Barnard Essay Contest Today

The 64th annual Barnard Essay Contest will be held this morning in the Andover High School Auditorium.

The program was made possible through a trust fund left to the Punchard Free School in 1889 by J. W. Barnard.

The contestants, who read original essays, compete for prizes of \$20, \$12 and \$8. The three judges have previously rated the papers for their composition, which counts 75 percent of the total score. They rate each contestant on his presentation of the essay.

The judges are Mrs. John T. Lawlor, Mrs. Harold G. Elrod and the Rev. J. Edison Pike of Christ Church.

The contestants are George Street, "A Failure in the System"; Terry Sickler, "Sunrise in the City"; Susan Palmer, "War with a Capital 'C'"; Pamela McAninch, "A Friend of the Family"; Philip

3 Parking Areas OK'd

Three emergency parking measures have been approved by the Selectmen, but even these can not handle the 300-plus cars now parked on Shawsheen streets.

However, the areas will hold well over 150 vehicles, cars now parked along the streets.

At their meeting Monday night, the Selectmen agreed to allow some all-day parking on York st., on the field side only; to allow Raytheon Co. and the Sacred Heart School to agree on use of land off Burnham rd., near the railroad bridge; and to approve use of land owned by F.M. and T.E. Andrew, near Haverhill and Enmore sts., for parking, provided an access is made onto Haverhill st.

The largest single area - the Sacred Heart field - will hold up to 100 cars. The School has promised Town Manager Thomas E. Duff that agreement can be reached with Raytheon, as long as a fence is put up to keep the cars off

Board Of Trade Has Green Light For Sidewalk Bazaar

The Andover Board of Trade has the green light from the Selectmen to make this year's Sidewalk Bazaar a gala event.

The June 22-23 activity, which met with enthusiastic support a year ago, will be expanded this year.

The Selectmen have agreed to closing off Main st., at Chestnut st., and at the Square to through traffic - thus the hustle and bustle of busy shoppers and small fry will not be impeded by cars.

The Bazaar activities, taking in the full length of Main st., from Punchard ave. to Elm Square and onto Elm st., are only now being planned. But Trade Board Presi-

dent Kenneth P. Thompson has recalled that many church and charitable organizations taking part a year ago were thrilled at the speed with which they sold their food, bakery, soft drinks, ice cream or merchandise.

He anticipates that many other organizations, both those affiliated with churches and others in the community, will want to take part. Any of the organizations may contact Mr. Thompson to discuss arrangements.

Among the tentative plans under consideration are those for a fish or clam chowder supper out doors, a square dance, also out of doors, amusements for the children and a wider variety of booths.

The planning group of the Board of Trade includes Phidias G. Dan-

Village Club Ends Year

The 1961-'62 season of the Shawsheen Village Woman's Club came to a close Monday evening, when the annual meeting was held at the Andover Country Club.

Prior to the business session, a banquet was served. Banquet reservations and arrangements were in charge of the refreshment co-chairmen, Mrs. Richard Locke and Mrs. Charles McCullom.

Mrs. George W. Ainscow, retiring president, introduced the following past presidents who were honored guests: Mrs. Clinton Stevens, Mrs. Albert Wade, Mrs. Edwin Bramley, Mrs. Norman Miller, Mrs. Walter Caswell, Mrs. G. Edgar Best, Mrs. Wallace Fiedler and Mrs. John Guild.

Also seated at the head table were the following retiring of-

Rush Order Urged On Urban Renewal Plans

The Selectmen are joining the effort to shake loose the Urban Renewal plan from Washington.

At the request of the Board of Trade, and with the full consent of the Housing Authority, the Board will ask Congressman F. Bradford Morse and Senator Leverett Saltonstall to expedite the work of the federal agency which now has the plans. Portions of the budget section, it was learned at a meeting Tuesday night, are being sent to Washington from New York tomorrow. The remainder of the plan, however, has been in Washington for some time.

Director Ernest N. Hall reminded the Selectmen of the acute problem facing the town, if the approved plan is not received here

within a short time. Failure to receive it would make it difficult to follow the planned time-table, leading up to a special town meeting in October.

The session Tuesday night was a conference between the Selectmen and Housing Authority, to discuss details of the estimated costs, and other factors involved in the Urban Renewal plan.

A penny-by-penny breakdown of the cost estimates is currently being prepared by Mr. Hall, and will be furnished the Selectmen. Various policy statements, setting forth the agency's decisions on many questions that will come up during the planning and discussion stages in the next few months, will

**Sorority Elected
 New Officers**

The object of Beta Sigma Phi Sorority is to unite congenially in fellowship and friendship, those young women accepted for membership and to promote the cultural development of members by definite prescribed courses of study.

Two things which set Beta Sigma Phi apart from many other women's organizations are the printed manuals and program books, specially prepared for the Sorority's exclusive use.

Several degrees are conferred upon qualifying members, on completion of certain prescribed requirements. Beta Mu Chapter in Andover is composed of "Ritual

of Jewels" and "Exemplar" members.

At an impressive Founder's Day celebration two pledges, Mrs. George Farrell and Mrs. Frederick Kidd, recently received their Ritual of Jewels Degree. The Exemplar Degree was also conferred upon Mrs. Howard Bond, Mrs. Richard Homewood, Mrs. Lester T. Newill, Mrs. Ralph Wirtz, Mrs. Richard Clukey, and Mrs. Frederick Anderson. As is the custom with the group, the Sorority presented its retiring president, Mrs. Richard Homewood, with a lovely keepsake, a sterling sugar and creamer. The Sorority sponsor, Mrs. Edgar Best was guest of honor and also was presented with a token of the group's esteem. Installed as officers for the coming year were Mrs. Lester T. Newill, president; Mrs. Richard Pangonis, vice president; Mrs. Louis Petersen, recording secretary; Mrs. Frederick Kidd, corresponding secretary; and Mrs. David Roberts, treasurer.

Others present at the Founder's Day dinner and activities were Mrs. George Ainscow, Mrs. Weston Eastman, Mrs. John Lyons, Mrs. Thomas Marjerison, Mrs. Ian Sanderson, Mrs. Luis Salazar, Mrs. Robert Kitson, Mrs. John Lewis and Mrs. J. D. Lucas, a transferee from the Montreal, Canada, Chapter of Beta Sigma Phi.

 Help Raise Funds**

The Smith College Club of Andover is about to undertake to raise its share of a \$23 million development fund for Smith.

Yesterday, the local development committee, with its honorary chairman Mrs. Frederick W. H. Stott, met at lunch with two emissaries from Northampton, Miss Katharine Cowen, secretary of the Alumnae Office, and William Frenaye, a director of the development fund.

The committee, directed by Mrs. Joseph R. W. Dodge, includes Mrs. Elbert Weaver, Mrs. Frederick Johnson, Mrs. Fredric S. O'Brien, Mrs. Dudley Fitts, club president Mrs. John Giblin, Mrs. Frank Reynolds II, Mrs. Robert M. Kimball, Mrs. George Bixby III, also Mrs. Robert Teel and Mrs. John Bowen of North Andover. Mrs. Alexander Price of West Boxford brought several members of the Merrimack Valley Smith Club to the luncheon, as did Mrs. Gardner Whitman Pearson from the Lowell Smith Club.

Alumnae and friends of Smith College will be asked to give money for endowment for faculty salaries, scholarships, a library wing, a new theater, a science building and other needs.

Mrs. O'Brien entertained, at tea last Friday, the five girls who will go to Smith next year from Abbot Academy. Among them is Miss Karen Grant, daughter of Mr. and Mrs. George Grant of Ballardvale.

