WILL IT BE READY? This is the new elementary school on Lovejoy rd., as it looked last weekend. In looking forward to major municipal events of the new year, the availability of the structure by September became a question, that received varying replies: Supt. Edward I. Erickson says he doubts that the school will be ready; contractor says it definitely will be finished in time for the opening of school. (Staff Photo)

Duff Sees 1961 As Good Year, Foresees Major 1962 Projects

Budget Under Sharp Scrutiny

Town Manager Thomas E. Duff is working with sharpened pencils, now that the year 1962 has come, in an effort to get the municipal budget ready for the even-sharper pencils of the Finance Committee.

Although specific data on departmental budgets is not in final form, it already has been estimated by the manager that approximately a 32 rate increase may be forthcoming - all dependent on what the voters do at town meeting, of course.

In working on the budget, Duff will be considering a request for a 10 percent wage increase from the Town Employees' Association, along with several other benefits the group voted to request. These include increased sick leave from 20 to 120 days, three weeks vacation after 10 years, reduction of the fire department work week from 56 to 48 hours, a longevity

(Continued on Page Four)

Town Manager Thomas E. Duff looks forward to six major projects in the new year.

Industrial development, Urban Renewal, Rogers Brook reconstruction, refuse and garbage disposal, expansion of recreation areas and planning for public building construction are listed by the manager as prime targets in the next 12 months.

He also has reviewed the year 1961, and finds it to have been a "rewarding year". The manager's statement at the start of the new year follows:

Citizen participation and cooperation with local government administration, has brought a rewarding year for Andover's Town Manager form of government. Now moving into its third year of activity, we may reflect, as we have in the past, on current activities to note some of the highlights of the year.

Probably the outstanding achievement for Andover was maintaining a stable tax rate at \$26 per thousand while at the same time increasing the area of municipal services, improving its per-

(Continued on Page 12)

New Construction Over 5 Million

Well over five million dollars worth of new construction took place in 1961, according to a compilation of the building inspector's reports for the year.

With the addition of \$120,600 worth of new construction in December, the year's total reached a gigantic \$5,170,059.

The value of new construction is reported monthly by Inspector Ernest N. Hall, based on contractors' statements of the value of the work, in the building permit application.

The low-month total for additions and alterations is placed at \$1,698,557, following the report of \$24,800 in this category during December.

New construction listed by the inspector includes: James S. White, 68 Chandler rd., moving and foundation, \$2,000; Arthur Silva, 64 Chandler rd., moving and foundation, \$2,000; John J. Lamb, 6 Karlton cir., dwelling and garage, \$17,000; Frank B. and Dorothy Santuccio, 51 Juniper rd., dwelling and garage, \$14,000; Octave Bourdelais, 45 Chandler rd., dwelling foundation, \$3,000; Winchester Development Corp., 43 Wildwood rd., dwelling and garage, \$20,000; John J. Lamb, 64 Lovejoy rd., dwelling and garage, \$19,000;

Bernardin Will Not Be Candidate Next March

SEEK NOMINEES FOR SERVICE AWARD

Who will be chosen to receive the Junior Chamber of Commerce Distinguished Service Award?

The Jaycees will announce the award winner later this winter - but are now specially concerned with receiving nominees for the honor from any of the town's organizations. Information may be obtained from Joel Label, 7 Morraine st., and all nominations must be received by the Jaycees by Jan. 10.

Weatherman Wrong Again

The weatherman sure took a verbal beating - but a good natured one this time - when Tuesday's predicted snow storm didn't show up.

Not only had all the media forecasters predicted a northeaster - the town's commercial weather report as late as 3 a.m. Tuesday indicated a sizeable storm would take place.

But even though it didn't snow - no more than a dusting, anyway - Highway Supt. Stanley Chlebowski was "up-and at 'em" at 2:30 a.m. Tuesday. Called by the police department when streets began to get slippery, he shortly afterwards received the forecast that the snow would still arrive, and in considerable quantity. He continued to direct the sanding operation - but happily didn't have to bother with the plows.

(Continued on Page Two)

Political activity received an almost-certain upset this week, as Eugene A. Bernardin Jr., chairman of the Board of Selectmen, announced that he will not seek re-election.

It was expected that the vacancy created by his decision not to run will attract several candidates. They have until Feb. 5 to file papers with the Board of Registrars.

In announcing his decision, which took most political observers by surprise, Mr. Bernardin said he wishes to "turn my full attention to my own business".

Mr. Bernardin was elected three years ago, and has served as chairman of the Board in each of the years of his term.

His statement reads: "It is my intention not to run for re-election to the Board of Selectmen when my term of office expires this coming March.

(Continued on Page Four)

Jazz Concert Here Feb. 9

An outstanding "Evening of Jazz" will mark the initial activities of the Andona Society Friday evening, Feb. 9, at 8:30 p.m. in the Memorial Auditorium.

This jazz jamboree, which is the first time this celebrated group of Boston talent has come to Andover, combines the unique talents of Father O'Connor, well-known jazz priest and television personality, George Frazier, prominent Boston Herald columnist, author, and jazz commentator, Herb Pomeroy's "jumpin'" jazz band, and songstress Teddy King, night club entertainer, whose vocal selections will add a delightful touch to the evening.

(Continued on Page Seven)

Four Major Decisions Seen Confronting Town This Year

Four major problems confront the town, as it enters 1962 - all as yet without an answer.

Urban renewal - the plan which would re-create the entire business, and some surrounding, area has not yet been presented in detail. Although this newspaper printed the large aerial photo showing the area, and planned reuse of the land, there have not been further details available.

It is understood that, if the Selectmen agree to an extension of time and of planning funds, the Housing Authority will seek to offer the town full details during the next few months, then present articles at a special town meeting. One of the impediments to getting the renewal plans before the voters in March has been a long wait for federal approval of the cost esti-

mates. Although routine in nature, the government agency takes considerable time in inspecting and considering the plans and the costs.

It has been predicted by David McDonald Jr., chairman of the Housing Authority, that a special meeting in the spring may be called - possibly in April or early May.

Presented in the Townsman this week are two photographs of the Main st. business section - not a single building in either photo will remain, if the plan is adopted as now presented.

stormy conditions, the superintendent has to plan on early morning rising, and telephone conferences with the police and the highway men, to find out what the road conditions are.

