## More Support Given Rogers Brook Drainage

More voices were raised in favor of Rogers brook storm drainage today night. Oliver Surette, whose weekly visits to the BPW about the brook last spring and summer resulted in its agreement to again sponsor the article, attended the meeting. So, too, did W. R. Hill, Mrs. Frank McArdle and Mr. Dolan. All spoke in favor of the project, citing advancing costs the longer the town waits to do the work and the pressing need for corrective work.

## P.A. Will Again Run Night Classes For Area Adults

One of the oldest Adult Education programs in the nation begins its 20th year Oct. 8, when the Phillips academy-sponsored Andover Evening Study programs starts. Under the direction of Richard S. Pieters of the academy faculty, the program runs through October, November and December. A wide range of subjects - from swimming to "Russian Civilization and Culture" is offered residents of the Greater Andover.

W. R. Hill, on ladder and John Cole put the finishing touches on the Olympic Headquarters banner at 60 Main st. (Leone)

One of the features of Andover Olympic Week is the tennis exhibition at 3 p.m. Sunday, Oct. 14, on the red courts in back of the Case Memorial Baseball Cage at Phillips academy. The feature attraction is J. Donald Budge, formerly of California, and now of New York City, who has one of the top tennis records ever established and is especially noted for his "grand slam" in

1938. He is the only man in the history of tennis to win the four major titles of the world in one year. He won the Australian championships, the French championships, the Wimbledon (or "All-England") championship.

## Land Owner Offers To Pay For Water Main On Greenwood Road

### Some Adults Lose Right To Vote Here

A few adults here - and obviously many more throughout the state - won't be able to vote Nov. 6. But it isn't because they are indifferent to that responsibility - it's because some state laws toss a voter off the polling lists before he can be registered in a new state. Town Clerk George Winslow,

### Blue Devils Win Second Straight; Face Howe Next

The Blue Devils will be gunning for their third straight win Saturday at 2 when they travel to Billerica. The season got off to a sparkling start when underdog Punchard beat Wellesley then trimmed Danvers, 33-13. Making up for lack of experience with plenty of hustle, the Blue Devils left no doubt last Saturday as to the winner. Quarterback Bert Damon raced 50 yards with a Danvers punt in the first quarter.

An offer to pay personally for the installation of more than 1000 feet of 12-inch water main on Greenwood rd. made to the Board of Public Works Monday night, has been tabled. William Thistle, who recently bought the land from George Winslow, asked the board for permission to buy the pipe and install the main, with the town agreeing to put the road back in shape afterwards. The road surface is gravel with a tar surface now. Engineer Ralph Preble said most of the excavation would be along the edge of the road and several members thought it would

#### BANKS - McLOON

At a 2 o'clock ceremony Sept. 23, in the First Methodist church, No. Andover, Miss Ruth A. McLoon, daughter of Mr. and Mrs. Nelson L. McLoon, 18 Beech cir. became the bride of Richard A. Banks, son of Mr. and Mrs. H. Alden Banks, 2 Perry st., No. Andover. The Rev. Donald D. Douglas and the Rev. Richard Harding of Wilmington officiated.

Baskets of white gladioli, mums, daisies, carnations and greens were arranged on the altar. The guest pews were marked with white satin bows: David Reynolds was the soloist and Donald Harrison presided at the organ.

The bride who was given in marriage by her father wore a gown of imported Chantilly lace styled with mandarin collar, long sleeves and a bouffant skirt worn over an underskirt of layers of tulle ruffling. She wore a fingertip length veil and carried carnations and orchids.

As maid of honor for her sister, Miss Gladys McLoon, wore a gown of raspberry with a velvet bodice and bolero and a crystalline bouffant skirt. She wore a matching headpiece and carried a cascade of white gladioli and red roses. Miss Joan Mealey of No. Andover, the bridesmaid, was similarly gowned in periwinkle blue and carried a cascade of yellow gladioli and talisman roses. The flower girl, Judith C. Banks, sister of the bridegroom, wore periwinkle blue with a velvet poke bonnet to match. Her flowers were a miniature cascade of yellow gladioli and talisman roses.

Robert A. Banks was best man for his twin brother. The ushers were Lucian H. McLoon of San Francisco, Cal., brother of the bride, Richard Kennedy and Herbert Hayes, both of No. Andover.

A reception was held in the Merrimack Valley Golf club, Methuen, with guests attending from California, Maryland, Connecticut, Rhode Island and New Hampshire.

The couple left on a wedding trip to northern New York and Canada and upon their return will reside at 305 Sutton st. No. Andover.

