PROBABLY SET - Fire Chief Henry Hilton said this two-story, vacant building at the corner of Greenwood rd. and North st. was probably set afire Tuesday night, but he is calling in the state fire marshal to determine the actual cause. Hilton said the vacant dwelling will be a total loss. It had been vacant for several years, he said. Officials found a five-gallon kerosene can at the site, Hilton stated. Box 75 was sounded at 7:53 Tuesday night but the building burned rapidly and was almost completely destroyed before apparatus reached the scene. (Leone)

Annual Meeting Will Be Oct. 15

The Andover Red Cross Chapter will hold its annual meeting Tuesday, Oct. 15.

There will be an Open House at Headquarters, 4 Punchard ave., from 7 to 8 p.m. with coffee and dessert served by the Canteen. Following the Open House will be the meeting in the Bay State Bank assembly room.

After a brief business meeting, the Junior Red Cross will present a program, "The Junior Speaks". Linda Johanson, David Simpson and Katherine Nelligan, the three delegates to the Junior Red Cross Leadership Training Centre held at Phillips Academy last summer, will discuss the value of the Centre. The group's president, Patricia Murnane, will outline plans for this year's activities in the Andover Schools. The key speaker, Patricia Reynolds, will talk and show slides of her travels in Europe last summer with the International Study Visit Group.

The public is cordially invited to attend both the open house and the meeting.

Building Permits Top \$225,000

A \$213,000 value has been estimated for new construction authorized during September.

Building Inspector Ralph W. Coleman also issued permits for \$16,700 in additions and alterations.

Nine new homes were permitted and one storage building was allowed. New construction permits went to Jerome Russem, Karleton cir.; Glen Inman, Stinson rd.; Joseph Mangeri, Sherry dr.; George Jones, Bowdoin st., all for homes and garages; to Loretta Cairns on Bowdoin st. for three homes with garages; William Bears, Ballardvale rd., house and to Guy Howe, Lupine rd., storage building.

Permits for additions and alterations were issued to Douglas Hutcheson, 115 Summer st., relocate two windows; Richard Abbott, 25 Upland rd., breezeway

Bids \$11,000 Under Estimate

Town boards moved quickly this week to begin the task of installing two test wells and 8000 feet of water main, to put a million gallons of water into the town system by February.

A contract for the wells was signed yesterday with the R. E. Chapman Co. The firm bid \$10,611 to install the two wells. Two other bids were received.

Some 22 bids were also received for water main installation. A contract will be awarded next Monday night, the Board of Public Works decided.

The swift action came after town meeting Monday night gave unanimous approval to the project at a total cost of \$280,000.

Wage, Job Plan Being Prepared

The Boston firm of Charles M. Evans and Associates, Management Engineers, has been appointed by the Town Personnel Board to assist in the development of a classification and compensation plan for town employees, to be presented to the next regular town meeting.

Acting under the authority granted at the March 1957 town meeting, the Board has agreed to retain the Evans firm, whose principals have had long experience in municipal job evaluation. Three thousand dollars had been appropriated for the use of the Per-

Lions Start Annual Drive

At the regular meeting of the Andover Lions Club Monday night, King Lion Edward Kfoury presented a Past President's pin to William Skulley, who in turn presented Key Awards to Dr. Frank Hayden, Henry Nassar and Robert Rauh.

This meeting marked the launching of the annual fall drive for funds to support the Eye Research program. "Be Thankful That You Can See" was adopted as the slogan for their campaign, which last year enabled the Club to buy eyeglasses for needy children in Andover. Thanksgiving seals will be sold as this year's project, under the co-chairmanship of Harold Coleman and Vincent Marino.

Tax Receipts Hit 45%; 3 Weeks Left To Pay

Taxes - both real estate and personal property - are being paid at about the same rate as last year.

Tax collector James Christie said figures through Oct. 7 show 45 percent of the real estate tax money is paid. And 14.5 percent of the personal property taxes are in.

These figures correspond to a year ago, when 44 percent of real estate tax money and 14.8 percent of personal property taxes had been

paid. Christie said he has received \$665,884 of the total \$1,472,810 real estate tax commitment. Last year's total raised by real estate was \$1,314,363 and \$567,087 had been paid at this time.

Taxes may be paid until Nov. 1 without interest becoming due.

In personal property taxes, Christie has received \$23,282 to date, of a total of \$175,655. But he said about 55 percent of that total will come from the Lawrence Gas

Physicians and Pharmacists study for many years before receiving a license to practice. We must pass a state examination to prove that we have learned how to properly take care of your health.

We both have a particular duty to perform. Your physician's learning concentrates on the diagnosis and treatment of disease, and the preservation of your health. We pharmacists study how to compound, dispense, and protect medicines. We must know the proper dosage of every drug because it is our legal duty to make certain that every prescription we dispense contains a safe dose.

Anniversary Waltz Here October 25-26

An "over-the-top" effort by every member of the De Molay Mothers Club and Priscilla Abbot Chapter, N.S.D.A.R., has been going on since early last August to insure the success of their one fund-raising project for this year.

This project is the much-anticipated performance of "Anniversary Waltz", a play in three acts to be presented by the Quannapowitt Players, Inc. in Junior High Memorial Auditorium Friday and Saturday, Oct. 25 and 26. Curtain time will be 8:15 p.m.

Many tickets have been sold so far but the committee reports that many more are still available and may be secured by calling the ticket chairman, Mrs. Howard Johnson.

The Quannapowitt Players is an entirely non-profit organization with a distinguished record of 20 years of uninterrupted play productions. Over 60 major Broadway successes have been presented in Reading and Wakefield and countless one-act plays have been done in the theatre workshop and for local organizations. Last March "Fourposter" was presented in Andover under the sponsorship of St. Matthews Lodge A.F. and A.M.

The Quannapowitt Players have an active membership numbering about 100, composed of those who act, direct, do make-up, take tickets, usher and do all of the carpentry, electrical work, set designs, properties and costumes. An associate membership, held by around 500 persons, is really a season ticket entitling the holder to four major plays of a season at reduced rates. An associate member is invited to attend monthly meetings as a spectator.

"Anniversary Waltz" is a lively play and thoroughly enjoyable to young and old.

STORY LAND FAIR AT WEST CHURCH

Under the auspices of the Evening Circle of the West Church a fair entitled "Story Land" will be held in the new Vestry on Saturday Nov. 9 from 1:30 until 9 p.m.