NEW CONSTRUCTION OVER 5 MILLION (Continued from Page One) S. Francis Kimberley Inc., 36 Birch rd., dwelling and garage, \$20,600; Donald I. Richmond, 3 Kenilworth st., foundation for dwelling, \$4,000. Permits for additions and alterations were issued to Fred and Helen Yunggebauer, 5 Washington ave., add department, \$3,000; C. Lincoln Giles, 52 Whittier st., add kitchen and bathroom, \$1,000; Frederic and Sabatina DeParis, 40 Boston rd., interior and exterior alterations, \$1,000; town of Andover, addition to garage for water shop building, Lewis st., \$19,800. The sum of \$173, representing fees collected by the inspector, was turned over to the town treasurer.

DAR To Hear Talk On Red Cross The next meeting of Priscilla Abbot Chapter, D.A.R., will be held at the home of Mrs. J. Keith Jones, 11 Washington ave., Tuesday, Jan. 9. It is expected that there will be a talk on the work of the Red Cross. Dessert will be served at 2 and the business meeting will follow. Besides Mrs. Jones, the hostesses will be Mrs. Edward Thompson, Mrs. Herbert L. Orstein and Mrs. Arthur Reeves.

Mr. and Mrs. Edwin Brown of Andover st. spent Christmas with their son and family, Mr. and Mrs. Bryon Brown and children, Ann and Peter, in Lexington.

Garden Club To Hear Columnist

The first meeting in the New Year of the Andover Garden Club will be Tuesday, Jan. 9, at 10 a.m. at the Andover Inn. Morning coffee will be served at 9:45 a.m. by Mrs. Leslie N. Hutchinson, chairman of the hospitality committee, assisted by Mrs. Franklyn J. Emmett, Mrs. Guy B. Howe Jr., Mrs. Charles MacKenzie, Mrs. Edward C. Nichols and Mrs. John S. Sullivan. Mrs. Henry C. Van Zandt, president, will conduct a brief business meeting after which the morning speaker, George Taloumis, will be introduced by Mrs. I. Malcolm Humphrey, program chairman. Mr. Taloumis, widely-read columnist of a Boston newspaper and well-known in gardening circles, will give an illustrated lecture, "Outdoor Gardening in Pots and Boxes."

New Members Were Received

Three new members were received into the fellowship of the West Parish Church at the 10:30 service Sunday morning. They are Mr. and Mrs. Robert H. Klie of Rolling Ridge rd. and Richard Harrison of Chandler rd. A festival of song was held at the service, in dedication of the complete set of Pilgrim Hymnals given the Church in memory of Barbara S. Edmunds, by her husband, Kenneth B. Edmunds and her aunt, Mrs. Caroline Sartwell. The pastor, the Rev. Howard A. Andrews, preached on "Sing a New Song". Flowers on the altar were the gift of Mrs. Edward Warwick, in memory of her parents and brother.

Party Held For Den 9. Pack 74

A Christmas party was held Dec. 21 for Den 9 of Pack 74, by Den mothers Mrs. Henry Wainwright and Mrs. Fred Arragg. Following an indoor barbecue, the group sang Christmas carols and games were enjoyed. Those present were Fred Arragg Jr., Gary Wainwright, Joseph Ferris Jr., Richard Hoag, William Rodden, Bruce Davideit, Scott Anderson and Lane Anderson.

Mrs. Collins Was Matron Of Honor

Mrs. J. Kevin Collins of Andover was matron of honor at the marriage of Miss Anna Tara Collins, daughter of Mr. and Mrs. John J. Collins of North Hampton, N. H., to James W. Needham of New York City. The ceremony took place at noon Saturday, Dec. 30, at the Church of Our Lady, Hampton, N. H. Mr. Collins was one of the ushers.

Little Stories about Great Hymns

The God of Abraham Praise

All praised be His name,
Who was, and is, and is to be,
And still the same.

Thomas Olivera, orphaned at 4, fell into wicked hands, and at 15 was said to be the worst boy in Montgomeryshire. Because of his excessive wickedness he was forced to leave town. Later he was profoundly affected by a sermon, and fasted and prayed until his knees grew stiff. He became an itinerant preacher and rode on horseback over 100,000 miles. This hymn is a paraphrase of the Hebrew Doxology set to an old Hebrew melody.

BUDGET GETS SHARP LOOK
(Continued from Page One)
program, increased Blue Cross-Blue Shield coverage, reduction of work week to 40 hours for all employees including school department personnel, a seniority system for public works personnel, and a classification and compensation plan to be approved and published by the manager.
It has been explained that surrounding communities have the 48-hour week for fire departments, and the request thus would bring Andover in line with the others.
At present, public works department employees work a standard 45-hour week. Custodians in the schools work 43 hours. The request for a 40-hour week would bring all of the town's employees under one system, it has been pointed out.
Out of the manager's control, however, is one of the main reasons a tax rate can be predicted — the school department budget.
A substantial increase has been anticipated in that department's final request to the voters, due to the salary schedule adopted recently by the School Committee.
Increases can also be expected in the payment on bonded indebtedness, according to the town manager.

plan to the town. I decided to do then, because I felt a Board of Selectmen sympathetic to the plan would give it a chance to prove whether or not it was the best form of government for Andover.
"Now, after three years, I had beyond a question that the town manager plan makes sense for me. I feel it has proven itself, and therefore, the job I wanted to do has been done. Now I wish to turn my full attention to my own business which has had to take a back seat on occasions during my term of office.
"I am grateful to my brother Selectmen who honored me by electing me their chairman for three years, who never failed to cooperate with me, who settled every problem face-to-face across the table in a gentlemanly manner.
"I am sure that unless one is exposed to the various town employees as I have been, it is impossible to assess the work that they accomplish and the spirit of cooperation that exists. We are fortunate in our town employees. I am proud of them all and I am grateful to them for the help they have given me."

Slight Injuries In 2-Car Crash

Two Andover residents were listed by police as being injured, following a two-car collision at the intersection of Bartlet and Chestnut sts., New Year's Day.

The cars were in collision in the intersection, according to a report filed by Officer Richard Caldwell, at 9:40 a.m.