**Summer Session
 At Pike School**

The Pike School will offer a summer session, between July 5 and Aug. 15, for students who have completed grades four through nine.

Both remedial, review and enrichment courses are offered during session.

Headmaster William H. Harding will direct the session, and Douglas M. Dunbar Sr. is co-director. Inquiries may be addressed to either, or to Earle R. Warren, at the School on Hidden rd.

YWCA Show This Weekend

Residents of Andover will play an important part in the Collector's and Hobby Show being held at the Greater Lawrence Y.W.C.A. this weekend.

The show will be open to the public Saturday, May 5, from 2 to 9 and Sunday, May 6, from 12:30 to 5. Mrs. Willard Currier, general chairman of arrangements, announces that the theme "Panorama", was chosen by the committee to indicate the wide variety shown in the many hobbies and collections being exhibited. Mrs. Charles Poore is in charge of the theme exhibit which will greet the public as they enter the "Y" lobby.

In the room set aside for collections, Mrs. Frank Barber will show her pressed glass, Dr. William Emmons will have his old spectacles on display and Mrs. Ernest Wilkinson will exhibit her bleeding Staffordshire. There will be other collections - of angels, coins, covered bridges, crosses, glass fish, guns, hatpins and combs, antique lamps, Majolica, napkin rings, pewter, samplers, stamps, swords and steins. Another attraction will be the antique automobiles parked just outside the "Y" on Lawrence and Valley sts.

Among the hobby exhibits in the Y.W.C.A. auditorium will be a demonstration of throwing on a potter's wheel by Mr. and Mrs. Roland West. Mrs. Donald Amy, the chairman of the first Hobby Show, will lend her charming watercolors and Mrs. Robert Orchard her oil paintings. Mrs. Charles Milligan's beautiful hooked rugs will demonstrate that popular craft. Lindsay Shuford, Marshall Ryder and J. Keith Jones will exhibit woodworking, made in their home workshops. Mrs. David Anderson will display her beautiful shell pictures and Harry Jenkins will lend his miniature cog railway, yacht, and civil war period train, reproduced in exact detail without the use of any commercially prepared parts. Other exhibits will include block printing, boating safety, cartoons, carved birds, crocheting, decorative painting, handmade jewelry, knitting, minerals, photography, sculpture, weaving, tropical fish, Indian lore and flower arrangements.

Another section of the show will be "treasures from abroad" and here too Andover exhibitors play a prominent part. Mrs. Albert Henriquez, Mrs. James Skillings, Mrs. Peter Dantos, Mrs. Salvatore Basile, Mr. and Mrs. Richard S. Pieters, Miss Mary Sweeney and Mrs. Currier are contributing ex-

hibits to represent Chile, Denmark, Greece, Italy, Korea, Spain and the Phillipine Islands. Other countries represented will be England, Japan, Lebanon, Mexico, the Micronesian Islands, Poland and Scotland.

The Y.W.C.A. will set up exhibits of articles made in Y.W.C.A. classes, which will include paintings, cone wreaths, ceramics and mosaics done by Andover women.

Tickets for the show will be available at the door and those attending may have tea and cookies from a committee chaired by Mrs. Raymond Mowat.

ney, long a leading exponent of the practice of active participation in public affairs by business firms; Robert W. Sarnoff, chairman of the Board of the National Broadcasting Company; and Peter H. Odegard, professor of political science.

The main business of the Convention is to adopt a national program for two years, elect officers and directors for a two-year term, and adopt a budget. Suggestions for the program originate with members, who through their local and state Leagues, make recommendations to the national board.

Convention delegates will consider two subjects for the current agenda: support of the United Nations with evaluation of the means to strengthen it under present-day conditions and support of U. S. foreign economic policies to expand opportunities for international and regional economic co-operation.

Six continuing responsibilities are also proposed. Four express support of water-resources development, modification of federal loyalty-security programs, self-government for the District of Columbia and measures granting the President authority to veto items in appropriation bills; two express opposition to constitutional limitation on tax rates and constitutional changes that would limit existing powers of the Executive and Congress over foreign relations.

**Many Working On
Sale Committees**

Mrs. Andrew B. Sutherland presided at a special meeting of the Lawrence General Hospital Shop Committee April 27, in the board room at the Hospital.

Customarily, in early April, the shop celebrates its birthday anniversary with a luncheon and sale. However, in view of the many functions that have been conducted in the Kurth Auditorium and dates all filled for the month of May, the birthday celebration has been postponed until early in the fall. The date will be announced later.

The Hospitality Shop committee is working presently on the gigantic spring rummage and white elephant sale, being held May 17 at the Trinity Congregational Church, Haverhill st., Lawrence, starting at 10 o'clock.

This affair is held annually for the benefit of the hospital. On sale will be good used clothing, household articles, jewelry, attic treasures and many other items. Anyone having articles for the sale may contact the Hospitality Shop to arrange to have them picked up or they may be left at the church, Wednesday, May 16, from 11:30 to 7 p.m.

The committee members working on the rummage sale are Mrs. Andrew B. Sutherland, Mrs. Joseph T. Gagne, Mrs. John B. Edmonds, Mrs. Walter E. Curtis, Mrs. J. Rodney Ball, Mrs. David Taylor, Mrs. Charles B. Hodges, Mrs. Harold W. Leitch, Mrs. Herbert H. Veit, Mrs. Thomas R. Sutton, Mrs. W. J. Many Working On Sale Committees

Mrs. Andrew B. Sutherland presided at a special meeting of the Lawrence General Hospital Shop Committee April 27, in the board room at the Hospital.

Customarily, in early April, the shop celebrates its birthday anniversary with a luncheon and sale. However, in view of the many functions that have been conducted in the Kurth Auditorium and dates all filled for the month of May, the birthday celebration has been postponed until early in the fall. The date will be announced later.

The Hospitality Shop committee is working presently on the gigantic spring rummage and white elephant sale, being held May 17 at the Trinity Congregational Church, Haverhill st., Lawrence, starting at 10 o'clock.

This affair is held annually for the benefit of the hospital. On sale will be good used clothing, household articles, jewelry, antique treasures and many other items. Anyone having articles for the sale may contact the Hospitality Shop to arrange to have them picked up or they may be left at the church, Wednesday, May 16, from 11:30 to 7 p.m.

The committee members working on the rummage sale are Mrs. Andrew B. Sutherland, Mrs. Joseph T. Gagne, Mrs. John B. Edmonds, Mrs. Walter E. Curtis, Mrs. J. Rodney Ball, Mrs. David Taylor, Mrs. Charles B. Hodges, Mrs. Harold W. Leitch, Mrs. Herbert H. Veit, Mrs. Thomas R. Sutton, Mrs. W. J. Schwarz, Mrs. Mitchell Kolsky, Mrs. Julius Emmert, Mrs. Francis A. O'Reilly, Mrs. George B. Westhaver, Mrs. Nathaniel Stowers, Mrs. Franklyn J. Emmett and Mrs. William H. Searle.

BIG FACTOR IN
DURHAM FAMILY \$58.33 REFUND**

Willy (his real name is WILFRED de FONTENAY) is the 125 pound Great Pyrenees dog who belongs to Doctor and Mrs. Richard A. Durham of 85 Stonehedge Road, Andover. When Willy was growing rapidly during his first year, his daily diet included a pound of hamburger, four eggs, a pound of cottage cheese, a quart of milk, two types of vitamins and a box of dog biscuits. Now that he's grown up, he's slowed down to a mere pound of hamburger each day. Let's face it, Willy's a big factor in the Durham food budget. So, we're sure the Durhams will share their big \$58.33 refund with him. As Willy says: "I'll take cash over stamps any day!"

