, a corporator of the Andover Savings bank and of the South church. He is a member of the Refraction clinic of the Massachusetts Eye and Ear infirmary in Boston and is secretary-treasurer of the New England Council of Optometrists. He also serves here as second vice president of the Andover Home for the Aged and is trustee of several local funds.

**50 Years Ago — November 1905**  
Plumbing at the Memorial Hall library was connected to the sewer this week.

Allen Hinton and Arthur Bliss Jr. were members of a fox hunting party held in No. Reading Wednesday. Only one fox was secured by the hunters.

Frederick Daly of Cambridge has been elected captain of the Phillips academy football team for the next year. He was one of the key players in rolling up 28 points against Exeter in the game last Saturday.

John Haggerty moved into his new residence on Andover st. last Tuesday.

Contractor Michael Stack has a gang of men at work this week laying the sewer pipes for the new sewer at the new mill of the Smith and Dove company.

The house on Punchard ave. owned by E. B. Hutchinson has recently been papered and painted. A new heating system by hot air and hot water has been installed. The house is soon to be occupied by Vaughan Jealous of No. Andover.

George W. Low, a former instructor at Punchard, has an article published this week in the Journal of Geography. He writes about the glacial delta in the area of Poms pond.

Owing to the freezing of the standpipes in town, it was impossible to fill the water carts this week. The streets were not sprinkled for that reason and much annoyance was caused by billowing clouds of dust.

The three selectmen, Frank H. Hardy, Andrew B. McTernan, and Dr. J. J. Daly, attended a state assessors' meeting in Boston Tuesday. Town Clerk George Winslow went with them.

The parish house of the Free church presented a festive appearance last Friday afternoon and evening, as the church stages its annual fair and supper, held for the benefit of the Sunday school.

"A Full House", a three-act play, will be presented by the St. Augustine's Dramatic club in town hall this evening.

Miss Evelyn R. Robinson has been appointed children's librarian at Memorial Hall library.

The Mothers club will meet Tuesday afternoon to pack Thanksgiving baskets for the needy. Donations of foodstuffs will be gratefully received.

The Phillips academy team, despite a two touchdown deficit early in the first period, fought

back against a strong Exeter team Saturday to take the game, 20-16. The P.A. team was the underdog going into the game.

Seventy-five local persons have asked for and received parcels of rat bait provided by the Essex County Agricultural school. There is an anti-rodent campaign going on in the county and the local persons have been asked to report, by post card, which of the baits seemed to be preferred by the rats.

The junior class of Punchard will sponsor a costume party and barn dance tonight in the auditorium.

**10 Years Ago — November 1945**

The Andover Community orchestra will present its seventh annual Christmas concert Dec. 2. The guest artists will be the Andover Male choir, which will sing many numbers including one by a modern composer who has written a fantasy on old French Christmas songs.

The annual three-day parish festival of St. Augustine's church opened Thursday at the school hall.

The annual firemen's ball will be held Nov. 21 in Memorial auditorium. There will be an entertainment at 8 o'clock followed by dancing.

Union Thanksgiving services will be held at West Parish church Thanksgiving morning at 9 o'clock. The Rev. Leslie J. Adkins will conduct the service.

The annual Armistice night dinner was held by the VFW in the cafeteria Monday evening. Commander Joseph K. Payne was toastmaster.

The town this week mourned the loss of Nathan C. Hamblin who was principal of Punchard high school for 35 years. He once taught Latin at the school, but gave up his teaching duties as the principal's work became greater. He retired four years ago.

Punchard defeated Methuen Saturday by a score of 7-0. They will meet Johnson high of No. Andover on Thanksgiving morning.

Phillips academy of Andover defeated its arch-rival, Exeter, by an 18-7 score last Saturday afternoon.

The annual Book week started out with success at the Memorial Hall library this week.

## BAPTIST CHURCH FAIR SATURDAY

A baked bean and ham supper will be served by members of the Friendly circle of the Baptist church from 5-7 Saturday, during the annual Christmas fair.

The three women's organizations of the church are sponsoring the fair, which will be open to the public during the afternoon and evening. They include the Philathea class, the Women's union and the Friendly circle.

## War Dead Honored On Veterans' Day

The town observed Veterans Day last week with a dinner and dance and memorial services at the Veterans' lot in Spring Grove cemetery.