Scott Sinclair, 10, 69 Carmel rd., a passenger in a car driven by Ruth E. Sanguedolce, 56 Carmel rd., was reported to have a bump on his head. Emma V. Sheehan, 6 Memorial cir., driver of the second vehicle, was reported to be "shaken up".

The Sanguedolce car was said to be operating southerly on Bartlet, and the other vehicle was headed east on Chestnut st.

Mrs. Ada Brown of Upland rd. spent Christmas with her sister, Mrs. C. Fred Smith in Reading.

EDITORIAL THOUGHTS

First Step Commits Us

A few weeks ago, the School Committee voted to ask town meeting to consider spending funds for the basic drainage and rough grading of the area behind the high school on Shawsheen rd.

This preliminary work would represent the first step in a long-range plan for development of the entire area. The Committee wants \$28,000 at the 1962 meeting, to be added to the \$22,000 appropriated last year. Thus the total cost of this phase of the development project would be \$50,000.

The over-all project is estimated at \$200,000 covering a 20-acre site.

Step two, if the 1962 meeting approves the drainage and rough grading, would be the construction in 1963 of a multi-purpose area, track and a football field. This would cost about \$35,000.

Additional development in following years will include relocation of the parking area, children's play areas, swimming and skating, and eventually bleachers at the football field.

The plan is an ambitious one, and is designed primarily for school use. It has, however, taken into account the desires of adults - tennis courts are planned, among other things.

There's only one question that bothers us.

Has there been sufficient planning, cooperatively, between the School Committee and the town recreation authorities?

If the area is to serve the community during non-school hours and weeks, then there should be plenty of cooperative thought involved in planning the area. It should do the job it supposedly is designed to do - not be found inadequate some time in the future.

In the absence of a recreation director, who might be assumed to know a good deal about this subject, we wonder whether this is the year to go forward.

A vote to appropriate the relatively small amount of \$28,000 will surely commit us to the development of the whole 20 acres, and the expenditure of at least \$200,000 in the long haul.

Are we prepared for this? Do we know that this is the best possible plan for the recreational advantage of the whole town?

We better have some answers to those questions, from the School Committee and from the Recreational Committee, before any voting is done.

Highway Guides Needed In Snow

Route 93 may not be quite as dangerous to drive on during a snow storm as is Route 128, but several persons had serious difficulty during the Christmas weekend storms.

They were headed north, toward Andover, from the Boston area, and found that it is almost impossible to see where you are on the road, after the first couple of inches of snow has fallen.

The absence of guides makes it hard to see whether you are in the one of the lanes, or whether you have wandered onto the shoulder.

It would seem that the state could provide some sort of markers that would at least help a driver keep on the road, during heavy snow storms or bad fog.

Two Candidates For Each Job

The time has come for interested voters to make up their minds about the elections in March.

Are they going to be spiritless endorsements or full-fledged political elections, with a real choice offered to all the voters?

Whether or not incumbents are deserving of support, they should not be unchallenged in the election. The voters should be offered a fair choice.

But this can only be done if candidates present themselves for voter endorsement - it can not be done by carping criticism of office-holders and an unwillingness to seek office in opposition.

Too many voters are critical all year long. But if they should be asked to run for the office, their only response is "let someone else do it. I don't have the time". Or they claim they would not want to get mixed up in the problem. Or the individual thinks he can't make it, and doesn't want to "look bad" in defeat.

SUSIE'S SONNETS

by Sylvia Neilson

AFTERMATH

Santa with his Ho! Ho! Ho!
Has gone back to the land of snow.
Rudy with his red, red, nose
Now is taking his repose.
Jimmy with his sled, sled, sled
Wants to take the thing to bed.
Daddy, with his bills, bills, bills
Gulps his tranquilizer pills.

There are five major offices on the ballot - two Selectmen, two School Committee members and the moderator.

There should be two candidates for each position, if the town's voters are to have a chance to select their man.

Down the Years with The Townsman

50 Years Ago - January, 1912

Miss Alice Bill of Portland, Me., is spending the week at her home on Salem st.

Alfred Coates of Morton st. is in the Lawrence General Hospital with a badly-injured eye, the result of an accident involving an air gun.

In the January number of the magazine "Recreation", there is a very bright and interesting article by L. D. Sherman, the local photographer, entitled "An Authentic Account of the Atlantic Adventures of the Andover Association of Amalgamated Anglers".

Mrs. John Derrah of Summer st. has accepted the position as teacher in the Bradlee School to fill the vacancy caused by the resignation of Miss Hilla Hedberg. William Shaw has left town on a trip of several days' duration, in the interests of the Christian Endeavor work.

A live, 40-pound pig was presented to the patrons of the Wonderland Theatre last night.

A promotion of one of Boston's young bank-men, which is of much local interest, is noted in the election of Abbot Goodhue to the presidency of the Brookline Trust Co.

At the annual meeting of the National Collegiate Athletic Association, held in New York's Hotel Astor, a strong plea for soccer football was made by Dr. P. S. Page of Phillips Academy.

Mrs. M. E. Dalton and children of Chestnut st. spent Monday visiting in Salem.

25 Years Ago - January, 1937

The terms of 21 present town officials will expire in March. The most keenly contested positions on the ballot appear likely to be School Committee and tree warden.

Atty. Joseph M. Hargedon of Windsor st. has been nominated by Governor Michael Curley as trial justice for the local police court. The Curley axe thus cut out Judge Culver J. Stone.

Three local youngsters were injured, one seriously with air rifles given them by their parents. Chief George A. Dane has announced that "Santa Claus is going to take back all the air rifles he can find". Several have already been picked up by the department, as a precautionary measure against further accidents.

The flood of last March has been judged the most important story of the year.

The Red Cross drive has reached a new high, in dollars and in members. There are 2,478 persons on the rolls, who gave a total of \$4,174.89.

Fire Chief Charles J. Emerson has been given a leave of absence, due to illness.

Thirty permits for new dwellings, probably the most issued since Shawsheen was built, were issued by the building inspector John Driscoll, last year.

10 Years Ago - January, 1952

Taxpayers are facing a possible rate increase of three or four

dollars, in the opinion of Roy Hardy, as he gives his opinion of things to come during the new year.