**Men's Group
Plans Breakfast**

The Men's Group of the Andover Council of Churches will sponsor its annual Communion Breakfast, to be held at 8 a.m. Sunday at the Free Church.

The Rev. Karl Paul Dorfried, assistant at the West Parish Church, will be the speaker. He is a student at the Harvard Divinity School.

A. P. Seikunas is chairman of the Breakfast, and co-chairman is Lester T. Newill. Either may be called for information, or tickets may be obtained at any of the church offices.

**Exams Scheduled
By Congressman**

Congressman F. Bradford Morse has announced that competitive Civil Service examinations for young men, who are residents of the Fifth District, between the ages of 17 and 21, interested in appointment to the service academies, will be held in Lowell July 9.

Morse said that formal applications must be received by his Lowell office on or before June 20. Full particulars and application forms may be obtained from his office at 15 Kearney Square, Lowell.

Those boys who successfully pass the Civil Service exam and a preliminary physical will be interviewed by a non-partisan board of citizens who will recommend their nominees appointments to the Congressman.

One principal and three alternate appointments are open to eligible boys at West Point; one principal and five alternates, the Naval Academy at Annapolis; 11 competitive nominations, the Air Force Academy, and 10 competitive nominations, the Merchant Marine Academy.

Abbot Senior Has 4-Year Scholarship

MISS DOROTHY T. WHEELER

A young lady with a combination of intellectual vitality and boundless energy is the winner of a 1962 Celanese Scholarship for four years at the college of her choice.

She is Dorothy Tufts Wheeler, 18, daughter of Mr. and Mrs. Ira B. Wheeler Jr., of Brushy Ridge rd., New Canaan, Conn. Mr. Wheeler is director of market research for Celanese Plastics Company, a division of Celanese Corporation of America. His daughter is a senior at Abbot Academy, where she is a senior editor on the Courant, the school's literary magazine. The publication was recently declared a medalist, one of the top two awards presented by the Columbia Scholastic Press.

Among her varied activities, Darcy works on the school newspaper, belongs to the glee club and Current Events Club and has had a lead in a play. She has been class president twice, is currently serving as senior class secretary, has taught Sunday school and has sung in the church choir.

Recreation is divided between skiing, reading and dating. Her summers are spent on Block Island, where she enjoys sailing with her father.

Band Parents To Present Program

The Andover Band Parents Association will present a Talent Show and Musical Club Selections May 25, at the Andover High School.

Qualified judges will choose the winners from many talented Junior High and High School Andover children, and awards will be presented by the Band Parents Association.

The musical clubs will present choral works under the direction of Keith Gould, and the Concert Band will play various works, directed by Edward Grigoli.

Tickets are available from any band member or band parent, as well as in various stores in Andover.

Guild Women Plan Installation

First Grade Mothers of St. Augustine's School met recently at the home of Mrs. George McHugh, 29 Strawberry Hill rd., to plan their annual Guild Banquet, Installation of Officers and Dinner Dance, to be held on the Holiday

Eve, May 29, at the Yankee Doodle Colony Room.

Preceding the roast beef dinner, there will be a social hour between 6:30 and 7:30 p.m. During the course of the evening, various prizes will be awarded for novelty dances. This proved to be a popular feature at last year's Installation. Guild members may invite their friends if they desire, as this final Guild meeting is open to the public.

The Committee is as follows: general chairman, Mrs. George McHugh; menu, Mrs. William R. O'Reilly and Mrs. Thomas E. Meyers; gifts, Mrs. James D. Doherty and Mrs. Ralph Parrotta; orchestra, Mrs. James J. Reilly; publicity, Mrs. Joseph F. Guerrero.

Decorations, Mrs. William Funk, Mrs. George McHugh, Mrs. Louis A. DeLucia and Mrs. Dennis Connelley; tickets, Mrs. James M. O'Hagan, Mrs. Edward Sullivan, Mrs. Thomas E. Duff, Mrs. Richard E. Gannon, Mrs. James

E. Caselden, Mrs. Raymond La-Rochelle, Mrs. James Bateson, Mrs. Michael Brennan, Mrs. Stephen Shumsky, Mrs. William Doyle and Mrs. James Fairburn.

Arbor Day Ceremony Held

In honor of Arbor Day, young people at the Central School, in cooperation with the Garden Club, Junior Garden Club and Andover tree department, planted a small leaf Linden tree on the front lawn.

Miss Catherine Barrett conducted the program, in which several youngsters took part. It opened with the singing of "America" and the Salute to the Flag.

Charles Willand, fifth grader at Central, read a paper on "Why We Plant Trees on Arbor Day", and Wesley Shattuck followed with a paper entitled "Why Is Arbor Day a Day for Planting Trees?". "Our Friend, the Tree" was the title of Carol Loebel's presentation.

Jackie Ryder read the poem "Trees". She is president of the Junior Garden Club. One representative from each room at the school was present, with the responsibility of telling their classmates about the ceremony.

The following Central Elementary and Stowe School pupils represented their respective rooms: Chandler Bailey Jr., Wanda Batchelder, David Chapman, Peter Dearborn, Mary Lou Gaudette, Priscilla Gordon, Beth Harrison, Michael Kelly, John Karba, Glen Lawrence, Daniel Lippman, Carol Loebel, Laurence Loew, Helmut Lutsch, Timothy McQuade, Ann O'Rourke, Raymond Petzold, Peggy Senuta, Wesley Shattuck, Lois Sherman, Nancy Thompson, Larry Westfall, Winston Wetmore, Charles Willand, Patricia Wright and Jennifer Zollner.

Members of the Junior Garden Club present were George Anderson, Debra Beaulieu, Carol Beaulieu, Susan Dye, Dorothy Weeks, Barbara Burnham, Jane Brown, Elaine Giblin, Cindy Johnson, Sandra Butcher, Phyllis Thomas, Ann Martellini, Debbie Newhouse, Kathy Morrissey, Jan Newhouse, Jack Wilson, Bob Giata, Kyle Knipe, Susan Caldwell, Melissa Sherman, David Buck and James Buck.

HIGHER EDUCATION
NOW AVAILABLE AT
ANDOVER SAVINGS BANK

Under a new law recently enacted by our State Legislature, it is now possible for us to grant loans to qualified students who are in need of financial help to meet the costs of higher education.

Loans made under the HELP program, (Higher Education Loan Plan) are guaranteed in part by the Massachusetts Higher Education Corporation, organized and chartered in 1956 for the worthy purpose of helping young men and women who have started a program of higher education to complete their academic careers.

WHO IS ELIGIBLE?

Any resident of Massachusetts who is enrolled as a full time day student or cooperative plan student and is in satisfactory standing at an approved educational institution, is eligible. Such students must pursue a program of higher education and have satisfactorily completed the requirements of the first academic year.

If you are eligible and need a Help Loan, drop in at the office which is most convenient for you and fill out an application.

EDITORIAL THOUGHTS

The Whole Good

It appears to us that the Selectmen are making an honest effort to help solve the parking problem in Shawsheen.

Naturally all residents are not going to like their decisions, but this obviously can not be helped. As in almost every activity in our personal or public lives, trying to please everyone results in doing nothing, and pleasing no one.