Suppers will be served at 5:30 and 6:45 and Mrs. Charles Smyth and Mrs. Halbert Dow are co-chairmen of the event.

four years.

The major activity at Shawsheen is the production of the HAWK missile system, Dyer stated. Along with production, the systems will be circuit-tested and inspected for the reliability of materials and components. The missiles will not be fired here and Dyer explained there will not be any occasion when there would be any danger from any work at the plant.

Parking for 800

The firm, during its build-up of employees, has constructed two parking areas capable of handling 800 vehicles. A third, at the corner of Haverhill and York sts., is now being constructed and another is in the planning stages.

It is recalled that residents of the area sought town help in getting Raytheon employee cars off the streets during the daytime. Town officials, after Raytheon constructed the parking areas, put regulations into effect that limit parking in the area to two hours.

Commenting on another community problem, Dyer said the powerhouse is being operated "in exactly the same manner it has operated for some 20 years or more". But, he added, additives to the fuel, a steam nozzle and a redesigned chimney have "diminished the likelihood" of sooty smoke.

WHAT HAPPENED TO DAD?

Parents are frequently injured, sometimes seriously, while playing with children. It's just one of many, many ways accidents can and do happen. Better make sure you have an Accident policy to help pay budget-ruining medical bills.

GREAT BOOKS GROUP DISCUSSION

Members of the Great Books Discussion Group will continue their discussion of Shakespeare's "King Henry IV, Part 2" Oct. 15 at 7:45. Any member or interested person who missed the last meeting should try to attend, since the discussion will be based on both parts of the play.

At the opening meeting, 25 persons were present. Newcomers were welcomed into the group and all those who saw the special color film "The Great Conversations" felt that it presented the

case for man against ignorance most successfully.

At any time during the year newcomers will be taken into the group or simply invited to listen-in. For full information, call the library, Andover 314.

Library Closed For The Holiday

The Memorial Hall Library and its Children's Room will be closed Saturday, Oct. 12.

Travel Talks To Begin

The first of this season's travel talks will be held in the Memorial Hall Library at the end of the month, Friday, Oct. 25, at 8 o'clock. Full details will be announced later. Travel enthusiasts should hold the evening open.

Teachers See Film At Library

Several teachers of the Andover School Department attended the showing of a film on school libraries at the Memorial Hall Library recently. "Let's Visit School Libraries" presented an interesting and instructive picture of the place of the library in the school system. In the discussion period following, there was agreement that Andover schools line up favorably in many cases with the standards illustrated by the film and there was some talk of activities which could be undertaken to the advantage of the students. The following teachers were present: Mrs. Inman, Miss Harnedy, Miss Dobbie, Mrs. Carleton, Miss Barrett, Mrs. Jones and Mrs. Perkins, Miss Miriam Putnam and Miss Margaret Lane of the Memorial Hall Library were part of the group.

UN Films Available

Those groups already planning their UN Week programs are advised to make reservations for one or all of the three UN films which will be on hand at the library for community use during the week Oct. 19-26. The films are "Australia Builds", 10 minutes; "The Long Journey", 30 minutes; "Workshop For Peace", 29 minutes. All are suitable for audiences of junior high school age on through adult groups. There is no charge for the use of the films.

New Books At The Library

While the summer months slipped quietly away, you may have taken less time than usual to keep up with the good books which have been appearing on the library's purchase list. Here are a few of

the recent additions which deserve your attention for one reason or another: The Small Woman, Burgess, story of Gladys Aylward, London parlormaid who led 100 homeless Chinese in an epic journey across the wild mountains; The Fine Art Of Reading, Cecil, deals with 12 to 15 writers from Elizabethan era to the present; National Issues, Sobel, "Unbiased survey of the nation's major problems and the attitudes of both parties"; Stay Alive All Your Life, Peale, new insight into the needs of today's perplexed world; Individual Freedom And Governmental Restraints, Gellhorn, closely reasoned study of recent developments that encroach on the freedom of the individual-growth of administrative power to deal with personal interests, varied restraints on reading and restriction of occupational choice; A Hundred Hours To Suez, Henriques, inside story of the Israeli forces and the Sinai campaign; In The Court Of Public Opinion, Hiss, tells his own story of his appearance before the House Committee of un-American Activities; Massachusetts Politics, Latham, important for every citizen to know how our offices are filled: The Three Faces Of Eve, Thigpen, amazing account of multiple personality; Peacetime Uses of Atomic Energy, Mann; It Could Happen Only In The U. S., Fairless; The Day Christ Died, Bishop; Poets In A Landscape, Hight; Himself And I, O'Neill Barna; France In Crisis, Davey; Prophet In His Own Country, Davis; Gypsy, A Memoir, Lee; Art And Technique Of Portrait Painting, Taubes; The Green Dragon, Bass; Plant Propagation In Pictures, Free; The Express-

sionists, Zigrosser; Taxis Of The Marne, Dutord; Plain Talk For Women Under 21, Ludden. Fiction titles: Less Than Angels, Pym; A Houseful Of Love,

Housepian; Look To The Stars, Loring; The Printer Of Malgudi, Narayan; Coup De Grace, Yourcenar; Pillar Of Cloud, Burgess; Thunder Creek Range, Evan.

Wedding...

EKASALA - COMEAU
Of local interest is the recent wedding, in St. Francis of Assisi Church, So. Braintree, of Miss Jeanne Kershaw Comeau, daughter of Mr. and Mrs. John A. Comeau of So. Braintree, formerly of Andover and William Reed Ekasala, son of John V. Ekasala of So. Braintree.

The Rev. Leo Harrison celebrated the nuptial Mass and Performed the ceremony, which was followed by a reception at the Cochato Club in Braintree.

The bride, who was escorted by her father, wore a bouffant gown of white Chantilly lace over satin with a sabrina neckline and Cathedral sleeves. A jeweled coronet held her fingertip veil in place and she carried a white missal marked with an orchid and Stephanotis.

Mrs. Russell T. Trotter of Providence, R. I., sister of the bride as matron of honor, wore a bouffant gown of mint green satin with a bateau neckline of forest green silk ending with a bow in the back. She wore a matching head-dress and carried a colonial bouquet.

Leonard Bianco of Braintree Highlands was best man and the ushers were John Comeau, brother of the bride and George Reed of Duxbury.

After a trip to Canada the couple will reside at 65 Hollis st. So. Weymouth.