Telephone workers are going around the clock, trying to remedy the great overloading of the wires between Andover and Lawrence. When the toll charges were dropped between the two communities, an allowance for 300 percent heavier traffic was made. This has proven completely inadequate.

William A. Doherty has announced his candidacy for reelection to the School Committee.

The bodies of a man and wife, and their pet dog, were found in their Lowell st. apartment last Wednesday evening, the victims of accidental gas poisoning. Police said their Christmas Day dinner was prepared, but not eaten, as gas had apparently seeped from an oven while they slept.

The first day of the new year is mighty pleasing to Chief George A. Dane - there wasn't an accident, nor an arrest for drunkenness. He hopes this is a forecast for the year.

A construction shed near the Memorial Tower at Phillips Academy was flattened by fire Friday night. The shed is being used by workmen engaged in the construction of the gymnasium.

Preparations are being made for the community-wide x-ray survey, which gets underway next Monday.

Plan To Buy RR Tracks Unknown

Andover may be one of six communities trying to lease Boston and Main railroad tracks - but the town doesn't know anything about it.

A Winchester legislator, Harrison Chadwick, has filed a bill allowing six communities to lease the B & M tracks for use as a privately owned "commuter line". Besides Andover, the towns involved are Winchester, Wilmington, Lowell, Woburn and Nashua, N. H.

The move was taken after the railroad suggested it probably will close down passenger service to many suburban areas next May.

The only hitch, as far as Andover is concerned, is that no one bothered to tell the town it is being included. Town Manager Thomas E. Duff said he isn't disturbed by the lack of information - explaining that many times a bill may be filed to accomplish something for another community, but including other towns and cities which also are affected.

LANDRY CHILDREN HOME FROM SCHOOL

Miss Brenda L. Landry, a student at Vassar College, Poughkeepsie, N. Y., has been spending the holidays with her parents, Dr. and Mrs. Christopher D. Landry, 10 Woodland rd.

Her brother, C. Kevin Landry, a student at Middlesex School, Concord, is also at home for the holidays.

At The Library

Coming Events

- JANUARY**
- 9 First meeting of the Great Books Discussion Group, (Note earlier opening hour), 7:30 p.m.
 - 10 Littlest Listeners, Cardinals, 10 a.m.
 - 11 Ballardvale Littlest Listeners, 10 a.m.
 - 15 Andover Civil War Roundtable, 7:45 p.m.
 - 19 Travel talk by Mr. P. W. Moody, 8 p.m.

Great Books

The first meeting of the Great Books Discussion Group, to be held at the library Tuesday evening, Jan. 9 at 7:30, is of great importance to all members and any who may plan to attend such a group.

At this time there will be serious discussion of the future of the program, now entering its tenth year. If there is sufficient interest in going on with the program, a number of things will be considered. There may be better evenings for the meetings, an earlier or later opening hour may be more convenient. The readings may go along with the prescribed list for this tenth year group, or those attending may decide to make up a new reading list, or return to the original first year course.

As a common ground for the discussion period on this opening evening, all who plan to attend are urged to read Shakespeare's "Macbeth."

The earlier opening hour is 7:00 o'clock.

Littlest Listeners

The Cardinal group will have its first meeting of the new year at the library on Wednesday morning, Jan. 10, in the children's room. Ballardvale Littlest Listeners will meet in the branch room the following morning at 10 o'clock.

Andover's own Civil War group will meet on Monday evening, Jan. 15 at 7:45, at the library. This group meets the third Monday each month, and welcomes new members.

Travel Talk

All who enjoy hearing another tell about his recent trip and showing the beauties of other parts of the world in color slides are cordially invited to the Memorial Hill Library on Friday evening, Jan. 19, at 8 o'clock.

Mr. Percy W. Moody is planning to share the pleasure of his trip to Europe, at that time; he has named the program "A Southern European Tour."

Travel talks have been held at the library for a number of years, but were discontinued while the new addition was in process. Those who enjoy this "arm-chair pleasure" as a substitute for actual traveling have expressed interest in the plan and waited eagerly for the talks to be resumed.

Friday evenings have been the time set in the past, and the programs are arranged to run from 8 to 9 o'clock.

All are urged to set aside this evening for a delightful and colorful experience.

No Time To Read?

Before you say that you have no time to read, consider this: if you can find just 15 minutes a day, you can read two books a month, or 24 books a year! Then consider how many of the brief, authoritative, timely pamphlets which we could cover in an additional 15 minutes a day. The Memorial Hill Library keeps an up-to-date, easy to handle file of pamphlet material on so many subjects - from accident prevention to zoning. They are loaned out like books, and give concise, factual information in capsule form.

And think how your interests will grow and your knowledge of the world around you will widen. There is no substitute for learning, even though a little at a time. Try it!

WEST CHURCH NEWS

A group from the Evening Circle of the West Parish Church recently visited the Tewksbury State Hospital and gave an entertainment and party for the women of the west ward.

Refreshments were served and each patient received a gift. This is one of the service projects of the group.

FOUR DECISIONS DURING 1962

(Continued from Page 6)

Lovejoy rd. may, or may be ready for next September.

The School Department estimates that the children will be ready to occupy the building by then.

But while it is certain that there will be a sufficient number of children to occupy the building, there is a nagging doubt as to whether the structure actually will be finished by then.

Supt. Edward I. Erickson rather flatly, that it will be ready, on the other hand, says the building will be ready, in plenty of time, but it's up to Mr. Erickson to get the building ready to move into the building in September.

At the moment, with the preparation done, the building looks more like a jumble of girders and angle iron school - as can be seen in the photo taken last week at the construction site. The contractor claims the structure is on schedule, that there is no question of its availability next fall.

This doubt, however, is a problem for the school department.

Mr. Erickson points out that if the building is not ready, grave problems present themselves.

Should the move be made in September? If so, where do the additional teachers come from? Should the building be ready for a full school year be prepared in the budget, for the year, or none at all? Happens to the children who are ready to move in, come September - where can rooms be found to house them?

To date, the School Committee has expressed confidence that the building is ready for occupancy in September. A goal that Committee set ago when first named to supervise the construction.