The bride is a graduate of Woodbury high school, Salem, N.H. and is employed at the Andover National bank. The bridegroom is a graduate of Johnson high school, No. Andover and Northeastern university. He is employed in a Boston department store.

## CONFUSION REIGNS OVER DAVE YOUNGS'

Dave Young called in at the TOWNSMAN office the other morning.

Wouldn't be anything strange about that - except that we already have a Dave Young here, as editor. The two "Dave Youngs" didn't happen to meet - but the one who isn't the TOWNSMAN editor (confusing isn't it?) wanted to know what to do about telephone calls he receives for the editor - and mail that sometimes comes to his home on Red Spring rd. The situation was even more confusing a few months ago when the Dave Young who is TOWNSMAN editor and his wife received many calls of congratulations when a birth announcement appeared in the paper for Mrs. David Young on Red Spring rd.

Lest we get too confused - mail for David Young of the Townsman should be sent to that office or to his home, 58 Haverhill st., Methuen. Telephone callers should use the number 1943 or Murdock 32615 to contact the Townsman editor. That way, Dave Young won't be a nuisance to Dave Young.

## DOMINGUE NAMED SCHOLARSHIP WINNER

Robert A. Domingue, 60 High st., has been awarded a \$1,100 Union Carbide and Carbon Scholarship for the 1956-57 academic year at Lehigh university. He is one of 460 student recipients of scholarships valued at a total of \$362,000 announced by Dean Wray H. Congdon, chairman of the committee on scholarships and loans.

Domingue, a graduate of Phillips academy, is a sophomore enrolled in the civil engineering curriculum at Lehigh.

**Here Today!**

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low . . . that it takes the bumps without a bobble, the curves without the pitch . . . and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

**A new kind of FORD with the mark of tomorrow**

Lowest family car on the road

Only four feet eight inches tall

Everywhere you look it has the "Touch of Tomorrow"

Six or V-8 the going is great!

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, beefier Fords for '57.

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet . . . stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Fords library-like quiet is built in. And the new "Inner Ford" is why. For never be-

fore in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

The Fairlane Fords for '57, like the Fairlane 500 models, have no equal . . . no counterpart, in the low-price field.

### Woman's Club Meeting

The Shawsheen Village Woman's Club held its first meeting of the 1956-57 season Monday, Sept. 24 at the Shawsheen school. The guest speaker was Harry B. Ellis, author, foreign correspondent, and lecturer who presented "Desert Kingdom in Color". Mr. Ellis presented remote and forbidden Arabia in colored slides, Kings in desert palaces, Bedouins in goat hair tents, oasis and desert life, and breath-taking pictures of an old Testament Land. The hostess chairmen were Mrs.

Frederick Higgins and Mrs. Herbert H. Cregg.

New club officers are: President, Mrs. Wallace C. Fiedler; vice-presidents, Mrs. John B. Guild and Mrs. Sherman S. Locke; recording secretary, Mrs. George W. Harper; corresponding secretary, Mrs. Thomas M. Neil; treasurer, Mrs. Joseph W. Byrne.

### Celebrates Birthday

Wayne W. Parker, son of Mr. and Mrs. George Parker of Haverhill st., was entertained at a lawn party held on the grounds of his home in honor of his sixth birthday.

The tables were attractively decorated with colorful candy baskets, hats and favors. The guests were entertained by a group of party games.

Birthday cake, ice cream, chips and punch were served by Mrs. Alice Anderson and Norma Parker.

Those present were: Robert Neville, Richard Neville, Robert Dane, Thomas Nigrelli, David Morgan, Bing O'Brien, Wayne Clark, Daniel Clark, Ralph Schiek, William Stickland, George Chantler, Christine Chantler, Glen McKee, Ricky Anderson, Gary Anderson, Stephen Schloth, Norma Parker, Priscilla Parker, Lynda Kopatch, Janice Parker, Mariana Proulx and the guest of honor.

### Bakery Sale

Plans for the annual Bluebird, Campfire bakery sale have been announced by Mrs. Thayer Warshaw of Shawsheen, chairman of the bakery sale committee.

The sale will be conducted at the Shawsheen school on the evening of October 10, at the P.T.A. meeting. All proceeds from the sale will be used to further the important work of the Bluebird and campfire groups among the girls of Andover.

Members of the committee, which will be responsible for the sale, are: Mrs. Michael Campagna and Mrs. Daniel Gill; assistants to the chairmen are: Mrs. James Prout, Mrs. Winslow Burleigh, Mrs. William Harnedy, Mrs. Robert Foster and Mrs. Charles Dufton.