Paper Models On Display At Gallery

Of interest to science fans are a dozen structural paper models currently on exhibition at the Addison Gallery, Phillips Academy. They were made by students of Architecture at M.I.T. Each model represents an original solution to the problem of spanning space with modular units.

These models are included as part of the exhibition Decoupage, a type of ornament employing paper cut-outs, which was fashionable in European Courts of the 18th Century. This 20th Century structural use of paper affords a striking contrast with the paper cut-outs of the earlier period and helps define the difference in the two ages at a glance.

Visitors to the exhibition have shown so much interest in this method of ornamentation that a group of ladies skilled in the art have volunteered to explain and demonstrate it to the public. They are serving Wednesday, Saturday and Sunday afternoons until the exhibition closes October 27.

United Church Guild Plans Coffee Hour

The Ballard Vale United Church Guild will hold a coffee hour in the vestry Tuesday, Oct. 15, from 9:30 to 11 a.m.

A meeting of the Ways and Means Committee was held at the home of Mrs. James Letters in Lowell Junction last Thursday morning. The committee, Mrs. Randolph Perry, Mrs. William Batchelder, Mrs. Albert Warner and Mrs. Letters, planned to hold a rummage sale in April. Anyone having articles may call Mrs. Warner or Mrs. Batchelder, so that they can make collections and put materials in storage until next spring.

PERSONALS

Miss Jean E. Cady of Cutler rd. is attending Rogers Hall, Lowell for her second year.

Mrs. Helen Dick of High Plain rd. spent several days last week with friends in Springfield.

Attending Ohio College For Women

MISS ELLEN EDMONDS

Miss Ellen Edmonds, daughter of Mr. and Mrs. John B. Edmonds of Reservation rd., will be formally welcomed to Western College for Women in Oxford, Ohio, in College Day ceremonies, Saturday, Oct. 12.

College Day is a traditional event at Western when the freshman class is officially initiated into the college community. Each freshman will wear her class ribbons for the first time. Miss Edmonds is a graduate of Abbot Academy.

Ballad Singer To Appear Here

Earle Spicer, Canadian-born ballad singer, will appear at Davis Hall, Abbot Academy, Saturday evening, Oct. 12 to 8 p.m.

Ballad singing began as a hobby for Spicer but he has turned it into a profession and thus has enriched the concert stage. There is an art to singing ballads, to catch the sentiment and create the mood and Spicer has developed the art and a gracious style of presenting it. He can sing the mournful tunes as well as the happy ones and can capture the comedy, too.

He combines traditional English Ballads, Shakespeare and Gilbert and Sullivan with American Ballads and Folksongs, accompanying himself at the piano.

Mr. Spicer studied in London, Paris and New York and has been guest soloist with many of the reading Symphony Orchestras. For three years he was the featured soloist with Donald Voorhees and his orchestra at N.B.C. At the suggestion of music critics in Boston, New York and London, he now specializes in ballad singing.

The public is cordially invited to attend.

Allis To Speak On Aaron Burr

The second of the basic lecture series takes place Wednesday, Oct. 16, at 8 p.m. in the Little Theatre, Lowell State Teachers College, Broadway, Lowell. The lecturer is a well known author on the United States Constitution, Frederick S. Allis Jr., instructor in history at Phillips Academy since 1936 to the present. His particular topic for this lecture is "The Trial of Aaron Burr for Treason".

Mr. Allis will examine the definition of treason as set forth in the country's Constitution, the application of such in the famous Burr Conspiracy. With much attention centered at present upon activities in Little Rock, it is felt that Mr. Allis will cover such aspects of the present Southern controversy as do directly with the Constitution.

The doors of the Little Theatre will be open to the public 7:30 p.m., with admission free.

Bequeathes Art To Addison Gal.

The educational facilities of institutions have been notably enhanced by the recent bequest of New York art collector, Edward Root's collection of 20th-century American art has been bequeathed to Munson-Williams-Proctor Institute in Utica, N.Y. and the Addison Gallery of American Art, Phillips Academy, it has announced by the two institutions.

The result of some 50 years collecting contemporary American paintings and drawings, it singled out in February, 1955 the first private collection of modern American painting to be shown at The Metropolitan Museum of Art. According to the bequest 217 items are willed to Munson-Williams-Proctor Institute and to the Addison Gallery.

Boards Must Choose Wisely

There's a lot of speculation around town about a forthcoming appointment to the Board of Public Works.

Under the law, the Board of Public Works may decide that it is wise to fill the vacancy on the Board. Once having made that decision, they must then meet with the Selectmen and a majority vote of the combined Boards is needed to select a member. If the BPW wishes, it may also decide to let the vacancy exist until the next town election. This has been done once or twice before by the BPW when a vacancy came shortly before the election.

This time, however, it looks like serious thought is being given to making an appointment. If one is to be made, citizens of the town have a right to expect that the best possible man will be chosen, without regard to politics, whose chum he happens to be or whether he can be depended upon to vote "right" according to the views of some members.

Several names of men in the town have already been mentioned unofficially as being interested. They mostly are men who have sought out members of the Board to ask for the job.

Wouldn't it make more sense to go looking for the man who can do the best job - because often an able man doesn't push himself into the limelight while hopeful politicians always do.

It should be evident that the weight of this decision rests with the BPW, because that four-member Board can out-vote the three-member Board of Selectmen when it comes to the actual selection of the new member.

Down the Years with The Townsman

50 Years Ago - October, 1907

Mrs. Joseph F. Cole of Chestnut st. was the victim of a serious accident while a member of "Bassett's Foliage Tour" of the White Mountains which left Haverhill Saturday, Sunday, 15 of the party left Intervale House on a mountain brake drawn by six horses for a drive through the beautiful hills. When about five miles from Intervale and while the team was rounding a sweeping curve, there was a sudden loud snapping, the next instant one of the rear wheels fell from the broken axle and 15 happy people were piled into a frightened heap under the brake in the roadway. Both of Mrs. Cole's forearms were fractured.

Thomas Bentley conducted another fishing party off Swampscott Saturday. Those in the party were Thomas Donovan, George Donovan, Howard Baker, J. Morse, David O'Connell, Edward O'Connell, Kent Hilton, James Fairweather, George Ireland, George Frye, George Dane, Ralph Manning, Dudley Lindsay, A. M. Colby, Lawrence Colby and Thomas Bentley. Lawrence Colby caught the most fish and Ralph Manning the largest.

Mrs. Lillian White and daughter, Sarah and Cornelius Nurnane have been spending several days with the former's sister in Rochester, N. H. While there they attended the Fair.