Highway Construction - Route 495 poses another crisis for the town.

The state has repeatedly promised that bids will be advertised this winter, and construction that route through the Shawsheen will be under way in the summer.

In another Townsman photo last week, residents can take a look at the sight they will see again, once the work on the road will so change the appearance of the town, as it crosses North Main st., Union st., railroad tracks and the river goes on into North Andover.

Traffic problems, the amount of fill needed to fill this road job and the problems surrounding the location of many families to be faced in the new year.

So too must the town face the problem of zoning - based on ever demands can be forecast result of the highway's route through the town, and intersect with Route 93 in West Andover.

New Stores Coming - Not specially in the 1st category, but certainly in the category of unfinished business, leaves off and 1962 begins, stores under construction.

Lincoln Giles next to the m parking lot on Main st.

The complex of new stores, plus others and offices in the rear of the two old buildings will have its effect on the town.

Many businessmen are certain, as yet, as to what effect will be - possibly the

FOUR DECISIONS DURING 1962

(Continued from Page One)

Lovejoy rd. may, or may not, be ready for next September.

The School Department estimates that the children will be ready for it, however.

But while it is certain that there will be a sufficient number of children to occupy the building, there is a nagging doubt that the structure actually will be finished.

Supt. Edward I. Erickson says, rather flatly, that it will not. The contractor, on the other hand, says the building certainly will be ready, in plenty of time - but it's up to Mr. Erickson whether he wants to move into the building in September.

At the moment, with the site preparation done, the building looks more like a jumbled mass of girders and angle irons than a school - as can be seen in the photo taken last week at the site. The contractor claims the structure is on schedule, that there can be no question of its availability next fall.

This doubt, however, is creating problems for the school department.

Mr. Erickson points out that, if the building is not ready, several grave problems present themselves:

Should the move be made in mid-term? If so, where do the additional teachers come from at that time of the year? Should money for a full school year be appropriated in the budget, for part of the year, or none at all? What happens to the children who will be ready to move in, come September - where can rooms be found to house them?

To date, the School Building Committee has expressed its confidence that the building will be ready for occupancy in September, a goal that Committee set months ago when first named to supervise the construction.

Highway Construction
Route 495 poses another sort of crisis for the town.

The state has repeatedly promised that bids will be advertised this winter, and construction on that route through the heart of Shawsheen will be underway by summer.

In another Townsman photo this week, residents can take a long look at the sight they will not see again, once the work commences. The road will so change the appearance of the town, as it crosses North Main st., Union st., the railroad tracks and the river, and goes on into North Andover.

Traffic problems, the vast amount of fill needed to handle this road job and the complex problems surrounding the relocation of many families are all to be faced in the new year.

So too must the town face the problem of zoning - based on whatever demands can be foreseen as a result of the highway's passage through the town, and intersecting with Route 93 in West Andover.

New Stores Coming
Not specially in the problem category, but certainly in the role of unfinished business, as 1961 leaves off and 1962 begins, are the stores under construction by C. Lincoln Giles next to the municipal parking lot on Main st.

The complex of new street-front stores, plus others and office space in the rear of the two old homes, will have its effect on the town.

Many businessmen are not quite certain, as yet, as to what this effect will be - possibly the public's

attention will be drawn to that end of Main st. to a far greater extent than first imagined. Certainly, they agree, the bold plan to create new stores, while retaining office space and apartments in the existing buildings, will add tax dollars to the town's coffers and will create additional business within the town.

JAZZ CONCERT HERE FEB. 9

(Continued from Page One)

Tickets for the event are now on sale and are in the hands of the ticket chairman, Mrs. Richard H. Mower and the following captains: Mrs. Arthur E. Read, Mrs. Peter B. Olney, Mrs. Michael Gravallesse, Mrs. Hans Scharin, Mrs. Joseph Paulekas, Mrs. Douglas N. Howe, Mrs. William E. Caffray, Mrs. Edgar E. Joiner, Mrs. James D. Hamilton, Mrs. Charles D. O'Rourke, Mrs. Leo Keefe and Mrs. Donald Sagaser.

A limited number of reserved seats are also available and may be procured by contacting Mrs. John D. Phillips, reservations chairman.

Mrs. Burton Jenkins and Mrs. Phillips are serving as co-chairman of this affair and plans are being launched at a coffee hour at the home of Mrs. Jenkins today, where the committee members gathered.

All proceeds from Andover-sponsored activities are for the benefit of the youth of Andover. Foremost on its agenda for the coming year is a scholarship to a worthy college-bound high school graduate and provision of equipment and instructors for the Andover Youth Center.

WOMAN'S UNION MEETS WEDNESDAY

The Woman's Union of the West Church will hold the first meeting of the new year Wednesday, Jan. 10, at 10:30 a.m.

Members and friends are asked to specially note the change of time. A work meeting has been planned, and members are asked to bring their lunches to the session. Coffee and dessert will be served at 12:30, followed by a business meeting.

GRANGE MEETING

Andover Grange 183 will hold its regular business meeting Jan. 9 in Grange Hall.

Game night will be enjoyed, after the business meeting.

PERSONALS

Mr. and Mrs. Elwyn Matthews and family of Norridgewock, Me., visited recently with Mr. and Mrs. Samuel Alleruzzo and Mrs. Clester Matthews of Center st., Ballardvale.

Miss Patricia Lowry of New York City was a recent guest of her mother, Mrs. Jane Lowry and aunt, Miss Mollie Donovan of Andover st.

Alpha & Omega or the First & the Last

In our last ad for the old year, we talked about some of our first cooperators. In the first ad for the new year, we show you the latest addition to the CO-OP family.

Our subject today is Laura, daughter of Robert and Nancy Zollner. Laura's mother missed the December meeting of the CO-OP directors for reasons we all understand. Laura is more than a new citizen; she is also the newest cooperator - No. 2526 in our stockholders' book.

We are confident that Laura will grow healthy and strong. And why not? When they shop CO-OP, her parents will have access to the largest and most diversified supply of fine baby foods in the center of town.

Whether your family mix includes the young, the old or both, you can be sure of one thing in 1962: You too will benefit by doing your marketing at the CO-OP.