We genuinely sympathize with residents who are experiencing a great in-rush of traffic, over streets that were not constructed for the purpose. If we were in their shoes, possibly we would be as active in our objections as they are now.

But the fact remains that all of the town must be considered, in making decisions. And the Selectmen, it seems to us, have to weigh the problems of the immediate area against the general good that is being done the town by having Raytheon here. The tax dollars, we must agree, look pretty good every year, compared to the income from empty buildings. Local businessmen, additionally, must be considered — one man estimates he receives \$20,000 gross income from Raytheon employees alone. Others also benefit from the heavy payrolls. If the merchants are prosperous, they, in turn, contribute to the healthy economic future of the community.

Another Step Along The Path

Another step along the Rogers Brook pathway was taken by the Selectmen Monday night, when they signed a bond, holding the state blameless for damages resulting from the construction of the brook, or from faulty design.

This may normally be a routine requirement — indeed, town counsel approved the wording of the bond — but we can't avoid a feeling of worry, every time the town engages in official activities with the much-disputed Division of Waterways.

Incidentally, the Selectmen are even now setting up a meeting with officials of that Division and the Department of Public Works of the Commonwealth, to further discuss getting the job out to bid. If this is not done prior to July 1, funds will not be available from 1961 appropriations, and must be earmarked from appropriations of the new fiscal year.

Wouldn't it be ironic if, after all this time and frantic effort by the town, the state just didn't have the money?

Another Headache For Us

The state Legislature, in its infinite wisdom, appears to be creating another headache for local government, in the guise of helping it.

The Legislature is now considering a bill to require banks to make two payments of tax money to the town, instead of the annual payment now received.

The Legislature reasons that receipt of the funds would make it possible for communities to pay their bills without short-term borrowing in anticipation of the annual payments.

In Andover, however, semi-annual payment would obviously mean at least double bookkeeping by the tax collector. Every account, on which a partial payment is made, must contain the appropriate entry, and show the balance due.

Account sheets, on which entries are made when the whole tax bill is paid, are not normally prepared until summer. These, then, would have to be rushed, and instead of one entry, would possibly carry three entries for each taxpayer.

At the moment, local banks begin paying taxes for their customers around mid-August, and continue until Nov. 1. Under the proposal, if the banks held onto the second payment until Nov. 1 as they would be allowed to do, the tax collector would have a mountain of work dumped in his lap in a couple of days.

Thus it seems that the smaller towns are once again going to be penalized, by a Legislature that claims it is trying to "help" the communities.

* * * *

Try to remember that it is just as easy to form good habits that will help you, as bad habits that hinder.

If all the useless words spoken were placed end to end, they would reach some man trying his best to concentrate.

Mr. and Mrs. Robert Lockhead have moved into C. W. Curtis' house on Park st.

Mrs. Alexander Dear has purchased the property of Mrs. James Scott on Summer st.

Frank Crockett, who is a petty officer in the Navy, is visiting his brother, Alexander Crockett, of this town.

Wednesday was the 50th wedding anniversary of the Rev. and Mrs. C. C. Carpenter.

Charles Mayer of this town leaves Saturday for Wyoming.

The restoration of Phillips Hall is at present about completed. It is the oldest of the school buildings now standing, having been constructed in 1808. In 1870, the rear wall cracked just as it did last summer, and was re-built at that time.

A very serious fire occurred Wednesday afternoon at the home of Richard Ward of Lowell st., Frye Village, when the two barns and a hen house burned to the ground. The rear of the house was badly damaged.

A light vote was cast here at the first presidential primary. In all, 631 voted. In the presidential preference, Pres. Taft received 285 votes and Col. Roosevelt 224.

The Sunday School class of John W. Bell entertained their friends in the Parish House of the Free Church Monday evening. The Committee included James Christie, Walter Lawson and Floyd McDonald.

25 Years Ago — May, 1937

The Andover Council of Parent-Teacher Associations met Monday night, with several items of interest on the agenda. Chief among them is coordinating a plan for physical education throughout the schools, and a committee was named to confer with the School Committee. Also under discussion was the need for telephone communications in the schools — only the High and Junior High now have telephones.

The town's new, \$3,280 ambulance arrived in town Thursday afternoon.

The Shawsheen Village Community Association is continuing to work towards use of the Richardson School as a meeting place, and is considering the best way to raise money for needed renovations.

Many Shawsheen families gave money towards the construction of the building, and the land was given to the town by the Dove family. The Richardson fund, for the purchase of books, is a continuing fund.

The annual May breakfast will be served Saturday morning in the town house, by the Legion Auxiliary. The menu includes fruit, ham, beans, coffee, rolls, relishes, doughnuts, cheese and pie.

A Townsman editorial this week observes that better bicycle safety could be attained, if all bikes had to be registered, and number plates attached to the bikes before they can be used on the streets.

10 Years Ago — May, 1952

A surprising 2,453 persons voted in the presidential primary Tuesday. By a 2-1 margin, Republicans

selected Gen. Eisenhower as their candidate for president, over Senator Taft. Democrats chose Senator Kefauver. By contrast, only 103 voters went to the polls four years ago. Considerable anxiety existed for a while, as so many voters appeared that it was thought ballots might become scarce, and extra crews had to be secured to handle the additional work.

The air-ground observer force is going on a full-time basis, according to C. D. Director Albert Cole Jr. This will necessitate asking for more volunteers to man the local observation post on the 24-hour schedule.

The Service Club is backing one team in the Junior League.

Punchard's varsity track team won the invitational meet at Gloucester Saturday, 311/2 to 301/2 for Gloucester.

The annual trout derby will be held Saturday and Sunday at Hussey's Pond, for all children of the town 12 years old or under. The Sportsman's Club sponsors the event.

With the closing of the season, all Littlest Listener groups will have their annual last day parties, beginning Wednesday, May 9, for the Robins, May 10 for the Ballardvale group in the branch room and May 16 for the Cardinal group at the Memorial Hall Library.

All mothers are invited to remain in the room with the children to observe the program and share in the "party" atmosphere. There will be stories, perhaps a recording acted out by the children, or games to show participation. Any little person who has been present at some part of the season is invited to the last day meeting.

Mothers may wish to plan ahead for the next enrollment. Full

details will be given later. Pre-registration is important, as the groups are limited in numbers.

Art Has Many Faces

A number of beautiful books on the arts caught the attention of those who visited the library during National Library Week to look over the displays of books, and many readers made out reserveslips for one or more. The library staff chose to make a broad interpretation of art in assembling the display and included the following titles: Art And Architecture In Italy, 1605-1750, Wittbover; Japanese Music and Musical Instruments; Plant Marvels In Miniature, Possma; English Cathedrals, Hurlimann; The Earthly Paradise, Hofmann; A Net Of Fireflies, Stewart; Modern Architecture, Scully; The Civil War; The Artist's Record, Williams; Glass Craft, Kinney; Sculpture: Techniques In Clay, Wax, Slate, Eliscu; Creative Color, Birren; Chinese Art, Leon-Goldschmidt; Painting Children In Watercolor, Olsen; The Eye Of The Painter, Loomis; Collage, Janitz; Search For The Tassili Frescoes, Shote; Paintings Of The World's Great Galleries, Bilzer and Chinese Art Treasures.

Inside Books

If you like to know about the current books, be sure to pick up a copy of "Inside Books", a monthly newsletter which describes books just off the press or about to be printed. The library offers these to readers along with the New Book Sampler, its own purchase list. "Inside Books" has an informal, somewhat "chatty" format, has a section on the new and noteworthy books in fields of fiction, current events, biography, how-to books and miscellaneous writings, and prints the national best seller lists of both fiction and non-fiction each month.