The committee emphasized that the bakery sale will be largely dependent on food donations from Bluebird and Campfire parents, leaders and sponsors. Gifts of bakery products will be gratefully received from any members of the community interested in helping in this vital work.

### Campfire Meeting

Campfire leaders and sponsors association of Andover met Tuesday at the home of Mrs. Gordon Lauder of Enmore st. Plans for future activities of Campfire and Bluebird groups were discussed.

Mrs. Michael Campagna and Mrs. Daniel Gill were appointed representatives to meet with leaders from Reading and North Reading to formulate plans for a training course for leaders to be conducted in Reading.

Mrs. Doris MacCallum, representative from Boston, provided the new Campfire leaders with very interesting and useful material for future projects.

Mrs. Martin Burns presided at a discussion on ways to conduct Bluebird groups.

Coffee was prepared and served by Mrs. Daniel Gill, Mrs. Mitchell Puchlopek and Mrs. Alexander Blamire Jr.

Those present were: Mrs. Alexander Blamire Jr., Mrs. Sherman Carr, Mrs. Webster Woodworth, Mrs. Michael Campagna, Mrs. Daniel Gill, Mrs. John Broderick,

## Wage Classification Study Not Done

A committee to study wage classification for town employees, authorized at the annual town meeting, has never been appointed.

And for good reason, according to Moderator Roland Sherman. He explained that no one wanted the job, after the town meeting refused to appropriate any money for the study. A classification of wages for municipalities, it is understood, often includes professional assistance.

Mr. Sherman said he had been refused many times while trying to find men to undertake the task.

A wage classification survey usually sets up a minimum and maximum wage for each classification - laborer, tree climber, chauffeur and the like - and provides step-rate increases from lowest to highest pay, it is explained.

be a small matter to restore it after the installation.

#### Henderson Objects

But just as member P. Leroy Wilson made a motion to accept Thistle's offer, and as at least two other members expressed general agreement, Secretary Alex Henderson suggested that perhaps the man should be restricted to building on only three of his six lots, to save water. Then Henderson said he didn't believe in discussing these matters when they first come before the board

— that they should be taken under advisement and discussed the following week. Member David Thompson promptly agreed with Henderson and Chairman Allan Flye declared the matter tabled because there was no second for the motion.

#### Questions Supply

Thus the board next week will again debate the subject. During Monday night's meeting, Henderson pointed out that "if we keep on disregarding it (water supply) we'll be beyond our limit. Every house is an extra burden. We should go along with similar conditions as we have for sub-divisions."

Chairman Flye reminded the board that a previous vote to restrict building to half the lots in a sub-division referred only to sub-divisions — not lots along accepted streets such as Thistle's.

Member Francis Reilly said "you can't limit it on accepted streets", because you'd just be asking to have some of the lots put in someone else's name.

It was at that point that Henderson bluntly declared "I don't like taking up these major items this way. They should be taken under consideration and discussed at a regular meeting".

"Alex is right about it. I wouldn't second the motion," declared Thompson. Flye then declared the matter tabled after hearing no second.

Thistle was told he might expect an answer following next Monday's meeting. He also asked the board to consider his using corrugated steel pipe, asphalt coated, to pipe a brook across his land.

afternoon from 3-5 and Lt. Gov. Sumner G. Whittier will represent Gov. Christian A. Herter in the receiving line. Dignitaries of the church and the town will also receive. Members of the church will be throughout the building to greet visitors and explain the functions of each room. Children will be welcome, with adults. Pre-school and kindergarten children will be cared for during the morning service.

All South church members are eager to share this milestone in the history of the church with their friends and so cordially invite them to attend both morning and afternoon.

## This week we add

## 2 more new Budds!

This makes the 80th and 81st new Budd Highliners we've put into commuter service on the Boston & Maine in the last two years, at a cost of \$13,055,000 to date. And there are more of the stainless steel beauties arriving every week! Not only are these self-propelled Budds more comfortable and pleasant to ride in; they're more *efficient* too—because we can back them right out of North Station during the rush hour instead of having to turn them around.

## Gang War Problems

All Andover was shocked last week when they discovered that the awful wave of teen-age hooliganism had become a hard reality in their midst.

There is a temptation, somehow, to sort of ignore these things when they happen in other places; to say "that sort of thing can't happen here". Now we know it can - and with some of our own teen-agers deeply involved.

This business of teen-age warfare of which we have read so much has at last reached our own community - and we are faced with the same pressing, perplexing problem that many others have attempted to solve. What can we do about it?

