## O'Hagans Mark 50th Anniversary

Mr. and Mrs. Edward J. O'Hagan, 1 Baker In., observed their 50th wedding anniversary Monday at an 11 o'clock Mass at St. Augustine's Church. Very Reverend Henry B. Smith, O.S.A. pastor, celebrated the Mass and presented the Papal Blessing to the couple.

Following the Mass, a catered dinner was served at the Knights of Columbus Hall with relatives and the immediate family in attendance. Open House was held from two to four o'clock for friends of the family.

Mrs. O'Hagan was formerly Margaret Gormley and was employed in Andover before her marriage. Mr. O'Hagan came from Ireland as a boy and was employed by the Andover School System before retirement. He is now the caretaker of St. Augustine's Cemetery.

They were married in St. Augustine's Church July 5, 1910. Father Reardon performed the ceremony.

## Bus Schedule To Pomp's Announced

Two bus trips daily to Pomp's Pond are scheduled, according to Supervisor Donald D. Dunn.

The morning trip begins at the West Parish Playground at 9:30, and at five-minute intervals, the stops are Shawsheen Square, Andover Square, Salem st. and Highland rd., South Main st. and Ballardvale rd., Ballardvale Playground, and Pomp's.

The bus leaves the pond at 11:45, reversing the route taken earlier in the day.

The afternoon trip begins at West Parish at 1:20, and the same order of stops is observed, allowing about five minutes from point to point.

The bus leaves Pomp's at 4:30 for the final homeward trip, following the reverse route.

If more than one trip is necessary, the bus will take passengers for the stops ending with the junction.

**PLAYGROUND STAFFERS MEET** - At the beginning of the playground season, members of the staff met with Supervisor George Snyder to make plans for the activities. Seated are Anne Marie Walsh, arts and crafts director; Richard F. Collins, George F. Snyder and Nora Harrison. Standing are Jean Lynch, Pat Lebeck, Dianne LaRoche, Sue Wholley, Mary Ellen Winters, Beverly Sparks, Nancy Pearson, Alice M. Lynch, Joy Partridge, Virginia Snyder and Theodore C. Boudreau. George Connor was unable to be present. (Leone)

## Playgrounds Schedule Numerous Activities

Special playground activities are again scheduled this week, as enrollment on the town's five playgrounds continues to grow.

Playground Supervisor George Snyder said the total enrollment Tuesday morning was 1,177.

Activities planned for the week include a talent show Friday morning at 11 in Shawsheen, a bike and wagon show at Central tomorrow, stuffed animal contest at West Center tomorrow morning, a baby picture contest tomorrow at Ballardvale, and a pet show at Indian Ridge.

The results of last week's activities:  
Ballardvale - hat show - Cynthia Orlando won the gold ribbon;

prettiest, Karen Moss, Marion Norris and Jean Cloutier; most colorful, Janice Norris, Candy Maher and Susan Leslie; most unusual, Patricia Townsend, Ila Grant and Karen Mears; largest, Beth Heyman; smallest, Richard Moss; funniest, Eric Mears.

Indian Ridge - stuffed animal and doll show - prettiest doll, Mickey Lynch and Denise Walker tied for first, Karen Gould, Patricia Paramba; most unusual, Laurie Gould, (Continued on Page Four)

## Caffrey Named Federal Judge

Andrew A. Caffrey, 47 Woodland rd., has been nominated to be a United States District judge for Massachusetts by President Eisenhower.

Senator Leverett Saltonstall recommended the appointment of the local resident, who has been serving as first assistant to the United States Attorney in the Commonwealth. He had been serving as chief of the civil division, under appointment by the Hon. Anthony Julian. He was appointed to the newly-

## COUNTRY CLUB HAD FAST APPROVAL

Last week's special town meeting gave quick approval to the country club in West Andover, and to the payment of vacation wages in advance for town employees.

It defeated the apartment project off Morton st. Other articles were withdrawn by the proponents, to give the responsible boards an opportunity for further study.

About 600 persons attended the session, well over the 350 quorum.

## Quietest Holiday In Many Years

Andover's Fourth of July was certainly "safe and sane".

Police Sgt. William R. Hickey commented Tuesday that he cannot recall a quieter "Fourth".

The town had no municipal celebration, and traffic was held to a minimum throughout the weekend. Sgt. Hickey said several persons had remarked to him that they planned to stay home, after hearing about the mounting traffic fatality rate.

Route 93, officials feel, took most of the traffic that would have come through the town along Route 28 in other years.

## Will Continue Musical Study

## MISS JOAN-ELLEN SIMEONE

Miss Joan-Elle Simeone, a member of this year's graduating class at Andover High, has been accepted at Lowell State Teachers' College, where she will major in music.

She is the daughter of Mrs. Paul Simeone, 13 Stratford rd., and the late Mr. Simeone.

Miss Simeone is the only girl to have been a member of the All Girl Band for nine years, starting when she was in the fourth grade. She was awarded a pin, at the annual high school awards assembly, as (Continued on Page Four)

tion of Salem st. and Highland rd., then return to the Pond for the second load.

Mr. Dunn has also announced the following schedule of classes: Monday through Friday, 10-11, beginners swimming, instructed by Bob Wiss and Don Sorrie.

Monday, Thursday and Friday, 11-noon, intermediate swimming, instructor Bob Wiss.

Tuesday and Thursday, 11-12, swimming, instructor Al Carlson, Ed Ratyna and Dot Piercy.

Tuesday and Wednesday, 11-noon, junior life saving, instructor Don Sorrie.

Tuesday and Thursday, 6:15 p.m., senior life saving, instructor Fred Polgreen.

Monday, Wednesday and Friday, 11-noon, diving, instructor Fred Polgreen.

Adult swimming instruction will be given in the evenings, by appointment. Those interested should contact Mr. Dunn.

Monday, Wednesday and Friday, 10-11, standard first aid, instructor Fred Polgreen. This is a new course this year.

Some 218 youngsters took part in classes Tuesday morning, Mr. Dunn estimated. Helping the staff were 34 volunteers.

Over the long weekend, Mr. Dunn said attendance held up fairly well, although fewer persons used the town facility Monday than had been anticipated. Approximately 2,600 used the pond Sunday, he estimated, and about 2,000 to 2,400 Monday. Mr. Dunn commented that about 150 out-of-town cars were turned away last Saturday.

**Leavitt's Anthology Now At Library**

A new book has been added to the Memorial Hall Library which should be of particular interest to Andover readers. It is "The Looking Glass Book Of Stories", edited by Hart Day Leavitt, a local resident.

Mr. Leavitt has explained in the introduction just why he has collected these stories for his anthology; he states very clearly that there is no obvious moralizing and preaching in the selection. The subject matter is arranged under four groupings - symbolic stories, pure entertainment, strange pieces and "part fun, part symbol."

He has gone to the masters of the short story art for many of the tales included - Thurber, Brown, Coates, Saki, Wilde, Benet, Twain, Leacock, Bunner, Stockton, Stevenson, Aiken Steele, Chekhov and Poe.

The book may be seen at the library and may be reserved.

**Hopkins To Spend Year At Harvard**

The School Committee has voted a stipend of \$1,650 to Paul A. Hopkins, science teacher at the High School, for the next academic year.

Mr. Hopkins has received a National Science Foundation scholarship at Harvard University. In addition to tuition, the scholarship provides \$4,350 for the student's expenses. Thus the Committee action makes up the difference between the stipend from the Foundation and the salary Hopkins would have received here.

In return for the local stipend and permission to undertake the year's study, Mr. Hopkins has agreed to return to the High School faculty for at least two years.

The grant is made by Harvard, from funds made available from the Science Foundation. Mr. Hopkins is one of 48 chosen to receive this aid this year. He will undertake study in all scientific areas while at Harvard.

He is a graduate of Lawrence schools and Boston College. He came to the High School in 1953 after teaching in Lawrence.

**LOCAL REALTOR ELECTED** - At a recent meeting of the Greater Lawrence Board of Realtors, John J. Hewitt of Andover was elected president, and Mrs. James Dolan of Andover, treasurer. Standing in the photo are George H. Schreuder, vice president, Mr. Hewitt, Raymond Hafford, executive vice president of the Massachusetts Association of Realtors; Donald A. MacNeil, secretary; and Raymond Cheney. Seated are Milton Shaw, Bertram Druker, president of the Massachusetts Realtors Association; Edward Comtois and Mrs. Dolan.

**Many Attended Vale Cookout**

The Youth Fellowship of the Ballard Vale United Church held a cookout last Wednesday evening at the home of Mr. and Mrs. Albert Warner, 8 High st., Ballardvale.

Parents of the members were guests. John McIntyre, son of Mr. and Mrs. William McIntyre, celebrated his 18th birthday and was presented with a birthday cake, and the birthday song was sung.

Those attending were Mr. and Mrs. Winford Farr and son, John; Mrs. Diane Fowler, Mr. and Mrs. Charles Bentley and son, George; Mr. and Mrs. P.W. Moody, the Rev. Haldean Lindsay, Mr. and Mrs. Wendell Mattheson and sons, Gary and Alan; Mr. and Mrs. William McKenzie, Miss Aimee Thompson; Mr. and Mrs. William Maruzzi and daughters, Diane, Carol and Lorna; Mr. and Mrs. Henry Meyers and sons, Richard and Bruce; Mr. and Mrs. Walter Norris and children, Gary, Mary, Janet, Nancy and David; Ellsworth Madden, Mr. and Mrs. William D. McIntyre and sons, Daniel and John; Mr. and Mrs. Henry Brouck and children, Donald and Sandra; Mr. and Mrs. William Davison and children, Richard, Edward and Lila May, Mr. and Mrs. Roy Brown and son, Richard, Mr. and Mrs. Harold Sheaff and children, Richard, Susan and Robert; Mr. and Mrs. Albert Warner and son, Kent.

**Surprise Party For Mrs. Peatman**

Members of the Ballard Vale United Church Guild tendered a walk-in to Mrs. Harry Peatman at her home on Woburn st., Monday evening, June 27.

Mrs. Peatman greeted her guests on her lawn, which was a surprise as she is a shut-in. She was presented with a beautiful decorated basket of delicacies and gifts. A song fest was enjoyed and refreshments served.

Among those attending were Mrs. William Batchelder, Mrs. Alfred Webb, Mrs. Curtis Scholtz, Mrs. William McIntyre, Mrs. Richard Sherry, Mrs. Frank Green, Mrs. Harry Batchelder, Mrs. Robert Mitchell, Mrs. J. Elwyn Russell and Mrs. Ralph Sharpe.

Mrs. J. Elwood Bixler and daughter, Barrie, of Tucker, Ga. and Mrs. Charles Hammond of Bedford were recent guests of Mr. and Mrs. Leo Pimpore of River st., Ballardvale.

**Milk Contract Was Awarded**

Identical prices of six cents per half-pint of milk have resulted in the awarding of milk contracts to two local retailers.

The Wild Rose Farm and Walnuthurst Dairy bid on the school milk supply, offering the same prices. Wild Rose Farm also offered an alternate bid of 5.75 cents for milk the bid claimed would meet state specifications, but which would not come from the herd at the local dairy.

Sidney P. White, owner of the farm, appeared at the School Committee meeting, and suggested that additional milk coolers be provided. He said some schools do not have adequate facilities, and milk must be stacked in the corridors. Two deliveries are also required, under these conditions.

Mr. White received the contract to supply the elementary schools, slightly over 50 percent of the business, and Walnuthurst will deliver to the High and Junior High Schools.

**PERSONAL**

Mr. and Mrs. D.W. Grant have returned to their home on Chandler rd. after enjoying an extended vacation with their daughter and family, Mr. and Mrs. H.N. Hiller of New Albany, Ind., with friends in Wichita and Norton, Kansas and also with their daughter, Dr. Phyllis Grant, in Kansas City, Kansas.

**OFF TO CAMP**

Craig Russell of Kirkland dr. left recently for a vacation at Camp Lawrence, Lake Winnepesaukee, N.H. Jean Haley of Chandler cir. is at camp in Hillsboro, N.H. Rosemary Joliffe of Lowell st. is at Camp Wyanoke, Wolfboro, N.H. Janet Russell, Cynthia, Diane and Lisa Lewis, all of Kirkland dr., are enjoying Trailblazers Camp, Captain's Pond, N.H.

**BUS CONTRACT FOR POMP'S ROUTE**

The contract for bus service to Pomp's pond for the summer has been awarded to the Trombly Motor Coach service on a bid of \$1,200. The award was made by Town Manager Thomas E. Duff in view of the Trombly company having the regulation D.P.U. plates. School bus operators in the community had submitted bids but a check with the department of public utilities by the town manager affirmed that D.P.U. plates would be necessary for the carrying of passengers to the pond.

Mr. and Mrs. Arthur Lewis of Lowell st. visited with friends in Manchester, N.H., recently.

Woodside - Roberts Nuptials July 16

Miss Cecily Palmer Roberts, daughter of Mr. and Mrs. George Philbrick Roberts of Reading, formerly of Andover, will become the bride of Austin C. Woodside 3d., son of Austin Clifford Woodside Jr. of Reading, and the late Mrs. Phillips Blaisdell Woodside, Saturday, July 16, at a 2 o'clock ceremony in the Old South Methodist Church, Reading.

The bride-to-be is a graduate of Chapel Hill, Waltham, and attended Garland Junior College. Mr. Woodside is a graduate of Lowell Technological Institute and is associated with General Transistors in Rhode Island.

Most people resent being called down, but it's much better than to be shown up.

GADGET SPEEDS SERVICE - Mrs. Ethel Wilson of the Memorial Hall Library staff demonstrates the new automatic device which is used to check out books, as Mrs. Robert Hatten looks on. The machine uses a sensitized paper and heat processes to take data of the borrower's card and the book slip, also saving considerable time in checking for over-due books by automatically keeping records of the transactions for the staff to check. (Staff Photo)

the outstanding instrumentalist in the Band. She played saxophone and drums, and the sax in the school orchestra for nine years.

Miss Simeone has been a member of the Northeastern State Band for two years, achieving this coveted honor by auditioning before a panel of judges in competition with band members from many high schools in the northeastern section of the state.

A winner of one of the Boosters Club scholarships, she also won the Andover Male Choir award for the girl who excels in music. A pianist, she has provided much of the accompaniment for assemblies and talent shows. She arranged, rehearsed and did all the accompaniment for the annual talent night.

Miss Simeone is a member of the "Six-Teens", has been a member of the "Simonettes", a trio which has appeared with several orchestras.

MANY ACTIVITIES AT PLAYGROUNDS

(Continued from Page One)

seph Pambou, Sherry and Bruce Porter. Gold ribbon winner was Janice Guerrero.

The results of the parade on wheels at West Center: doll carriages, Maureen Gannon, Jane Lebeck and Perry and Jordyn O'Neil, most patriotic, Patricia McDowell, John Diodati and Janice Richards; prettiest, Ann Marie Lebeck, Nancy Diodati and Jeffrey McDowell; most original, Sharon Wilson, Jay Pennick, Richard Heman, Christopher Gannon won the gold ribbon.