25 Years Ago - October, 1932

John M. Erving replaced James J. Dugan Jr. as commander of Andover Post, 2128, V.F.W., as the result of the elections held Monday night. Other officers elected were senior vice-commander, William G. Martin; junior vice-commander, Alex Blamire; quartermaster, Harold S. Cates; advocate, James J. Dugan; chaplain, Alex Forsythe; surgeon, Frank Petty; and officer of the day, William Snyder.

Mr. and Mrs. Roland Weeks, who have been at York Beach, Me., all summer, spent the past two weeks visiting Mr. and Mrs. John B. Russell and family of Montpelier, Vt. and Mr. and Mrs. Paul O'Donnell of Briarcliff Manor, N. Y., all relatives of Mrs. Weeks. Mrs. Weeks was Jean Edmonds before her marriage.

Ruth Fairweather, Gordon Hall, Dorothy Jennings and Allan Ouellette, all of Andover, are among the 80 accepted in the

Essex County Agricultural School's department of agriculture this year. Muriel Johnson has enrolled in the Homemaking department.

Miss Ruth Pratt, Miss Mary Barnard, Edward Howe, Standish Perkins and Albert Swenson comprised the committee in charge of the dance, sponsored by the Punchard seniors Saturday night.

10 Years Ago - October, 1947

Mr. and Mrs. Stafford A. Lindsay, 6 Argyle st., announce the engagement of their daughter, Barbara Cook, to Donald Adelbert Boynton, son of Mrs. Marion Lewis Boynton and the late late Kellogg Boynton of Hidden rd. Mr. and Mrs. William H. Merchant, 14 Canterbury st., celebrated their 20th wedding anniversary last week by motoring down to Williamsburg, Va., where they stayed at the Williamsburg Inn. They combined the trip with a visit to Georgetown University where their son, Robert, entered his sophomore year this fall.

Miss Joan Dorothy Blanchette, daughter of Mr. and Mrs. Maurice J. Curran Jr. of Greencourt, So. Main st. and Miss Harriet Sears, daughter of Mr. and Mrs. Richard H. Sears of Rockwell House, have entered the House in the Pines at Norton.

Fred Cole, Punchard left half-back, suffered a fractured nose and a slight concussion in an unusual accident during a practice session Monday afternoon.

GOURMET "STEALS"

BY BETTY BLAISDELL

Whether fried, baked, broiled, barbecued, roasted or cooked in water, our feathered friend, the chicken - sans feathers, of course - is bound to reach more family tables this month and next than any other meat. Broilers and fryers are being featured in all the markets in abundant supply, tender and very young - not more than 16 weeks old I'm told.

Average weight of these flavorful little babies is under three pounds, so you see you won't have to break up the bridge game much before four o'clock if you want to plan to have a good chicken dinner ready by six.

I like to buy my broilers quartered, which makes just a nice serving for the first round, at least, and then, too, the pieces fit nicely in the fry pan, making it easy to gently turn them as they brown. Halves are more elegant for company, however, and as a suggestion for an easy and very delicious dinner party I can think of nothing more tempting, in fact, than broiled halves of young chickens. Buttered snap beans with a hint of summer savory, a sweet potato and apple casserole and in place of the familiar tossed or molded salad, why not little dishes of sliced cucumbers in sour cream sauce?

Now that the cucumbers are crisp and at their best, it is not necessary or even desirable to peel them. Just slice thinly don't be skeptical, prejudiced or stuffy about this now, for I warrant you and your guests will love them served this way:

CUCUMBERS IN SOUR CREAM

- 1 large cucumber
- 1/2 cup sour cream
- 1 Tbl. cider or tarragon vinegar
- 1 1/2 tsp. salt
- chopped chives
- paprika

Put the sliced cucumbers in bowl of cold water, add salt and place in refrigerator. After several hours remove to large sieve, rinse with cold running water and drain. Press gently with hands to remove moisture. Combine sour cream with vinegar and toss the cucumbers into the dressing. Add chopped chives and paprika. If you have no chives, Spanish onion rings can be added to the salted water along with the cucumbers.

SWEET POTATO-APPLE CASSEROLE

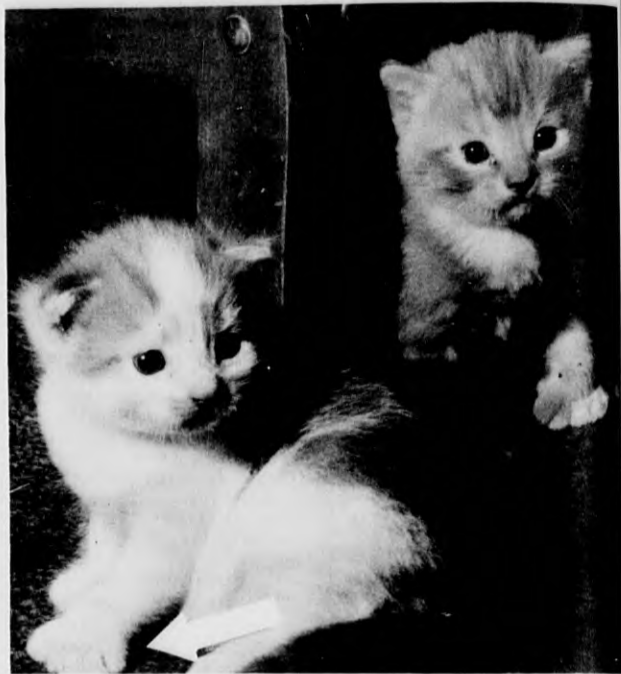

This is another delicious way of using the apples you may be buying in large quantities this month. Two tart ones should be enough for an average casserole and if you have sweet cider, use 1/2 cup of that, too. This is about the way I prepare the casserole:

- 6 average size sweet potatoes
- 2 tart apples
- 1/2 tsp. salt
- 2 Tbl. butter
- 1/2 cup cider
- 3 Tbl. Dk. brown sugar

Pare the potatoes and slice thinly; core the apples and slice. Cortlands are good for this and don't pare them but thinly slice these, also. Arrange apples and potatoes in alternate layers in a buttered casserole. Dot with butter, add melted butter and sugar and pour on the cider. Bake with cover in 350 degree oven until potatoes are soft or nearly soft. Remove the cover and allow to brown for the next 10 or 15 minutes.