There may be better arrangements for the meetings; earlier or later opening hour may be more convenient. The readings to go along with the prescribed text for this tenth year group, or attending may decide to make a new reading list, or return to the original first year course. A common ground for discussion period on this opening night, all who plan to attend are to read Shakespeare's "A Midsummer Night's Dream".

Littlest Listeners
The Cardinal group will have its meeting of the new year on Wednesday morning, Jan. 10, in the children's room. Ballardvale Littlest Listeners meet in the branch room during morning at 10 o'clock.

War Roundtable
The Civil War group meets on Monday evening, Jan. 7:45, at the library. This meets the third Monday each month, and welcomes new members.

Talk
Who enjoy hearing another about his recent trip and show beautiful slides of other parts of the world in color slides are invited to the Memorial Hall on Friday evening, Jan. 8 o'clock.

Percy W. Moody is planning the pleasure of his trip to Europe, at that time; he has the program "A Southern Ocean Tour."

Level talks have been held at the library for a number of years. They are discontinued while the new one was in process. Those who wish this "arm-chair pleasure" substitute for actual traveling expressed interest in the plan. They are eagerly for the talks to be resumed.

Evening meetings have been held in the past, and the program are arranged to run from 7 o'clock.

They are urged to set aside time for a delightful and colorful experience.

What To Read?
If you say that you have to read, consider this: if you read just 15 minutes a day, you could read two books a month, or six books a year! Then consider any of the brief, authoritative pamphlets which you can cover in an additional five minutes a day. The Memorial Hall keeps an up-to-date, easily accessible file of pamphlet material on many subjects - from accident prevention to zoning. They are out like books, and give you the factual information in a convenient form.

Think how your interests grow and your knowledge expands around you will widen. It is no substitute for learning, though a little at a time. Try it.

CHURCH NEWS
The group from the Evening Circle of the West Parish Church, re-visited the Tewksbury State Jail and gave an entertainment for the women of the ward.

Refreshments were served and the patient received a gift. This is one of the service projects of the church.

ANDOVER

Obituaries...

MRS. ALIDA BRACLET
Mrs. Alida (Laprade) Braclet, 69 North st., West Andover, widow of Bernard Braclet, died Monday evening at her home, following a long illness.

Born in St. Guillaume, Canada, she was a resident of Franklin for 45 years before coming to Andover 16 years ago. She was a member of Council Richelieu, Union St. Jean Baptiste of Franklin.

She leaves two daughters, Lillian, wife of Arthur A. Levesque, with whom she made her home and Louise D., wife of Michael Soggi of Methuen; a brother, Alphonse of Montreal, Canada; three sisters, Lydia, wife of Antoine Bergeron of Lyndonville, Vt., Emma, wife of Ethienne Fournier of Acton Vale, Canada and Alphema, wife of Arsene Lebrun of St. Hyacinthe, Canada; 13 grandchildren; 11 great

grandchildren; also several nieces and nephews.

The funeral will be held today from the Edgar J. Racicot Inc. Funeral Home in Lawrence, with a high Mass of requiem at 9 a.m. in St. Theresa's Church, Methuen. Burial will be in St. Mary's Cemetery, Franklin.

JOHN J. TRAYNOR

John F. Traynor, grounds foreman at Belchertown State School a native of Andover, died Thursday, Dec. 28, at Wing Memorial Hospital in Palmer, following a short illness.

He had resided in South Lawrence until 10 years ago.

Surviving are a daughter, Mrs. Alice McCarthy, a police woman in the Lawrence police department; a son, John J. Traynor of Merrimac; three sisters, Mrs. Mary Manning of Lawrence, Gertrude, wife of Dr. Thomas Quigley of Brookline and Sister Rose Aloysius, S.N.D., of Bishop Fenwick High School in Peabody; a brother, Joseph Traynor of Andover; three grandchildren and several nieces and nephews.

The funeral was held Tuesday from the John J. Hart Jr. Funeral Home, Lawrence, with a high Mass of requiem at 9 a.m. in St. Patrick's Church, Lawrence. Burial was in Holy Sepulchre Cemetery, North Andover.

MISS HARRIET RYDER

Word has been received of the death of Miss Harriet Ryder of Yarmouth, who passed away Nov. 23 at her niece's home. She was buried in the family lot in the Yarmouth Cemetery.

Miss Ryder will be remembered by older residents in Andover, as she taught in the Andover schools for a year after graduating from Bridgewater Normal School, and boarded at the home of the Henry Russells on Summer st. After

leaving Andover, she taught in the Newton school system, but made frequent trips to Andover, where she visited old friends, staying in the meantime with Mrs. George Carter, the former Nellie Russell. While here, she attended the South Church.

Wedding...

ZAITZEVSKY - MCCARTHY

Mr. and Mrs. Francis Bertrand McCarthy of Davison House, Phillips Academy, announce the marriage of their daughter, Miss Cynthia Ridgway McCarthy, to Nikita Zaitzevsky of Boston, Saturday, Dec. 30, in Boston.

Mr. Zaitzevsky is the son of Mrs. Natalie Zaitzevsky of Cambridge and Leon N. Zaitzevsky of Rocky River, Ohio. The ceremony, which members of the immediate families attended, was performed by Mr. Ross Hamilton Currier of Boston. A reception at the Hotel Vendome followed.

The bride is a graduate of the Pike School in Andover, of the Northfield School for Girls, Essex Northfield, and studied at Radcliffe College and the Longy School of Music in Cambridge. She is now working in the editorial department of the Smithsonian Institution Astrophysical Observatory in Cambridge.

Mr. Zaitzevsky is a graduate of Roxbury Latin School, of Harvard College, Class of 1951, has studied at the Harvard Graduate School of Design, and served with the Army in Germany. He is now with the architectural firm of William Nelson Jacobs Associates, in Boston. After a wedding trip to the ski areas of northern Vermont and New Hampshire, Mr. and Mrs. Zaitzevsky will live in Boston.

HOME FOR HOLIDAY

Miss B. Claire Byrne of Russian Hill, San Francisco, Cal., has been visiting her parents, Mr. and Mrs. Joseph W. Byrne, 19 Canterbury st.

Miss Byrne teaches mathematics in the eighth grade in the schools of Half Moon Bay, Cal. She is a graduate of local schools.