Central playground held a hat show; prettiest, Wanda Barchel Jar, Kyle Knipe, Susan Caldwell; funniest, John Emmett, Peter McDonald, Geoffrey McDonald; most original, David Buck, Gary Townsend, Marianne Downs; most colorful, Gail Thompson, Deborah Beaulieu, Hillary Perry; most horrible, Richard Pearson, John Gray, John Wilson; best all-around hat, Carol Beaulieu.

Shawsheen - pet show - best of show, Edith Looney's angora cat; cats, Joel, Robert and Mathew Laroche, first prize, second to Rosanne Fitzgerald, third to Thelma Shorts, Dogs, Rosalba Gianni and Sandy Pepin, first, Cynthia and Regina Scannell, and Andrew Caverly, second and Peter Prodan, and David Champy, third. Miscellaneous - tied for first, Jeffrey Scherner and Deborah Flaherty; second, Mark Dennett and Karen Glennon; third, Daniel Innes, Joseph and Susan Cox.

New Automatic Device At Work

All borrowers who have visited the library since mid-June have been interested in the changes that have taken place in the charging system in both adult and children's rooms.

Long trays of cards have been removed from the desk top and in one side of the desk a machine now cuts down the charging of books to a brief process. Any growing community needs an efficient, modern method of handling the requests of its readers, and the mechanical charging machine was designed with this in mind.

The borrower presents his personal card at the desk; this is inserted in a small clip on one side of a frame; the book card and a small "transaction" card which bears the date on which the book will become due, are also placed over the frame. Then the entire information is recorded through a heat process, on a special paper. In addition to this copy of the charge, several time-consuming, behind-the-scenes operations are reduced to a minimum.

There have been several changes in lending practice, also. All materials, except framed prints, are loaned for a period of three weeks. A reader who has not finished a book may ask at the desk for a second period of three weeks; if the material is not in demand he may have the item re-charged. Recordings and periodicals may not be taken out for this second period. Notice will be sent to the borrower of any item kept two weeks overtime.

Small brochures are given to those interested in the new machinery. Details of the automatic charging system are explained in these. For the engineers and the "how does it work" public, there is an interesting handbook available, presented to the library by the developer of the system.

LEWIS HEADS BUILDING COMMITTEE

Warren A. Lewis will serve as chairman of the School Building Committee, and Benjamin O. Chase will be secretary.

The Committee met last Thursday evening, with School Supt. Edward I. Erickson, Town Manager Thomas E. Duff and School Committee Secretary William A. Deherty.

ON FORMOSA - Lt. Thomas C. Wilkinson, son of Mr. and Mrs. Irvin T. Wilkinson of Andover, has been participating in a tactical air command exercise on Formosa. Lt. Wilkinson is an F-100 pilot with the 428th tactical fighter squadron, stationed at Cannon Air Force Base in New Mexico. He is a graduate of Pynchard High School and West Point, class of 1955. The exercise tested the Tactical Air Command's ability to rapidly move its striking force over long distances.

## AT THE CHURCHES

### St. Augustine's Church

REV. HENRY B. SMITH, Pastor  
SATURDAY: Confessions 4 to 5:30 and 7:30 to 9 p.m.

To Become Free" by the Rev. Frederick B. Noss.

### Free Church

REV. J. ALLYN BRADFORD, Pastor  
SUNDAY: 10 a.m. Union Service conducted by the Rev. Frederick B. Noss. Prelude, "O God and Lord" by Walther; "Larghetto in B Minor" by Franck. Offertory, "The Lord Is My Shepherd" by Schubert.

## Home Nursing Course Coming

A home nursing course, designed to be completed in two weeks, will be given at the Red Cross chapter house early in September.

Efficient and time-saving methods of caring for the sick and making a patient comfortable will be explained. The demonstrations by a Red Cross trained nurse of simple bedside care have proved to be of great help to laywomen with family responsibilities. Anyone who wishes to enroll is asked to call the Red Cross, or Mrs. William Buehner, chairman of nursing services.

### PERSONAL

Mr. and Mrs. William Doudy of Prospect rd. and Mr. and Mrs. George Doudy of Prospect rd. and Mr. and Mrs. William Doudy and family of Salem st. recently attended the Doudy family reunion held in Southbridge.

### APPOINTED DIRECTOR OF DEVELOPMENT

Walter S.B. Tate of Braintree, a former Andover resident, has been appointed director of development at Hobart and William Smith College in Geneva, N.Y.

Mr. Tate attended Phillips Academy and Pynchard High School in the mid-20's. He has most recently been serving as administrative aide to the headmaster of Thayer Academy in Braintree.

### CHURCH NEWS

The very lovely flowers on the altar of the West Church last Sunday morning were the gift of Dr. and Mrs. Frank Himmer in loving memory of Dr. Himmer's father.

The guest soloist Sunday morning was Robert Goodwin of Andover, who is the new choir direc-

tor of the West Church. The Organist for the summer months is Mrs. Richard Snyder of Philadelphia, Pa. and Wenham.

**Want To Be A Weatherman?**

Want to be a volunteer weather observer? The U.S. Air Force is seeking some 1,000 Bay Staters living in the area east of the Connecticut River to report thunderstorms that involve hail, severe lightning, or intensive winds.  
The project is an Air Force weather study that began in this part of the country in 1956 when it was set up as a unit of the Geophysics Directorate with head-

quarters at L.G. Hanscom Field in Bedford. At the present time, the unit counts some 500 volunteers who regularly submit reports on weather disturbances.

Expansion of the study is given as the reason for the call for more volunteers.  
When the Observers' reports are received by the Air Force, they are compared with movie radar records of the disturbance and a comparison made that leads to a better understanding of the storm activity.

The Air Force has film radar records of the 1957 disturbance that produced no less than five small tornadoes in this area. That particular storm, one of the most severe in recent times locally, extended some 10 miles high and more than 400 miles wide.

Anyone interested in becoming a part of this volunteer program is

asked to write Dr. Charles R. Shackford, Blue Hill Observatory, Milton 36, Mass.

Despite the sensitive measuring devices now being used, the human element of the program in the person of the individual volunteer observer cannot be substituted, the Air Force points out.

Each person who volunteers for the observer phase of the program will receive instructions, reporting forms, and mailing envelopes.

The Air Force emphasizes that no particular talents or skills are required. Reporting is rather simple and is completely spelled out in the instruction. From time to time, newsletters and other material are sent to the listed volunteers.

By volunteering, the person assumes no responsibility or obligation of any kind and may withdraw at any time, although the Air Force indicates that they would like the volunteers to continue to be active in the program.

For keeping their weather eyes peeled, volunteers report their participation is a rewarding experience increasing their knowledge and awareness of natural phenomena and coupled with the satisfaction of being part of an important new development in weather forecasting.

Ernest Comeau Jr. has returned to his home on Lovejoy rd. after a trip to Owensboro, Ky., St. Paul, Minn. and Chicago, Ill.

**THE NEW NEW ENGLAND**

**It's BIGGER than you think**

No, the artist didn't err in preparing this special map\*. His objective was to illustrate the area of each state based on the value of its manufactured products.

Note New England's manufacturing strength in relation to the rest of the states. New England has only 1 1/2 per cent of the nation's land area and only 6 per cent of the total population, but it accounts for nearly 10 per cent of the country's manufacturing.

New plants in new fields are starting operations here practically every day. New England no longer is dependent upon only one or two major industries. Based on widely diversified products, our current economy is in excellent condition for the competitive future.

\*Courtesy Russell T. Gray, Inc.

**Kempton Toured Raytheon Plant**

Hosted throughout the day recently as guest of the Raytheon-Andover plant, Herbert Kempton, winner of the Raytheon-Andover Science Scholar Award, toured the HAWK weapons system production facility to discuss the production and engineering involved in manufacturing the complex system.

After initially meeting and talking with company officials about his future plans, Herbert was escorted by Senior Engineer Paul Gilday, also an Andover resident, who introduced the student to engineering, production, and support personnel for clarification of their specific operations. Among the sections visited were the Assembly Department where micro-miniature components are assembled, the Structural and Metallurgical laboratories, the Electronic Processing Unit, the production machine shops and the Environmental and Reliability laboratories.

Selected by members of the Andover High School faculty to receive the award, Herbert was also presented "The World We Live In" a comprehensive, illustrated book dealing with the cosmological and physical aspects of the planet Earth and surrounding universe, compiled by a national magazine.

A very active student outside of school as well as inside, Herbert was third place winner in the 1960 Massachusetts Science Fair held at M.I.T., where he displayed a Binary System Computer designed and built by him at his home at 55 Summer st.

**LANDMARK DISAPPEARS** - A giant crane swiftly tore down one of the town's old landmarks last week. The barn shown in a partial state of wreckage here goes back about 135 years, and belonged to Mrs. George Abbot on Upland rd. When the barn was built, the street was known as Summer st., with the name changing when the present Summer st. was extended to Highland rd. (Cole)

**Will Pay More To Cafeteria Mgrs.**

Cafeteria managers will receive more money next fall, based on the number of pupils served meals in their schools.

The changes were recommended to the School Committee by Supt. of Schools Edward I. Erickson.

The Board also voted an increase to Cafeteria Manager Mrs. Florence McGrath, from \$3,750 to \$4,000. Mr. Erickson spoke about the responsibilities that go with directing the whole operation, and the many extra duties that Mrs. McGrath is asked to perform.

The Shawsheen School manager will receive a weekly salary of \$46.06, for a cafeteria enrollment of 100 to 200; South and West School managers will receive \$53.56 for 200 to 300 enrollment, both being the same salary as at present. At the High School and Central Elementary School, the salary will increase from \$58.92 to \$61.06, for meals of 300 to 400 and at the Junior High School an increase from \$62.70 to \$68.56 for 400 to 500 meals. If the Junior High School should increase to 500 to 600 meals, the salary will be increased to \$76.06.

**\$90,000 ESTATE**

Bequests of \$1000 each to the Lawrence General Hospital and Christ Church are contained in the will of Charles P. Gabeler of Andover, filed in the Registry of Probate. He died May 5, leaving personal property valued at approximately \$90,000.

His housemaid, Della Freckley, is to be given \$1,000, providing she was in his employ at the time of his death, the will said. The rest of the estate was left to his two children, Charles P. Gabeler Jr., of Teheran, Iran, and Mrs. Georgeanna G. Selden of Andover.

The will, made Jan. 25, 1958, directed that the executor was to have his remains cremated and his ashes distributed near his

Hampstead, N.H., camp. Atty. William H. Daly of Lawrence was nominated as the executor.

Ancient Chinese Alloys

Chinese bronzes with nickel contents ranging from one to five per cent were used in weapons, coins and mirrors during the period 770 to 249 B. C.

Nickel Alloy Coinage

The modern usage of nickel alloys for coinage purposes dates back to 1850.

**Weddings . . .**

**HAARTZ - CARLSON**

June 18, in the Lakeside Baptist Church of Muskegon, Mich., Miss Janet Kay Carlson, daughter of Mr. and Mrs. Arthur Carlson, became the bride of David Winsor Haartz

*Consult*

**Doug Howe**  
about this question:

"Our large picture window cracked from cold weather contraction - a \$130 loss. Last year, our newspaper sailed thru the front door plate glass. Would you advise a Homeowners Policy to cover residential glass breakage?"

**DOUGLAS N. HOWE**  
52 Main St. Tel. GR 5-5100

of Andover, son of Mr. and Mrs. Karl Haartz.

The bride, escorted to the altar by her father, wore a gown of embroidered white silk organza. A wreath of orange blossoms held the illusion veil and she carried a cascade of white and yellow roses.

Miss Judy Carlson was maid of honor for her sister, and the bridesmaids were Karla Haartz, sister of the bridegroom, and a classmate, Mrs. James Carter of Ann Arbor, Mich. Kay Barton, a cousin, was the junior bridesmaid. They were dressed alike in yellow silk organza over taffeta, with matching horsehair hats. They carried baskets of yellow daisies and white marguerites.

Phillip Carter of Deerfield was best man for his cousin. Fraternity brothers, James Carter and John Kelly, were groomsmen. Ushering was in charge of David Munson. A reception followed in the ves-

**MRS. DAVID W. HAARTZ**

try of the church.

The couple spent their honeymoon traveling in Canada, returning to Andover where an outdoor reception was held in their honor at the home of Mr. Haartz' parents on High Plain rd. Guests were present from Maryland, New York, New Hampshire, Connecticut, and Massachusetts.

June 30, the couple took up their residence in Cincinnati, where Mr. Haartz has accepted a position with the Proctor and Gamble Company.

**MAUCIERI - DIBITETTO**

Miss Antonetta M. DiBitetto, daughter of Mr. and Mrs. Michael DiBitetto, 82 Oak st., Lawrence, became the bride of Nicholas R. Maucieri, son of Mr. and Mrs. Nicholas Maucieri, 29 Corbett st., Saturday at an 11 o'clock nuptial Mass in the Holy Rosary Church Lawrence. Very Rev. Lorenzo Andolfi, O.S.A. officiated. The altar was decorated with white gladioli. Anthony Menale, soloist, and the Holy Rosary choir were accompan-

Mr. and Mrs. Walter Davidowicz, who were married in St. Joseph's Church, Ballardvale, are making their home in Bradford. She is the former Blanche Znamierowski of Lowell Junction rd.

ied by Mrs. Nicholas Zannini, organist.

Escorted by the father, the bride chose a gown of ivory peau de soie fashioned with a scoop neckline accented with seed pearls, and Empire bodice, and bouffant skirt of unpressed pleats terminating in a full chapel train of unpressed pleats. From her coronet of seed pearls and orange blossoms draped her ivory, four tiered veil of imported French illusion. She carried a cascade bouquet of white roses and Stephanotis.

Miss Eleanor M. DiBitetto, was maid of honor and wore a lilac, chiffon-taffeta gown similar to her sister's with a puff-sleeved matching jacket. She carried a cascade bouquet of lavender feathered carnations centered with white roses

and baby's breath.

Miss Joan Molinari of Lawrence and Miss Linda Cyr of Malden, junior bridesmaids, wore miniature costumes in lavender similar to the honor attendants. They carried colonial bouquets of deep lavender feathered carnations and baby's breath.

DiBitetto. The ushers' duties were performed by Arthur Hembrough, of Salem, N.H.; Ralph Francisco, Lawrence; Edmund Wolydke, Framingham; George Peters, Andover; and G. Thomas Catalano, Methuen.

After a reception at St. Mary's auditorium, the couple left on a wedding trip to the Pocono Mountains. Guests were present from California and New Jersey.

The bride is a graduate of Lawrence High School. She attended Merrimack College and is presently employed as a medical assistant to a local physician. She is a past president of the Blessed Virgin Mary sodality of the Holy Rosary Church.

Mr. Maucieri is a graduate of Pynchard High School, Arizona State University and the Wentworth Institute of Technology. He is currently employed by the Raytheon Manufacturing Company.

They plan to make their home at 29 Corbett st.

**FETED BEFORE GOING TO GEORGIA**

Donald Johnston, 14 Robandy rd., was the guest of honor at a testimonial banquet held at the Andover Country Club June 30.