The Rev. Roy E. Nelson, pastor of the Baptist church, spoke at the Nov. 10 banquet, telling them "Freedom is not at stake now, but it is still being challenged". He warned that Americans must remain prepared, including the up-

holding of principles to live by not only in one's personal life but in public life as well.

On Friday morning, Legion Chaplain Henry G. Holt and Commander Douglas Hutcheson urged everyone to remember and uphold the deeper meaning of why lives are sacrificed for a belief.

Placing wreaths on the graves were Commander Hutcheson, Mrs. Dorothy Volker, past commander of Woman's post 467, American Legion, Commander Ray Pellerin of the DAV and Mrs. Grace Petters, president of the Legion Auxiliary.

Children were also told of the Day's significance during two morning movies sponsored by members of Post 2128, VFW. The shows were held at 8:30 and 10:30, with brief memorial services at each.

Standing are Herbert Farnsworth, William Harding, Mrs. Frederick McCabe and Dr. William Weiss.

## Will Turn On Christmas Lights In December

Andover's Christmas lights will be turned on early in December.

James Mosher, who has been making arrangements for the lights, in cooperation with the Main st. merchants, said this week that a Santa Claus parade will be held again this year, with two big floats, the All-Girl band of Punchard high school and other attractions.

The lights will be strung along Main st. to Chestnut st., he explained. Also to be decorated are the A. & P. store, Johnny's Super market on Park st. and the new bank building on Main st.

There will be the usual Christmas tree in the square and one in Shawsheen village, Mr. Mosher said.

The town hall and fire station will also be decorated, as in the past.

A definite decision on the date

of the parade and lighting ceremony has not been established, Mr. Mosher explained. He said it certainly will be in the early days of December, with a date and time to be set soon.

## MRS. PARTRIDGE RETIRING IN MARCH

(Continued from Page One)

Her decision not to seek re-election was announced to the school committee Tuesday night.

Mrs. Partridge is a life-long resident here, having graduated from public schools in town. She is a graduate of Boston University and taught English for four years in Punchard.

She is currently teaching at Pike school and serving as a member of the building committee there.

Her statement read:

"I wish to announce at this time that I shall not be a candidate for re-election to the school board next March. It is with great reluctance that I give up a part which has meant so much to me

during the past 12 years. However, I feel that in a town with so many interested and intelligent citizens as Andover, there is rarely any necessity or justification for one's serving longer. The position is a challenging one which requires a great deal of time and energy as well as a continuous study of school trends. I hope the town people will elect someone with a strong educational background to fill this vacancy.

My best wishes for continuous success in providing a fine school system for Andover go to my colleagues on the school board, and through Mr. Erickson, to all the teachers and other personnel of the school department."

## Ensemble Choir At West Parish Church Sunday

The Lincoln Ensemble choir of Brockton will present a musical program at the Thanksgiving Vesper service Sunday evening at 8:15 in the West Parish church.

The Negro choir, under the direction of the Rev. Ennis Whaley, has been making appearances in Eastern Massachusetts. It sings a cappella under Mr. Whaley's leadership.

Among the selections to be rendered by the choir are "Tramping", "Golden Slippers", "I Got a Home In That Rock", traditional; "Without A Song", Youmans; "Listen To the Lambs", Dett; "Send Out Thy Light", Gounod; "Deep River", Dett; "Day Is Done", Hall; "He Knows Just How Much You Can Bear", Gospel Spiritual; "My Soul Just Couldn't Be Contented", spiritual; "The Prayer Perfect", Stenson; "The Lord's Prayer", Mallotte.

## WEDDING INTENTIONS

The following wedding intentions have been filed in the office of the town clerk:

Herve P. Pelletier, 176 Beacon st. and Mary V. Sawyer, 6 Hemlock st., Lawrence.

John S. Beirne, 14 Bartlet st. and Mary L. Robinson, 61 Exeter st., Lawrence.

## TOWN MEETING MONDAY NIGHT

(Continued from Page One)

Charles Hatch and Harold Jr. to the task of getting from the superintendent of schools and the planning board. The committee apparently seeks to wish what the eventual school resolution will be in Shawsheen an aid in determining the for the Shawsheen addition.

The three groups discuss school articles until 10:30 p.m. Monday night, after which the committee met in another room of the Central school before reaching its decision to the school board.

Mr. McDuffie said his committee also is considering the problem of breaking up the appearance of a school with condition.