Looking Ahead

Back in 1907, Theodore Roosevelt wrote a letter to the school children of America about Arbor Day and its importance. Among other things, he said "A people without children would face a hopeless future; a country without trees is almost as hopeless; forests which are so used that they cannot renew themselves will soon vanish, and with them all their benefits. A true forest is not merely a storehouse full of wood, but a factory of wood, and at the same time a reservoir of water". In the spirit of his words, the library offers readers a reminder that April is the month in which Massachusetts citizens observe Arbor Day, but that every month should find us offering continued protection to our heritage of forests, woods, streams, birds, soil — everything that makes our world a thing of beauty. The library can supply material on the conservation of natural resources, and the wonderful science of helping preserve the balance of nature.

The next meeting of the Board will be May 17, at 7:30 p.m. in the Memorial Hall Library. Plans are also underway for the annual meeting, to be held June 28. Tickets will be available soon for the event, and industrial participation in this and future Trade Bazaar activities will be stressed.

Art Has Many Faces

A number of beautiful books on the arts caught the attention of those who visited the library during National Library Week to look over the displays of books, and many readers made out reserve slips for one or more. The library staff chose to make a broad interpretation of art in assembling the display and included the following titles: Art And Architecture In Italy, 1605-1750, Wittbower; Japanese Music and Musical Instruments; Plant Marvels In Miniature, Possma; English Cathedrals, Hurlimann; The Earthly Paradise, Hofmann; A Nest Of Fireflies, Stewart; Modern Architecture, Scully; The Civil War; The Artist's Record, Williams; Glass Craft, Kinney; Sculpture; Techniques In Clay, Wax, Slate, Eliscu; Creative Color, Birren; Chinese Art, Leon-Goldschmidt; Painting Children In Watercolor, Olsen; The Eye Of The Painter, Loomis; Collage, Janis; Search For The Tassili Frescoes, Shote; Paintings Of The World's Great Galleries, Bilzer and Chinese Art Treasures.

Inside Books

If you like to know about the current books, be sure to pick up a copy of "Inside Books", a monthly newsletter which describes books just off the press or about to be printed. The library offers these to readers along with the New Book Sampler, its own purchase list. "Inside Books" has an informal, somewhat "chatty" format, has a section on the new and noteworthy books in fields of fiction, current events, biography, how-to books and miscellaneous writings, and prints the national best seller lists of both fiction and non-fiction each month.

Looking Ahead

Back in 1907, Theodore Roosevelt wrote a letter to the school children of America about Arbor Day and its importance. Among other things, he said "A people without children would face a hopeless future; a country without trees is almost as hopeless; forests which are so used that they cannot renew themselves will soon vanish, and with them all their benefits. A true forest is not merely a storehouse full of wood, but a factory of wood, and at the same time a reservoir of water". In the spirit of his words, the library offers readers a reminder that April is the month in which Massachusetts citizens observe Arbor Day, but that every month should find us offering continued protection to our heritage of forests, woods, streams, birds, soil - everything that makes our world a thing of beauty. The library can supply material on the conservation of natural resources, and the wonderful science of helping preserve the balance of nature.

GREEN LIGHT FOR SIDEWALK BAZAAR

tos, Robert C. Chase, Leslie S. Bartow, W. Rodney Hill, Mary S. Angus, Marion S. Carpenter, Robert W. Phinney, Hyman A. Saber, William F. Hickey and Raymond B. DeRuisseau.

During the Selectmen's meeting Monday night, Mr. Thompson explained that traffic can be diverted around the section of Main street from the Square to Chestnut street without inconveniencing any shoppers or participants in the Bazaar. The parking areas beyond Chestnut st. on Main will be open and available, and activities of the Bazaar will extend along Main street to Pynchard ave., thus taking advantage of the retail area.

The Selectmen agreed promptly to the request, after hearing the assurance that proper police protection will be maintained and the approval of the police and fire departments will be secured for the emergency flow of traffic.

Other Items
Last week's meeting of the Board of Trade also found other items on the agenda - parking and Urban Renewal.

The next meeting of the Board will be May 17, at 7:30 p.m., in the Memorial Hall Library. Plans are also underway for the annual meeting, to be held June 28. Tickets will be available soon for the event, and industrial Trade Board activities will be stressed.

CAPITOL COMMENT

By
**YOUR CONGRESSMAN
BRAD MORSE**

Just before the House of Representatives adjourned for last week's Easter Recess, we acted on two measures of vital importance to our nation.

The funds we approved for national defense represent \$258 out of the pockets of every man, woman and child in America. The House of Representatives put an unanimous stamp of approval on \$47,839,491,000 for Fiscal Year 1963 - the biggest peacetime military budget in United States history. Stupendous as this \$47.8 billion figure is, it does not actually present a complete picture of the entire defense effort, since civil defense, military assistance overseas, and military construction programs are not included in the Department of Defense Appropriation bill.

As I listened to the debate on the House floor, I was particularly struck by the remarks of the Chairman of the Defense Appropriations Subcommittee, Congressman Mahon of Texas, when he said: "We do not know what the future holds. There are many uncertainties that lie ahead of us. About one thing there is no doubt, however, and that is the necessity, the urgent necessity to maintain superior military strength in this country. The passage of this bill will evidence to the whole world the determination of the United States Congress to stand resolute and firm in the face of the Berlin crisis, in the face of all other international crises, in the face of threats to our freedom in any area of the world. It is up to the Congress to provide funds for our military power. It is a sobering and demanding responsibility which we are required to fill in this field."

Support of the appropriation was completely bi-partisan and not a dissenting vote was cast on final passage of the bill.

The bill provides for more than 2.6 million servicemen and women, and approximately a million civilian workers. It directly affects the employment of millions more non-Government workers in defense plants. It calls for two additional regular divisions of the Army, and acceleration of the state of readiness of all branches of the service.

During the forthcoming fiscal year, if the Senate sustains our action, we will have four more squadrons of Minuteman missiles, raising our total force to 800; six more Polaris submarines and advanced procurement for another six, increasing our total to 41; three RD-70 aircraft; additional surface-to-air Nike-Hercules missiles. The bill provides for development of Midas, a system of orbiting satellites for warning against ICBM attack, and more funds for the development and testing of the Nike-Zeus anti-missile missile.

As predicted in an earlier newsletter, the \$1.5 billion Military Construction bill also sailed through the House without opposition. It authorizes \$1,619,000 for supply facilities and troop housing at Fort Devens, and \$1,540,000 for operational facilities, administrative facilities, utilities and real estate at Hanscom Field.

When money talks in a business deal, don't pin too much faith on what it says.

Boys Will Attend Training Program

A family night was held by Troop 76, Ballardvale, in the Community Room.

A board of review, and court of honor were held. Six boys were presented their second class badge. They were Robert Demers, Ted Demers, William Spencer, George Moss, Ronald Bentley and Jeffrey Bentley. Rusty Wrigley was awarded his First-Aid Merit badge. Six new boys have joined the Troop. A movie "Footsteps of the Pioneers" was shown and refreshments were served.

Next weekend, May 4, 5, 6, there will be a Junior Leaders training program under the Leadership and Training Committee of North Essex Council, to be held at Bailey's Pasture in West Andover. The chairman will be John E. Ingalls. An adult and three boys from each troop will attend the council. Visitors will be welcomed at any time on this weekend. Carl Anderson, Lewis Trumbore, George Moss and Donald Wrigley will attend from Ballardvale.