OATMEAL MACAROON COOKIES

(Mrs. George Moss)
Mrs. Moss, who lives on Dascob rd. and has five children under 10 years of age, has developed this cookie recipe which is just the ticket for snacking school kids in mid-afternoon. She has contributed the recipe to the Ballardvale P.T.A. cook book, just published and many of Mrs. Moss' friends and neighbors are

NO ORDINARY CATS' PAWS - Calico, pet mother cat of Mrs. Walter Wroble of Shawsheen rd., produced cute and unusual offspring three weeks ago. Both kittens have six toes on the front paws. Both, by the way, are males. (Leone)

baking them. (Mrs. Anthony Lumenello, for one, who has made two batches so far this week!) Incidentally, this recipe makes 80 or 90 cookies.

- 1 cup homogenized shortening
- 1 cup dk. brown sugar
- 1 cup granulated sugar
- 1/2 tsp. vanilla
- 2 eggs unbeaten
- 1/4 cup pastry flour
- 1 tsp. soda
- 1/2 tsp salt
- 1/2 tsp cinnamon
- 3/4 cup chopped walnuts
- 3 cups quick oats

Use the electric mixer for this and beat well the first five ingredients. Sift the dry ingredients and add with large wooden spoon (I would); then fold in oats and nuts. Drop by spoonfuls on greased baking sheets and bake 12 to 15 min. in 350 degree oven.

DELICIOUS GOLD CAKE

- (Mrs. Bart Smalley)
- 1/2 cup Spry
 - 2 cups cake flour, sifted
 - 1 1/2 cups granulated sugar
 - 2 eggs
 - 3 tsp. baking powder
 - 1/2 tsp salt
 - 1 tsp. vanilla
 - 1 cup milk

Another contribution to the Ballardvale P.T.A. cook book which is proving satisfactory to many. Mrs. Smalley bakes her cake in many forms with equal success - cup cakes, loaf, square or layers. It takes a 350 oven; about 25 min. for layers.

I LIKE A BUTTER CAKE

With real butter, that is - a half pound and for two cups of flour I use four eggs. The only skipping I do is on added flavorings (with butter which has a good flavor of its own, only 1/2 tsp. vanilla; or no vanilla and just a grating of fresh lemon peel or 1/2 tsp. almond extract). I also skip on baking powder - just 1/2 tsp. of Rumford. I mix it the old fashioned method - long creaming of butter and sugar; then add the egg yolks (saving the stiffly beaten whites to the last, gently folding them in). Now alternate the sifted dry ingredients (2 cups cake flour, 1 1/2 tsp. baking powder and 1/2 tsp. salt) with 1 cup milk to which the flavoring has been added. Fold in the whites. This makes a beautiful, rather stiff batter which can be spooned into a large square pan (8 1/2 X 8 1/2 X 2") deep and baked in a 350 oven. Allow less than an hour. Don't overbake. It will brown nicely with no cracks.

This butter cake can be sliced thinly without crumbling all over you and the table. It is light and fine-grained and gets raves by my bake judges (here at home).

Reports On Tree Planting

The Andover Village Improvement Society, through its secretary, Lester Newton, has recalled the Society's and town's tree-planting program and reported on activities during the year. The report from Mr. Newton reads:

"Two agencies were active during the early spring in carrying out a program of planting shade trees. The Tree Department of the BPW planted trees along the streets of Andover and the park committee of the A.V.I.S. continued its project of planting in the park.

"An appropriation from the A.V.I.S. enabled the Tree Department to expand its program further than in other years. The trustees voted the sum of \$500 to purchase shade trees, provided the town would appropriate an equal amount. The offer was accepted by the town and as a result the Tree Department planted 106 shade trees, which include Pin Oaks, Norway Sugar Maples, Yellow-Woods, Lindens and others. These trees were given to citizens who filed applications with the Tree Department of the BPW. Fifteen applications for trees next spring have already been received. This work is doing a permanent good for property owners by making their homes more attractive and more pleasant to live in.

"In the park, the AVIS has drawn on an appropriation of \$300 and planted, in the early Spring, 21 trees at the eastern end of the park. The kinds of trees planted are Sugar Maples, Crimson King Maples, Trident Maples, Japanese Keaki, Moraine Locusts, Sunburst Locusts, Eley Crabapple and variegated Leaf Maples. G. Richard Abbott had charge of this work.

"The Dutch Elm disease has caused much concern this summer to the Tree Department. Out of 106 trees tested, 71 or 67 percent fell victims of the disease. The department reports six trees have already been removed and the department is now working on the others. Last year the town lost 77 trees on account of the disease. William P. Busby of the Tree Department is in charge of the work."

MOVE SWIFTLY TO TIE IN WELLS

(Continued from Page One)

Still to come, in the effort get the wells tied in this winter are bids on the pumping house and equipment. Some \$59,000 worth of pipe and fittings had already been contracted for, the Board explained.

Engineer Joseph Lawlor said two bids received Tuesday night on wells and mains - represented a saving of \$11,000, compared with his firm's estimate for this work.

The low bid on the mains came in at \$24,218 from DiMartino & Sons. Next came E. Susi and Williams Corp., at \$24,281 and then was the Z. and S. Construction Co., with \$24,395.75.

The engineers' estimate was \$33,000 on the mains and \$13,000 on the wells.

Can Be Done In Time

The Board interviewed all the low bidders, with the Selectmen and Finance Committee listening in, to find out how soon they could start and how long the work would take.

General opinion was that the mains could be installed in about 50 working days, although the bidder specified 80 days in his bid. He agreed to the shorter time explaining that it is customary to give some leeway in favor of the contractor, when time must be specified in the contract. This might prevent a contractor from being penalized if he gets held up because of weather or unforeseen delays.

Lawlor told the BPW that the work can be finished this winter easily - with mains to be constructed in the streets first. Work in the country area, about 20 percent of the total 8000 feet, could

Can Be Done In Time

The Board interviewed all three low bidders, with the Selectmen and Finance Committee listening in, to find out how soon they could start and how long the work would take.

General opinion was that the mains could be installed in about 50 working days, although the low bidder specified 80 days in his bid. He agreed to the shorter time, explaining that it is customary to give some leeway in favor of the contractor, when time must be specified in the contract. This might prevent a contractor from being penalized if he gets held up because of weather or unforeseen ledge.

Lawlor told the BPW that the work can be finished this winter easily — with mains to be constructed in the streets first. Work in the country area, about 20 percent of the total 8000 feet, could

be carried on into December, he predicted.