It is a grave social problem, to be sure, with as many answers as there are persons discussing it. Probably everyone thinks he or she knows the solution - but actually, at best, those solutions are not enough. Because no way has been found to reach the parents of these teen-agers before the youngsters get into trouble. And any solution we may find here will only be a partial answer, because we, too, have no way to reach the parents, who apparently need to learn something about bringing up their children. So while the main answer may lie with parental laziness, lack of interest, or complete ignorance we must find some other partial solution that will at least protect the community from these teen-agers and protect the youngsters from themselves.

The police did an admirable job last week - there was no fight and that was certainly in the best interests of all of us. And the department, particularly Sgt. William Hickey and Chief David Nicoll, has followed through in what seems a sensible approach to the problem. Names have been sent to the Registry of Motor Vehicles, schools have been notified of the participants, discussions have been held with parents - in short, everything has been done that the department could to prevent a repeat performance and to adequately punish the boys who were taking part in the gang assembly. It is rumored that the schools may take other measures, with some athletes possibly losing their right to play football.

We hope these measures will stand the test of time. For what other solution can be found? What more can anyone do to prevent such events from happening again, to keep boys already in trouble over this one from getting in deeper another time?

We have heard it said that many of the boys picked up on Greenwood rd. last week were just there to see what the fight was all about - curiosity being their motive rather than participation. And that may well be true in some cases - but how does one determine which boys were there for that reason when most of them claim it as an excuse for being present? It seems that those with innocent intentions and a well-developed sense of curiosity are going to take the same medicine that all the others are forced to accept. And perhaps that's just as well, for next time they'll stay far away.

All in all, we'd say the situation was handled well. We hope the youngsters learned something from it.

## What Our Readers Say—

To the Editor of the Townsman:

"The special town meeting will be asked to grant some of the municipal workers a wage increase and, it is hoped, equitable pay for overtime work.

"Most of the people who live in Andover undoubtedly receive overtime pay when worked, or their pay is geared to some form of bonus. Moreover, when the municipal workers buy such things as electricity, telephone service, an automobile, food, a house or newspaper, the prices charged them include the costs of the overtime or bonus paid to those who produced them. Therefore it is unjust to expect the people who keep Andover attractive to serve us on any pay basis not the equal of what we demand for ourselves. Accordingly, the pay increases asked for should be granted together with overtime pay at one and one-half times the regular rate for all hours worked over 40 in one week.

"The Rogers Brook hazard has been neglected for at least 15 years. Each year the cost of removing that danger spot increases. Can we longer afford such imprudence?

"With respect to the new South school, every home owner knows what a difference the interest rates makes in the final cost of the structure. During the past two years the cost of borrowing money, due to the improper fiscal policies of the present Federal administration, has sharply increased. It's likely that the interest charges to the town on a million dollar mortgage shall be \$200,000 more over the 20-year period than what they would have been before the present administration went into power. Accordingly, it's hoped that the town treasurer shall be successful in making some short term borrowings until national fiscal policies are corrected, or Congress itself meets its duty of financing school building construction. Along this line too, it's hoped that the local banks can help until interest rates are corrected.

"Concerning the failure of the contractor at the West Center School to meet his responsibility to be prompt, it might be useful to explore the possibility of asking the appropriate court to impose an injunction upon his other activities until this school, a vital public necessity, is completed. The prospect of having an injunction appear in the contractor's record might be some incentive to him if he intends to remain in business."

## Down the Years with The Townsman

### 50 Years Ago - October, 1906

George Hinman of the Phillips academy faculty was seriously injured last Monday evening when he was hit by a car about two miles from Andover on the Andover-Reading road.

While workmen were engaged in remodeling the Blake house on Abbot st., recently purchased by N. E. Bartlett, they came upon a colony of bees in the rafters. George Means hived the bees and took out 100 pounds of honey.

The senior class at Pynchard held preliminary trials for the Goldsmith prize speaking Tuesday morning. The speakers chosen to represent the school in the semifinals were Miss Marjorie Davies, Miss Cynthia Flint, Frank Smith and Clarence O'Connell.

The local firemen are already making plans for their concert and ball which will be held as usual in the town hall on Thanksgiving eve. The following committee has charge of the arrangements: Frank M. Smith, George C. Dunnells, Arthur T. Morse, Chester Harnden, Walter I. Rhodes, George E. Morse and Everett H. Prescott.

Phillips academy has a new song called "Old P. A."

The following names were placed on the voting list at a meeting of the Board of Registrars held in the town house Monday evening: James H. Abbott, Philip B. Allicon, Jesse S. Billington, Seward C. Brown, Robert Y. Cairnie, Dominick Dowd, Thomas Dudley, James S. Falconer, John H. Gordon, Randall A. Hurley, Addison B. LeBoutillier, John Lynn, Joseph P. Maguire, Jacob Rose, Harry Schofield, Henry Tyer and Clarence Weeks.