Couple Marked 50th Anniversary

Mr. and Mrs. Joseph W. Wood, 31 School st., celebrated their 50th wedding anniversary April 24.

They were married in Lawrence on that date, in 1912, and have lived in Andover ever since.

Mrs. Wood is the former Hannah Stansfield of Lawrence. The couple has two children, Jane Petrie of Andover and Mildred Newth of Harrison, Me.; also five grandsons.

The couple was guest of honor at several dinner parties and received numerous gifts, flowers and cards.

Mr. Wood was also given a party by his co-workers in honor of his retirement after 32 years of employment at Abbot Academy.

Little League

The Pirates and Tigers scored whopping victories in the opening doubleheader of the season.

The Pirates whipped the Red Sox, 13-2, while in the second game, the Tigers piled up 13 runs against three for the Giants.

Hinman was winning pitcher for the Pirates, allowing only two hits in the six innings. Saunders, while losing, struck out six.

Sandy Luedke and James Gillen of the Tigers were outstanding in the field, and Ken Musen of the Giants turned in a fine fielding performance.

Heart Ball Funds Go To Research

The treasury of the Essex North Chapter of the Massachusetts Heart Association was enriched recently, upon receipt of a substantial check from the Beta Sigma Phi Sorority of Andover.

The Sorority was the sponsor of the 1962 Andover Heart Ball, and the proceeds from the affair will now be utilized to support a current cardiac research program.

Accepting this gift from Mrs. Howard Bond, Mrs. Richard Kluge, Mrs. David Roberts and Mrs. Richard Homewood of Beta Sigma Phi was Dr. William R. O'Reilly, vice president of the Essex North Chapter.

Minstrel Show By Pilgrim Fellowship

The Free Church Pilgrim Fellowship is planning a gala minstrel show for Friday evening, May 18, at 8 p.m.

Tickets are available from members of the group. The theme of the show is "Song of the South". Many specialty numbers are planned, along with the traditional minstrel songs. The music is being directed by Donald Amy and Everett Gorrie is in charge of the end men.

What Our Readers Say—

To the Editor of the Townsman: "Your editorial of April 19 was, in my opinion, quite unfair to the residents of Fleming ave. and vicinity.

"It is easy for you to talk about bad judgment on the part of the Board of Appeals in denying a variance granting parking at the end of Fleming ave. It is equally easy for others of the town, who probably know little or nothing about the situation, to judge also. You sir, no doubt, live in a clean, quiet, and safe residential area, as do quite a lot of people reading your editorial.

"No doubt also, you wish to keep it that way. Why, then, should we in this vicinity, merely because we wish also to keep our neighborhood clean and safe, be condemned because we do not desire to have 500 or more cars racing up and down the street - a street, by the way, which is no more than a few hundred feet long, with a blind and dangerous curve in it - and endangering the lives of our children and causing a considerable drop in the valuation of our property.

"As a result of all this illegal parking up here, one child, my son, was nearly killed by one of those cars racing up around the blind curve. Yet hardly a thing was done or said about that, outside of a lot of promises.

"But according to your editorial the only important thing is that we must, by all means, supply a parking space for these people, regardless, evidently, of who has to be sacrificed to accomplish this.

"It seems to me, and probably to quite a few others, that the officials of this town should have had the foresight to have seen the eventual need of parking. But they didn't, so now I and my neighbors are supposed to bear the full brunt of all this.

We want only what everyone else in the town desires, to bring our children up in a safe and decent neighborhood. And until recently this street was quiet and safe for our children. But now it has been turned into something short of a speedway or race track, with cars racing to see how close they can get to the plant and how fast they can get out. And please, sir, do not insinuate that this is not true, because it very definitely is true. We have had to live with it for the past three months.

"I might also remind you that there isn't even a fire hydrant on this street. So we only pray there isn't a fire, as the trucks probably couldn't get up the street anyway. It has also been suggested that a sign be posted, warning motorists of children in the area. Sir, you have only to come up the street to see that no such sign has been put up.

"You wonder why we protest? These are only a few reasons. Why should we be condemned because we refuse to put up with the dangers of these cars racing up and down, the motorists' abuse and discourtesy and the absolute lack of respect for the people and their property. Also in your paper of April 19 it was stated that Raytheon intended to do something about their employees if they are abusive and discourteous and that a second report would result in dismissal. Would you then please explain why, when called about this, the plant claims that they are not responsible for their employees outside the plant. It looks like plain double talk to me.

"We believe also that the owner of the property at the end of Fleming ave. (Mr. Champy - Ed. note) should be made to comply with the zoning laws.

"What are zoning laws made for anyway? Evidently to be broken like any other law, if it fits the

need at the time.

"We, sir, are thoroughly disgusted with the whole mess. You do not have to live with it, so it is quite easy for you and others to talk. But I just wonder how some officials and others would react if told they were going to have a parking lot at the end of their street, with cars parking practically in their back door. They would be the first to holler, and the loudest.

"There is an answer to all this somewhere, I don't know what it is and I do not choose to act as though I do, but the real answer should be one that is satisfactory to all. Not one where we sacrifice some, to satisfy others, and the end resulting in a situation that is highly dangerous. Someone probably is going to be killed or injured.

"And if the mess is allowed to continue, the one injured or killed will probably be a child.

"Being a mother, my first thought is for the safety and protection of my children. If this is wrong, then wrong I am, and will continue to be."

What Our Readers Say—

To the Editor of the Townsman: "The entire 'Editorial Thoughts' column in your issue of April 19 was extremely interesting and thought provoking. In general, I found myself nodding approval as I read. However, on two matters my head shook in disagreement, i.e., the question of law enforcement and the true perspective of industry vs. residence in Andover.

"One major distinction which has always been made between a democracy and a dictatorship is that the former is a government of laws and the latter is a government of men. In the former the people, either directly or through their representatives, make the laws, which are then enforced by an executive and interpreted (not made) by a judiciary. In the latter the dictatorship makes the laws, enforces them and interprets them. The people have little or nothing to say about them.

"In Andover the laws are made by the town meeting, enforced by the Board of Selectmen and town manager and interpreted (when required) by the Board of Appeals or the Commonwealth Courts. For its decision on the off-parking question for Raytheon, the Board should be commended rather than criticized. As you say, this off-street parking would have been 'the easiest answer of all'. However, it is not the Board's responsibility to provide a solution. It is its responsibility only to decide whether or not the proposed solution is permitted under the rules adopted by Andover's Legislature, the Town Meeting. I feel sure that the members of the Board saw just as clearly as others did that the proposed solution might be a very practical one. It took courage to ignore as they must, this factor and render their opinion solely on the law.

"This, of course, does not mean that the town should be made subject to what you call 'Comm-Picking Legalisms'. If by this you mean that good judgment should be used where by-laws or statutes are reasonably flexible and probably intended to permit some latitude, nobody can quarrel with you. However, if by this you mean that, in order to achieve a pre-determined solution, a by-law or statute which is clear and unequivocal should be ignored, then we are on dangerous ground. We can pick up any daily paper in the Commonwealth any day and see what disregard of laws, ethics and morals have done to Massachusetts. The only way that situation can be corrected is through dedication to the observance of every requisite no matter how small. Violations beget more and wider violations.

"So far as industry vs. residence in Andover is concerned, my sole interest is that it be presented in its true perspective. Certainly, Andover should welcome any tax help it can get from desirable industry, desirable commerce and desirable residential construction. However, when we discuss the effect of industry coming into Andover, cutting back or leaving Andover, the townsfolk should know dollar wise just what it would mean.