November Club To Hear Ruth Ballou

"Has This Ever Happened to You?" will be asked by Ruth Ballou at the Monday meeting of the November Club Jan. 8, at 2:30 p.m.

But this is more than an idle question. It is Ruth Ballou's topic for mirth provoking recollections of some of her "Life's darkest moments" as a platform speaker, a community leader, a wife and mother. It is a program of sheer fun.

Ruth Ballou has been on one platform or another, literally and figuratively, ever since her graduation cum laude from Smith college. Chairmanships were followed by presidencies in the

Junior and Senior Woman's Club of Orange, N. J., among the oldest and largest in the country. Executive positions have been held in the New Jersey State Federation of Women's Clubs, the American Red Cross, the YWCA, parent-teacher organizations, the Community Chest, charter revision in local government, and other community welfare organizations and movements. A listener as well as a speaker in these organizations, Mrs. Ballou has come to know better than most just what audiences want, and she presents her material in a manner guaranteed to captivate listeners from start to finish.

She has appeared on radio, has acted in and directed little theatre productions, has been a professional director of religious education, and a writer of magazine articles. These volunteer and professional activities have made more interesting her role as wife and mother.

Mrs. Ballou's natural insight and sparkling humour not only add zest to her well known programs on current books and plays, but led quite naturally to her newest program, "Has This Ever Happened to You?", a collection of hilarious mishaps which have happened to her. Glad to have missed most of these, audiences, nevertheless,

RUTH BALLOU

have had similar experiences, and they laugh the more as they feel part of what went on. It might be most be called an audience participation show.

Ruth Ballou says this is the kind of program where you can leave your brain cells at home and relax a break that is needed in these days of tension.

\$27 million Raytheon Contract

A boost of nearly \$27 million for anti-missile and anti-air defense programs has come, award of five contracts to Raytheon Company by the Boston Ordnance District.

"Since more than 3500 contractors share this contract with Raytheon, this is a strong confirmation of predictions increases in the electronic portion of New England economy," Richard E. Kra Raytheon president said.

Of the total, \$1.4 million is anti-missile efforts in Project ARPAT, one of a series of studies on ballistic missile defense concepts sponsored by the Advanced Research Projects Agency.

Second Lt. Julian E. Baer, of the U. S. Army, son of Mr. and Mrs. Siegfried E. Baer of Haverhill st., has been transferred from Indianapolis, Ind. to Seattle, Wash.

\$27 million Raytheon Contract
A boost of nearly \$27 million for anti-missile and anti-aircraft defense programs has come, with award of five contracts to Raytheon Company by the Boston Ordnance District.
"Since more than 3500 sub-contractors share these contracts with Raytheon, this is a strong confirmation of predictions for increases in the electronics portion of New England's economy," Richard E. Krafve, Raytheon president said.
Of the total, \$1.4 million is for anti-missile efforts in Project ARPAT, one of a series of studies on ballistic missile defense concepts sponsored by the Advanced Research Projects Agency

as part of its "Project Defender." Work will be performed by Raytheon's Missile & Space Division, Bedford.

Four contracts totaling \$25,278,198 cover work on the Army's Hawk guided missile system. Included are \$14,834,259 for continued production of high power illuminators by Raytheon's Aero/Weapons Division plants at Andover, and Bristol, Tenn.; \$7,128,630 for additional engineering services at Andover; \$2,144,984 for production of field maintenance test equipment at Andover, Bristol and Oxnard, Cal.; and \$1,170,325 for electron tube production by the company's Microwave & Power Tube Division, Waltham.

Raytheon is prime contractor for the Army's surface-to-air Hawk missile as well as prime contractor leading a five-company team conducting the ARPAT study.

Allen Wood of Washington, D. C. spent the holidays with his family on Chandler cir.

Friendly Guild To Meet Next Monday

The Friendly Guild of Christ Church will start off the new year with a covered dish supper, followed by a business meeting, Jan. 8, at 6:30 in the Parish House.
The committee for the evening includes Mrs. Sydney Pollard, chairman; Mrs. Allan Byer, Mrs. Charles Caldwell, Mrs. Homer Judge, and Miss Agnes Gallagher.

RECEIVES DEGREE
David Lloyd Wood, 7 Smithshire Estates, has received his Master of Science degree, with a major in statistics, from Michigan State University in Lansing, Mich.

DUFF REPORTS ON LAST YEAR

(Continued from Page One)

sonnel program, and constructing new municipal services including a new elementary school. The growth of Andover was reflected in the population census figure first revealed as 15,878 and later corrected to 17,134, as had previously been expected by all concerned.

A particular standout in the growth of Andover is the current subdivision development in various sections of the town. This increased activity has been noted in the work of the Planning Board service and has made it necessary from time to time to revise regulations of the board. To accommodate this growth and achieve a proper balance, Andover, in 1961, extended its industrial and commercial zoning to provide for specific industrial and commercial areas adjacent to the new highways and this extension of commercial and industrial land use will facilitate the growth of future economic support for the community. It is felt this growth will be needed to provide a proper balance between residential and industrial use of land to continue the excellent standing in the tax structure.

Some of the accomplishments of the past year may be noted in the Public Works Department, where the Highway Department reached its highest performance in road construction with the completion of the newly constructed Dascomb rd. in conjunction with Chapter 90 funds and, in addition, completed resurfacing of many of the town streets with bituminous

concrete surfacing, a practice initiated in 1960 and now programmed as a yearly budget activity.

Sewer construction saw the completion of a main trunk sewer line from Riverina rd. to Essex st. This work included the first installation of a major size prestressed concrete span across the Shawsheen River. With the completion of this line, it will now be possible to provide for the future sewerage of the major areas of Andover.

Water Department operations have continued to expand and to accommodate the growth of this department, plans have been formulated and preliminary ground preparation work has been started for the construction of a new water shop building on Lewis st. This new facility will improve meter testing operations and provide for increased maintenance work. New equipment acquired by the Public Works Department during the past year included a combination backhoe and loader, the first digging unit owned by the town which now enables water, sewer and drainage work to be carried out by the various departments on a self-maintenance program. A new flexible sewer rodding machine was acquired during the year to improve maintenance service to the sewer lines and to provide for a continuing preventive maintenance program. With an outlay of \$61,000 for capital improvement and water services, a new 12" main was constructed on River st. in the Lowell Junction area for a distance of 2,500 feet. This will increase the water pressure and flow to the industrial area in Lowell Junction. Other water main construction included 750 ft. of 12" water main on Lovejoy rd.; 6,000 ft. of 8" main on Locke st.; and 300 feet of 12" main on Sherbourne st. - this latter work to provide improved service to the Shawsheen Heights area.