## Couldn't Do It Cheaper

He pointed out, in comment on the cost of the additions, some \$317,000 would be spent about nine or 10 rooms at a cost of some \$30,000 per room. However, he said the committee to see how at least the school addition could be done less than requested.

## Interest High

Meanwhile, residents of Shawsheen, Ballardvale and West are making plans to attend a meeting at 8 next Monday night.

The Ballardvale PTA has already announced plans for transportation and a baby-sitting service so parents can attend the meeting.

Shawsheen parents were at a recent PTA meeting, to the special town meeting.

## Some Want Spending Halt

Considerable interest has developed throughout the town. Some residents have begun to claim for a halt in the spending. The matter what the need, just afford to spend more money.

Officials have predicted the town meeting will be a lively one as the conflicting opinions are expressed on the floor.

The quorum figure of 350 seen as a stumbling block to observers, who feel that the issues will bring out the best. They point to the ease with which a quorum was gathered for a high school special meeting opposed to a special meeting to consider drainage, there was no quorum.

## Other Articles

The meeting will also consider one water extension article and a BPW request for funds to repair a pump and motor at the station.

## MARRIAGE RETURN

The following marriage returns have been filed in the office of the town clerk:

Thomas Patrick McGowan, Canal st., Winchester and Barbara Anne Kenney, 16 Johnson st., Andover, married Nov. 12 in St. Augustine church by the Rev. Henry B. O.S.A.

### CONSIDER FINANCIAL PLAN FOR TOWN

(Continued from Page One)  
considered by the planning board two weeks ago, when it was felt that too many major projects — all of considerable value — face the town. Adoption of the master plan next year may add still further to the list of projects requiring action by the town, it was felt.

Thus, on invitation of the planning board, the finance committee was asked to jointly consider establishing a financial plan which might help avoid pitting one project against another at town meeting.

#### Judge Its Merits

Chairman Eugene A. Bernardin Jr. told the meeting that "quite naturally" each department believes its projects are the most important, while they actually may be of less value than other projects under consideration by other town boards or departments.

"While this is as it should be," he stated, "it is important to have some way to judge the merits" of all the projects in terms of which is the most important in a given year.

#### FinCom Status

He asked the finance committee if it could function as a financial planning agency for the town and was told that the committee only passes on articles in the warrant and prepares a budget in cooperation with the town's boards and departments.

Chairman Charles D. McDuffie told the members that the board, thus, could only pass on specific projects as they come up.

However, members of the committee expressed real interest in the planning board's suggestion. Several members said they believe it is essential to plan ahead financially — including plans for raising the money.

#### 3-Part Plan

Planning board Member Donald Thompson outlined the financial plan from a book on planning used by the board. He said it includes planning for operating and maintaining the town, capital improvements based on the master plan and a revenue program to support the other two parts of the plan.

He told the gathering that such a plan would include a priority list of improvements; a six-year budget for capital improvements and the annual budget.

It was pointed out that the town meeting could only be asked to approve a long-range plan in principal but could not be asked to appropriate money for any year other than the one in which it met.

#### Plenty To Do

Discussing the improvements and additions required in the town, finance committee Member Victor J. Mill Jr. expressed the thought that there is plenty to be done to bring the town "up to par" if it remains the same population size as it now is.

Members of the finance committee lauded the planning board for attempting to set up the financial plan and offered whatever assistance they could give. It was pointed out that the existence of the plan would be of help when the finance committee considers requests for appropriations for major projects from the various departments and boards.

#### Submit Lists

It was also suggested that the various responsible town officials be asked to submit a list of the proposed projects within the specific departments. Working from them, the planning board could then consider the merits of each and their value to the town as a whole. From that consideration, it was said, would come the priority listing that is an essential part of the plan.

The cooperation of the assessors, selectmen and others responsible for the town's financial status should also be sought, it was suggested. They could work out the revenue program in conjunction with the priority listing, so that no project would be presented to a town meeting without some way to finance it.

#### Debt Load

A general discussion of the per capita debt and the debt load which can be borne by most citizens was held. Mr. McDuffie pointed out that the number of tax delinquents in a year is a good measuring stick. He also said that the planning board should keep their eye on the tax rate so that it doesn't fluctuate too much.

Attending the meeting were finance committee members McDuffie, Richard M. Zecchini, Victor Mill Jr., Robert A. Watters, Harold Rutter Jr. and Charles G. Hatch, Esq.