Town Meeting

Harking back to Monday night's special town meeting, some 578 voters gave unanimous approval to the water project. First, they beat an amendment offered by the Taxpayers Association, which would have created a special five-member board of review. This board, proposed by Taxpayer President Henry Wolfson, would have been instructed to report to the town within two weeks on whether the BPW plan was practical or whether Taxpayer suggestions could be adopted.

At the outset of the meeting, BPW Chairman Allen Flye reviewed the water problem and outlined the Board's reasons for requesting the \$280,000 to solve the water supply emergency.

Mr. Wolfson raised these points: that Pump's Pond might be drawn down by the Ballardvale well; that

a multiple tie-in, with booster pumps, could be accomplished for \$20,000 and the town would still get 500,000 gallons of water daily from the Ballardvale well (a

saving, he estimated, of about \$90,000); that possibly a 10-bed filter plant at the Shawsheen Mills might be available to provide filtered water for the town.

Engineer Lawlor refuted the Taxpayers' statements, stating that the multiple tie-in, with booster pumps, would ultimately cost \$80,000 when adding in high maintenance and pumping costs; that the 16-inch main needed to be installed eventually, whatever happens now; that Pump's Pond

will not be drawn down by the well and that the filter beds in Shawsheen were not practical for municipal use. He also said that

Bradlee School PTA Named Officers

The first meeting of the Ballardvale Parent Teacher Association was held last Oct. 3 in the Bradlee school.

The meeting was opened by the secretary Mrs. Henry Wrigley, due to the resignation of the president and vice president.

Charles Bentley as chairman of the nominating committee, submitted the names of James Gardner for president and John Andrews for first vice president and they were approved unanimously. A communication of thanks from the

Andover Little League for a donation was read and Mrs. Harry Dustin gave a report on the cookbooks and stated that any extra copies be returned to her.

Durwood Moody gave a report on the annual Halloween party. Several members volunteered to help.

Ideas for future entertainment at meetings was discussed. Lionel Goulet stated that he would appreciate any helpful suggestions concerning the safety patrol. Mrs. Branis' Kindergarten room won the banner award. Following the meeting refreshments were served by the officers.

PILGRIM FELLOWSHIP HELD RETREAT

Members of the Senior High Pilgrim Fellowship of the West Church enjoyed a Days' Retreat at the summer cottage of Mr. and Mrs. Rodney Ball at Seabrook, N. H. on Wednesday. Plans were discussed for their winter activities. A hamburger and hot dog cookout was enjoyed at noon time.

Cast Set For Rumpelstiltskin

READING FOR PARTS - These youngsters read for parts in Rumpelstiltskin, the first play to be presented by the Children's Theatre Workshop this fall. Left to right are Ray Chadwick, Philip Sorota, Cathy Pickering, Matt Roehrig, Darlene Bennert and Mrs. William Edwards, (Leone) director.

Not Cowbirds or Spindleshanks or Spiderlegs . . . or Caspar, Melchior or Balthazar . . .

Rumpelstiltskin is my name! At least it's young Dudley Whitney's for the next five weeks, for Dudley has been chosen to play the title role in the first Children's Theatre Workshop play this coming Nov. 15 and 16 in Memorial Auditorium of the Andover Junior High School.

This favorite Grimm tale, "Rumpelstiltskin", which will be presented by the new, permanently-formed Workshop, under the sponsorship of the No. Andover-Andover Parents League, is now being regularly rehearsed three days weekly in the Central School Auditorium and the Graham House at Phillips Academy. Mrs. William R. Edwards of Salem st. is the capable director, under whom a large group of boys and girls from grades six through nine, comprising the cast and working crews, is busily working.

The full cast, carefully chosen by the director herself after two days of tryouts, follows:

The Daughter (who must spin gold out of straw), Debbie Dearborn; Mother Hulda, Bridget Parsons; The Miller, "Chippy" Wilson; The Miller's Wife, Nancy Hart; The King, Allan Johnson; Inger, Gary Chadwick; Gothol, Philip Sirota; The King's Son, Matthew Roehrig; Karen, Lee Clark; A Nurse, Ainslie Anderson; Ladies-in-Waiting, Carol Jones and Denise Puma; Page, Peter Bradford. Cathy Pickering has been chosen the prompter.

While not a musical performance, some music has been written in to add gaiety and interest and to give more children an opportunity to take part. A chorus of singers has not as yet been selected, but Mrs. John Cole has agreed to provide the piano accompaniment.

Costumes, scenery, lights, make-up and all stage work will be executed by members of the Workshop under the supervision of Parents League chairmen, appointed by the general Theatre Workshop chairman, Mrs. Samuel S. Rogers, at the organizational meeting last spring.

Campfire Leaders Planned Events

The Leader-Sponsor Association of the Campfire Girls met Oct. 1 at the home of the chairman, Mrs. Gordon Lauder.

During a discussion of plans for the year, it was decided that, in order for a child to participate in the program, parents must absolve the leaders of any liability for injuries.

Mrs. Doris MacCallum, district leader, announced that two basic training sessions will be held Oct. 29 and Nov. 5 in the Congregational Church in No. Reading. All leaders and assistants are eligible to attend these sessions.

Appointments announced during the meeting include Mrs. Gerry Lebach, treasurer; Mrs. James Prout, hospitality; Mrs. Martin Burns, uniform exchange; Mrs. Michael Pawlik, supplies; Mrs. Sherman Carr, nominating committee and Mrs. Robert Foster, publicity.

Others attending the meeting were Mrs. Chester Kopatch; Mrs. Douglas Howe, Mrs. John Lowe, Mrs. Frank Santuccio, Mrs. Alexander Blamire, Mrs. Don Scott, Mrs. John Flaherty and Mrs. Frank Jamieson.

still going to be slow". Billy required surgery to repair a fractured skull, which had kept him in a coma for six days following his accident. And more surgery may be needed to replace a piece of bone removed by the surgeons.

So it's going to be a long while before Billy gets back to his fourth grade class at Bradlee School.

But whether in school or not, Billy's friends haven't forgotten him. Every youngster in his class has sent a card or letter - and the class has sent along two big baskets of fruit and other things tempting to a nine-year old.

And from far away, Billy found his two special friends - Ted Williams and the Cleveland Browns.

Selectman Stafford Lindsay acted as messenger - delivering a baseball inscribed "To Billy, Get Well Soon, Your Pal, Ted Williams".

And he also gave Billy the football, signed by every member of the Browns.