Some 400 executives and employees from the eight New England plants of the J.P. Stevens Mills were on hand to celebrate Mr. Johnston's recent promotion and transfer. He and his family have left for Milledgeville, Ga., where he will take over the duties as executive assistant to the vice president of the Woolen and Worsted division of the company.

and baby's breath.

Miss Joan Molinari of Lawrence and Miss Linda Cyr of Malden, junior bridesmaids, wore miniature costumes in lavender similar to the honor attendants. They carried colonial bouquets of deep lavender feathered carnations and baby's breath.

The ushers' duties were performed by Arthur Hembrough of Salem, N.H.; Ralph Francisco, Lawrence; Edmund Wolydke, Framingham; George Peters, Andover; and G. Thomas Catalano, Methuen.

After a reception at St. Mary's auditorium, the couple left on a wedding trip to the Pocono Mountains. Guests were present from California and New Jersey.

The bride is a graduate of Lawrence High School. She attended Merrimack College and is presently employed as a medical assistant in a local physician. She is a past president of the Blessed Virgin Mary sodality of the Holy Rosary Church.

Mr. Mauceri is a graduate of Orchard High School, Arizona State University and the Wentworth Institute of Technology. He is currently employed by the Raytheon Manufacturing Company. They plan to make their home at 9 Corbett st.

**DEPARTED BEFORE GOING TO GEORGIA**

Donald Johnston, 14 Robandy rd., as the guest of honor at a testimonial banquet held at the Andover Country Club June 30.

Some 400 executives and employees from the eight New England plants of the J.P. Stevens Mills are on hand to celebrate Mr. Johnston's recent promotion and transfer. He and his family have left for Milledgeville, Ga., where he will take over the duties as executive assistant to the vice president of the Woolen and Worsted Division of the company.

**NATHAN** - A daughter, Marina, June 30, at Lawrence General Hospital, to Mr. and Mrs. Nigel Nathan, 177 Highland rd. The mother was Christine Dieze.

**HALL** - A son June 30, to Mr. and Mrs. Robert F. Hall, 22 Sanlin ave., Norton. The mother was Barbara Breton, daughter of Mr. and Mrs. Albert Breton of Methuen. The paternal grandmother is Mrs. Robert Coombs of Andover.

**CURTIS** - A son, Stephen, July 4, at Lawrence General Hospital, to Mr. and Mrs. Hazen Curtis, 29 Marylou In. The mother was Barbara Murphy.

**DOMINGUE** - A daughter July 2, at Bon Secours Hospital, to Mr. and Mrs. Robert Domingue, 751/2 School st. The mother was Joyce Lee.

**MAROCOCO** - A son to Mr. and Mrs. John Marocco, 13 Third st., North Andover at the Lowell General Hospital. The mother is the former Mary Alice Shea, R.N., 21 Pine st. They also have a daughter, Lisa.

**Obituaries...**

**MRS. JAMES LEWIS**  
Mrs. Alice (Kendall) Lewis, wife of James M. Lewis of Stoney Creek, Conn., died suddenly Thursday, June 30, at her home.

A native of Andover, she was the daughter of Frank H. and Mary (Holt) Kendall.

She is survived by her husband; a daughter, Evelyn, wife of Melvin Oathout of West Sacramento, Cal.; two sons, Joseph Jackson Lewis of Connecticut and Kendall Lewis of Tenafly, N.J.; also six grandchildren and a sister, Miss Edith C. Kendall of Andover.

Funeral arrangements were made in Connecticut.

**MRS. MARY C. KELLEY**  
Mrs. Mary C. (Hayes) Kelly, widow of John J. Kelly, formerly

of Andover, died Saturday in Allenhurst, Long Island.

She is survived by one daughter, Margaret; seven sons, John, Francis, Edward, Thomas, Robert, William and Arthur; two sisters, Mrs. Eleanor Sweeney and Mrs. Elizabeth Fitzpatrick; and 12 grandchildren.

A high Mass of requiem was held in Ascension Church, Allenhurst Wednesday morning. Burial will be in St. Augustine's Cemetery today.

**CHARLES E. LEE**

Charles E. Lee, six, son of James and Shirley (Bushway) Lee, 3 Moraine st., was pronounced dead on arrival Monday morning at the Lawrence General Hospital. Dr. Douglas V. Crook of Groveland, medical examiner, viewed the body.

An attendant of South Congregational Church, the youngster is survived by his parents, by two brothers, Kendall H. and Thomas F. Lee, both of Andover; a sister, Phyllis A. Lee of Andover; his maternal grandparents, Mr. and Mrs. George Bushway of Andover; also his paternal grandparents, Mr. and Mrs. James Lee of Belmont, Texas.

**BERNT W.W. NEWHALL**

Bernt W.W. Newhall, 79, 6 Appletree In., died Tuesday evening, June 28, at his home following a long illness.

Born in Saugus, he was a resident of Andover for the past 36 years and prior to his retirement about 15 years ago was treasurer of the Old Colony Trust Co., Boston. He attended Christ Episcopal Church.

He is survived by several cousins.

Funeral services were held Friday, July 1, at 2 p.m. at the Lundgren Funeral Home with the Rev. Alex S. Trombly, rector of St. Paul's Episcopal Church, North Andover, officiating. Burial was in Riverside Cemetery, Saugus.

**THOMAS J. HENNESSEY**

Thomas J. Hennessey, 54, 133 Chandler rd., was pronounced dead on arrival Monday morning at Lawrence General Hospital.

A native of Chelsea, he was a resident of Andover for the past 17 years and was employed as a supervisor at the Marland mills. He attended St. Augustine's Church.

He leaves his wife, Mary (Hurreau) Hennessey; his mother, Mrs. Frances W. Sullivan of Melrose; a daughter, Mary J., wife of George Douty of Andover; a son, Thomas J. Hennessey Jr., of Andover; also a sister, Mrs. Frances Murphy of Melrose.

The funeral will be held today from the Lundgren Funeral Home, with a high Mass of requiem at 9 a.m. in St. Augustine's Church. Burial will be in Spring Grove Cemetery.

**MRS. GEORGE KEITH**

Mrs. Mary H. (Valentine) Keith, 67, wife of George Keith, 20 Chestnut ct., died at her home Thursday, June 30, after a long illness.

Born in Arbroath, Scotland, she came to this country about 51 years ago. She attended and was a deaconess of the Free Christian Congre-

gational Church and was a member of Andover Chapter, Order of the Eastern Star.

She is survived by her husband; two sons, George B. of Andover and James B. of Salem Depot, N.H.; her mother, Mrs. Louisa G. Valentine of Andover; three brothers, James and Charles Valentine of Andover and William Valentine of Vancouver, Wash.; four sisters, Mrs. Charlotte Gillespie of Connecticut, Margaret, wife of Larry Carrelli of Los Angeles, Cal., Elizabeth, wife of William Lowe of Andover and Esther, wife of Frank Donahue of Andover; five grandchildren and several nieces and nephews.

Funeral services were held Saturday at 2 p.m. in the Free Christian Church with the Rev. J. Allyn Bradford, minister, officiating. Burial was in Spring Grove Cemetery.

**ALLOW WILL OF MRS. MOORE**

The will of Mrs. Agnes W. Moore, 9 Lowell st., who died April 8, was allowed by Judge John A. Costello in Probate Court.

The estate consists of real estate valued at \$22,000 and a personal estate valued at \$160,000. Roland H. Sherman of North Andover was appointed executor of the will.

**Open House For 25th Anniversary**

Mr. and Mrs. George Forsythe of Chester st. held open house recently in observance of their 25th wedding anniversary. They were married May 27, 1935, in Springfield. Mrs. Forsythe is the former Christine Burns.

They have three daughters, Carol, a resident of Lancaster, Cal., who will soon go to Anchorage, Alaska; Barbara, a third year student at Lowell Teacher's College and Gail, who will enter her senior year at Andover High School.

Mr. Forsythe is a textile engineer for J.P. Stevens Co. in North Andover and Mrs. Forsythe is physio-therapist at the United Cerebral Palsy Clinic at Burke Memorial Hospital, Lawrence.

Guests were present from Springfield, New Hampshire, New York, Andover, Methuen, Lawrence and Ballardvale.

**HAWAIIAN PARTY**

A most delightful Hawaiian Party was held last Saturday night at the home of Mr. and Mrs. George Ainscow of Lovejoy rd. to celebrate the admission of Hawaii as our 50th State.

The dinner was served in the

traditional Luau style on a low table decorated with Pineapples and Coconuts. All the guests were given a Lei to wear and many clever games were played. The women wore sarongs or grass skirts and the men wore loud sport shirts.

Those present were Mr. and Mrs. Robert Kitson, Mr. and Mrs. Arthur Seikunas, Mr. and Mrs. Thomas Delaney, Mr. and Mrs. Leslie Packard, Mr. and Mrs. Luis Salazar, Mr. and Mrs. Ralph Wirtz, Mr. and Mrs. Joseph White, Mr. and Mrs. John Gearin, and Mr. and Mrs. Edward Powers.

Mr. and Mrs. Gerald Znamierowski and son, Joseph, of Lowell Junction, rd. have returned after spending the past week at South Yarmouth.

Is Your Lawn "BROWNING-OUT" This Year? ..... and, you don't know WHY?

The professional fungicide for home lawn use

SCUTL® is the Scott's mercuric fungicide. Clean, dry, easy-to-use. No mixing. No measuring. Checks damaging fungus diseases like leaf spot, brown patch. Apply regularly with the time-saving Scott's Spreader.

It might be from the "FUNGUS THAT'S AMONG US"!

What's FUNGUS? It's a plant that does not manufacture it's own food and has to live on the life juices of lush growing grass. Fungus spores, from which it produces, are carried in the air. They drop on the grasses and infest and infect the healthy plants; they drain the life from the plant . . . . KILLING it! When this happens, your lawn "Brown's-Out".

How can you tell if you have FUNGUS in your lawns? Bring in some freshly cut clippings from the "healthy section" of your lawn and we will diagnose from there!

What can you do about it if you do have it? Very simple! We will prescribe a complete SCOTT LAWN FUNGUS PROGRAM; informing you of the products to use and outlining the steps necessary to control this pest.

## EDITORIAL THOUGHTS

### Intelligent Action

Our congratulations to the 395 men and women who attended the special town meeting last week.

The night was hot, the thunder storms threatening, and town officials were worried that too few would attend.

But instead of a skimpy 350 — a bare quorum — the hall was fairly well filled with interested voters.

They acted intelligently by approving the country club proposal without debate, even without question. Other proposals, debated in the heat of the humid evening, probably will come up again at the annual town meeting, when additional study has been done.

It's good to know that enough men and women are interested in their town's welfare to attend meetings such as this one, for it is only in recent history that special town meetings failed to gain a quorum.

### Let's Hear The Answer

We were particularly interested in hearing the answers to School Building Committeeman C. Lincoln Giles' question concerning the reputed value of state assistance in school construction.

We hope they will be forthcoming.

Mr. Giles wondered whether the state, while providing approximately one-quarter of the funds for a new school, does not also specify construction that costs additional money.

We have often heard this question — is it cheaper to undertake the construction alone, to avoid expensive requirements?

Both School Committee Secretary William A. Doherty and Supt. of Schools Edward I. Erickson noted that the state has been of real assistance before.

What we need to hear now is a sort of informal balance sheet — what we will get from the state, and a list of those items and their cost which would not be included in a school if the state is not involved.

The only way to find out whether we should go at this project alone is to determine how much the alleged "extras" will cost, in comparison with the state's contribution.

There must be some way to determine these facts, and to make them available, prior to undertaking the project. It would seem that the Committee would be well advised to get all the facts, thus providing everyone with the answers to this question once and for all.

## Down the Years with The Townsman

### 50 Years Ago — July, 1910

The Fourth was one of the quietest in many years. The absence of explosives and the lack of noise the "night before" made the day an unusually quiet one.

Thomas E. Rhodes has purchased a new wagon for use in his business.

Some unknown person or persons broke into Smith and Manning's Store on Essex st. Monday night and took what money there was in the cash drawer and a rain coat belonging to one of the clerks.

A cottage owned by Paul Lee on Salem st. burst into flames Tuesday. Through some trouble in communications, apparatus went to another location, found no fire, and returned to the station. Only then did they learn where the fire was. By the time they reached the fire, the best they could do was save the barn. The cottage was destroyed, except for a few pieces of furniture. The estimated damage is \$1,500.

### 25 Years Ago — July, 1935

The American Woolen Co. is the town's heaviest taxpayer, with a combined personal property and real estate tax of \$69,352. Thirty-two persons and companies will pay over \$1,000 in real estate taxes this year.

State PWA officials recommended that the town appropriate another \$30,000 for the junior high construction, and that this be done by mid-September. Unforeseen rock excavations used up most of the money allocated to unexpected contingencies.

Traffic down Central st. was re-routed Saturday when the Hartwell Abbott bridge over the river was closed while street department workmen checked a report that some supports had fallen from the bridge.

The big sign, still up in Shaw-

sheen Square, is drawing the wrath of residents of the Village and the Selectmen. In answer to a letter from that Board to the state supervisor of outdoor advertising, the town has learned that the state DPW must order the removal. The supervisor acknowledged that he has not the authority to issue the order, only recommend action to other authorities.

Rockwell House, the newest Phillips Academy dormitory, will be open next fall.

### 10 Years Ago — July, 1950

The lack of rain has forced the level of Hagggett's Pond down some 40 inches below high water level. The record low was in 1949, when the pond went 57 inches below its level.

Building construction continues at a rapid pace, as the first six months of the year indicate that construction will double that of a year ago. The estimated value of construction, for which permits were issued by the building inspector, is \$898,000 through June.

The biggest crowd in many years thronged downtown Monday night to witness the horribles parade.

More than 800 children have registered at the playgrounds thus far. Mrs. P. John Connors was installed as grand regent of Court St. Monica, Catholic Daughters of America.

An ordination service was held in Ballardvale for the Rev. Paul E. Callahan, pastor of the Union Congregational Church there.

### WATER SAFE

The results of the bacterial examination of samples of water collected recently from the Pumps Pond Bathing Beach area by the Andover Board of Health showed that the water was of suitable quality bacteriologically for public bathing.

## SUSIE'S SONNETS

### TRADITION

The Fourth has passed;  
We had our kicks,  
And many crossed  
The River Styx.

## More Land Taken By State

Land-taking for Route 495 has been recorded in the Registry of Deeds by the Commonwealth.

The layout includes establishing a new highway with limited access provisions for a portion of the route, beginning at the Tewksbury line and extending northeasterly for 8,900 feet to High Plain rd.

Four sections have been laid out by the state, on behalf of the town. The first is a widening of Hagggett's Pond rd. on the northeast side adjoining the northwestern highway line; then widening, on the northerly side, a portion of the same road adjoining the southeasterly location line of the highway.

The third section establishes a location for a turnaround at Wood Hill rd. adjoining the southeasterly line of the highway. The fourth section is to establish a turnaround at Wood Hill rd. at the northwesterly location line.

Another layout includes a new location for the relocation of part of High Plain rd., and, in part, widening the existing road on the southerly side.