#### PERSONAL

Mr. and Mrs. Alvin Pariseau of Lowell st. visited with relatives in Worcester, Sunday.

## May Choose Industrial Sites This Month

The Industrial Development committee may soon make recommendations on industrial sites in the town.

Meeting Monday night, the committee considered several sites which have been viewed by some members of the committee. Chairman William Rhoads will tour the sites, it was reported, having just returned from Pennsylvania where he has been serving with the State Republican committee.

It is believed that the committee may make recommendations as early as next week, after Mr. Rhoads has an opportunity to study the areas and discuss them with the committee.

#### Early Decision Needed

An early decision by the committee has been urged because there are several legal requirements to be undertaken before a rezoning article may be inserted in the town warrant.

It has been explained that the planning board must hold both in formal and formal hearings on the rezoning, make its decision and prepare an article covering the proposals prior to Jan. 20 — the deadline for articles in the warrant for the March town meeting.

Thus it has been felt that the industrial committee must make its recommendations soon in order that hearings may be scheduled during the coming holiday season.

#### Cooperation Urged

At the meeting Monday night, the members heard Paul Greeley, executive director of the Chamber of Commerce, talk on industrial development in the Greater Lawrence area. He asked that more cooperative planning and development be undertaken by the communities in Greater Lawrence.

Also attending the meeting were Eugene A. Bernardin Jr., chairman of the planning board and Charles D. McDuffie, chairman of the Finance committee.

molds such as conduits.

The attorney said the work will be done inside the steel storage bin.

#### Would Buy More Land

Mr. Thomason also told the appeals board and residents of the area that the company has an option to buy, if the permit is issued, a piece of land including 2.21 acres. It will provide a third access to the firm's yard, he said.

#### Dwyer Explains Objections

Wilfred T. Dwyer, 5 Fletcher st., represented several citizens. He told the board that several objections to the use of the property for the business have been raised. They include a complaint that the trucks are too wide to pass up Fletcher st. if cars are parked on both sides of the road; vibration from the heavy vehicles; traffic hazard due to children playing in the streets and the probability that there will be much noise. Dust was also mentioned as a factor in the residents' objections.

It was established that some of the trucks in which the finished product — concrete — will be carried may weigh up to 60,000 pounds when loaded.

But a representative of the firm said its trucks normally weighed about 50,000 pounds when loaded.

The residents of the area ob-

jected to that weight, in addition to the traffic and safety problems, on the basis that the streets are not made for trucks of that type and will soon wear out.

In fact, one woman said a truck had almost disappeared from sight on Fletcher st. some 10 years ago after the road gave way.

#### Charges Bad Faith

Atty. James Eaton, of the firm of Eaton and Chandler, represented some of the Fletcher st. residents.

He charged the concrete firm with "acting in bad faith" because, he said, the firm had a letter from him pointing out the need for an appeals board permit before it exercised its option to buy the coal yards. He charged that the operation of the manufacturing plant there would lower property values in the area.

Another spokesman pointed out that, possibly any increase in revenue to the town from the plant's operation would be offset by the decline in property values and resultant reductions in assessment.

#### Questioned By Eastham

Representatives of the firm, under questioning by appeals board Chairman Atty. James Eastham, said normal working hours would be 7-4:30; emergencies would be serviced during other hours under whatever restrictions the board placed in effect; that the contractor's business will include sale of sand and gravel stored there and the storage of some heavy contracting equipment which will be moved to various jobs from the Fletcher st. yard.

It was also brought out that cement will be shipped to the yard by rail and loaded, entirely under cover, into one of four compartments in the steel storage bin. The firm's representative said it will be almost dust-proof, because "cement is a cent a pound and we don't want to lose much".

Residents brought up the point that sand being trucked into the yard will blow off trucks onto the streets and yards.

#### Children's Safety

The residents of Binney and Shepley streets objected to the use of their streets by the heavy trucks. They commented on the number of small children in the neighborhood, placing the number at possibly 60 youngsters.

Atty. Thomason agreed with the residents that the life of one youngster wouldn't be worth the "whole shooting match" but did not agree that the children's lives would be endangered by the operation there.

#### Development Group

David Thompson, a member of the town's industrial development committee, said the committee would very much dislike to see a ruling against the permit based entirely on the use of residential streets by commercial vehicles. He pointed out that other businesses now use the residential streets of the town and named a local cement contractor whose trucks operate here.