### 25 Years Ago - October, 1931

The board of assessors has released the tax rate for this year, showing a decrease from 1930 to \$24.20 per thousand valuation. The drop was one of \$1.70. The assessors also revealed that Phillips academy valuations have increased by \$100,000, that Smith and Dove company remains the same and only a small fraction of the reduction requested by the American Woolen company has been allowed. In the overall picture, valuations have jumped here by almost \$1,000,000 due to the new system of assessing.

The selectmen have received a letter from the state department of public utilities agreeing to review the question of train whistles at the Essex st. crossing. Many complaints have been made over the signals and the state agency once refused to order the railroad to stop sounding the whistles.

Two local young men, on a tour of the mid-West, picked up a stranger whose car had broken down and then discovered he was a bootlegger with several arrests for that "business" as well as for carrying firearms. The young men were warned not to "squeal" to the police about the man's car,

apparently loaded with illegal beverages. The young men took a trip of some 5000 miles in an old car.

In an effort to curb accidents, Motorcycle Officer David Gillespie has been assigned by Capt. George Dane to organize safety patrols for the schools. The first group was started last Friday at St. Augustine's.

The Shawsheen Village Woman's club held its first meeting of the year Monday evening in Balnoral hall. A birthday party was held after the business meeting, celebrating the club's 10th birthday.

A local man was unhurt Monday morning when his truck turned over at the corner of Amesbury and Common streets in Lawrence. Police said it was hit by a bus.

### 10 Years Ago - October 1946

A turkey supper will feature the annual fair of the Order of Eastern Star at the Free church Saturday. The fair will start at 2 p.m. and the supper will be served from 5-7.

The Men's Brotherhood of the West Parish church is sponsoring a series of square dances on the second Friday of each month.

Pynchard chalked up a 12-0 victory over Chelmsford in its second game. The Saturday event was played in Chelmsford.

A new night and day rotation has been started at the police station. Under the new system, the day men will get some night duty and night men will have a chance to work days some of the time.

The enrollment at Pynchard this year is 304, including 34 veterans. The number represents an increase of 55 over last year.

Phillips academy lost the first game of the season to an experienced team, the Dartmouth Junior varsity. Dartmouth won 13-0.

The money of the Andover Servicemen's association will be set aside in a trust fund for the benefit of Andover servicemen and their families. Only 412 veterans and present servicemen sent their ballots back to the association, out of 1500 mailed. Of those returned, most wanted something done with the money that would benefit servicemen and dependents. There is about \$17,800 in the fund now.

Four elementary school principals were given raises by the school committee last week. All now have charge of the kindergartens in their buildings, an added work load over other years.

Denny Meyers, head coach at Boston College, will be the speaker at the opening fall meeting of the Shawsheen P.T.A. next Wednesday in the school hall. Mr. Meyers has just returned from four years' service in the Navy as a lieutenant commander.

**SOME ADULTS CAN'T VOTE**  
(Continued from Page One)

Obviously surprised over the ruling, said the state secretary's office has insisted that some persons may not vote anywhere because they have moved. Winslow outlined the problem this way:

You move to Andover from out-of-state. Massachusetts law says you must live in the state for one year, including six months of continuous residence in the community where you will register. You have lived here for, perhaps, 10 months, and thus can't register yet. But meanwhile, election officials in your former community have taken the poll listing and find you are no longer living at the address from which you were registered. Off comes your name - you can no longer get an absentee ballot because you are no longer registered. You can't get a ballot here because it's too soon to register. So you don't vote.

And that's the way some of our citizens temporarily lose their rights as voters.

What seems to surprise everyone though is the apparent error of an old rule of thumb that goes like this - you can vote by absentee ballot in your former community until you are eligible to register in the new one. That's the basis on which most officials and citizens alike have acted during the years. It wasn't until Winslow had some question come up recently that a ruling from the state was received.

While it is known that perhaps half-a-dozen citizens are affected here, it's possible that many others may be unpleasantly surprised when they try to get absentee ballots from their former homes.

Certainly there are many such persons in the state, officials surmise, and many of them probably are in this Greater Andover area because so many persons have come here from out-of-state in recent months.

### Air Force Academy Exam Will Be Held

Applications for permission to take an unofficial Air Force Academy examination will be received by Congresswoman Edith Nourse Rogers until Oct. 26.