"It's wonderful for people like that to take time to do this", Mrs. Machen smiled.

And while Billy enthused over his two prized possessions, Mrs. Machen continued:

"He's up and around and he's really improving - faster than they thought he would."

"I just can't thank people enough. Why, I've even had letters from people I don't know offering help and encouragement."

Sophomores Elect Class Officers

The sophomore class of Andover High School held its class elections last Wednesday, Oct. 2. The following were elected: Jack Van Nest, president; Dick Workman, vice president; Judy Karlis, secretary; Lynn Johnson, treasurer; and Meredy Manning, Social Committee chairman.

Student Council

The homeroom representatives for the Student Council at Andover High School have been elected by the student body.

The senior class representatives are John Giovinco, William Burleigh, Gordon Schwartz, Donald McAnern, David Simpson, Robert Mehlfouse and Norma Heseltine.

Junior class representatives are Leslie Hart, George Connors, Thomas Nedelka, Edward Ratyna, Roy Sharpe, Cornelia Barry and Elizabeth Campbell. The sophomore class representatives are Linda Black, Carol Gesing, Judith Karlis, Larry Muller, Richard Workman, Paul Durant and Alice O'Connor.

At the next meeting of the Student Council, the offices of vice president, treasurer and secretary will be filled by the Council. Rand Gesing is this year's president.

legal red tape over water rights would take a long time to untangle.

Voters listened politely to both sides of the debate, hearing John Rasmussen and Heinrich Rohrbach support the BPW plan. Atty. Charles Hatch spoke for the Finance Committee, approving the article and, later, Melvin Hutchinson reminded the voters that a 15-year bond issue, although more expensive in the interest column, is what the town can afford now. Hatch pointed out that a five-year bond issue, with higher payments on principle and interest each year might prevent the town from tackling other municipal improvements.

Wennik Caused Sensation

The meeting's only flurry of excitement came during a speech by Harold Wennik, in support of the BPW proposal. After lauding the members for spending so much time and remarking that he knew most members of the Finance Committee and the amount of time they spent reviewing town problems, he asked "are we going to take their word or that of one of our 20 minute citizens?"

After a moment of silence, Miss Gladys Hill rose to state "I refuse to sit here and listen to such insults". The meeting applauded and, as Wennik tried to continue, drowned him out.

Wennik then came to the front of the hall and said "I regret very much that I made that remark about Mr. Wolfson. I said it in haste and I regret it very much. I publicly apologize."

Wolfson then took the floor to state that the Taxpayers spent more than 20 minutes reviewing all subjects.

Later, former Town Engineer Ralph Preble asked the voters whether there were any civil engineers present who would be willing to serve, as suggested by Wolfson, on a special board. Three stood and Preble expressed surprise, then said, as an engineer, he supported the BPW proposal.

Mrs. George A. Brown asked the voters to support the article, since it had been drawn by a competent engineering firm.

The Taxpayers' amendment was then voted down by an overwhelming voice vote and, after Moderator Roland Sherman reminded the vote that a bond issue requires at least a two-thirds vote, a unanimous vote was recorded for the project.

Approve Pit By-Law

A gravel pit by-law, giving the selectmen authority to permit or control gravel pits in the town, was voted. Atty. Fredric O'Brien of the Planning Board supported the by-law, explaining that present control is not strong because it is tied with zoning by-laws.

In other business, the vote approved accepting Oriole d Strawberry Hill rd. and Rennie c. They also approved land taken near Shawsheen rd., in connection with the street reconstruction, a appropriated \$1, as requested by the BPW.

Germani At Organ Hall

The Methuen Memorial Music Hall will present an organ recital by Fernando Germani of Rome Wednesday, Oct. 16, at 8:30 p.m. The program comprises works by Frescobaldi, Sweelinck, Bach, Dupre, Shatto, Germani and Reg. "Near East" Is World Friendship School Topic

The theme at the School of World Friendship held at the Free Christian Church Sunday, Oct. 13, will be "The Near East".

The School of World Friendship will open formally in the sanctuary of the church at 6 p.m., but is preceded by a box-lunch supper for all who care to participate. Ladies of the Women's Union will serve beverages at the supper under the direction of Mrs. Gordon Thompson, Miss Ida Von Siebenthal, Mrs. Archie Gunn, Mrs. Robert McAnern, and Mrs. Walter Downs. Members of the Women's Union will also provide baby-sitting service for children under school age during the session.

At 6 p.m. the School will meet in various groups, according to age. Adults will hear the Rev. Giragos Chopourian of Cyprus, who will speak on "Fruits of Mission Work in the Near East". Junior-age children will see slides and hear a report on the Heifer Project by The Rev. Andrew C. K. Richards, pastor of the First Congregational Church in Lowell who went to Europe this summer to help in the distribution of heifers to needy refugee families. Children and members of the Free Christian Church, by their gifts "sponsored" a heifer for this project. Mr. Richards will also have an opportunity to bring a brief report to the adults during the School of World Friendship. Primary and Kindergarten children will see slides and filmstrips on Our Christian World Mission, shown by the Rev. Horace Seldon.

The youth of the Junior and Senior High Fellowships will see a movie, "South of the Clouds", which interprets the impact of Christianity on a college campus in the country of Lebanon. The School of World Friendship will adjourn at 7:30 p.m. Children are admitted free and adults may buy tickets for the series of meetings from Ralph Manning.

Trying To Unwind Over Braeland

Contractor Donald Dow is trying to unwind the tangled Braeland development off Elm st.

Over a year ago, residents of the area, the Selectmen officials of the Veteran's Administration agreed to a plan that would see roads finished, water installed where necessary and area made to conform to subdivision standards.

Money to pay for the project has been held up from the developer by the V. A., the town and banks. Dow Construction Co. of Methuen was hired to do the work, but that firm completed some of the work and then waited until mid-September to collect for the work already done.

Now the contractor wants to be certain that if the work is finished he will be paid.

However, the Board of Public Works Monday night decided not the proper board to release the funds, when and if the work is done, and suggested perhaps the Selectmen should do it.

The Board did agree to inspect the area, when it has done the work, to see if the finished project conforms to the letter sent by the Board of Braeland Associates a year ago. That letter specified the work to be done. "In all probability we will accept it if those things are done," commented Chairman Allan L.

Trying To Untangle Red Tape Over Braeland Construction

Contractor Donald Dow and several town departments are still trying to unwind the tangle surrounding the Braeland development off Elm st.