He also questioned the appeals board and others on when the coal yards were first established there. It was explained that they existed before zoning went into affect here, probably being built about 1921. Zoning was voted in 1936, it was said. It was also established that the coal yard was shut up in 1941 but did reopen during the war when there was a shortage of oil.

#### Under Advisement

The appeals board book the matter under advisement, telling residents and members of the concrete firm that the board will view the site and possibly the firm's operation in Stoneham.

Five members of the Health association and one member attended a recent town meeting over Inn. There, they had a discussion of TB by Dr.

## Fire Loss Po Water Distri

A serious water shortage forced firefighters Nov. 10 to attempt to quell a blazing chicken house on Brown st.

An estimated \$7000 loss sustained, according to the Donald Bassett, who said baby chicks were destroyed in the blaze. Bassett also served as assistant town engineer.

#### Trickle of Water

Firefighters, summoned by telephone call from Mrs. I. when she saw the flames, saw flames were roaring from a floor window when they arrived. Despite prompt action in hoses, only enough water to produce two thin streams — said only slightly more than hose-size — was available.

## Fire Loss Points Out Serious Water Distribution Problems

A serious water shortage hampered firefighters Nov. 10 as they attempted to quell a blaze in a chicken house on Brown st.

An estimated \$7000 loss was sustained, according to the owner, Donald Bassett, who said 3600 baby chicks were destroyed in the blaze. Bassett also serves as assistant town engineer.

### Trickle of Water

Firefighters, summoned by a telephone call from Mrs. Bassett when she saw the flames, said the flames were roaring from a third floor window when they arrived. Despite prompt action in laying hoses, only enough water to produce two thin streams - said to be only slightly more than garden hose-size - was available.

Town Engineer Ralph Preble ordered pressure at the pumping station boosted from a normal 100 pounds to 120 and that measure produced one stream of water. Booster tanks from Andover and Tewksbury were also put into use, helping the situation.

Fire Chief Henry Hilton commented that it was a good thing there wasn't a stiff breeze, rather than the slight one, for the chicken house is about 50 feet from the dwelling.

### Less On Elm St.

Engineer Preble, comparing the availability of water on Brown st. with other sections, said there would not be even that much water coming from a hydrant on upper Elm st. near the No. Andover line.

That area, he pointed out, is more thickly settled, too, than the Brown st. section.

The Brown st. water supply is from a six-inch pipe coming from an eight-inch pipe on Lowell st. The pipe on Brown st. is a dead end, Preble stated, having never been connected to the main on Bellevue rd., some 2000 feet away.

### POWER FAILS AFTER THURSDAY NIGHT STORM

Power went off in some sections of town the morning of Nov. 11, following a storm the night before. Emergency crews were at work during the early morning hours repairing the damage. Some homes were without electricity for 90 minutes, it was reported.

### Ballardvale Woman Files Bill In Equity

A bill in equity has been filed in Salem superior court by a Ballardvale woman involving a drain pipe beneath Bannister rd.

Mrs. Charlotte Miller of Bannister rd. filed the bill against Edward P. Hall and Merwyn K. Darby. She asked that Mr. Darby be ordered to remove earth, gravel, sand and loam from his property which she alleges obstructs the flow and drainage of water from the drain pipe.

She also is seeking an order enjoining the defendants from placing or maintaining any obstructions to the flow and drainage of waters from her land through the drain pipe upon and across the land of the defendants.

## D. A. R. Chapter Entertained Its State Officers

State officers of the Daughters of the American Revolution were entertained Tuesday afternoon at a luncheon in Christ church parish house by the Priscilla Abbot chapter of Andover.

David Hudson, son of Mr. and Mrs. Kenneth Hudson, entertained the gathering with several piano selections, including Hunting Song by Mendelssohn; Consolation, also by Mendelssohn; Waltz In C Minor by Chopin and Nola by Arndt.

Members and guests of the local chapter were received by the state officers after the luncheon, followed by the regular business meeting.

In addition to the patriotic exercises and regular committee reports, a brief memorial service was held for Mrs. Adele Marston Berry who formerly served as corresponding secretary of the chapter. She died in Kansas city, Nov. 1.

The regent, Mrs. Leo V. O'Connor, introduced State Regent, Mrs. James J. Hepburn who told the group that there were more new members admitted to the National Society last October than at any time in the organization's history.