Mrs. Rogers has announced an examination for any young man between 17 and 22 living in the Fifth Congressional district, to be held Nov. 20 in Lowell. The ten highest-ranking applicants, based on results of the test, will be designated by Mrs. Rogers to take an official Air Force Academy competitive test. There will be eight vacancies from Massachusetts to be filled in the class entering the academy in July 1957, with the 10 successful applicants from Mrs. Rogers' district competing with applicants from other districts.

Mrs. Roger's notice of the proposed exam in Lowell points out that an applicant must have lived in the district for 10 years. She will not appoint any young man whose brother has been appointed to West Point, the Naval Academy or the Air Force Academy, so that more families may be represented in the Armed Forces academies. The exam in Lowell will include vocabulary and reading, ability to recognize three-dimensional figures from flat drawings and algebra. The first 10 will be examined by an official medical examiner, the congresswoman explained. The only expense to the applicant is for travel to Lowell for the examination.

### Police Wait For Registry Hearing

Police are awaiting a Registry of Motor Vehicles announcement of a hearing date for several teenagers involved in the proposed gang war Sept 25.

Chief David Nicoll said the reports have been sent to Registrar Rudolph King, who will presumably call hearings on suggested revocation of licenses and registrations. About a dozen licenses and registrations are involved, it is reported.

# FIRE PREVENTION WEEK

OCTOBER 7th to 13th

feeds on careless deeds!

Starve it with care and caution

**LAST YEAR - ANDOVER HAD 335 FIRES**

TOTAL VALUE OF BUILDINGS IN WHICH FIRES OCCURED

**\$360,825**

ACTUAL LOSS RESULTING

**\$14,789**

**FIRE PREVENTION IS A COMMUNITY EFFORT!**

Don't load your electric wiring beyond its capacity to function safely.

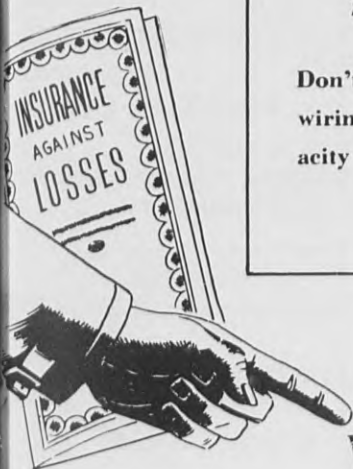

Don't allow combustible material to accumulate in attic, basement or other unwatched place. Stage a clean-up!

Keep flammable cleaning fluids away from fire or flame. Don't smoke while using them.

Make sure all butts and matches are OUT before discarding. Watch this!

Fire Prevention Week is the time for you to take stock of your home insurance coverage. Ask yourself this basic question: "Is my coverage in proportion with today's replacement costs?" Actually, records show that most home insurance is out-moded today

and that only a few rooms in every home are actually covered for replacement! The Insurance Brokers below will gladly assist you in evaluating the actual amount of protection afforded by your present coverage. It is something you should do today!

### SEVERAL APPROVE BROOK PROJECT

(Continued from Page One)

along the brook's course.

"I hope I hear every member of the BPW up there talking for it", Surette declared, referring to the special meeting Oct. 22 when the voters will be asked to make more

than \$300,000 available for the work.

#### Needs Voter Support

But Chairman Allan Flye warned that citizens, too, must speak for the project - not only the board members. Mr. Hill said he thought interested voters should try to explain the reasons for wanting

the work done and emphasize the evident point that it will cost more to do it later.

#### Not Alternative

Members of the board carefully explained Monday night that a \$5000 article in the special meeting warrant for cleaning the brook is not an alternate to the major project. Rather, said Chairman Flye, it is planned to be an annual amount for maintenance whether the entire storm drainage work is done or not.

And he pointed out that the article calling for bonding \$300,000 and raising \$52,176 for the brook work may not mean that the entire amount will be spent. The state, he said, may share the cost up to 50 percent but state budgets are figured in February, so the town can't now depend on assistance. If the state approves the project, then only half the specified amount will be required - but Flye stressed that appropriation of the entire amount now would give the town a chance to do the work if the state doesn't agree. If state agreement is obtained, he said engineering and construction will be done by the state and the town will be billed for half the cost.

#### Flow Would Increase

Mr. Hill asked town Engineer Ralph Preble about the brook's potential - how much would the water flow increase? Preble said a developed area sheds 25 percent more water than an undeveloped one - thus the brook will carry still more of a load as areas along its course are built up. He also pointed out, as did Chairman Flye, that plans for storm drainage are based on the worst rain storm in 15 years but are not based on hurricanes or floods. Thus, they said, the brook might overflow if a natural disaster occurred.