The major sewer construction work was carried out on Lovejoy rd. with the construction of 2,000 ft. main to provide sewer service to the new elementary school for this area.

The town drainage program moved into the second phase of study with an engineering survey of Shawsheen Village and the southeast area of the town. The third phase of this work is being programmed for 1962.

Rogers Brook, a major drainage

outlet for the center of town, has been given considerable attention by the town officials in terms of providing a program for reconstruction which will provide a drainage capacity for the entire center of the town based on a 25-year storm period.

A major item of construction undertaken by the town during the year was the awarding of a contract to the Champy Construction Company on a low bid basis in the amount of \$726,595 to construct a new elementary school on Lovejoy rd. The foundation work for this building has already been constructed and the steel work is now in progress. It is expected that this school will be open by September of 1962.

During the year, serious consideration was given to an Urban Renewal program under which Andover has been certified for Urban Renewal work. This program is continually under study by our town boards and officials in terms of arriving at a pattern of needs for the town of Andover, particularly in the business district.

The Andover League of Women Voters directed a coordinated effort during the year with a survey of the town needs to determine what improvements and growth would be desired by the community. The study was conducted on the basis of indicating to the town officials particular areas of interest of how Andover's citizens felt about their community and what improvements in the way of services and facilities they desired.

The personnel program for the town of Andover was expanded during the year with the creation of three staff positions: the establishment of an Engineering Department in the Public Works branch; the establishment of a classification of recreation director to plan and coordinate the expanding recreation program for the town; and the appointment of a deputy superintendent of trees to provide more detailed attention to forestry and conservation.

The Police Department continued its program of on-the-job training by participating in the State Police Training School program with the officers graduating from the course this year and three officers completing special courses in special investigation work and one completing a course in F.B.I. School of police procedure.

Provisions have been made to improve the Fire Department facilities with the purchase of a \$27,000 pumper to be housed at the local Central Fire Station and the present unit now in use in that station being shifted to the Ballardvale sub-station. The preventive fire maintenance work by the department during the year was reflected in the excellent rating maintained by the department and the low loss ratio.

(Continued from Page 12)

program was the open house in-
spection day conducted by the town
employees during the latter part
of June.

During the year, the town has
found it possible to call upon many
of its citizens and representatives
from industry and business to
participate in programs and work
projects to enhance Andover as a
community. This cooperation has
been excellent and the Board of
Selectmen and the Town Manager
extend their gratitude for the
generous assistance that has been so
willingly given.

The progress that has been made
in 1961 has been the direct result
of a coordinated effort between
the town officials, the various
Boards and Committees, and the
citizens, themselves.

Looking ahead to 1962, it is
expected that major consideration
will be given to finalizing plans
on Urban Renewal, reconstruction
of Rogers Brook, and industrial
development - the latter in accord
with the rezoning provided in 1961.

It is expected that the construc-
tion of Route 495 through the center
of West Andover and the Shawsheen
Village area will initiate a move
for commercial and industrial
development along the newly
created industrial zone adjacent to
Route 93.

In 1962, consideration will also
be given to refuse and garbage
disposal, to the expansion of town
recreation areas, and to planning
for public building construction.

Mr. and Mrs. Warren Kearns
and family of Syracuse, N. Y., were
guests, on the holiday, of Mr. and
Mrs. Herbert Holt of South Main
st.

WHEN ROUTE 495 construction begins next spring, this view may be lost for all time. The photo was taken from North Main st., across from Scanlon's restaurant, and faces easterly in the direction the new highway will take. When the highway is finished, you won't be able to see anything in this direction except bridge abutments and the massive fill on top of which the road will be built. This is another of the 1962 projects the town must face in the next 12 months. (Staff Photo)

Heart Drive During February

The Essex North Chapter, Massachusetts Heart Association, has announced the appointment of a chairman and vice chairmen for the 1962 Heart Fund campaign. Miss Anne D. Minahan has been named Greater Lawrence chairman, according to Charles H. Arnold, secretary of the Essex North Chapter. Well known to greater Lawrenceans, Miss Minahan attended Lawrence schools and graduated from St. Mary's High School. She holds a Bachelor of Arts degree in English and speech, and a Master of Arts degree in communication, both from Emerson College. Presently, she is a doctoral candidate at Boston University.

Mr. Arnold also announced that the following would serve as general area chairmen in the month-long campaign which begins here and throughout the nation Feb. 1: Lawrence - Arthur V. Gelardi; North Andover - William A. Fineran; Andover - Mrs. Gilbert Barrett; Methuen - Mrs. Albert Gordon.

The Heart Fund drive will reach its high point on Heart Sunday, Feb. 25, when hundreds of volunteers in the greater Lawrence area will visit their neighbors to deliver educational information on "heart attack" and to accept contributions.

Local Heart Fund contributions make possible the support of cardiovascular research in Massachusetts and in clinics and laboratories throughout the nation, Miss Minahan said in evaluating the importance of the drive.

At a special meeting held at the Lawrence General Hospital to outline plans for the 1962 campaign, the following were present: Charles H. Arnold, Anne D. Minahan, Arthur V. Gelardi, Dr. Herbert J. Hatem, Mrs. Albert

Gordon, Mrs. Justin B. Sidley, Mrs. Weston D. Eastman, Mrs. Thomas Majerison, Mrs. J. Herve Couture Jr., Mrs. David A. Fleming, Atty. Albert D. Pettoruto, Arthur W. Spirdione, Mrs. John J. O'Connor, Atty. Ignatius R. J. Piscitello and Mrs. Ronald J. Matalino.

INVITED TO PACK 75 MEETING
All den mothers and committeemen are invited to be present at the next committee meeting of Pack 75, at 44 Oriole dr. tonight at 8.