The takings include: Alton Properties, Inc., 17.38 acres; David A. and Mary G. Sharpe, 432 square feet; Ernest J. and Marie Jeannette Picard, 1.63 acres and .40 acres; John Bolten Jr., 9.02 acres; John Bolten Jr. and Ruth M. Bolten, 10.70 acres; Carl R. and June M. Fitzgerald, .85 acres; Alvin P. and Maxine A. Rodman, 20 square feet; Everel W. and Eunice G. Harden, 3.69 acres; Irene Harnden Larson, 2.76 acres; Robert and Clara Harnden, 3.12 acres; Jack Archibald Fraser, 8.68 acres; Hillcrest Realty, Inc., 1.94 acres; John M. McCoy, 1.78 acres; Ethel M. England, 20 square feet; Jennie E. Rolfe, 800 square feet; Rose E. Slye, 1885 square feet; Julia A. Rogers, 105 square feet; owner unknown on Center st., 2955 square feet; Catherine G. Barry, 6000 square feet; Ralph Leslie Clark, 2700 square feet; John M. Hathaway, 4890 square feet; estate of Mary T. Lynch and Elizabeth E. Lynch, 5900 square feet; John McCullough, 925 square feet; Alice E. Tennant, 425 square feet; Frank H. Cook and Victor V. Vass, 30 square feet, owner unknown, Bristol st., 7260 square feet.

Square footage taken from the following: John M. Hathaway, 4170; John McCullough, 7500; Fannie A. Stafford, 2995; Lilla M. Brault, 625; James Marsden, 2310; John M. Hathaway, 1950; John Francis, 4500; John M. Hathaway, 1500; Michael McInerney, 3000; Ida M. Rogers, 2950; Matilda and Emma Lee, 1500; John M. Hathaway, 3660; Esther Fridberg, 3000; John M. Hathaway, 1500; estate of Mary M. Gorst 3000; Julia B. Riordan, 3870; P. F. Devine, 6000; Amila M. Wallace, 3000; John M. Hathaway, 7000; Hannah Firth, 85; James F. Donnelly, 4500; Emma Armstrong, 3000; Mary A. Frank N. and Charles B. Perry, 4500; Howard D. Wright, 2410; Henry F. Devine, 3480; estate of Samuel T. Farrell, 7500; Maude B. Ryan, 2025; Dora A. Dickey, 1800; Mary A. McCann, 1500; Mary E. Bollington, 1500; Alice C. Crook, 3000; Hannah Thornley, 3000; Manuel and Mary Mendonsa, 3000; Robert M. Graham, 1500; Minnie Arcand, 6000; John M. Hathaway, 10,500 and 2870; Maria

J. Wheeler, 1500; Daniel L. Adams, 4370; Eliza M. Smith, 1500; A. H. Stanley, 6480;

Also from John M. Hathaway, 7260; estate of Samuel T. Farrell, 3075; Daniel L. Adams, 5880; Maude B. Ryan, 3110; John M. Hathaway, 8250; Martha A. Orell, 1760; Mary Hool, 3000; Georgina Innis, 2450; John M. Hathaway, 8770; owner unknown, Sycamore st., Maplewood st., Revere st., Woodlawn st. and Densmore st., 1.42 acres; John M. McCoy, 23,40 acres; Vincent A. Rodden and Frederick K. Welch, 320; William H. Porter, 2120; Everel W. and Eunice G. Harnden, .48 and .12 acres; Irene Harnden Larson, .49 acres; Robert and Clara Harnden, .62 acres; Jack Archibald Fraser, 4200 and 3420; John M. Hathaway, 830; owner unknown, Hawthorne, st., 375; John M. Hathaway, 585; Ethel M. England, 720; Jennie E. Rolfe, 190; John M. McCoy, .14 acres; A. H. Stanley, 940; John M. McCoy, 4200 sq. feet and .58 acres; John Bolten Jr., .47 acres; Everel W. and Eunice G. Harnden, .10 acres; Irene Harnden Larson, 3170; Robert and Clara Harnden, 870; John M. McCoy.

Taken for the relocation of a portion of High Plain rd. was the following: John M. McCoy, .22 acres; Roehlen Engraving Works, Inc., 2.47 and .42 acres; Vincent A. Rodden and Frederick K. Welch, 576 square feet, .15 acres and 160 square feet; John M. McCoy, .47 acres; town of Andover, 1.50 acres; John M. McCoy, 391 square feet; John M. McCoy, 45 square feet; John and Sophia Chmielecki, 832 square feet.

A change in the location lines of the state highway, adjoining the dividing line between Tewksbury and Andover, also calls for the taking of .66 acres owned by Alton Properties, Inc.

## McGovern Children Had Birthdays

A party celebrating the birthdays of Mark and Juliana McGovern was held recently at their home on Andover st., Ballardvale. The children of Mr. and Mrs. S. Arthur McGovern, they celebrated by playing games and also enjoyed pony rides. Refreshments were served.

Among those attending were James Caffrey, Donald Anderson, Robert Ferrier, John Fairburn, Richard McGovern, Timothy Driscoll, Eric Mears, David Gravallese, Francis Macklin, Peter Maher, Matthew LaRochelle, Mark Lindholm, Dennis Murphy, Paul Robito, Todd Walsh, Mark and Tony Sullivan, James Waldie, James Bourdelais, Jane Fairburn, Ellen and Janet Gravallese, Ellen McGovern, Ellen Phinney, Candy and Debra Maher, Betty Ferrier, Mary Rose Macklin, Rose Mary Hagan, Carol Lindholm, Joyce Fichera, Ann McGravey, Nancy Robito, Mary Sweeney, Meg Sullivan, Susan Soderbergh, Patricia Townsend, Cathy Ann Calleen and Cyd Driscoll.

## CHAPLAIN AT CAMP ANDOVER

During the month of July and first week in August Rev. J. Allyn Bradford will be serving as Chaplain at Camp Andover, Meredith, N.H. The Camp is sponsored by the Boston City Missionary Society.

Mr. Bradford's family will be staying with him at that time.

## At The Library

### Story Hours

Story hours are to be held every Wednesday morning in the library during the summer. They will begin promptly at 10:30 o'clock. Parents should allow three quarters of an hour for these summer programs unless otherwise indicated.

### Vacation Loans

Vacation loans are now in effect at the Memorial Hall Library for both adults and children. Books which have been owned by the library for a year or more may be taken for an extended period, to become due Sept. 15. Books on reserve lists, books in special demand and books which are on required reading lists may not be taken for this summer loan. Adults are permitted to take as many as they wish; boys and girls may take six at a time instead of the usual four.

### Fiction, Anyone?

Many readers of fiction admit to a preference for a certain type of book; but even these readers can be tempted to branch out to new fields when they feel that they are "read out" of their usual fare. The man who wants every new historical novel often finds himself turning to the actual history of that period to verify a fact, to elaborate a point or to find further pleasure in those undercurrents which have been omitted from the novelist's work. Some who want "family stories" find that they turn from the purely fictional families to the autobiographies of those who were part of a "houseful"; such books as "Cheaper By The Dozen" and "Big Family", "Room For One More" and "Life Among The Savages" have turned several readers to more serious works on family and home life, adoption, work with children, etc.

Mystery readers are often found in the section of the library where books on crime detection, secret service, Scotland Yard, actual court cases, even prison reform, are located. Those who have a warm spot for writing are thrilled to find such a non-fiction book as Howard Haycraft's "Art Of The Mystery Story", a collection of critical essays, and his "Murder For Pleasure", sub-titled "The Life And Times Of The Detective Story." This latter book is very useful in a library for those who must track down a mystery writer for a borrower who knows only that "the detective was Sergeant Preece"; the section at the back of Haycraft's book is titled "Who's Who In Detection" and it ties the sleuths to their creators, with some of their principal Watsons, assistants, antagonists and families.

There is no limit to the new interests which may be developed from the innocent reading of a simple book of fiction. Readers are urged to follow up some little lead that was interesting to them in a story; even the titles are interesting if traced to their sources, and there are books which help the inquisitive reader to satisfy even this point.

### Saturday Closing

All departments of the library are closed Saturdays during the summer. Adult readers continue with the same hours, except for this day, as they do during the winter; the children may use their rooms Monday through Friday from 10 a.m. to 12 noon, and from 2 p.m. to 5 p.m.

### Miss Putnam On Vacation

Miss Miriam Putnam, librarian of the Memorial Hall Library, is enjoying a brief vacation this week.

## ACCEPTED RESIGNATION

The Andover school committee has accepted the resignations of four persons from the school system.

Mary A. Cavallaro, South School kindergarten teacher, Mary L. Garrison, elementary school teacher and Eileen Carlson, librarian and English teacher at the High School, all submitted their resignations to the committee. Miss Carlson has been elected a teacher in the Melrose school system. The other resignations were due to health reasons. Mrs. Edith Cady, a secretary at the High School, also submitted her resignation.

# At The Library

This latter book is very useful in a library for those who must track down a mystery writer for a borrower who knows only that "the detective was Sergeant Preece"; the section at the back of Haycraft's book is titled "Who's Who In Detection" and it ties the sleuths to their creators, with some of their principal Watsons, assistants, antagonists and familiars.

There is no limit to the new interests which may be developed from the innocent reading of a simple book of fiction. Readers are urged to follow up some little lead that was interesting to them in a story; even the titles are interesting if traced to their sources, and there are books which help the inquisitive reader to satisfy even this point.

## Saturday Closing

All departments of the library are closed Saturdays during the summer. Adult readers continue with the same hours, except for this day, as they do during the winter; the children may use their room Monday through Friday from 10 a.m. to 12 noon, and from 2 p.m. to 5 p.m.

## Miss Putnam On Vacation

Miss Miriam Putnam, librarian of the Memorial Hall Library, is enjoying a brief vacation this week.

## ACCEPTED RESIGNATION

The Andover school committee has accepted the resignations of four persons from the school system.

Mary A. Cavallaro, South School kindergarten teacher, Mary L. Garrison, elementary school teacher and Eileen Carlson, librarian and English teacher at the High School, all submitted their resignations to the committee. Miss Carlson has been elected a teacher in the Melrose school system. The other resignations were due to health reasons. Mrs. Edith Cady, a secretary at the High School, also submitted her resignation.

# LEGAL NOTICES

## RULES AND REGULATIONS OF THE BOARD OF HEALTH TOWN OF ANDOVER MASSACHUSETTS 1960

The Board of Health of the Town of Andover, acting under the authority of the General Laws and amendments and additions thereto, and by any other power thereto enabling, and acting thereunder and in accordance therewith, have, in the interest of and for the preservation of the public health, duly made and adopted the following rules and regulations.

### CHAPTER I CONTROL OF COMMUNICABLE DISEASES

#### 1. DEFINITIONS:

The following words as used in these regulations, unless a different meaning is required by the context, or is specifically prescribed, shall have the following meanings: - "Board of Health" shall include the Board, Department or officer having like powers and duties in cities or towns.

"Carrier" - A person who, without symptoms of a disease dangerous to the public health, harbors and may disseminate the specific microorganisms of that disease.

"Contact" - Any person known to have been sufficiently near an infected person or animal to have been presumably exposed to transfer of infectious material directly or by articles freshly soiled with such material.

"Isolation" - The separation of persons suffering from any disease dangerous to the public health, or carriers of the infecting microorganisms, from other persons, in such places and under such conditions as will prevent the direct or indirect conveyance of the infectious agent to susceptible persons.

"Placard" - An official notice, written or printed, posted as a warning of the presence of a disease dangerous to the public health on the premises or in the apartment or room so placarded.

"Quarantine" - The restriction to the premises, house or apartment of materials and persons that presumably have been exposed to a disease dangerous to the public health.

"Incubation period" - By "incubation period" is meant the usual period of time which elapses between the exposure of a person to infection and the development of the symptoms of the disease to which he may have been exposed.

"Susceptible or Non-immune" - A "susceptible" or "non-immune" person is one who is not known to have acquired immunity to the particular communicable disease in question.

"Immune" - An "immune" person is one who has had the disease or has been artificially immunized against it, and is, presumably, protected against another attack.

"Last Exposure" - By this is meant the date of the removal to a hospital, or the recovery or death of the patient, or the date on which the non-immune contact leaves and remains out of the house where the patient is isolated.

#### 2. DISEASES DANGEROUS TO THE PUBLIC HEALTH:

Diseases declared by the Massachusetts Department of Public Health to be dangerous to the public health shall be reported under the provisions of the General Laws, Chapter 111, Sections 6, 7, 109, 111, and 112, as amended by Chapter 265 of the Acts of 1938, and notice of the occurrence of each case must be sent to the Board of Health in the manner required by the statutes.

#### 3. PHYSICIANS TO GIVE NOTICE:

According to Chapter 111, General Laws, as amended by Chapter 265 of the Acts of 1938, - "If a physician knows or has cause to believe that a person whom he visits is infected with the disease declared to be dangerous to the public health, . . . he shall immediately give written notice thereof, signed by him . . ." The act further provides - "The foregoing provisions of this section and the provisions of section one hundred and nine shall not apply to gonorrhea and syphilis, except in the case of eye infections in infants under two weeks of age. Any person having either of said diseases shall be reported to local boards of health, either directly or through the department, in accordance with such special rules and regulations as the department may make, having due regard for the best interests of the public."

#### 4. HOUSEHOLDERS TO GIVE NOTICE:

When a householder knows that a person within his family or house is sick with a disease dangerous to the public health, he shall immediately give notice thereof to the board of health in the manner required by the statute, (General Laws, Chapter 111, Section 109, as amended by Chapter 265 of the Acts

of 1938) provided, however, that in cases in which a physician has been called in, his notification will be accepted in place of the householder.

#### 5. INFECTIOUS DISEASES OF THE EYE (Ophthalmia Neonatorum):

Chapter 111, Section 110, General Laws as amended by Chapter 180 of the Acts of 1932, - "If either eye of an infant becomes inflamed, swollen and red, or shows an unnatural discharge within two weeks after birth, the nurse, relative or other attendant having charge of such infant shall report in writing, within six hours thereafter, to the board of health of the town where the infant is, the fact that such inflammation, swelling and redness of the eyes or unnatural discharge exists. On receipt of such report, or of notice of the same symptoms given by a physician, or a hospital medical officer registered under section nine of chapter one hundred and twelve, as provided by the following section, the board of health shall take such immediate action as it may deem necessary, including so far as may be possible, consultation with an oculist and the employment of a trained nurse, in order that blindness may be prevented."

#### 6. PERIOD OF ISOLATION:

A person who is sick with any of the diseases dangerous to the public health shall be isolated in the manner and for the periods prescribed in the Rules and Regulations of the Massachusetts Department of Public Health.

#### 7. METHOD OF ISOLATION IN CERTAIN DISEASES:

Whoever is sick with anterior poliomyelitis (infantile paralysis), diphtheria, meningococcus meningitis, scarlet fever, smallpox, typhoid fever, or any other diseases declared dangerous to the public health that the Board of Health may designate, shall be immediately isolated in a place or room, approved by the Board of Health, or its agent, or shall be moved to a hospital set apart for the treatment of such diseases, and no person so isolated shall leave such room or hospital until the period of isolation for the disease with which he is sick shall have elapsed and until the Board of Health or its agent shall permit him to do so.