"Last year when the Committee for the Study of Municipal Costs in New Housing" issued its report, it said "---- from the Assessor's Office the total assessed valuation of industrial property, including personal property associated with it ---- comes to slightly less than \$2,000,000. ---- Total current assessment of the Town is \$88,500,000." In other words industry was contributing 6.8% of the total town revenue. If all of industry had 'pulled out' at that time,

Andover's tax rate would have gone from \$26 per thousand to \$27.75, provided that the town costs would have remained the same. However, costs associated with industry would have been eliminated also and the increase could have been less. I am not, by any means, advocating driving industry out of town or refusing to permit additional industry to come in. I am merely pointing out that, when it becomes necessary to decide which way to jump when the interests of industry clash with those of residences, it is well to remember that industry contributes about 7% of the town revenue and residential and commercial areas contribute 93%."

Refreshments were served and the following books were reviewed: "The Lovely Land" - Sigurd Olsen, Mrs. William McIntyre; "The Red Fountain" - J. Montepit, Miss Helen Davies; "Off My Toes" - Elsie Masterson, Mrs. Henry Myers; "The Listener" - Taylor Caldwell, Mrs. Albert Warner; "Swing As We Go" - Gracie Fields, Mrs. Robert Mears; and "Mary Emma and Co." - Ralph Moody, Mrs. Robert Mears.

Those attending were Mrs. McIntyre, Miss Davies, Mrs. Irving Shaw, Mrs. Myers, Mrs. Anna Hess, Mrs. James Letters, Mrs. Winford Farr, Mrs. Mears, Mrs. Warner, Mrs. Robert Mitchell, Mrs. James Eldred and Mrs. Froburg.

The next meeting will be held May 10 at the home of Miss Helen Davies on Dascomb rd.

Mr. Duff reported that the Lawrence realty firm owning the

smaller parcel of land - which could hold 20-25 cars - has not yet agreed to the use of the land. The York st. parking - with provisions against a U-turn - is allowed only as long as hazards are not created in the area, it is understood.

Attending the meeting was Police Chief David L. Nicoll, and a group of residents from the Sutherland st. section, who were concerned with parking in that area. Most of that group appeared to agree that the three suggested sites would be all right - but continued to express concern over the possibility that parking on industrial property behind Raytheon will mean congested traffic on their streets. Chairman Russell G. Doyle, in asking the residents to express an opinion on the three immediate solutions, suggested that their area would be discussed specifically if and when parking is considered for the industrial section.

BARNARD CONTEST THIS MORNING

(Continued from Page One) Doyle, "The Neighborhood"; Judith Leadbitter, "The Last Stand"; Suzanne Johnson, "Fascination".

The program is under the direction of Miss Beatrice Stevens. Teachers assisting are Miss Linda Klitzman, Mrs. Donald McAninch, Mrs. Robert Hannigen and Bernard M. Kellmurray.

Music is under the direction of Keith H. Gould and Mrs. Miriam McArdle.

BEGIN STUDY

Public Works Commissioner Jack P. Ricciardi has informed Rep. William J. Casey of Lawrence that preliminary engineering plan studies will be started for an access from Route 114 in the Den Rock area of Lawrence to the

Raytheon missile plant in Andover. Rep. Casey was instrumental in getting the bill authorizing the laying out and construction of the road passed by the Legislature. Casey pointed out to Ricciardi that the road would relieve heavy traffic congestion

**Miss Chang,
Mr. Chou Engaged**

MISS YI-AN CHANG

Of interest to local residents is the engagement of Miss Yi-an Rosita Chang to Mr. Chou Wen-chung.

Miss Chang is on the faculty of Abbot Academy and she is also an internationally known concert pianist.

Mr. Chou is an alumnus of the Chung-king University, studied at the New England Conservatory of Music, and received his Master's degree from Columbia University. He is the composer of several symphonic works which have been played by major orchestras in this country and Europe. He is on the board of directors of the International Society of Contemporary

Music and on the editorial board of the American Composers Alliance. He is presently on the faculty of Brooklyn College. Mr. Chou is the son of Mr. and Mrs. Chou Chung-chieh of Shanghai, China.

Miss Chang is the daughter of Dr. and Mrs. Chang Hsin-hai of Great Neck, New York. Her father is the former Chinese Ambassador to Poland, Czechoslovakia, and Portugal. He is now professor of humanities at Fairleigh Dickinson University. Her mother was professor of literature at the National Central University, Nanking, China, and is now a radio officer at the United Nations.

The bride-to-be attended Vassar College and studied with a fellowship at the Juilliard Graduate School of Music under Olga Samaroff and James Friskin. She also studied in Europe with fellowships from the Whitney and Martha B. Rockefeller Foundations.

A June wedding is planned.

WINWARD ELIGIBLE FOR PROMOTION

Firefighter Walter Winward's name is the single listing by the Civil Service division, for those eligible to be appointed as lieutenant in the fire department.

The exam was held many weeks ago, and announcement from the state agency was received late last week. The local vacancy was caused by the retirement of J. Woodrow Crowley.

It is anticipated that a second exam, for the three additional officers approved at town meeting, will be called in the immediate future.

Jack Slater, who has been spending some time with Mr. and Mrs. Arthur Peatman of Cutler rd., recently sailed from Montreal, Canada, for his home in England, where he will visit for a while before returning to Australia.

A LAWRENCE CO-OPERATIVE home loan is a friendly thing

Some folks dread a mortgage loan. They don't know that a Lawrence Co-operative home loan can be a friendly, human, helpful aid to comfortable ownership of a home.

You just drop in and tell us your plans to buy, build or refinance your home. You tell us about your job or other income, and we help you arrive at a comfortable monthly payment which will take care of your interest, 1/12 of your year's taxes and a partial reduction of your loan.

You have the privilege here of making advance payments, without penalty, on your principal, which can reduce your total interest costs considerably.

Rutter Named By Selectmen

Harold Rutter Jr., recently re-appointed an associate member of the Board of Appeals, has been appointed a full member.

The Selectmen took action Monday night, two weeks after accepting the resignation of Atty. Joseph Bacigalupo, who has moved

to North Andover.

Mr. Rutter's promotion to the full board leaves a vacancy in the associate ranks. The Selectmen agreed to think about possible appointees, particularly a lawyer.

The three-member Board now comprises Atty. Alfred W. Fuller, chairman; Edmond E. Hammond and Mr. Rutter. Associate members are Atty. Robert Zollner and Harry Sellars.

During a discussion preceding the appointment, the Selectmen noted that the post seems to be more complex, because more applicants are now represented by counsel. Thus, they agreed, the presence of lawyers on the Board is necessary.

Mr. Rutter is the town's part-time plumbing inspector.

Science Night At Junior High

The annual Science Night presentation of the Andover Junior High School will be held this year Thursday evening, May 3, from 7-9 p.m. at the school gymnasium.

Science projects prepared by individual student's research in many areas will be exhibited. Students from the seventh, eighth and ninth grades will have on display projects in the fields of biology, chemistry and physics. This year outstanding projects from each of the three grade levels will be awarded commendation ribbons as prizes.

Many projects will be working models, illustrating the various principles and theories of science. Notable areas of interest will be the group project concerned with atmospheric study, balanced terrariums, solar cooking and housing, and bacteriologic con-

cepts.

The faculty and students of the science department wish to extend a cordial invitation to attend Science Night.