Over a year ago, residents of the area, the Selectmen and officials of the Veteran's Administration agreed to a plan that would see roads finished, water mains installed where necessary and the area made to conform to sub-division standards.

Money to pay for the project had been held up from the developer by the V. A.; the town and local banks. Dow Construction Co. of Methuen was hired to do the work — but that firm completed some of it and then waited until mid-summer to collect for the work already done.

Now the contractor wants to be certain that if the work is finished, he will be paid.

However, the Board of Public Works Monday night decided it was not the proper board to release any funds, when and if the work is done, and suggested perhaps the Selectmen should do it.

The Board did agree that it would inspect the area, when Dow has done the work, to see whether the finished project conforms to a letter sent by the Board to the Braeland Associates a year ago. That letter specified the items to be done. "In all probability we'd accept it if those things are done", commented Chairman Allan Flye.

sonnel Board and proposals were received from more than six firms.

The Evans organization has conducted classification and compensation studies for the State of New Hampshire, the County of Suffolk, the cities of Brockton, Waltham and Holyoke, and Concord, N. H. and the towns of Falmouth and Weymouth. The cities of Boston and Newton and the town of Brookline were served in

the field of financial administration. The head of the firm, Charles M. Evans of Concord, was previously New England manager of Griffenhagen and Associates for an eight year period.

It is anticipated that the study will be completed by the end of the year, including preparation of suggested amendments to the town by-laws, codifying the classification plan and personnel practices. A meeting of representatives of the consultants with town officials took place Wednesday afternoon and another meeting has been arranged with the Town Employees Association Monday evening, Oct. 14. Town employees will be asked to answer questionnaires which, after interview by the consultant's job analysts and review by supervisors, will be used as basis for evaluation. In recommending proposed salary ranges to the Personnel Board for each classification, salaries paid for similar positions in comparable Massachusetts municipalities and the general level of wages paid by private employers in the Greater Lawrence area, will be considered.

Personnel Board members said that, in addition to being impressed with the professional competence of Charles M. Evans and Associates, they gave considerable weight to the fact that the consultants were a strictly New England organization which was willing to do the necessary field checking of representative positions in each classification. Between the time the study is completed and town meeting, the Personnel Board is expected to give all interested groups sufficient time to discuss all phases of its proposals. Members of the Personnel Board include John C. Young, chairman; William Macintosh, Kenneth C. Bevan; William Harnedy and John Sullivan, secretary.

A petition has been presented to said Court by ROSCILLA J. HARRINGTON formerly ROSCILLA J. LOTHIAN of Reading in the County of Middlesex representing that she holds as tenant in common one undivided sixth part or share of certain land lying in said County and briefly described as follows:

Land in Andover near Ballardvale in said County of Essex, bounded and described as follows, viz: Beginning at the old Boston Road now known as Woburn Street by land once of White; thence running westerly about 1213 feet by land of White and Moses Abbott, now or formerly; thence Southwesterly about 1484 feet by land now or late of Moses Abbott and one Stat to a point near the Mill Pond and Chandler's Bridge; thence in various courses generally Northeasterly about 1997 feet to the old Boston Road; thence Northerly 350 feet by the Old Boston Road to the point of beginning.

Being the same premises conveyed by Elizabeth Stickney Administratrix of the Estate of Sarah Melina Moody to Charles G. Stickney by deed dated July 14, 1924, recorded with North Essex Registry of Deeds, Book 502, Page 99, in which deed said Charles C. Stickney was called Charles G. Stickney, setting forth that she desires that - all of said land may be sold at private sale for not less than - Fifteen Hundred dollars, and praying that partition may be made of all the land aforesaid according to law and to that end that a commissioner be appointed to make such partition and be ordered to make sale and conveyance of all or any part of said land which the Court finds cannot be advantageously divided either at private sale or public auction, and be ordered to distribute the net proceeds thereof.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Haverhill before ten o'clock in the forenoon on the twenty-eighth day of October 1957 the return day of this citation.

Commonwealth of Massachusetts LAND COURT No. 25177 Misc.

In Equity.
(SEAL)
To MLO H. GOULD, now or formerly of Andover, in the County of Essex and said Commonwealth, or his heirs, devisees or personal representatives:

GREETING:
Whereas a suit in equity has been begun against you in our Land Court, by THOMAS ARNOLD THOMPSON, KENNETH H. THOMPSON and LOUELLA THOMPSON of said Andover

WE COMMAND YOU, if you intend to make any defense, that on the first Monday of December next, which Monday is the return day of this subpoena, or within such further time as the law allows, you do cause your written appearance to be entered and your written answer or other lawful pleading to be filed in the office of the recorder of said court at Boston in the County of Suffolk, and further that you defend against said suit according to law, if you intend to make any defense, and that you do and receive what the court shall order, adjudge and decree therein.

Hereof fail not, at your peril, as otherwise said suit may be adjudged, and orders and decrees entered therein, in your absence.

The plaintiffs allege to be the owners of certain land containing about 135 acres in said Andover; that the title is clouded by a deed in the chain running from MILO H. GOULD to THOMAS ARNOLD THOMPSON et ux, dated August 24, 1928 and duly recorded in Book 542, Page 5, in which deed the words "which I have heretofore sold and conveyed" and the words "this conveyance is made subject to any parcels heretofore conveyed"; and praying that the court establishes their title under a deed running from Colder J. Stone, dated February 25, 1936 and recorded in Book 597, Page 60 for all the land described in said deed except certain lots previously conveyed to the said Colder J. Stone or any conveyances subsequent to that time as represented by deeds duly recorded.

And it appears to the court upon the suggestion of the plaintiffs that the whereabouts of the defendants are unknown and cannot actually be served with process it is ORDERED that notice be given by publishing a copy of this order once each week for three successive weeks in the Andover Townsman a newspaper published in said Andover, the last publication to be one month at least before the said first Monday of December next.

Witness, JOHN E. FENTON, Judge of our Land Court, the twenty-fourth day of September in the year of our Lord one thousand nine hundred and fifty-seven.

"ALL THINGS ARE CHANGED, AND WE CHANGE WITH THEM"

* (Author's Name Below)

In recent years there has been a great change in the practice of medicine and pharmacy.

To keep pace with this change we pharmacists are continuously studying the drug and medical journals. As soon as a new drug is released we not only stock it, but learn all about its dosage, action, proper compounding and preservation.

That is why we are prepared to compound any prescription, prescribed by any physician, no matter how distant, exactly as he specifies.