#### 8. PLACARDS:

Houses or portions of houses \*\*\* in which there is a person sick shall be placarded for those diseases dangerous to the public health, for which placarding is required under the minimum isolation and Quarantine Requirements of the State Department of Public Health.

The card shall not be removed except on the authority of the Board of Health.

#### 9. WHO MAY ENTER PLACE OF ISOLATION:

No person except physicians, nurses, and those whose duty it is to minister to the patient, shall be allowed to enter the place of isolation during the continuance of the disease, unless permitted to do so by the Board of Health, or its agent.

#### 10. NURSES, ETC.:

Nurses, and others caring for a person isolated as above, shall wash their hands thoroughly with hot water, soap and scrubbing brush immediately after handling the patient, his discharges or any article soiled by his discharges, before mingling with others. They shall change their outer clothing before going out.

#### 11. DISHES, LINEN, ETC.:

All eating utensils and linen used by the patient shall be boiled, for at least five minutes immediately after being taken from the room. Upon release of the patient, woolen articles shall be exposed to sunlight and air for at least eight hours.

#### 12. DISCHARGES, ETC.:

The discharges of a person sick with typhoid fever, paratyphoid fever, or dysentery isolated in the house shall be mixed with chloride of lime or other disinfectant approved by the Board of Health and shall be kept in contact therewith for at least 30 minutes before being emptied into the hopper or privy vault, unless permission for another method of handling is given by the Board of Health.

#### 13. QUARANTINE OF CONTACTS:

Contacts shall be under the restrictions prescribed in the Rules and Regulations of the Massachusetts Department of Public Health.

\* In view of the various ambiguous and inaccurate uses to which the words "isolation" and "quarantine" are frequently put, it has seemed best to adopt arbitrarily the word "isolation" as describing the limitation put upon the movements of an individual (or animal) known to be sick or to be a "carrier" and the word "quarantine" as describing the limitations put upon individuals exposed ("contacts") to disease.

\*\* A list of diseases declared to be dangerous to the public health may be obtained from the local Board of Health.

\*\*\* In the case of tenement houses, apartment houses or like structures, as much of the building shall be placarded as in the judgement of the Board of Health is consistent with the best interest of the public.

## CHAPTER II MILK REGULATIONS

1. It is hereby understood that all milk produced, handled, or distributed in the Town of Andover is subject to all compulsory laws, rules and regulations now in effect or such new ones or amendments as may be enacted by the Commonwealth of Massachusetts.

2. No person, firm or corporation shall sell, exchange, deliver or have in his custody with intent so to do, milk from any cow unless said cow has within a period of six months passed without reaction a tuberculin test as established under the laws of the Commonwealth of Massachusetts, or unless said cow is in a tuberculosis-free accredited herd tested under the plan as adopted by the United States Bureau of Animal Industry.

This regulation shall not apply to pasteurized milk or milk intended for pasteurization.

3. No person or corporation shall sell, offer for sale, hold in possession with intent to sell, exchange or deliver any milk or cream, in this community unless such milk or cream is certified, according to Sections 20-25, inclusive, of Chapter 180 of the General Laws, or pasteurized as provided for in Section 1 of Chapter 94 of the General Laws. This rule shall not apply to milk intended to be delivered for the purpose of pasteurization. No milk offered for sale shall be pasteurized more than once.

4. All persons, firms or corporations engaged in the sale, delivery or distribution of milk, skim milk or cream shall provide adequate facilities for the proper storage of said milk, skim milk or cream at a temperature not above 50° F.

5. No person shall sell, exchange, deliver, or have in his custody or possession, with intent so to do, milk, skim milk or cream with a bacterial content which exceeds the standards set up by the Milk Regulation Board and the Massachusetts Department of Public Health as determined by the standard plate methods of the American Public Health Association in use at the time the examination is made.

6. Every person engaged in the production, storage, transportation, sale, delivery or distribution of milk for sale shall notify the Board of Health on the occurrence of any case or cases of communicable disease, either in himself or his family, or among his employees or associates, or within the building or premises where milk is stored or handled, and shall at the same time suspend the sale or distribution of milk until authorized to resume the same by the Board of Health. No utensil which is used or has been used on the premises where a communicable disease exists shall be used to hold or convey milk until it has been sterilized in a manner satisfactory to the Board of Health or its representative.

7. All persons, firms, or corporations engaged in the sale, delivery or distribution of milk shall furnish annually to the Board of Health a list of names and locations of the dairy farms from which the milk so distributed or sold is obtained and shall notify the Board of Health before making any changes in their supply.

8. All dealers, except licensed storekeepers, engaged in the sale, processing, and distribution of milk and cream shall provide a separate room or rooms, well lighted, ventilated, and properly screened, in a location approved by the Board of Health, in which the handling, bottling and storing of milk shall be carried on. All such milk rooms or plants shall have a smooth, tight floor with sewer connections if possible, and smooth, clean walls and ceiling. The entire room or rooms and all appliances shall be kept clean at all times and be used for the handling of milk only. All bottles, cans or other receptacles used for holding milk shall be sterilized insofar as practicable and shall be protected from contamination between the time of such sterilization and the time when they are filled. All bottles shall be filled at the place of production or processing of the milk and shall be capped with a machine cap.

9. No person shall serve or allow to be served any milk to be consumed on the premises where served unless such milk is contained in individual sealed receptacles, each receptacle to be filled at the place of production or processing of the milk, and to contain only the quantity of milk intended for the use of the person served, excepting in the case of homogenized milk which may be served from a milk dispenser providing that -

a. the dispenser is in full sight,

b. the milk shall be put into its final container at the pasteurization plant where the container shall be sealed and,

c. there shall be no transferring of any milk from the container nor shall any milk be added to the contents of the container after it leaves the pasteurization plant.

10. Milk or cream shall not be shipped from any dairy farm if there

is a case of contagious or infectious disease thereon, or among the employees or families thereof, and the owner of such farm shall immediately report any such case to this Board of Health and to the dealer and shipment shall not be resumed until authorized by the Board.

11. All milk, cream, skimmed milk, and milk or skimmed milk beverage, sold in the public schools for the consumption of students and teachers therein shall be pasteurized.

## CHAPTER III FOOD REGULATIONS

### 1. DEFINITIONS.

The following definitions shall apply in the interpretation and the enforcement of these rules and regulations:

A. Food - The term "food" shall mean and include all articles used by human beings for food, drink, confectionary, or condiment, whether simple, mixed, or compound, and all substances or ingredients used in the preparation thereof.

B. Food establishment - The term "food establishment" shall mean any place, whether stationary or mobile, where for the purpose of sale food is manufactured, processed, prepared, packed, canned, bottled, exposed, stored, handled, served, sold, or distributed.

C. Itinerant food establishment - The term "itinerant food establishment" shall mean one operating for a temporary period as a stationary or mobile unit for street peddling, for soliciting, or in connection with a fair, carnival, circus, public exhibition, or other similar gathering.

D. Employee - The term "employee" shall mean any person who handles food during preparation, sale, or serving, or who comes in contact with any utensils used in the preparation, sale, or serving of food, or who is employed in a room in which food is prepared, sold or served.

E. Utensils - "Utensils" shall mean and include any kitchenware, tableware, glassware, cutlery, containers, or other equipment with which food comes in contact during storage, preparation, sale, or serving.

F. Board of Health and Health Officer - The term "Board of Health" shall mean the Board of Health, of the Town of Andover. The term "Health Officer" shall mean an authorized agent of the Board of Health.

G. Person - The word "person" shall mean and include any individual, firm, corporation, or association.

### 2. EMPLOYEE'S CHEST X-RAY

Each and every restaurant employee in the Town of Andover shall have on his person satisfactory proof of a negative chest x-ray taken within three years. Each restaurant employee shall register the date of such x-ray with the management of each restaurant wherein he is employed. It shall be the duty of management to notify each employee of the requirements of this section and to request compliance therewith.

### 3. INSPECTION OF FOOD ESTABLISHMENTS.

At least once every 6 months the health officer shall inspect every food establishment located within the Town of Andover. One copy of the inspection report shall be left by the health officer in the food establishment or shall be carried or mailed to the food establishment within a reasonable time. Another copy of the inspection report shall be filed with the records of the health department.

The person operating the food establishment shall upon request of the health officer permit access to all parts of the establishment and shall permit copying any or all records of food purchased.

### 4. SANITATION REQUIREMENTS FOR FOOD ESTABLISHMENTS.

All food establishments shall comply with all of the following items of sanitation:

Item 1. Floors - The floors of all rooms in which food is stored, prepared, sold, or served, or in which utensils are washed, shall be of such construction as to be easily cleaned, shall be smooth, and shall be kept clean and in good repair.

Item 2. Walls and ceilings - Walls and ceilings of all rooms shall be kept clean and in good repair. All walls and ceilings of rooms in which food is stored or prepared shall be painted or finished so as to be washable and repainted or refinished as often as is necessary. The walls of all rooms in which food is prepared or utensils are washed shall have a smooth, washable surface up to the level reached by splash or spray.

Item 3. Doors and windows - All openings into outer air shall be effectively screened and doors shall be self-closing, unless other effective means approved by the health officer are provided to prevent the entrance of flies.

Item 4. Lighting - All rooms in which food is stored or prepared or in which utensils are washed shall be well lighted.

Item 5. Ventilation - All rooms in which food is stored, prepared, sold, or served, or in which utensils are washed, shall be well ventilated so as to be reasonably free of disagreeable odors and condensation.

agreeable odors and condensation.

Item 6. Toilet facilities - Every food establishment shall be provided with adequate toilet facilities for its employees, conforming with all applicable rules and regulations.

In food establishments hereafter constructed, altered, or remodeled toilet rooms shall not open directly into any room in which food or utensils are handled or stored. The Board of Health may require existing food establishments to comply with this requirement. The doors of all toilet rooms shall be kept in a clean condition, in good repair, well lighted, and ventilated to the outside air. Signs shall be posted in each toilet room used by employees directing all employees first to wash their hands properly before returning to work.

These shall be provided in each toilet room, or in the immediate vicinity, adequate handwashing facilities, including running water, soap, and approved sanitary towels.

Item 7. Water supply - Running water under pressure shall be easily accessible to all rooms in which food is prepared or utensils are washed, and the water supply shall be adequate, and of a safe, sanitary quality, and only from sources approved by the Board of Health.

Item 8. Lavatory facilities - Adequate and convenient handwashing facilities shall be provided, including running water, soap, and approved sanitary towels. The use of a common towel is prohibited. No employee shall resume work after using the toilet room without first properly washing his hands. It shall be the responsibility of management to instruct all employees in the above requirement and to insist upon full compliance therewith.

Item 9. Construction of utensils and equipment - All utensils and all showcases and display cases or windows, counters, shelves, tables, refrigerating equipment, sinks, and other equipment used in connection with operation of a food establishment shall be so constructed as to be easily cleaned and shall be kept in good repair. Utensils containing or plated with cadmium or lead shall not be used: Provided, that solder containing lead may be used for joining.

Item 10. Cleaning and bactericidal treatment of utensils and equipment - All equipment including showcases and display cases or windows, counters, shelves, tables, refrigerators, stoves, hoods, sinks, and vehicles used for the transportation and distribution of food shall be kept clean and free from dust, dirt, insects, and other contaminating material. All cloths used by waiters, chefs and other employees shall be clean. Single-service articles shall be used only once. All drinking straws shall be completely enclosed in a wrapper or otherwise protected from contamination.

All eating and drinking utensils after usage shall be thoroughly cleaned and effectively subjected to a bactericidal process approved by the Board of Health and shall conform with the standards of the American Public Health Association for bacteriological count. All utensils used in the preparation or serving of food immediately following the day's operation shall be thoroughly cleaned and effectively subjected to a bactericidal process approved by the Board of Health. All equipment, detergents, cleansing agents, bactericidal and germicidal chemicals and compounds for the washing and the bactericidal treatment of utensils shall not be used unless approved by the Board of Health. Drying cloths if used, shall be clean and shall be used for no other purpose.

No article, polish, or other substance containing any cyanide preparation or other poisonous material shall be used for the cleansing or polishing of utensils or equipment.

Item 11. Storage and handling of utensils and equipment - After bactericidal treatment utensils shall be stored in a clean, dry place protected from flies, dust, splash, and other contamination, and shall be handled in such a manner as to prevent contamination. Single-service utensils shall be purchased only in sanitary containers, shall be stored therein in a clean, dry place until used, and shall be handled in a sanitary manner.

Item 12. Disposal of wastes - All wastes shall be properly disposed of and all garbage shall be kept in tight, non-absorbent, and easily washable receptacles which shall be covered with tight-fitting lids while pending removal. Garbage containers shall be maintained in a clean and serviceable condition.

Item 13. Refrigeration - All readily perishable food shall be properly refrigerated and there shall be sufficient refrigerating capacity to maintain the temperature below 50° F. Waste water from refrigeration equipment shall be disposed of in a sanitary manner.

Item 14. Wholesomeness of food. All food shall be clean, wholesome, free from spoilage, and so prepared

(Continued on Page 14)

(Continued from Page 13)

as to be safe for human consumption. All milk, fluid milk products, ice cream, and other frozen desserts served shall be from approved sources. Milk and fluid milk products shall be served in the individual, original containers in which they were received from the distributor or from a bulk container equipped with an approved dispensing device. Provided, that this requirement shall not apply to cream, which may be served from the original bottle or from a dispenser approved for such service.

Item 15. Storage, display, selling, and serving of food. - All food shall be so stored, displayed, sold, and served as to be protected from dust, flies, vermin, degradation and pollution by rodents, unnecessary handling, droplet infection, overhead leakage, and other contamination. No animals or fowls shall be kept or allowed in any room in which food is served, prepared, sold, or stored. All means necessary for the elimination of rodents and flies, roaches, and other insect pests shall be used.

No food intended for human consumption without cooking or peeling and which does not require continuous refrigeration shall be kept or exposed for sale in any street or public place, in or outside any food establishment, or in the open doorways or windows thereof unless it be kept so covered that it shall be protected from contamination with dust, dirt or flies. All floor or sidewalk display stands for such food shall be at least 24 inches above the sidewalk, platform, or landing upon which such display stand rests.

Item 16. Cleanliness of employees. - All employees shall wear clean outer garments and shall keep their hands clean at all times while engaged in handling food, utensils, or equipment. Employees shall not expectorate or use tobacco in any form in rooms in which food is prepared.

Item 17. Miscellaneous. - The premises of all food establishments including cellars, alleys, and yards shall be kept clean and free of litter or rubbish. None of the operation connected with a food establishment shall be conducted in any room used as living or sleeping quarters. Adequate lockers or dressing rooms shall be provided for employees' clothing and shall be kept clean. Soiled linens, coats, towels, and aprons shall be kept in containers provided for this purpose.

Items 6, 7, and 8 of Section 4 of these rules and regulations will not apply to mobile food establishments, but food establishments wherever located whose vehicles sell, distribute, or deliver food in the Town of Andover in addition to being subject to the rules and regulations and ordinances and codes of the cities and towns wherein they are located shall be subject to all the requirements of this section.