Visiting state officers and out of town guests were introduced to the meeting.

Mrs. Arthur Reeves and Mrs. Walter Damon arranged the tables and Mrs. Damon also arranged corsages for the guests of the day. Hostesses were Mrs. Jesse Bottomley, Mrs. Edwin Otto, Mrs. Howard Johnson, Mrs. George Glennie, Mrs. Harry Donovan and Mrs. George Cobb.

The luncheon was prepared and served by Mrs. Frank R. Hayes, vice regent and Mrs. Roland Weeks, co-chairmen; assisted by Mrs. Bottomley, Mrs. Harry Blaisdell and Mrs. Cobb.

## Auxiliary Of Christ Church Will Sell Christmas Greens

The Woman's Auxiliary of Christ church will sell wreaths, swags, greens and table decorations this year as they have during past years.

Mrs. C. Carleton Kimball will again act as chairman of the committee, assisted by Mrs. Irving Southworth, Miss Marjorie Stearns, and Mrs. J. Edson Andrews. Members of the committee may be contacted by those wishing to place orders.

The committee has also suggested that orders may be given at the annual fair Dec. 2, where samples will be on display.

The evergreens will be distributed from Mrs. Kimball's barn on Dec. 16 and 17, or later by appointment.

## Freed Slave Served Ginger Beer To Voters Near Pomp's

By KAY NOYES

Although Pomp's pond has been the community "swimming hole" of Andover residents for well over 50 years, few people realize, while enjoying the freedom of movement and pleasure that swimming affords, that the pond derived its name from Pompey Lovejoy — a negro who spent most of his life bound and restricted by slavery.

### Freed By Local Man

At the age of nine Pompey was brought to Andover from his birthplace in Boston and while here served as the servant of Capt. William Lovejoy. The captain was so fond of Pompey that he granted him an early freedom and in his will the captain stipulated that because of his friendship and admiration for Pompey he was to be given some choice acreage so that he might better enjoy his later years.

On the day after Christmas in 1751, Pomp took as his bride, Rose, servant of John Foster. A remnant of her wedding dress, which is over 200 years old, may be seen at the Andover Historical Society.

### Served Ginger Beer

A custom in the town, as established as turkey on Thanksgiving, was the serving of "lection cake" and ginger beer by Pompey and his wife to the voters on town meeting day. The gathering was held at Pompey's cabin among the pines, which was located close to the road which leads to the present swimming area.

### Died At 102

At the age of 102, Pompey died a free man and was buried in the

Lovejoy lot in the South church cemetery. On his stone which still stands may be seen his epitaph which reads, "Pompey Lovejoy, much respected as a sensible, thrifty and upright man."

### Kettle Hole

The Pomp's pond area is a geologist's paradise, as it is one of the finest specimens of a kettle hole known in this vicinity. The kettle holes, as they are called, are reminders of the Ice age when one fourth of the earth's surface was covered with ice. They mark the location where glacial masses of ice covered by sand and gravel formed a hole without an outlet as the ice mass melted.

### Townsmen Began Subscription

Up until one half a century ago, this pond was dwarfed by tall, stately pines whose thick growth covered the surrounding hills. It was not until 1923 that the Andover Townsman started a subscription list to raise funds so that a clearing could be made for a sandy beach. The sum of 931 dollars and six cents was given to the cause which enabled the community to provide a raft, a tent shelter and the services of two lifeguards. On Aug. 1, the beach was opened and at times as many as 100 bathers enjoyed its cool waters. The enjoyment the people had at Pomp's so impressed the committee that they inserted a warrant at the following town meeting asking for an appropriation of \$2000, so that the beach could be even more improved.

### 2000 Use It Now

In the ensuing years the beach has been maintained by taxation and in the past several years 2000 or more people have been known to refresh themselves on a warm summer day.

The pond is today under the guidance of the Andover Recreation committee whose water front director and supervisor is Donald D. Dunn.

## Church Basketball League Begins Its Season Nov. 28

The Church Basketball league will open its 10th season Nov. 28. Plans for the year were made at a recent meeting of the league, which elected Joe Barton of St. Augustine's as president.

The league will include six teams in junior, intermediate and senior divisions. Ages in each division are: junior, eight through 11; intermediate, 12 through 14 and senior, 15 through 17.