School Menu

The public school menu for next week follows:

Monday - spaghetti with meat sauce, cheese sticks, buttered wax beans, Italian bread and butter, cottage pudding, with chocolate sauce and milk.

Tuesday - beef pie with vegetables and flaky crust, mashed potato, Vienna bread and butter, grapefruit in raspberry gelatin with topping and milk.

Wednesday - corn chowder, assorted sandwiches, egg salad, cheese and tomato or peanut butter and jelly, ice cream and milk.

Thursday - roast turkey-brown gravy, mashed potato, buttered green beans, cranberry sauce, buttered dinner roll, fruit and milk.

Friday - fruit juice, tuna salad roll, buttered peas and carrots, potato chips, chewy peanut butter bars, with raisins and milk.

Praise to the Lord, the Almighty,
The King of Creation!
O my soul, praise Him,
For He is thy help and salvation!

Although Joachim Neander was descended from four generations of clergymen, his student life was riotous and profligate. He went with friends to a church service to criticize and ridicule, but the earnestness of the sermon touched his heart. He retired to a cave on the beautiful Rhine to meditate and pray. Here his inspiring hymns were written, and it still bears the name Neander's Cave.

Summer School Session Planned

The Andover Summer School will run from July 2 through Aug. 10.

Courses scheduled last year will be re-scheduled this year. They include English 7 and 8; Mathematics 7; Remedial and Developmental Reading; Grades 5 through 12; Algebra I; Personal Typing; Composition; French I and Driver Education. The content of Mathematics 8 will be modified into a course known as Pre-Algebra.

Three additional courses are contemplated this year if there is sufficient demand. These are American History, Latin I, and Algebra II. Registration forms will be distributed shortly throughout the schools.

Bagpipe Band Planning Concert

May 19, the air in the vicinity of the Andover Junior High School will take on a definite Scottish tang, when the Clan MacPherson Bagpipe Band of Lawrence presents a Concert and Tartan Ball. The well-known kiltie band of Lawrence has appeared many times in the past in Andover and is quite a favorite with local citizens in the annual Memorial Day Parade.

In addition to local events, they have performed at colleges, country fairs, shopping centers, folk festivals, conventions, political rallies and church concerts. Their annual appearance during the Clan Memorial Services at the Cathedral of the Pines always adds to the beauty of the solemn occasion.

However, this is the first time in the history of the band that it has decided to sponsor a concert and dance. With this in mind, an outstanding Scottish program, featuring exhibitions of piping, drumming, and drilling has been planned.

Highland dancing and Scottish country dancing promises to delight the viewers as will musical

numbers by various talented bandsmen. Vocal selections will add to the evening's festivities.

Following the concert, general dancing will be enjoyed.

While dress is optional, it is expected that many colorful Highland costumes will be evident as Scottish residents proudly display their tartans and ancestry.

Reservations are now available and may be obtained locally from any of the following Andover residents: Andrew Campbell, David Bell, Chester MacMillan, Bruce Campbell, Wallace Bell, James Wilson Jr., Morris Campbell and Herbert MacMillan.

2 Performances Of Oklahoma!

Andover High joins Phillips and Abbot Academies this weekend in two performances of Rodgers and Hammerstein's "Oklahoma!"

The director of the musical, as in past years, is Harold Owen, who, with William Schneider, has assembled this year's troop of actors from the more than 100 people who tried out for the leads.

Appearing for her third time in Academy musicals, Andover High's Sharon Morris plays the part of Aunt Eller in this year's production. Also appearing for the third year is Phillips Academy's

Dave Quattrone of Riverside, Conn., with the male lead, Curly. Opposite him, Janet Workman, a senior at the High School, plays Laurey. Claudia Gordon plays Ado Annie and James Mettler of Upper Nyack, N. Y., plays Will.

Others in the cast include Joan Haggerty, the Adelaide of last year's Guys and Dolls, as Gertie Cummings; Mary Ellen Essiam-bre, as understudy to Miss Workman; Gwen Young, JoAnn Bravacos and Karen Deyermund, in supporting roles.

Music for the production is under the direction of Mr. Schneider, and includes a mixed chorus and orchestra, selected after local try-outs.

The May 4-5 showings of "Oklahoma!" celebrate the 19th anniversary since this production first hit Broadway.

Performances begin at 8:15 in George Washington Hall, Phillips Academy. Reserve tickets are on sale.

ATTEND MEETING

Twelve members of the West Parish Church attended the annual meeting of the Andover Association of Congregational Christian Churches, which was held last Sunday afternoon and evening in the South Congregational Church in So. Lawrence.

URBAN RENEWAL WAS DISCUSSED

(Continued from Page One)

also be given to the Selectmen. Of significant importance during the session was a promise by Chairman Russell G. Doyle of the Board of Selectmen that his Board will seek the preliminary opinions of the other interested boards and committees of the town.

He asked Bernard J. Magane, the town's full-time assessor, to prepare the general comments of the assessing department, as they view the preliminary plans for the renewal project.

The Planning Board will be asked to furnish its feelings on the subject to date, regarding the planning phase, for the guidance of the Selectmen. Mr. Doyle made it plain that the Selectmen would not reach a decision of their own, without first asking for and receiving the opinions of officials who are dealing directly with phases of the program.

Taxes also played an important part in the discussion Tuesday night.

Mr. Magane explained a set of assessment figures provided by the assessors' office, which show that the entire Urban Renewal area is presently assessed at \$1,787,600. If the taxes paid on property within the area were taken away all at once, the effect on the tax rate would be 50 cents, he stated.

However, Mr. Hall was quick to point out that, contrary to the actions in some other renewal areas, whole sections will not be cleaned out here. Buildings will be left standing and in use until developers are ready, he explained. If the property has passed into the hands of the local agency rents will be collected. But in no case will great, barren areas be created, it was stressed.

The rents, according to Mr. Hall will be used to pay taxes on the existing structures - thus helping to assure the town of continuing income from parts of the project area, while other sections are being cleared.

According to Mr. Magane, taxes will be due on property that is standing as of Jan. 1 of the year. If demolition follows later in the year, and a developer purchases the property within weeks of its clearance, there should be no significant change in the income from the property. He noted that the assessment on land alone will increase, when prepared for construction, thus helping to take up the slack in tax income.

Considerable attention was also given to the Housing Authority's role in handling the project, if it is approved at the town meeting in October.

Chairman David McDonald Jr. told the Selectmen that his agency would be happy to have the comments of other town boards and committees on any phase of the program.

Town Counsel Frederic S. O'Brien noted that the Urban Renewal plan is not zoning - but restrictions imposed on the area

are far more severe than the town's zoning requirements of this time. As the plan does not constitute zoning, the Board of Appeals would have no function in the future of the area.

Special Night For Bridge Newcomers

Plans are underway for a "Get Acquainted with Duplicate Bridge" night at the High School May 10, starting at 7:30.

A special section will be set aside for newcomers to duplicate bridge. Proceeds from the special activity will go to the Recreation Council. Tickets may be obtained from Mrs. William Pratt, Mrs. Edgar Joiner, Mrs. Thomas Dye, Mrs. Edward Clegg, John Flournoy, Walter Norris and Edgar Best.

Last week, with 17 tables in play, the winners were:

LICENSES LANGUISHING IN CLERK'S OFFICE

Many licenses, granted by the Selectmen for local businesses of many kinds, have not been picked up by the businessmen.

Town Clerk Irving O. Piper has about 40 licenses in his office, all of which were supposed to be effective May 1. He requests that holders of special licenses pick up the documents immediately, as they are supposed to be on the premises.