Itinerant food establishments. - Itinerant food establishments shall be maintained and operated in a manner approved by the health officer, and insofar as the nature of the unit permits shall conform with these rules and regulations.

5. DISEASE CONTROL. No person who has an attack of diarrhea or dysentery, or has infected cuts or sores on any part of the body; or who is afflicted with a sore throat, cold, or other respiratory infection, or who is known to be a carrier of such disease organisms or who is suffering from or who is a known carrier of any communicable disease shall work as a food handler. If any food establishment employee is suspected of contracting or has contracted any disease in a communicable form or has become a carrier of such disease the health officer shall be notified immediately.

6. PROCEDURE WHEN INFECTION SUSPECTED. When suspicion arises as to the possibility of transmission of infection from any food establishment employee the health officer is authorized to require any or all of the following measures: (1) the immediate exclusion of the employee from any or all food establishments; (2) the closing of the food establishment concerned; (3) adequate medical examination of the employee and of his associates, with such laboratory examinations as may be indicated. Any food establishment closed by order of the health officer as above provided shall not reopen for business except upon written authorization from the health officer.

7. PENALTIES. Whoever, himself or by his servant or agent, or as the servant or agent of any other person or any firm or corporation violates any provision of these rules and regulations shall be punished as provided by the General Laws of the Commonwealth of Massachusetts. Each and every violation of the provisions of these rules and regulations shall constitute a separate offense.

8. REPEAL AND DATE OF EFFECT. All rules and regulations and any part thereof in conflict with these rules and regulations are hereby repealed, and these rules and regulations shall be in full force and effect immediately.

9. UNCONSTITUTIONALITY CLAUSE.

Should any section, item, paragraph, sentence, clause, or phrase of these rules and regulations be declared unconstitutional or invalid for any reason, the remainder of said rules and regulations shall not be affected thereby.

CHAPTER IV

1. Any person or persons owning or having control of any building or premises shall keep the same in a cleanly condition and any such person having control of any building or premises, in or upon which there is any substance or material, or any condition, which is or may become a source of danger to the public health or a nuisance, shall, when ordered by the Board of Health in writing, remove or abate the same within the time specified in said order.

2. Any person or persons owning or having control of any premises abutting on a private way, and having the right to use such private way shall, when ordered by the Board of Health in writing, remove or abate from that part of said private way adjoining such premises, any substance, material or condition, which is, or may become a menace to the public health or a nuisance, and such removal or abatement shall take place within the time specified in said order.

3. House offal, commonly called garbage or swill, shall be placed in suitable water tight receptacles properly covered and so located that the house offal may be easily removed by persons authorized by the Board of Health. Receptacles used for the storing of house offal, shall at all times be kept in a reasonably clean condition. No metal, glass, crockery, poisonous substance or substances other than house offal shall be placed in such receptacles.

4. No person shall remove or transport garbage, offal or other offensive material through any public street, court, lane, or way without first obtaining a permit from the Board of Health, and provide further that he shall remove and transport the material herein mentioned in accordance with such reasonable rules and regulations as may be established by the said Board. All such permits shall expire on December 31 of the year in which they are issued, but may be renewed annually. They may be revoked by the Board at any time for cause. No permit shall be transferred except with the approval of the said Board. Carts or vehicles used for transporting offensive material shall be water-tight and shall be securely covered with a wood, iron or canvas cover. Nothing in this section shall be construed as to prevent a householder from disposing garbage, offal or other offensive material from his own household without a permit from the Board of Health provided he shall remove, transport, or dispose of such garbage, offal or other offensive material in a manner satisfactory to the said Board of Health.

5. No person or persons shall place or cause to be placed or left in or upon any public or private street or way, enclosure or grounds, or in any body or stream of water within the limits of this town, the body of any dead animal, fowl, or any substance or material that is or may become offensive or cause a nuisance, or may tend to obstruct the flow of any stream.

6. The owner, agent or lessee of any land or enclosure, used as a dump, either public or private, shall cause all offensive matter dumped thereon to be immediately covered, and all other refuse matter dumped thereon to be kept leveled, and the premises kept in such a manner as to cause no nuisance during the process of filling. No person shall dump any offensive material upon any dump unless permitted to do so by the Board of Health, and all such offensive materials shall be properly disposed of to the approval of the Board of Health. All possible care shall be used in preventing the escape of dust and papers from the dump and from the vehicle used in conveying waste materials to the dump.

7. No owner, occupant or agent of any building or premises shall permit any sewage, garbage, contents or drainage or a privy vault, septic tank, cesspool or water closet or sink drain or any other filth to empty on the surface of the ground or enter into any drain designed for the removal of surface water or any ditch, brook, stream or body of water.

CESSPOOLS, SEPTIC TANKS, PRIVY VAULTS AND PUBLIC SEWERS

1. The owner or other person or persons having control of any existing building or buildings hereafter erected or converted into a dwelling to be occupied by one or more families, and from which a public sewer is accessible, shall, in a manner and within a period of time satisfactory to the Board of Health, cause such building to be connected with such public sewer.

2. The owner or other person or persons having control of any existing building or buildings hereafter

erected or converted into one of more stores or other places of business, and in which one or more persons are employed, shall provide sufficient toilet facilities, and wherever a public sewer is accessible, shall, in a manner and within a period of time satisfactory to the Board of Health, cause such stores or other places of business to be connected with such public sewer.

3. No septic tank, subsurface disposal works, permanent or temporary privy-vault, or other means of sewage disposal including additions to existing sewage disposal systems shall hereafter be constructed or installed in this Town until a permit has been obtained from the Board of Health. It shall be the responsibility of the person or persons, firm or corporation to whom a permit is granted to comply with all the provisions of the permit and with all pertinent provisions of these regulations.

4. No building permit shall be issued until the Board of Health has approved the proposed lot as suitable from a sanitary point of view. No building permit shall be issued on an unsewered street until a permit for a sewage disposition installation has been obtained from the Board of Health.

5. Prior to the issuance of any permit, an application shall be made upon such forms as prescribed by the Board of Health, and shall be accompanied by a plot plan and other such plans, specifications and information that the Board of Health may determine to be necessary. The Board of Health may further require that soil suitability be determined by percolation tests and/or soil analyses.

6. The Board of Health shall be privileged to inspect the installation of a sewage disposal system at any state of its construction, and to require necessary modifications if adverse conditions are encountered that were not found originally. The applicant shall notify the Board of Health when the installation is ready for final inspection. The Board of Health shall thereupon cause an inspection to be made within ninety-six hours from the receipt of notice that the installation is ready for final inspection. Until such final inspection shall have been made, no part of the underground portion of such installation shall be covered.

7. All disposal works hereafter constructed or installed shall be of approved material and unless otherwise specified by the Board of Health shall be located not less than twenty (20) feet from any dwelling, not less than twenty-five (25) feet from any stream, not less than ten (10) feet from line of any street, court or passageway, and not less than ten (10) feet from the line of adjoining lot; all measurements being taken from the nearest portion of the sewage disposal works. Cesspools shall be provided with a suitable removable cover. Overflow cesspools may be entirely covered with earth. The use of an abandoned well as a cesspool in areas where water supplies are obtained from the ground is hereby prohibited. All septic tanks hereafter constructed or installed shall have an effective capacity of at least 500 gallons and shall be constructed of approved material. The effluent from such tanks must be disposed of by proper subsurface works so as not to cause a nuisance in the vicinity or to pollute any water supply.

8. No permanent privy vault shall be constructed, or maintained on premises which are provided with a public water supply. All permanent privy vaults, hereafter constructed, shall be of approved material, and shall be fly-proof, and unless otherwise specified shall be located not less than twenty (20) feet from any dwelling, not less than twenty (20) feet from line of adjoining lot, and not less than twenty (20) feet from line of any street, court or passageway, all measurements being taken from the nearest outer point of vault.

9. Temporary privy vaults for the convenience of contractors or their employees may be erected or installed without a permit, but only under the following conditions. The vault must be at least two feet in depth and must be so located as to cause no annoyance to persons residing in the vicinity. The owner, contractor or agent shall cause the contents thereof to be treated in a sanitary manner, and immediately upon completion of the contract the contractor shall remove the privy, shall fill in the vault and leave the premises in a condition satisfactory to the Board of Health.

10. No indoor toilet or water closet, except that which is provided with proper means of flushing with water at time of using, where water is available, shall be hereafter installed on any premises in this town. Where water is not available for flushing, indoor chemical toilets of approved material and construction may be installed under special permit of the Board of Health, if proper provision is made for the final disposal of the contents thereof.

11. Whenever a water closet, privy vault, septic tank, cesspool or drain becomes offensive or obstructed, the owner, agent or occupant of the

premises shall cause same to be cleaned and made free or otherwise corrected.

12. Every owner, occupant, or agent of premises in which there is any private sewer, drain, privy vault, septic tank, or cesspool shall keep the same in a sanitary condition and shall have every privy vault, septic tank and cesspool emptied and cleaned when necessary or at such times as ordered by the Board of Health. No privy vault, septic tank or cesspool shall be emptied except by such parties and in such manner as shall be especially authorized by the Board of Health. If the owner or occupant fails to comply with such order, the Board may cause the nuisance, source of filth, or cause of sickness to be removed, and all expenses incurred thereby shall be paid by the person who caused or permitted same, if he has had actual notice from the Board of Health of the existence thereof.

HORSES, COWS, GOATS, SWINE AND POULTRY

1. No person shall keep within the limits of this town, in any building, or on any premises of which he may be the owner, lessee, tenant or occupant, any cows, goats, or swine, without a permit from the Board of Health. All such permits expire annually on December 31 and may be revoked by the Board at any time for cause.

2. The owners or persons in control of any buildings or premises in which cows, goats, live fowl or swine are kept, shall keep the buildings and premises clean and free from decaying food, filth, dirt and stagnant water. The buildings and pens shall be white-washed or disinfected and put in such condition as may be ordered by the Board of Health.

3. The owner or other person or persons having control of any existing building or buildings hereafter erected or converted into a barn for the stabling of horses or other domestic animals shall keep their barns, stables and yards clean, and shall provide a pit constructed of cement or other suitable material for the reception of manure and other refuse matter. Wherever a public sewer is accessible, the Board of Health will decide as to the advisability of connecting such building with such public sewer.

PIGS AND PIGGERIES

1. No individual or individuals, partnership, company or corporation shall keep a pig or swine within the limits of this municipality without first obtaining a permit from the Board of Health. All such permits shall expire on December 31st of each year unless sooner revoked. Any permit may be revoked at any time by the Board of Health for cause.

2. A license to transport garbage, offal or other offensive substances along the public highways of this municipality must be obtained from the Board of Health in accordance with Chapter 111, Section 31A and no such materials shall be so transported without such a license. All licenses shall expire on December 31st. Any license may be revoked at any time by the Board of Health for cause. Garbage and other offensive material shall be transported only in water-tight vehicles or container and shall be securely covered with wood, iron or canvas cover while the vehicle is in motion.

3. All piggeries shall be suitably isolated and maintained in such a manner that no nuisance shall be created thereby. No pen or enclosure shall be located within 150 feet of any public highway. Some distance from adjoining property other than his own.

4. All piggeries will be examined frequently by a representative of the Board of Health, who will make such recommendations to the owner as are necessary to maintain the piggery in proper condition.

5. Properly ventilated buildings of substantial construction, preferably painted white or white-washed, well lighted, and so designed that accumulations of offensive material can be readily removed, shall be provided. For indoor pens watertight troughs of cement or metal kept in good repair shall be provided for feeding purposes, and these troughs must be thoroughly cleaned every day.

6. All buildings used for the housing of swine shall be kept in a clean and satisfactory condition. Brood houses shall be cleaned daily.

7. If outdoor pens or runs are provided, the swine shall be fed from platforms built of heavy water-tight material flat on the ground or on skids one foot above the ground so arranged that the platform can be readily moved and the ground at the earlier location ploughed in. If the feeding platform is elevated, the space between the ground and the platform shall be kept clear and clean, and no food shall be allowed to accumulate about the platform or on the ground.

8. A bin for receiving garbage shall be provided, which shall be covered during warm weather.

9. Garbage cans, wagons and trucks shall be thoroughly cleansed after the garbage has been removed therefrom.

10. Manure and refuse in outdoor pens shall be cleaned out at least twice weekly and must either be immediately removed from the premises or must be so kept that it will not constitute a nuisance and so that the pigs will not have access to it.

11. If unclean garbage, manure and refuse are collected in compost piles, they shall be treated or covered with earth, loam or other suitable material in sufficient amounts to eliminate any odor or nuisance. All such piles shall be at least 500 feet from any highway or dwelling. No garbage, manure or putrescible matter whatsoever shall, except in the cultivation and use of the soil in ordinary methods of agriculture, be put upon the ground within 250 feet of high water mark of any source of water supply or within 250 feet of high water mark of any open waters flowing directly or ultimately into said source of water supply. In addition, during the fly-breeding season, they shall be sprayed daily with some suitable coal-tar compound or other satisfactory insecticide.

12. Manure shall be spread upon land only when such land is in condition to plough, and manure so spread shall be ploughed under within forty-eight hours.

13. Wet muck in outdoor pens shall be removed and replaced with clean sand.

14. A water supply adequate for cleaning purposes shall be provided.

15. No pigs shall be kept within 50 feet of any room where milk is handled. No person who handles milk shall assist in the maintenance of pigs or the cleaning of pens.

16. Adequate personnel shall be employed at all times for the proper maintenance and operation of the piggery.

17. No piggery shall be located, constructed or maintained any part of which is within 250 feet of the high water mark of any source of drinking water supply or any tributary thereof, or within 250 feet of high water mark of any open waters flowing directly or ultimately into any source of water supply.

OFFENSIVE TRADES, OCCUPATIONS AND PRACTICES

1. The Board of Health may prohibit the exercise of the following trades or employments, viz: Those of slaughtering animals, or rendering animal matter, of manufacturing fertilizers and soaps, of mixing or storing of refuse or vegetable substances, of smoking or dehydrating fish or meat, of refining oils, of making egg dressing, varnish, glue, gas, gasoline or any burning fluid, except at the place or places where such trades or employments are lawfully established or which may hereafter be assigned by the Board such trades, or employments being either nuisances or hurtful to the town, attended by noxious odors or otherwise injurious or dangerous to the public health.

2. No old rags, old papers or other refuse material shall be brought into or allowed to remain within any building used as a dwelling if gathered from any source outside of such building.

3. No person shall sell or offer for sale any second-hand wearing apparel, bedding, household furniture or household utensils that have been exposed to any communicable disease, or that is infected with vermin until the same has been cleaned and disinfected in a manner satisfactory to the Board of Health.

COLLECTION AND DISPOSAL OF REFUSE AND GARBAGE

1. Definitions: a. Garbage is all waste animal, fish, fowl, fruit, or vegetable matter produced from or resulting from the use or storage of food for human consumption. b. Refuse is all combustible and non-combustible rubbish, ashes and ordinary commercial wastes. Rubbish is defined as waste, refuse, broken or rejected matter, hence, anything worthless. Building or construction wastes and industrial wastes are not included under refuse.