"You could stand it if it was once every 10 or 15 years", Mr. Hill said, "but not when it happens after every heavy rain". Other residents pointed out that a sharp thunder storm now causes some flooding "and you have those almost every week in the summer".

#### P.A. OFFERING ADULT COURSES

(Continued from Page One)

Meeting are scheduled once weekly for either one or two hours, depending on the nature of the course. Although no degree credits are given, because there are no examinations, some outside preparatory work may be required in some courses.

The Evening programs are planned for the whole community, according to Mr. Pieters. He pointed out this week that tuition charges should not stand in the way of any adult wishing to take courses, because adjustments will be made if individuals can not take the courses without financial assistance.

Many of the instructors, whose names have grown popular through the years of the program, will return this year. They include William H. Brown, Dudley Fitts, Patrick Morgan, Kenneth S. Minard, Fred H. Harrison and James H. Grew.

Registration blanks for courses at the academy are available at the Memorial Hall library, at libraries in surrounding communities and at George Washington Hall, Phillips academy.

Another unique attraction will again be sponsored by the academy, in addition to the courses available. This is the Andover Film Society's showing of films each Wednesday during the winter, with the exception of Feb. 27. Although no admissions may be purchased at the door, season tickets are available. The academy has pointed out that many films bear repeat showings because of intrinsic beauty and their role in the development of the moving picture as an art

form. Some films will be in foreign languages, with English captions. The announcement said films this year will be comparable to those shown last year, such as Shoeshine, Pygmalion, The Ghost Goes West, Kind Hearts and Coronets. Announcement of the titles selected for this year will be made at the first showing.

### Town Committee Is Planning Big Rally

The Republican Town committee will sponsor a rally next Thursday night at 8 in Punchard auditorium, when Charles Gibbons, candidate for lieutenant governor, will speak.

The rally will also hear Governor's Councillor Augustus Means, Charles S. Marston, candidate for state senator; Reps. Frank S. Giles Jr. and William Longworth; and Arthur Williams, candidate for the third seat in the House.

Sheriff Earl E. Wells will speak as will other county candidates.

### Andona Society Plans Lectures

An investment lecture series, sponsored by the Andona society, will be held in the Memorial Hall library on Thursday nights, starting Oct. 18 and ending Nov. 29. Lectures will begin at 8 p.m.

The series will find profes-

sional investment counsellors speaking on many aspects of investments.

**Pynchard High  
By The Press Club**

**Pynchard at Billerica**  
Pynchard's Varsity football  
squad will play Howe high school  
at Billerica Saturday, at 2 p.m.  
Coach Robert B. McIntyre an-  
nounced that he thought that  
Pynchard and Howe were about  
equally matched and that we  
could look for a close score, but  
he hastened to add that Pynchard  
is weak in its pass defense and  
they are working it hard this  
week.

Coach McIntyre commented on  
last Saturday's win over Danvers  
(33-13) by listing the following  
as deserving a "pat on the back":  
James Bennett, Ted Sutton, Wally  
Runge, Jerry Zemerowski and Jim  
Platt.

"The ball bounces in funny di-  
rections," said the coach, "but  
we will show up for all the  
games."

**Red Cross**  
This year the Junior Red Cross  
of Pynchard High school intends  
to increase its membership by  
forming two volunteer groups:  
The Red Cross club or Production  
committee and The Red Cross  
Council or Executive committee  
with elected home room represen-  
tatives.

The Council and Club will be  
formed this way: All interested  
students will give their names to  
the home room teacher, who will  
then put them on the board as no-  
minees for representative to the  
council. One member from this vo-  
lunteer group will be elected by  
the class room, at large, as the  
representative to the council. All  
other members who volunteered  
for the representation and did not  
get elected will automatically be  
placed on the Red Cross Club.

The job of the council will be  
to set up the commitments and  
projects for the future. The work  
of the club will be to execute  
these projects under direction of  
the council.

This is an entirely new idea  
which is being tried and we hope  
that it is going to meet with a  
new success when introduced to  
the high school students.

After elections anyone interest-  
ed may join the club.

**Local Women Play  
Prominent Roles In  
Regional Meeting**

The Andover Garden club will  
participate in the regional meet-  
ing of the Northern District of  
the Massachusetts Federation of  
Garden Clubs at Rolling Ridge,  
No. Andover, Wednesday, Oct. 10,  
starting at 10:30 a.m. The North-  
ern District is composed of 14  
garden clubs.

Mrs. Bessie D.N. Kurth of  
Methuen, regional director of this  
district, is assisted by several  
Andover women: Mrs. Byron R.  
Cleveland and Mrs. Edwin L.  
Bramley; and, as chairman of the  
State Junior Garden clubs, Mrs.  
Ernest L. Wilkinson.