In years past, there have been as many as 200 boys taking part in the league, with many of Puschard's top players graduating from the Church league into high school competition.

Other officers elected by the league members include Wallace Rennie, vice president, West Parish; Albert Warner, treasurer, United Ballardvale churches; Thomas Wallace, assistant treasurer, Free church; Ray Collins, secretary, Baptist church; and the Rev. James B. Trost, assistant secretary, Christ church.

Practice sessions have already started, with all practices being held in the Central Elementary gymnasium.

## Junior Red Cross Running Own Drive To Raise Money

The Junior Red Cross drive for enrollment and funds, now being carried out, is not connected with the adult drive which was part of this year's United Fund drive.

That fact was made clear this week by Mrs. Harold Smith, chairman and Mrs. John S. Brookover, vice chairman of the Junior branch.

They pointed out that the youngsters have a service program of their own, supported by the funds received from the drive. Their work includes sending school supplies to children in other parts of the world.

Officers of the Junior Red Cross chapter are Margaret Watson, president; Lee Henderson, vice president; Linda Cooke, Secretary; Barrie Flynn, treasurer; Sandra Dulong, distribution chairman and Bob Wiss, campaign chairman.

### NEW RECORDINGS ADDED TO THE LIBRARY

The following recordings have been added to the Memorial Hall Library — all long-playing:  
Beethoven — Famous Overtures; Leonore, no. 3, The Consecration of the House, Fidelio Egmont, Coriolanus.

Beethoven. Twelve Contradances and English Folk Songs suite.

Mozart. Clarinet concerto in A major and Haydn-Symphony no. 61 in D major.

Offenbach. The Tales of Hoffman (complete opera).  
Rimskii-Korsakov. Scheherazade, op. 35. Eugene Ormandy, cond.

Tschaikovsky, Nutcracker Suite, and Waldteufel, The Skaters' Waltz.

Verdi. Aida (complete) Tullio Serafin, conductor.

### ATTENDS CONFERENCE

Mrs. William M. McQueston attended a recent conference of Congregational laymen and ministers in Concord, N.H. More than 110 attended the largest regional meeting the denomination has ever sponsored.

## What Our Readers Say—

To The Editor of The Townsman

"I am writing this letter to demand it be published as I feel very necessary for the welfare of the children of this community."

"This letter is in regard to the free movie offered to the children by the veterans. Elementary grades were to attend in the morning and junior high and school in the afternoon."

"My children, who are five, six, attended the 10:30 performance. I have never witnessed anything so frightening and terrible; and feared for my own other people's children from a mob of older boys who were pushing, shoving and the slamming younger children against the side of the building."

"These performances were supposed to be supervised by the police and other officials. I know other mothers left their children or allowed them to be alone, thinking they would be supervised."

"If the size of this mob and shouting didn't get the attention of the supposed supervisory staff, I should think the crying screaming of the younger children who suffered most from the impact of this terrible mob would."

"It seems a shame that the veterans put so much time and money into this entertainment to have such a frightening experience for their children."

"I believe that the owner/manager of the Playhouse should do their utmost to keep this mob under control but to no avail with the added and necessary assistance of the other officials."

"I feel that if something is done in the future about this situation, a serious accident could occur and then it will be too late."

Mrs. George Rice

(Ed. Note: The VFW schedules its movies at 8:30 for grades through six and at 10:30 for others.)

To The Editor of The Townsman  
"With respect to the payment of teachers and others on a voluntary basis, the following might give consideration."

"Issue to the teachers a coupon with attached coupons mechanically the same as a coupon payable to the bearer. Each coupon would bear a weekly number. Arrangements could be made with the town's banks to honor the coupons in accord with their terms. At three month periods, or other appropriate interval, arrangements could be made with the banks to under or over payments if they have occurred."

"The same method might be considered for the town's fire departments with arrangements made on a monthly basis. Obviously, should save the town considerable office time over present method. Any of the large office business firms would be willing to implement this innovation at reasonable cost, if any."

"In this day and age, when payments for steady tenure employment is something long overdue for improvement. Indeed, its as old fashioned and awkward as bank which still has an iron between itself and its customer. No doubt even Phillips would be interested in this which is named 'The Andover Method'."