2. STORAGE OF WASTES:

a. Garbage is to be well drained of free water, and where not fed by swine, wrapped in paper and stored in a watertight, tightly covered container. The container shall be kept clean and free from deposits of garbage. No broken glass, cans, bottles or poisonous matters shall be placed in this container.

b. Refuse shall be stored in containers, preferably made of metal, weighing not more than 100 lbs. when full and equipped with proper facilities for handling.

c. Paper cartons shall be collapsed and tied in bundles weighing not more than 50 pounds.

d. Tree trimmings, brush, etc. shall be tied in bundles of not over 4 feet in length, capable of being handled by one man.

e. No loose material will be collected by the contractor or by the municipality.

3. LOCATION OF CONTAINERS:

a. Containers for garbage shall be stored in a convenient location where collection men can reach them without undue effort or any hazard.

(Continued on Page 15)

(Continued from Page 14)

4. PRIVATE COLLECTIONS:

a. Private parties, firms or corporations may be authorized to collect garbage and refuse, providing such collection is performed in accordance with these rules and regulations and produces no objectionable conditions in or on the streets.

b. Private collectors, firms or corporations shall, before engaging in such business, be licensed by the Board of Health. (See Chapter 111, Section 31A, General Laws.) There shall be a fee of \$2 per year for each vehicle used in such service.

c. Private scavenging on the streets is prohibited and no person shall overhaul the contents of receptacles of refuse set upon sidewalks for collection.

5. DISPOSAL OF WASTES: a. No public or private premises within the limits of the city or town shall be used as a dump without a permit from the Board of Health.

b. Refuse may be used for filling or grading land, providing a permit is obtained from the Board of Health and in accordance with any rules which the Board may prescribe.

c. All refuse shall be disposed of at a dump designated by the Board of Health or by the town meeting and in accordance with rules prescribed by the Board of Health.

d. Garbage or offensive material shall not be disposed of at any dump. When garbage is fed to swine, the hog farm shall be maintained in a sanitary manner and in accordance with rules and regulations prescribed by the Board of Health.

6. MISCELLANEOUS: a. These rules and regulations shall not prohibit the disposal of combustible refuse and garbage in the home or commercial establishment by incineration if no smoke or odors are produced that are classed as nuisances or hazards.

b. The grinding of food wastes into water-carried pulp which is then transported to the household or commercial plumbing system and thence into the municipal sanitary sewer system or private sewer is permissible.

c. All vehicles employed in the collection of garbage shall be water-tight and covered at all times. Vehicles employed in the collection of refuse shall be so equipped as to prevent any material from blowing or dropping onto the highways.

7. MAINTENANCE OF DUMPS: a. The dumping of any garbage or other putrescible matter is prohibited.

b. No dumping of any material shall be permitted except under the supervision of the persons in charge and during hours posted in the area.

c. No material shall be burned at the dump except under the supervision of the person in charge.

d. The dump shall be kept level and in such a manner as to cause no nuisance.

e. Cover material shall be brought in when necessary to cover the dumped material.

f. Fences shall be erected if necessary to prevent the blowing of material.

g. Hydrant service shall be provided at the site of the dump to control the burning of combustible material.

A unit is a section of ground used, or designated for use, as a location for a single overnight cabin, tent or trailer.

In the following regulations, unless otherwise specified, the word camp shall mean any recreational camp, overnight camp or cabin or trailer coach park as defined above.

2. REGISTRATION AND LICENSE: The management of any organized camp in this municipality covered by Chapter 140 of the General Laws as amended shall annually apply for a license in writing to the Board of Health.

The application shall state the location and type of camp, the approximate number of persons by whom it is to be used, the probable duration of occupancy, the proposed sources of water and milk supply for the camp and the proposed method of sewage and garbage disposal.

If the camp is used the year around, such application shall be made annually not later than January 1 or, if used during only a portion of the year, at least 30 days in advance of the date when the requested license is desired to take effect.

3. CAMP SITE: The camp site shall be such that it is practicable to provide and maintain proper sanitary facilities.

Where local water supply and sewage disposal works are to be provided, the location shall be on porous, well draining soil, and shall afford facilities for obtaining a good water supply and a safe method of sewage disposal.

The camp site shall be of adequate size to prevent overcrowding. Each camping unit shall contain not less than 400 square feet of usable space, and no unit shall be permitted to accommodate more than one overnight cabin or tent.

No camp shall be established on the watershed of a public water supply until proper sanitary facilities have been provided and all sanitary facilities shall be in accordance with the rules and regulations for the sanitary protection of public water supplies made by the State Department of Public Health under the provisions of Section 160, Chapter 111, General Laws.

4. PLAN OF CAMP: Every camp shall have available for inspection a plan or sketch indicating the location of all local sources of water supply and other sanitary facilities including all toilets, cesspools and receptacles for garbage and refuse, and signs shall be posted indicating the location of such facilities.

5. WATER SUPPLY: Every camp shall have a water supply of safe, sanitary quality, sufficient in quantity for the maximum population using the camp at any time. Such water supply shall be easily obtainable from its source or from faucets or bubblers on a pipe distribution system.

Dipping of receptacles into the source of supply shall not be permitted. Common drinking vessels shall not be provided or permitted.

Drinking fountains shall be of sanitary design and construction. Any source of water supply, the water of which is found to be polluted or of questionable quality, shall be posted as unsafe.

6. SEWAGE AND WASTE WATER DISPOSAL: No camp shall be operated without facilities adequate for the proper disposal of the sewage and waste water. There shall be separate accommodations for each sex, so located as to be easily accessible to all parts of the camp.

Camps so located and equipped that water under suitable pressure and public sewers are available shall be equipped with flush toilets and connected with the public sewerage system. Camps not so located shall be provided with facilities adequate for the disposal of the sewage and waste water in a sanitary manner.

There shall be at least one toilet seat for each 15 campers when the camp is operating to full capacity and one urinal of vitreous material shall also be provided for each 25 men.

No privy shall be located within 50 feet of any kitchen, dining room, mess hall or other place where food is prepared or served.

Toilet structures shall be fly-tight, well lighted and ventilated. In cleaning septic tanks, cesspools, chemical toilets, privy vaults or pits, the contents shall be removed and disposed of in a manner satisfactory to the Board of Health so that they will not become a menace to the public health, create a nuisance, or contaminate any water supply or bathing place.

7. DISPOSAL OF GARBAGE AND RUBBISH: Every camp shall be provided with metal, tight-covered receptacles for garbage, placed at a suitable point or points at the camp and sufficient in number to contain all such garbage. All garbage shall be deposited in them. The contents of these covered receptacles shall be re-

moved daily when the camp is in use and, under proper supervision, buried or disposed of in a sanitary manner so as not to create a nuisance.

Garbage shall not be thrown or deposited in any ravine, ditch or gutter, on any street or highway, into any waters, or be permitted to remain exposed upon the surface of the ground.

Garbage receptacles shall be thoroughly washed at frequent intervals. Every camp shall be provided with suitable receptacles with tight covers for rubbish, and all waste papers, bottles and tin cans shall be placed in them. The contents shall be removed at least twice a week when the camp is in use and burned or otherwise disposed of in a sanitary manner under proper supervision.

8. FOOD: The quality and handling of all foods sold or offered for sale on the camp premises shall conform to the regulations of the Board of Health and to the Tercentenary Edition of the General Laws as amended or as may hereafter be amended.

9. BATHING PLACES: No bathing place shall be established or used which is subject to dangerous contamination. Swimming and wading pools and bathing places shall be operated and maintained in accordance with the recommendations of the Joint Committee on Bathing Places of the Conference of State Sanitary Engineers and the Public Health Association.

10. SHOWER BATHS: Camps provided with shower baths shall have separate compartments for each sex. A minimum of one shower head for each sex shall be provided for camps up to 20 persons, and one additional head for each additional 20 persons or fraction thereof.

Water-tight floors of durable and impervious material and suitable waste water disposal facilities shall also be installed.

11. LIVING QUARTERS: Living quarters, including dormitories, dining rooms, kitchen, bath and toilet rooms, laundries, and other shelters shall be properly screened, well ventilated and lighted, free from vermin and insects, and the floors raised not less than 12 inches from the ground. Screen doors shall be of the self-closing type. The floors of all kitchens, dining rooms, bath, toilet and wash rooms and laundries shall be water-tight.

No windows shall open directly into any enclosed garage space. All plumbing fixtures shall be properly trapped and vented and made sanitary in every particular, and all plumbing shall be in accordance with the Plumbing Rules of this municipality.

12. CARETAKER AND MAINTENANCE OF SANITARY CONDITIONS: The camp shall be supervised by a capable manager or caretaker who shall reside at the camp or visit it every day when it is occupied. It shall be the duty of the manager or caretaker to keep the camp and its equipment in a clean and sanitary condition.

The owner or management of each camp shall assume responsibility for maintaining the camp in proper sanitary condition in accordance with these rules and regulations, copies of which shall be posted at a conspicuous place in the camp.

The camp when closed for the season shall be left clean and in a sanitary condition.

13. COMMUNICABLE DISEASE: Whenever a case of disease dangerous to the public health is discovered or any unusual amount of illness occurs in any camp, the person in charge shall at once notify the Board of Health. The patient shall be isolated and not removed from the camp except by order of the Board of Health.

14. TRAILER COACH PARKS: The foregoing regulations shall apply to trailer coach parks. The following special regulations also shall apply:

a. Each trailer unit shall have an area of not less than 500 square feet, with suitable markers set at each corner. No unit shall be permitted to accommodate more than one trailer. The minimum distance between trailers, a trailer and a building, or a trailer and a property line shall be 10 feet. The minimum from a street line to a trailer shall be 15 feet.

b. No toilet installed in a trailer coach which is not provided with an approved trap shall be used while the trailer is parked in a trailer camp. All connections between properly trapped toilet bowls and sewage disposal systems shall be water-tight. Upright branch connections from sewer pipes to the trailer site shall be of cast iron and shall be set in a concrete apron of least 4 inches thick and extending at least 2 feet in every direction from the upright branch connection. The upright branch connection shall extend at least 3 inches above the apron.

When not in use all upright branch connection openings at the trailer site shall be closed by means of a

non-ferrous screw plug or cap. Sink and other wastes shall not be discharged onto the ground but shall be discharged into a suitable receptacle or into the sewer through an upright branch connection.

15. PENALTY: Section 32E of Chapter 140 of the General Laws as amended reads as follows: "Whoever conducts, controls, manages or operates any camp or cabin subject to sections thirty-two A to thirty-two C, inclusive, which is not licensed under section thirty-two B, shall be punished by a fine of not less than ten nor more than one hundred dollars."

16. ADOPTION: Upon motion duly made and seconded, it was unanimously voted at a meeting of the Board of Health on June 20, 1960, that these rules and regulations become effective on date of publication in the Andover Townsman, such date being scheduled for July 7, 1960.

ROBERT A. WALSH, Chairman  
WALTER R. VOGT, Secretary  
M.A. GRAVALLESE, M.D.  
Board of Health July 7, 1960

School Board Elected Teachers

The School Committee has hired five teachers, a secretary and a librarian. The appointments, according to Supt. Edward I. Erickson, are both replacements for personnel who have resigned and additional members of the staff.

Appointed were: Mrs. Josephine B. Stone, 75 Mifflin dr., North Andover, was elected secretary at the high school at a salary of \$48.45 weekly. Mrs. Stone has been serving as a clerk with a local insurance company.

Mrs. Marilyn E. Cronin, 117 North st., was elected a kindergarten teacher in the South School. She is a graduate of East Providence High School, Rhode Island College of Education, and has done graduate work at the University of Wisconsin and Brown. Her previous teaching experience has been in Providence, R.I. Her salary will be \$5,200.

William B. Godfrey, 3 Pleasant View dr., Canton, was elected a mathematics teacher in the Junior High School at a salary of \$5,000. A graduate of Syracuse University, he has received a Master of Education degree from Boston University. He has had teaching experience in Orange and Canton.

Mrs. Helen P. Monell, Washington st., Boxford, was elected a science teacher in the Junior High School at a salary of \$5,200. After receiving her early education in the state of Washington, she received a degree from the University of Washington in Seattle and has obtained Master's and Doctor of Education degrees from Columbia University.

Walter G. Leathe, 64 Millvale rd., Haverhill, was elected social studies teacher in the Junior High School at a salary of \$5,200. A graduate of Cambridge Academy, Emerson and Staley Colleges, he received a Master's Degree from Boston Teachers College. He has

taught in Newbury and Plaistow, N.H., where he served as principal and this past year he has served as Junior High School principal in Juneau, Alaska.

Leonard A. DeSimone, 31 Maple ave., North Andover, was elected a teacher in the Junior High for either mathematics or English, at a salary of \$4,800. A graduate of Central Catholic High School, he received his degree from Merrimack College in 1957. He is working towards a Master's Degree and has taken courses at Middlebury and Boston College. He has been teaching at the North Reading sanitarium and the evening division at Merrimack College.

Mrs. Annetta R. Freeman, 4 Suncrest rd., was elected librarian at Andover High School at a salary of \$4,800. She has been employed as a substitute in the Junior High Library during the past few months.

**Sorority Held Progressive Dinner**

The Beta Sigma Phi Sorority of Andover ended the season with a party for their husbands. A most enjoyable progressive dinner was held at the following homes: first course, Mrs. John McCarthy, 11 Carisbrooke st.; a chicken barbecue; Mrs. Henry Becker, 17 Theodore ave.; dessert, Mrs. David Roberts, 165 Elm st. The group returned to Mrs. McCarthy's home, where they joined in playing many clever and original games.

Those present were Mr. and Mrs. George Ainscow, Mr. and Mrs. Fred Anderson, Mr. and Mrs. Henry Becker, Mr. and Mrs. Howard Bond, Mr. and Mrs. Richard Clukey, Mr. and Mrs. John Gillies, Mr. and Mrs. Richard Homewood, Mr. and Mrs. John Lyons, Mr. and Mrs. John McCarthy, Mr. and Mrs. Lester Newill, Mr. and Mrs. David Roberts, Mr. and Mrs. Ian Sanderson, Mr. and Mrs. Arthur Seikunas and Mr. and Mrs. Ralph Wirtz.

Mrs. Howard Bond, Ways and Means chairman, has announced her committee's plans for the summer project. Each member will hold a small project of her own choice, the proceeds to go to the sorority at the first meeting in September.

Donn B. Byrne, son of Dr. and Mrs. Harry V. Byrne, 51 School st., has enlisted in the United States Army for a three-year period. He graduated from Merrimack College in June and was married the same day.

Mrs. Ralph Wirtz, president, and Mrs. Richard Clukey represented their chapter at the annual New England Convention June 26 and 27 at the Wentworth-by-the-Sea Hotel.

**Mrs. Edmonds Has Returned From Trip**

Mrs. Ernest C. Edmonds, 20 Maple ave., has returned to her home after visiting relatives for the past month on the west coast.