The Day's program will open  
with a talk "Challenge for the  
Future" by Mr. Egbert Hans, Con-  
servation chairman of the State of  
Massachusetts and will be fol-  
lowed by a luncheon. The afternoon  
session will be composed of  
round-table conferences on horti-  
culture, conservation, programs  
and junior gardeners, the latter  
to be led by Mrs. Wilkinson. A  
Flower Arrangement symposium  
directed by Mrs. Edwin L. Bram-  
ley will highlight the afternoon.  
Appreciative evaluation of the  
arrangements will be made by two  
very distinguished flower arrang-  
ers of this district, Mrs. Charles  
H. Hollis and Mrs. Henry F. Per-  
kins, both of Andover. Each club  
will contribute several flower

arrangements for the afternoon's  
program and exhibits will be  
staged by Mrs. Hollis and Mrs.  
Perkins.

Serving as hostesses for this  
meeting are the garden clubs of  
Andover, Georgetown and Boxford

## Mrs Neunzer Heads Young Republican Club

Erma Neunzer of Woburn st. has been elected president of the Young Republican club.

At its meeting last week, the club also elected Donald Richmond, of Orchard st. as vice president; Priscilla Fenton, 166 Summer st., secretary; Ruth Dunbar, 16 Morton st, assistant secretary; and Charles McCullom, 11 Binney st., treasurer.

Young Republicans between 18 and 36 may join the group.

There will be a meeting Oct. 10 in the Republican headquarters at 7:30 p.m., when a film will be shown.

## House Warming Bazaar Nov. 2-3

A House Warming Bazaar will be held by the South church Nov. 2 and 3, with all organizations and members cooperating in sponsoring the event.

One of the many special tables at the bazaar will feature many special gifts. In charge of the A.P.C. and the Friendly Circle, the table will include ceramics, knitting bags, hand-made bridge tables and stationery. For youngsters there will be several special types of gifts. Mrs. Gordon Cannon and Mrs. Robert Sawyer are co-chairmen for that table.

Mrs. Foster Barnard, assisted by Mrs. Sherwood Kelly and Mrs. George Westhaver, will have charge of the plant table. Thank-giving centerpieces, African violets and many other species of plants will be available.

## Harvard Educator Will Speak Oct. 10 To Central P.T.A.

The first meeting of the Central Elementary P.T.A. will be held Oct. 10.

Guest speaker will be Dr. Robert H. Anderson, lecturer on education and director of elementary school apprentice teaching at the Harvard Graduate School of Education. Dr. Anderson will speak on "Elementary School Child in all Phases".

Dr. Anderson is a former superintendent of schools in Park Forest, Ill., and a visiting professor at the University of Iowa.

Prior to the speaker, classroom visitations will be held from 7-8 p.m. A classroom prize for attendance will be awarded.

## MRS. BRIGHAM SPOKE AT INSURANCE CONFERENCE

Mrs. Frank Brigham of Pynchard ave. was a guest speaker Sept. 22 at the New England Conference of Insurance Women in Newcastle, N.H. She exhibited her many shawls, including some recently added to her collection. Many of the women at the conference volunteered to act as models, demonstrating the old custom of shawl-wearing.

## TENNIS IS ONE OF OLYMPIC EVENTS

(Continued from Page One) and the United States championship.

Prior to the exhibition Budge will give a free clinic to any boy or girl who wishes to hear his suggestions for starting to learn tennis or for improving their game if they are already players. Advice on forehand, backhand, service, and volleying will be given—a free chance to hear from one of the greatest players of all time just how to go about learning to hit a tennis ball properly.

Assisting in this clinic will be Jack Lynch of Newton, who is regarded as New England's best clinic conductor. He will organize and assist with his usual efficiency which should add to the value of the advice.

The exhibition will have Budge playing with three others who are top players in New England, namely Don Manchester of Auburn-dale, many times the top ranking doubles player in New England, who is expected to again be granted this honor for the 1956 season; Tom Raleigh of Quincy, another top ranking singles and doubles star who won the annual Labor Day classic at North Andover both last year and this year and who is therefore well known to local tennis enthusiasts; and Henri Salaun, formerly of France, now of Cambridge, who has four times been New England's top singles and doubles player.

## BLUE DEVILS FACE HOWE ON SATURDAY

(Continued from Page One) and then kicked the extra point. Then Jim Bennett took over, scoring three touchdowns - two in the second quarter and once again in the third. Bill McCullom scored once, taking a short pass from Damon.

The Danvers scoring came in the fourth period with Dick Sauchuk and Doug Wood carrying.