## Punchard Retains Trophy

Bill Vickers, number 14, was too late to break up this Methuen pass, being caught by Hank Wainwright in the closing minutes of the Punchard-Methuen game. Coming up fast are three of the Blue Devils, Larry Lynch, number 34; Paul Stefani, number 22 and Bill Fisher, number 18. The Methuen player, number 81, is unidentified. (Photo by Frank Leone)

A happy, though mud-spattered, Punchard team retained possession of the Edward I. Erickson Memorial trophy Nov. 11 by beating Methuen high's Rangers, 20-12.

The game was played here, due to unfavorable conditions at the Methuen stadium.

The Blue Devils showed superior strength throughout the game. They scored once in the first, second and fourth periods, piling up 20 points before Methuen scored once.

Then, late in the final quarter, Methuen's passing attack netted two quick touchdowns but couldn't come close to the Blue Devils' overwhelming lead.

first TD, plunging over from the 4 on the second of two quarterback sneaks. The Blue Devils had moved from the Methuen 45 in just seven plays, including three first downs.

In the waning minutes of the second period, Ed Dwyer raced around right end for three yards and the TD. Runge had recovered a Methuen fumble at the 10, setting up the score.

Again in the fourth period, the Blue Devils took command. A Vickers to McCullom pass netted 19 yards to the Methuen 16. Despite two five-yard penalties, the TD came when Alec Thompson raced 15 yards on a reverse.

### Methuen Fumble Costly

In the scoreless third period, Methuen tried to keep the game from becoming a rout by driving all the way to the Punchard 2. A fumble recovered by Co-Captain Bill Fisher at the 10 ended the Rangers' hopes, however.

### Call Back TD

Perhaps the best offensive play by the Blue Devils was Dick Smith's 88-yard run for a TD — which was called back because of clipping at the Methuen 33. Smith had taken the ball on his own 12 and knifed through the left side of the line on the second play of the period.

The clipping penalty was one of 10 15-yard penalties handed out during the game. Methuen was penalized 95 yards and Punchard was punished with a total of 90 yards during the game.

The statistics:

	PHS	MHS
First Downs	10	6
Rushing Yardage	150	47
Passing Yardage	19	154
Passes Attempted	4	12
Passes Completed	1	8
Passes Intercepted	0	0
Punts	4	3
Punt Average	29.7	32.3
Fumbles Lost	1	3
Yards Penalized	90	95

### Passing Attack

The Methuen scoring came on passes from Quarterback Larry Waite. He fired a perfect strike to Hank Wainwright in the end

## Unaccepted Streets Up For Discussion

The question of unaccepted streets may come up again tonight at the board of public works meeting.

Members of the board recently inspected five streets that are included in a list of 38 old public ways being considered for inclusion in a bill to be filed in the legislature.

The bill will allow the town to accept the streets, for which there are no records of acceptance.

The five streets are Bannister rd., Cross st., Liberty st., Mill st. and Tucker rd.

### 31 Approved

Thirty one old public ways have been approved by the BPW on the list of those to be included in the bill.

They are Bancroft rd., Blood rd., Boutwell rd., Brown st., Burnham rd., Buxton ct., Corbett st., County rd., Cuba st., Cutler rd., Ferndale ave., Fiske rd., Gardner ave., Gleason st., Gray rd., Hidden rd., Ledge rd., Lincoln st., North st., Oak st., Pearson st., Pleasant st., Porter rd., Rattlesnake Hill rd., Spring Grove rd., Stinson rd., Torr st., Upland rd., Vine st., Whittier ct., Windsor st. and Woodland rd.

Approved in part by the board of public works were Lowell Junction rd. and Rocky Hill rd.

Town Counsel Vincent Stulgis has explained that some 75 streets

zone and minutes later, Wainwright scored from the one after passes from Waite to Bob Weinholt moved the ball deep into Punchard territory.

in the town have a questionable status. Of these, 37 are private ways while 38 are public ways. The town counsel has pointed out that many of the public ways have probably been accepted by the town at some time but were never named. Thus, he explained, there are no records in the town by which positive identification can be made.

The BPW has been hampered this summer by the problem, as town meeting voted some work on streets that turned out to be unaccepted. There has been a legal question as to the town's right to

work on them unless they are accepted streets.

## Weather Forecast Save Time And

"And the forecast for Andover and vicinity . . ."

Those words and what follows have saved the town a considerable amount of money during the last five years, according to Superintendent Edward R. Laws.

It was back in 1950 that the town first subscribed to a commercial weather forecasting service.