She witnessed the graduation exercises of the senior class of Lewis and Clark College in Portland, Oregon, when her granddaughter, Miss Mary Christine Edmonds of Centralia, Wash., received her Bachelor of Science degree in Political Science and History, and also the graduation of her grandson, Allan C. Edmonds, from the high school in Centralia.

Christine, who plans to be an air-line hostess, is now in training at Minneapolis and St. Paul.

Allan received an appointment to Annapolis, but could not take it because of less than required vision. He has, however, received the Navy Wives' scholarship for the State of Washington, and also the Amvets scholarship for children of deceased veterans of the second World War and Korea, the only one given out in the state.

He will enter the University of Washington in Seattle in the fall. His sister, Christine, received the Amvets scholarship four years ago, when she entered the college from which she has just been graduated. Both are children of the late Lt. Commander Allan C. Edmonds, formerly of Andover.

**Services July 13 For Mrs. Clark**

Services for Mrs. Charles Clark of New York, who died Dec. 26, 1959, will be held at the West Parish Cemetery July 13, at 4:30 p.m.

The former Elizabeth M. Smith. She was the daughter of the late Peter D. Smith and sister of the late Esther W. Smith, both of Andover.

Surviving is a sister, Mrs. Marjorie Churchill, a niece, Mrs. Mollie Churchill McClellan and a step-daughter, Mrs. Ralph Teal.

**PERSONALS**

Mrs. Harold Cookson of River rd. is a surgical patient at the Lawrence General Hospital.

Mr. and Mrs. Arthur Read and family of Rolling Ridge rd. are vacationing at Provincetown.

**Commonwealth of Massachusetts**  
LAND COURT  
Case No. 32010 Misc.

(SEAL)  
To JOHN BRIGUGLIO and MARIE C. BRIGUGLIO of Reading, ABRAHAM SOHN and ALVAN D. SPERBER of Newton, WILLIAM ANZALDI of Wakefield, all in the County of Middlesex and said Commonwealth; MELCH BROS. CORP., a duly existing corporation having an usual place of business in Lynnfield, in the County of Essex and said Commonwealth, and to all persons entitled to the benefit of the Soldiers' and Sailors' Civil Relief Act of 1940 as amended; Warren Institution for Savings, a duly existing corporation having an usual place of business in Boston, in the County of Suffolk and said Commonwealth, claiming to be the holder of a mortgage covering real property in Andover, on Nancy Circle, given by JOHN BRIGUGLIO and MARIE C. BRIGUGLIO to the plaintiff by instrument dated April 14, 1959 and recorded with Essex North District Registry with Deeds, Book 892, Page 65, has filed with said Court a bill in equity for authority to foreclose said mortgage in the manner following: by entry and possession and exercise of power of sale.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 as amended and you object to such foreclosure you or your attorney should file a written appearance and answer in said Court at Boston on or before the eighth day of August 1960, or you may be forever barred from claiming that such foreclosure is invalid under said act.  
Witness, JOHN E. FENTON, Esquire, Judge of said Court this twenty-ninth day of June 1960.  
JOHN B. MATTSOON  
Deputy Recorder

**MORTGAGEE'S SALE OF REAL ESTATE**

By virtue of the power of sale contained in a certain mortgage deed given by CHARLES L. DAVIDSON and ELISABETH K. DAVIDSON, husband and wife, to the Cambridge Savings Bank dated June 27, 1958, recorded with Essex North District Registry with Deeds, Book 875, Page 325, for breach of the conditions therein contained and for the purpose of foreclosing said mortgage, will be sold at public auction on the premises hereinafter described on Tuesday, the twenty-sixth day of July, 1960 at eleven o'clock in the forenoon all and singular the premises conveyed by said mortgage deed and therein substantially described as follows:

"A certain parcel of land with the buildings thereon situated on the westerly side of Beacon Street in Andover and being shown as the most south-easterly portion of Lot 3 on a plan entitled "Plan of Land in West Andover, Mass.", surveyed August 1925, by John Franklin, Civil Engineer, recorded with Essex North District Deeds as Plan No. 613, being bounded and described as follows:  
Beginning at the southeasterly corner thereof at a point in the westerly side of Beacon Street at and now or formerly of Carter; thence running

NORTHERLY by said Beacon Street, three hundred (300) feet to a point; thence turning at right angles and running

WESTERLY by land now or formerly of Andover Associates, Inc. two hundred fifty (250) feet to a point; thence turning and running SOUTHERLY in a line parallel with the westerly line of said

Beacon Street and by land now or formerly of Andover Associates, Inc. about one hundred twelve and one-half (112½) feet to said land of Carter; thence turning and running SOUTHEASTERLY by a stone wall and land of said Carter three hundred twenty-five (325) feet to the point of beginning.  
Containing 1.2 acres of land, more or less.

Being the same premises conveyed to said mortgagees by Andover Associates, Inc. by deed dated October 25, 1956, recorded with said Deeds, Book 844, Page 459.

Said premises are subject to restrictions of record so far as the same are now in force and applicable."  
Said premises will be sold subject to any and all unpaid taxes, tax titles and other municipal liens, if any such there be.

One Thousand Dollars will be required to be paid in cash by the purchaser at the time and place of sale, and the balance in ten days thereafter upon the delivery of the deed.

Department of Public Works  
SPECIAL REGULATION  
GOVERNING THE SPEED OF  
MOTOR VEHICLES ON ROUTE 93,  
STATE HIGHWAY, IN READING,  
WOBURN, WILMINGTON,  
TEWKSBURY AND ANDOVER  
June 21, 1960  
SPECIAL SPEED REGULATION  
NO. 194

Highway Location: READING, WOBURN, WILMINGTON, TEWKSBURY AND ANDOVER  
Authority in Control: COMMONWEALTH OF MASSACHUSETTS, DEPARTMENT OF PUBLIC WORKS  
Name of Highway: ROUTE 93, STATE HIGHWAY

In accordance with the provisions of Section 18 of Chapter 90 of the General Laws (Ter. Ed.), as amended by Section 2 of Chapter 564 of the Acts of 1948 the following Special Speed Regulation is hereby made by the Department of Public Works and the Registrar of Motor Vehicles, acting jointly, and shall be effective immediately upon compliance with the applicable provisions of the above-mentioned Section 2.

The following designated speed limits are established at which motor vehicles may be operated in the areas described:  
NORTHBOUND  
Beginning in Reading at Station 118+00, thence northerly 0.54 miles at 60 miles per hour to the Woburn town line.

Thence northerly in Woburn 1.39 miles at 60 miles per hour to the Wilmington town line.  
Thence northerly in Wilmington 4.99 miles at 60 miles per hour to the Tewksbury town line.

Thence northerly in Tewksbury 0.42 miles at 60 miles per hour to the Andover town line.  
Thence northerly in Andover 0.86 miles at 60 miles per hour to the Tewksbury town line.

Thence northerly in Tewksbury 0.32 miles at 60 miles per hour to the Andover town line.  
Thence northerly in Andover 5.54 miles at 60 miles per hour ending at Station 298+00; the total distance being 14.06 miles.

SOUTHBOUND  
Beginning in Andover at Station 312+00, thence southerly 5.81 miles at 60 miles per hour to the Tewksbury town line.  
Thence southerly in Tewksbury 0.32 miles at 60 miles per hour to the Andover town line.

Thence southerly in Andover 0.86 miles at 60 miles per hour to the Tewksbury town line.  
Thence southerly in Tewksbury 0.42 miles at 60 miles per hour to the Wilmington town line.

Thence southerly in Wilmington 4.99 miles at 60 miles per hour to the Woburn town line.  
Thence southerly in Woburn 1.38 miles at 60 miles per hour to the Reading town line.

Thence southerly in Reading 0.41 miles at 60 miles per hour ending at Station 125+00; the total distance being 14.19 miles.

Operation of a motor vehicle at a rate of speed in excess of these limits shall be prima facie evidence that such speed is greater than is reasonable and proper.

The provisions of this regulation shall not however, abrogate in any sense Section 14 of Chapter 90.

The Department of Public Works and the Registrar of Motor Vehicles, acting jointly, do hereby certify in writing, after a public hearing that this regulation is consistent with public interests.

Standard signs must be erected at the beginning of each zone.

**FIRE DEPARTMENT TEAM SPLIT DOUBLE HEADER**

The Fire Department soft ball team split a double header with the North Reading team Tuesday night.

Identical scores were recorded, with the locals winning 9-7 and dropping the second game by the same score. They will meet North Reading again Aug. 2 in that community.

The team also meets Tewksbury this Friday night at 6:30 at the old campus field.

**RECEIVED DEGREE FROM CORNELL**

Charles Giovinco, 1 Ayer st., received his Master's Degree in business administration from Cornell June 11. He is a graduate of Pynchard High School class of 1954, and was president of his class.

**SO YOU DON'T THINK YOU CAN AFFORD AN ESTATE?**

Well, you can; this long slung rambling ranch, set on 4 acres of rolling lawn, with a panoramic view of hills and fields, is the buy of the year. The family room dominated by a large brick raised hearth fireplace, the Colonial dining room is so large that it's three rooms in one! The formal living room, off a quaint reception hall, has the gracious subdued charm of a Provincial Chateau, drawing room, from which you enter a jalousie windowed sun porch. The largest bedroom is an intelligent woman's dream, large enough for a living room group around a fireplace, private bath and dressing room with floor to ceiling windows, modern kitchen and second bath; guest house of three rooms and sun porch, two-car garage, screen cabana, terrace, work shop, tool garden house and ski slope in back yard. What a house! What a house! And only 16 miles to Lawrence. The price? \$18,900.

**Donn B. Byrne, son of Dr. and Mrs. Harry V. Byrne, 51 School st., has enlisted in the United States Army for a three-year period.** He graduated from Merrimack College in June and was married the same day.

**Mrs. Ralph Wirtz, president, and Mrs. Richard Clukey** represented their chapter at the annual New England Convention June 25 and 26 at the Wentworth-by-the-Sea Hotel.

**Mrs. Edmands Has Returned From Trip**

Mrs. Ernest C. Edmands, 20 Maple ave., has returned to her home after visiting relatives for the past month on the west coast. She witnessed the graduation exercises of the senior class of Lewis and Clark College in Portland, Oregon, when her granddaughter, Miss Mary Christine Edmands of Centralia, Wash., received her Bachelor of Science degree in Political Science and History, and also the graduation of her grandson, Allan C. Edmands, from the high school in Centralia.

Christine, who plans to be an air-line hostess, is now in training at Minneapolis and St. Paul. Allan received an appointment to Annapolis, but could not take it because of less than required provision. He has, however, received the Navy Wives' scholarship for the State of Washington, and also the Amvets scholarship for children of deceased veterans of the second World War and Korea, the only one given out in the state. He will enter the University of Washington in Seattle in the fall.

His sister, Christine, received the Amvets scholarship four years ago, when she entered the college from which she has just been graduated. Both are children of the late Lt. Commander Allan C. Edmands, formerly of Andover.

**Services July 13 For Mrs. Clark**

Services for Mrs. Charles Clark of New York, who died Dec. 28, 1959, will be held at the West Parish Cemetery July 13, at 4:30 P.M.  
The former Elizabeth M. Smith was the daughter of the late Peter D. Smith and sister of the late Esther W. Smith, both of Andover.

Surviving is a sister, Mrs. Marjorie Churchhill, a niece, Mrs. Mollie Churchhill McClellan and a step-daughter, Mrs. Ralph Teal.

**PERSONALS**

Mrs. Harold Cookson of Riverd. is a surgical patient at the Lawrence General Hospital.  
Mr. and Mrs. Arthur Read and family of Rolling Ridge rd. are vacationing at Provincetown.

MR. AND MRS. EDWARD J. O'HAGAN

### O'HAGAN'S MARK 50th ANNIVERSARY

(Continued from Page One)

Several relatives who were present in 1910 were at Monday's celebration, including Mr. and Mrs. John O'Hagan of Wellesley and Mrs. Roderick Morrison of Westwood.

Mr. and Mrs. O'Hagan are the parents of 11 children: Helen and Cecilia, (deceased); Mary, wife of James McInerney of Somerville, John, custodian in the Lawrence School System; Rita, wife of Paul Kelly of Haverhill; Edward J. O'Hagan Jr., custodian in the Andover Schools; Josephine, employed by the Tyer Rubber Co.; Winifred, of Andover; Veronica, wife of William Cashman of Haverhill; and James and Peter, who are employed at the Andover Post Office. Peter was not present as he is touring Europe on his annual vacation from the Post Office. There are 20 grandchildren.

Mr. and Mrs. O'Hagan received many cards, flowers and gifts in honor of their Golden Wedding Anniversary.

### TIGHT RACE IN BASEBALL LEAGUE

(Continued from Page One)

playoffs scheduled for the final week of the month. Two tie games and three wins by one run margins have featured the close play.

Over 80 boys in the 13 through 15 age group are enrolled in the program under the direction of umpire-in-chief Dick Collins and managers Bill Schwarz, Dick Abbott, Fred Polgreen, and Pete DeAngelo.

League officials are most grateful to the Recreation Committee of the Town, the Boosters Club, the Service Club, and the Shawsheen Village Improvement Society for their generous support, which has afforded the opportunity to continue playing organized baseball to veterans of the Little League.

### Trunk Sewer Line Construction Coming

Construction of the trunk sewer line from Essex st. to the Riverina rd. pumping station will start in mid-summer.

Town Manager Thomas E. Duff has reported that easements have been secured and that plans are progressing for the major construction job.

Pipe sizes will range from 12-inch to 15-inch to sections of 27-inch pipe from Stevens st. to Riverina rd.

Friends of Miss Florence Gilman will be pleased to learn that she has returned from the Lawrence General Hospital where she has been confined with a fractured ankle and is recuperating at her home on Lowell st.

### Rowland Stroked Crew To Victory

Daniel Rowland, son of Mr. and Mrs. B. Allan Rowland of Central st., won high rowing honors at the Henley Royal Regatta, stroking the Shrewsbury School crew to a close victory over Eton.

Rowland has been attending the well-known English boarding school for two years and is captain of the crew.

The race was a semi-final for the Princess Elizabeth Cup, a Henley event open only to British schools. Eton led most of the way, but a sprint by the Shrewsbury School crew, under Rowland's stroking, pulled them into a slight lead.

Few of the spectators realized that the crew was stroked by an American.

### Personals...

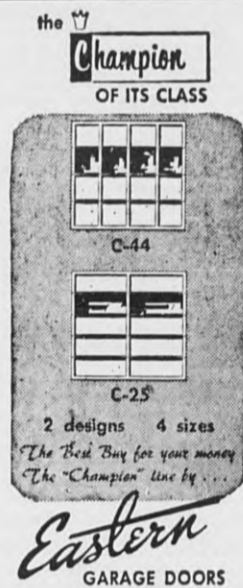

Mr. and Mrs. Charles Smyth have returned to their home on Lowell st. after visiting with relatives in Sodus, N.Y., Youngstown, Ohio, Denver, Col., and Colorado Springs. They left their son, Charles Jr., at the Air Force Academy, Colorado Springs, where he will attend the Academy. He was appointed by Senator Saltonstall.

Mrs. Alice Redstone of Lowell st. is enjoying a visit with friends in Newton.
